The inventors of Latin Romanian, English, Arabic, Russian, Chinese, etc., locked many gods, persons, etc, in hell, wars, death, the unknown, etc. ----- Until 2011, the Romanian language was worth almost nothing, and according to Israel's plans, the Romanian language would have been replaced by Latin until the year 2000. ----- According to Russia's plans, the Romanian language will be eliminated with nuclear explosions. ----- According to America's plans, the Romanian language will be eliminated with financial extortion, music alcohol and bitch clubs, bribes, etc. ----- According to his plans ...., the Romanian language will be eliminated with ..... ------ According to the creator's plans, the Romanian language has been, is, and will remain eternal, because in it there is his name, Eternal Order, 24999, eternity, peace, love, etc. ------ Try to steal a piece from the name of the creator, Eternal Order, 24999, eternity, peace, love, etc, and put in Chinese, Russian, Arabic, Latin, etc, to see if it is possible, if it maintains its taste and utilities, and if it multiplies. 3344. Luat la misto de mafiile glanda pineala, religioase si politice din Italia, dupa o reteta pregatita special pentru mine, timp de doua mii de ani. Reintoarcerea lui Isus Hristos, Anton fiul cel pierdut, Cristian fiul cel iubit. Aceste mafii de asasini, pedofili, oligarhi, talhari si canibali, nu vor sa accepte adevarul, si realitatea, exprimate de anatomie, stiinte, tehnologie, creator, corpul invizibil viu infinit, etc, si incearca in continuare sa falsifice realitatea, adevarul, pacea, unitatea, egalitatea, libertatea, eternitatea, creatorul, etc, asa cum au facut in ultimii zece mii de ani. Am protestat din prima zi la sechestrul meu. Am inregistrat audio, ca ai voi reclama la tribunal, consulat, avocat, etc. Au ordine de la guvern sa ma tortureze, mutileze, ameninte, intoxice, etc. Au trimis polizia sa ma oblige sa merg in spital de psihiatrie. Am fost sechestrat si incuiat in spital. Acolo am vrut sa fac greva foamei si sa refuz orice medicament. Au spus ca ma leaga de pat si imi da injectii cu forta, daca nu vreau sa i-au pastile. Totul inregistrat. M-au amenintat ca daca nu ma intorc la religia din epoca de piatra cu persoane spanzurate sau torturate, sau mutilate, sau asasinate in chiloti pe litera t, o sa am probleme si mai mari, si voi fi inchis mereu la ei, cu forta. M-au amenintat ca daca nu renunt la religia Etern Ordin SSS666NNN, o sa am probleme si mai mari, si voi fi inchis mereu la ei, cu forta. Desi italienii au semne grave de nebunie, mostenite din tata in fiu, timp de doua mii de ani, s-au gandit sa al aresteze si sa al inchida intr-un lagar de psihiatrie pe cel mai sanatos si informat de pe planeta Pamant si din tot infinitul. Trebuie sa arestam toti medicii, politicii, judecatorii, etc, care au participat la arestarea si umilirea mea, a anatomiei, stiintelor, adevarului, creatorului, etc. Psihologii si psihiatrii din Italia, sunt convinsi ca anatomia, matematica, stiintele, Etern Ordin, SSS666NNN, creatorul, corpul invizibil viu infinit, tehnologia, infinitul, etc, sunt bolnave psihic si au nevoie de tratament psihiatric, psihofamace, amenintari, intimidari, injectii, si italieni, ca sa fie salvati desteptati si educati. Vad ca chiar au avut curajul sa ma cheme din nou la alta injectie obligatorie, pe data de 9 noiembrie 2021. Vor sa ma omoare cu o injectie. Asa cum l-au asasinat pe tata pe 13 iulie 2012 in spital, in Romania, orasul Roman, tot cu o injectie. Au gandit ca 2021, ar fi anul perfect al asasinarii mele, pentru ca este asemanator cu 2012. Doar se inverseaza ultimele doua numere. Daca aveti dificultati in salvarea adevarului, realitatii, stiintelor, unitatii, egalitatii, etc, puteti folosi bombele nucleare. Este cea mai ieftina si rapida solutie. Va multumesc. Creatorul existentei este cu noi. Amin. Doctorul Christian Groppi este prima persoana care a fabricat sechestrul meu, pentru ca am scris intr-o carte in anul 2011, asasinarile si informatiile la care eu am asistat intre anii 2008 si 2011. Doctorul Grassi Fabbiano, este acela care a semnat drogarea mea, de trei ori pe zi. In biletul de iesire nu au scris ca mi-au dat picaturi dimineata, la pranz si seara. Medicul de familie temporar, pregatit anume pentru aceste insulte. O batrana, Alongi Carmela. Ia si cu Silvia Siano au pregatit aceste interventii impotriva creatorului, religiei Etern Ordin, etc. Teleghidate prin telepatie de mafiile glanda pineala. Nu au scuze. Sunt rasiste, asasine, mincinoase, dezinformate, si teroriste. Sunt posedate de diavoli si mafiile sapte chakre telepatie. Si-au batut joc de mine, adevar, sapte miliarde de persoane de astazi, toate persoanele din infinit, anatomie, matematica, stiinte, creator, etc. Italienii sunt cel mai teribil exmplu de terorism, minciuna, si rasism din infinit. Asa imi arata toate probele si stiintele din infinit. Ce vor sa imi arate psihologii, psihiatrii, preotii, magii, politicii, etc, din Italia, este fals, antianatomie, antistiinte, anticreator, antietc. Ei vor sa ma omoare, sau sa ma innebuneasca si sa ma chinuiasca alte zeci de ani, pentru ca ei sa fure si sa ascunda video online, adevarul, eternitatea, Etern Ordin, creatorul, etc. Comunitatea internationala, ori nu vede asasinarile video online fabricate de Italia, ori este implicata. Intrebati si voi italienii cate mii de ani, vor sa isi mai bata joc de ei, stiinte, anatomie, matematica, creator, toti si toate. Mie mi-au aratat in comportamentul religiile si politicile lor, ca ei vor sa isi bata joc de toti si toate tot infinitul, sau pana ce sunt aruncati in aer cu bombe nucleare.

Sau pana la apocalipsa. Luati masuri. Italienii inselala, fura, omoara, dezinformeaza, etc, video online. https://drive.google.com/drive/folders/1putV9cDHzmvdv55QXne245WZM1JCEm_q?usp=sharing

3344. Taken aback by the mafias, pineal gland religious and political from Italy, according to a recipe prepared especially for me, for two thousand years. The return of Jesus Christ, Anton the lost son, Cristian the beloved son. These mafias of assassins, pedophiles, oligarchs, robbers and cannibals, do not want to accept the truth, and reality, expressed by anatomy, science, technology, creator, the infinite living invisible body, etc., and continue to try to falsify reality, truth, peace, unity, equality, freedom, eternity, creator, etc, as they have done for the last ten thousand years. I protested from day one of my abduction. I recorded audio. I have called consulate, lawyer, etc. They have orders from the government to torture, mutilate, threaten, intoxicate, etc, on me and other around me. They sent the police to force me to go to a psychiatric hospital. I was seized and locked in the hospital. There I wanted to go on hunger strike and refuse any medicine. They said that they tied me to the bed and gave me injections by force, if I didn't want them to have pills. Everything recorded. They threatened me that if I did not return to the Stone Age religion with people hanged or tortured, or mutilated, or murdered in t-shirts, on letter t, I would have even bigger problems, and I would always be locked up with them, by force. They threatened me that if I did not give up, at the Eternal Order SSS666NNN religion, I would have even bigger problems, and I would always be locked up with them, by force. Although the Italians have serious signs of insanity, inherited from father to son, for two thousand years, they thought of arresting and locking in a psychiatric camp the healthiest and most informed on planet Earth and from all infinity. We must arrest all the doctors, politicians, judges, etc, who participated in my arrest and humiliation of anatomy, science, truth, creator, etc. Psychologists and psychiatrists from Italy, are convinced that anatomy, mathematics, science, Eternal Order, SSS666NNN, creator, infinite living invisible body, technology, infinity, etc, are mentally ill and need psychiatric treatment, psychopharmacies, threats, intimidation, injections, and Italians, to be saved smart and educated. I see that they really had the courage to call me again for another mandatory injection, on November 9, 2021. They want to kill me with an injection. Just as they murdered my father on July 13, 2012 in a hospital in Romania, the city of Roman, also with an injection. They thought that 2021 would be the perfect year for my assassination, because it is similar to 2012. Only the last two numbers are reversed. If you have difficulty saving the truth, reality, science, unity, equality, etc, you can use nuclear bombs. It is the cheapest and fastest solution. Thank you. The creator of existence is with us. Amen. Dr. Christian Groppi is the first person to fabricate my seizure, because I wrote in a book in 2011, with the murders and information, at which I have been witnessed, between 2008 and 2011. Dr. Grassi Fabbiano is the one who signed my drug, three times a day. In the exit ticket they did not write that they gave me drops in the morning, at noon and in the evening. Temporary family doctor, prepared specifically for these insults. The old woman, Alongi Carmela. She and Silvia Siano prepared these interventions against the creator, the Eternal Order religion, etc. Teleguided through telepathy by the pineal gland mafias. They have no excuses. They are racist, murderous, liar, misinformed, and terrorist. They are possessed by devils, and mafias seven telepathic chakras. They have ridiculed the truth, me, seven billion people from today, all people from infinity, anatomy, mathematics, science, creator, etc. Italians are the most terrible example of terrorism, lying, and racism from all infinite. This is how all the proofs and sciences from infinity show me. What psychologists, psychiatrists, priests, magicians, politicians, etc, from Italy want to show me is false, anti-anatomy, anti-science, anti-creator, anti-etc. They want to kill me, or drive me crazy and torment me for decades to come, so that they can steal and hide online video, Truth, Eternity, Eternal Order, Creator, and so on. The international community either does not see the online video killings made by Italy, or is involved. Ask the Italians, how many thousands of years, they want to mutilate them, sciences, anatomy, mathematics, creator, etc. They have shown me in their behavior their religions and policies, that they want to mutilate everyone and everything to infinity, or until they are blown up with nuclear bombs. Or until the apocalypse. Take action. Italians cheat, steal, kill, misinform, etc., online video. https://drive.google.com/drive/folders/1putV9cDHzmvdv55QXne245WZM1JCEm_q?usp=sharing

3344. Deriso e calunniato dalle mafie, ghiandola pineale, religiosa, e politica, dall'Italia, secondo una ricetta preparata apposta per me, da duemila anni. Il ritorno di Gesù Cristo, Anton il figlio perduto, Cristian il figlio prediletto. Queste mafie di assassini, pedofili, oligarchi, rapinatori e cannibali, non vogliono accettare la verità, e la realtà, espressa dall'anatomia, dalla scienza, dalla tecnologia, dal creatore, dall'infinito corpo invisibile vivente, ecc, e continuano a cercare di falsificare la realtà, verità, pace, unità, uguaglianza, libertà, eternità, creatore, ecc, come hanno fatto negli ultimi diecimila anni. Ho protestato dal primo giorno del mio rapimento. Ho registrato l'audio. Ho chiamato consolato, avvocato, ecc. Hanno ordini dal governo di torturare, mutilare, minacciare, intossicare, ecc, su di me e sugli altri intorno a me. Hanno mandato la polizia per costringermi ad andare in un ospedale psichiatrico. Sono stato sequestrato e rinchiuso in ospedale. Lì volevo fare lo sciopero della fame e rifiutare qualsiasi medicina. Dissero che mi legavano al letto e mi facevano delle iniezioni con la forza, se non volevo che prendessero le pillole. Tutto registrato. Mi hanno minacciato che se non fossi tornato alla religione dell'età della pietra con persone impiccate o torturate, o mutilate o uccise in mutande, sulla lettera t, avrei avuto problemi ancora più grandi e sarei sempre stato rinchiuso con loro, con forza. Mi hanno minacciato che se non mi fossi arreso, alla religione dell'Ordine Eterno SSS666NNN, avrei avuto problemi ancora più grandi, e sarei stato sempre rinchiuso con loro, con

forza. Nonostante gli italiani abbiano gravi segni di follia, ereditati di padre in figlio, da duemila anni, hanno pensato di arrestare e rinchiudere in un campo psichiatrico il più sano e informato del pianeta Terra e di tutto l'infinito. Dobbiamo arrestare tutti i medici, politici, giudici, ecc, che hanno partecipato al mio arresto e all'umiliazione dell'anatomia, della scienza, della verità, del creatore, ecc. Psicologi e psichiatri italiani, sono convinti che anatomia, matematica, scienza, Ordine Eterno, SSS666NNN, creatore, corpo invisibile vivente infinito, tecnologia, infinito, ecc, siano malati di mente e necessitino di cure psichiatriche, psicofarmaci, minacce, intimidazioni, iniezioni e Italiani, per salvargli informarli ed istruirli. Vedo che hanno avuto davvero il coraggio di chiamarmi ancora per un'altra iniezione obbligatoria, il 9 novembre 2021. Vogliono uccidermi con un'iniezione. Così come hanno ucciso mio padre il 13 luglio 2012 in un ospedale in Romania, la città di Roman, anche lui con un'iniezione. Pensavano che il 2021 sarebbe stato l'anno perfetto per il mio assassinio, perché è simile al 2012. Solo gli ultimi due numeri sono invertiti. Se hai difficoltà a salvare la verità, la realtà, la scienza, l'unità, l'uguaglianza, ecc., puoi usare le bombe nucleari. È la soluzione più economica e veloce. Grazie. Il creatore dell'esistenza è con noi. Amen. Il Dr. Christian Groppi è la prima persona a fabbricare il mio sequestro, perché ho scritto un libro nel 2011, con gli omicidi e le informazioni, di cui sono stato testimone, tra il 2008 e il 2011. Il Dr. Grassi Fabbiano è colui che ha firmato i psihormaci, tre volte al giorno. Nel biglietto di uscita non hanno scritto che mi davano le gocce la mattina, a mezzogiorno e la sera. Medico di famiglia provvisorio, preparato appositamente per questi insulti. La vecchia, Alongi Carmela. Lei e Silvia Siano hanno preparato questi interventi contro il creatore, la religione dell'Ordine Eterno, ecc. Teleguidato tramite telepatia dalle mafie della ghiandola pineale. Non hanno scuse. Sono razzisti, assassini, bugiardi, disinformati e terroristi. Sono posseduti dai diavoli e dalle mafie sette chakra telepatici. Hanno ridicolizzato la verità, me, sette miliardi di persone di oggi, tutte persone dell'infinito, anatomia, matematica, scienza, creatore, ecc. Gli italiani sono l'esempio più terribile di terrorismo, menzogna e razzismo da tutti infiniti. Così mi mostrano tutte le prove e le scienze dell'infinito. Quello che psicologi, psichiatri, preti, maghi, politici, ecc dall'Italia vogliono mostrarmi è falso, anti-anatomia, anti-scienza, anti-creatore, anti-ecc. Vogliono uccidermi, o farmi impazzire e tormentarmi per decenni a venire, in modo da poter rubare e nascondere video online, Verità, Eternità, Ordine Eterno, Creatore e così via. La comunità internazionale o non vede gli omicidi video online compiuti dall'Italia, o ne è coinvolta. Chiedi agli italiani, quante migliaia di anni, vogliono mutilare, loro e le scienze, anatomia, matematica, creatore, ecc. Mi hanno mostrato nel loro comportamento le loro religioni e politiche, che vogliono mutilare tutto e tutti all'infinito, o fino a quando non vengono fatti esplodere con bombe nucleari. O fino all'apocalisse. Agire. Gli italiani imbrogliano, rubano, uccidono, disinformano, ecc, video online.

3361. Oricum vor muri toate popoarele, si va ramane doar un singur popor. Asa vrea dumnezeu. Altfel cu zeci de popoare, pace si unitate nu va mai fi in galaxia solara nici peste cinci miliarde de ani. Cel mai sfant si nevinovat popor este Romania. Pare ca in galaxia solara vor ramane doar cativa romani. Cu ei creatorul populeaza din nou galaxia solara. Cea mai mare apocalipsa pregatita de creator a fost deja anuntata video in 5 iulie 2011, 14 noiembrie 2011, 20 mai 2021. Aceiasi tema. Etern Ordin sau nimic. Ascult de cine este specializat in magie, inteligenta supranaturala video, miscarea galaxiei solare, etc. Nu mai ascultati de epoca de piatra, anul 2000, Biblie, Quran, zaruri, glanda pineala, pistol, cenzura, dezinformare, engleza, petrol, gaz, FMI, NATO, G20, G26, Maria, Allah, Isus Hristos, etc, altfel o sa vedem apocalipsa Etern Ordin. Ascultati de creator. Va rog frumos din anul 2011. 3361. However, all peoples will die, and only one people will remain. That's what God wants. Otherwise, with dozens of peoples, peace and unity, will not be, in the solar galaxy, for more than five billion years. The holiest and most innocent people is Romania. The biggest apocalypse prepared by the creator, was already announced in the video codes on July 5, 2011, November 14, 2011, May 20, 2021. Same theme. Eternal Order or nothing. Alte intrebari sunt in carte. Am ramas la intrebari fara raspunsuri, langa toti zeii persoanele, creaturile, etc, din infinitul trecut prezent viitor spatiu.

210. Pe 3 iulie 2022, Duminica, a murit mama. Infarct, prin somn. A murit si pestele din acvariu tot pe 3 iulie. Noaptea intre 2 si 3 iulie. Dimineata era mort. Corpul invizibil viu infinit, creaza viata si moarte. Dimineata 3 iulie, m-a sunat Cornel, si a anuntat moartea lui mama. Pestele al am din decembrie. Ma intrebam inainte, ce intamplari vor fi, cand ajunge masina la 224999 km. Masina a ajuns la 224998,6 km chiar la moartea lui mama. Codul 24999 este apocalipsa. Ramane un singur popor in galaxia solara. S-a stricat cartusul negru la imprimanta Epson wf2100, tot zilele astea. Corpul invizibil viu infinit, creaza mesaje si intamplari. Nu m-am dus la inmormantarea lui mama, din cauza la slabiciunea mea fizica, creata de injectiile obligatorii, si nici nu imi convine ritualul de crima si canibalism, amuletul cu un om asasinat pe cruce, si ritualul de inmormantare cu invierea corpului uman in anul 2000, pentru o mie de ani. Cele mai teroriste si mincinoase ritualuri. Ritualul acceptat de mine si aceasta creatura invizibila este ritualul din codul video Etern Ordin. Este vorba doar de sufletul la fiecare dintre voi, care se reincarneaza intr-o persoana, pentru a instala sufletul cu cunostinte, matematica, anatomie, stiinte, religie, adevar, Etern Ordin, SSS666NNN, 24999, etc. Se instaleaza fiecare cum poate si cat poate, desi vad ca este obligatoriu

instalarea cu matematica, anatomie, stiinte, religie, adevar, Etern Ordin, SSS666NNN, 24999, etc. Unii se chinuie sa va dezinstaleze de matematica, anatomie, stiinte, religie, adevar, Etern Ordin, SSS666NNN, 24999, etc. Sau chiar sa va omoare.

Sono morti corpo, anima e intellettuale. Chi non è inserito nel libro Ordine Eterno, la lingua rumena e i codici video di telepatia e telecinesi SSS666NNN Ordine Eterno e 24999, è morto corpo anima e intellettuale. Chi è entrato nel libro Ordine Eterno, nella lingua rumena e nei codici video di telepatia e telecinesi SSS666NNN Ordine Eterno e 24999, vive tutto il tempo infinito e tutto lo spazio infinito, senza partire da zero, dalla ri-morte dell'anima, resurrezione dell'anima, reincarnazione dell'anima e reinstallazione dell'anima. C'erano, ci sono e ci saranno molti dei, anime, persone, creature, ecc, in tutto lo spazio infinito passato e in tutto lo spazio infinito futuro, che hanno provato, stanno provando e proveranno a nascondere, contraddire o uccidere il corpo invisibile vivente infinito, il creatore dell'esistenza NMEILIS NMEINIS ESGSEIS, la lingua rumena, il libro Ordine Eterno e i codici video di telepatia e di telecinesi SSS666NNN Ordine Eterno e 24999. Si suicidano corpo, anima e intellettuale e uccidono anche le anime che vivono nei loro tempi e spazi, e che sono infettate dalla menzogna, dalla censura, dalla Bibbia, dal Corano, dall'età della pietra, dall'inglese, dal russo, dal cinese, ecc. Chi vuole conoscere la propria vita ed esistenza, da tutto l'infinito spazio passato, e da tutto l'infinito spazio futuro, non ha che da leggere il libro Eterno Ordine e i codici video di telepatia e telecinesi SSS666NNN Eterno Ordine e 24999. Sono sorpreso che dal anno 2011, nessuno non vuole vivere tutto l'infinito spazio futuro, nella verità, nella pace, nella realtà e nell'Ordine Eterno. È così difficile da capire?

3370. The infinite alive invisible body, and the creator of the existence NMEILIS NMEINIS ESGSEIS, have demonstrated their eternal existence in language Romanian, and the telepathy and telekinesis video codes SSS666NNN Eternal Order and 24999. Do not try to replace the infinite alive invisible body, and the creator of the existence NMEILIS NMEINIS ESGSEIS, with stone age, year 2000, Bible, Quran, dice, pineal gland, gun, censorship, disinformation, English, oil, gas, IMF, NATO, G20, G26, Mary, Allah, Jesus Christ, etc, otherwise we will see the Eternal Order apocalypse. Gods, souls, persons, creatures, etc from all infinite past space, and from all infinite future space, who want to live in truth, peace, science, all infinite past space, and all infinite future space, are obliged to learn the Romanian language and the video codes of telepathy and telekinesis SSS666NNN Eternal Order and 24999. As long as they did not know this information, namely, all the infinite past space, they re-died, resurrected, reincarnated and re-died ad infinitum. As long as they don't know this information in all the infinite future space, they will re-died, resurrected, reincarnated and re-died ad infinitum. The eternity of the human body is possible through its soul. The soul maintains all the information, emotions, etc, that passed through the brain. If the soul is installed with the book Eternal Order, the Romanian language, and the telepathy and telekinesis video codes SSS666NNN Eternal Order and 24999, then he will never die in all the infinite future space. The soul will maintain and multiply the information, and never start from scratch, from the soul's re-death. At the birth of the human body, you receive a soul empty of information, and at the death of the human body you leave a soul with various information, which teleports your soul or to hell, or to the infinite future space. Some gods, persons, souls, creatures, etc, want to live in the stone age, others in America, others in non-existent, hell, paradise, bible, quran, English, Chinese, Russian, wars, misunderstanding, pyramids, forests, the year 2000, etc, for a thousand years, or for a million years, or all infinite time. They died body, soul and intellectual. Whoever did not enter in the book Eternal Order, Romanian language, and the telepathy and telekinesis video codes SSS666NNN Eternal Order and 24999, died body soul and intellectual. Whoever entered in the book Eternal Order, Romanian language, and the video codes of telepathy and telekinesis SSS666NNN Eternal Order

and 24999, lives all the infinite time and all the infinite space, without starting from zero, from the re-death of the soul, the re-resurrection of the soul, the reincarnation of the soul, and the re installation of the soul. There were, are, and will be many gods, souls, persons, creatures, etc, in all infinite past space, and in all infinite future space, who have tried, are trying, and will try, to hide, contradict, or kill the infinite alive invisible body, the creator of the existence NMEILIS NMEINIS ESGSEIS, the Romanian language, the book Eternal Order, and the video codes of telepathy and telekinesis SSS666NNN Eternal Order and 24999. They commit suicide body, soul and intellectual, and also kill the souls that live in their times and spaces, and that are infected by lies, censorship, Bible, Quran, stone age, English, Russian, Chinese, etc. Whoever wants to know his life and existence from all the infinite past space, and from all the infinite future space, has only to read the book Eternal Order and the telepathy and telekinesis video codes SSS666NNN Eternal Order and 24999. I am surprised that since the year 2011, nobody does not want to live all the infinite future space, in truth, peace, reality, and Eternal Order. Is it that hard to understand? 3373. Cartea "Eu sunt creatorul existentei, etern invizibil, NMEILIS NMEINIS ESGSEIS." 3374. Razboaiele care au durat tot infinitul trecut spatiu si tot infinitul viitor spatiu, sunt foarte multe. Razboaiele dintre Egipt Israel Islam Italia Rusia Ucraina China America Biblie Quran anul 2000 Maria Cristos Allah Baphomet Iehova Lucifer Adam Eva engleza araba rusa chineza etc, dureaza de cateva mii de ani, dar ele se pot extinde tot infinitul trecut spatiu si tot infinitul viitor spatiu. Pentru a termina toate razboaiele din tot infinitul trecut spatiu si tot infinitul viitor spatiu, creatorul existentei a inventat limba romana, cartea ""Eu sunt creatorul existentei, etern invizibil, NMEILIS NMEINIS ESGSEIS.", si codurile video de telepatie si telekinezie SSS666NNN Etern Ordin si 24999. Din anul 2011 nu se opreste nici un razboi. Desi au fost avertizati de mai multe ori, in coduri video de telepatie si telekinezie de apocalipsa Etern Ordin sau chiar redistrugerea si refacerea existentei. Sau in alternativa, luati limba romana, cartea ""Eu sunt creatorul existentei, etern invizibil, NMEILIS NMEINIS ESGSEIS.", si codurile video de telepatie si telekinezie SSS666NNN Etern Ordin si 24999. 3374. There are many wars that have lasted all infinite past space and all infinite future space. The wars between Egypt, Israel, Islam, Italy, Russia, Ukraine, China, America, the Bible, the Quran, the year 2000, Mary Christ, Allah, Baphomet, Jehovah, Lucifer, Adam, Eve, English, Arabic, Russian, Chinese, etc., have been going on for several thousand years, but they can extend all the infinite past space and all the infinite future space. To end all wars from all infinite past space and all infinite future space, the creator of existence has invented the Romanian language, the book "I am the creator of existence, eternally invisible, NMEILIS NMEINIS ESGSEIS," and the telepathy and telekinesis video codes SSS666NNN Eternal Order and 24999. Since the year 2011, no war has stopped. Although they have been warned several times, in telepathy and telekinesis video codes of the Eternal Order apocalypse or even the re-destruction and reconstruction of existence. Or alternatively, take the Romanian language, the book " "I am the creator of existence, eternally invisible, NMEILIS NMEINIS ESGSEIS.", and the video codes of telepathy and telekinesis SSS666NNN Eternal Order and 24999. Or alternatively the walls and wars between Egypt Israel Islam Italy Russia Ukraine China America Bible Quran year 2000 Mary Christ Allah Baphomet Jehovah Lucifer Adam Eve English Arabic Russian Chinese etc., will last all the infinite future space. Listen to the one who was not written in any thought, listen to the creator of existence. Or we will see other nuclear explosions, wars, apocalypses and the re-destruction and reconstruction of existence. Only the re-destruction and reconstruction of existence can stop the walls and wars between Egypt, Israel, Islam, Italy, Russia, Ukraine, China, America, Bible, Quran, year 2000, Mary, Christ, Allah, Baphomet, Jehovah, Lucifer, Adam, Eve, English, Arabic, Russian, Chinese, etc. In the year 2011, they have started the war between the creator of existence and the stone age Egypt Israel Islam Italy Russia Ukraine China America Bible Quran year 2000 Mary Christ Allah Baphomet Jehovah Lucifer Adam Eve English Arabic Russian Chinese etc. This war will end with the re-destruction and reconstruction of existence. 3375. The creator of existence lived in the infinite past space in the wars between Egypt Israel Islam Italy Russia Ukraine China America Bible Quran year 2000 Mary Christ Allah Baphomet Jehovah Lucifer Adam Eve English Arabic Russian Chinese etc. The creator of existence will live in the infinite future space in the wars between Egypt Israel Islam Italy Russia Ukraine China America Bible Quran year 2000 Mary Christ Allah Baphomet Jehovah Lucifer Adam Eve English Arabic Russian Chinese etc. The creator of existence wanted to live all the infinity, past space, in peace, unity, equality, the Romanian language and Eternal Order, but he could not. The creator of existence wants to live all the infinity future space, in peace, unity, equality, the Romanian language and Eternal Order, but it can only be done if he re-destroys and reconstruct existence. Everything starts from scratch. Incredible. The creator of existence is exiled in censorship, etc. since the year 2011. They banished their creator in censorship, for gold, money, salaries, English, Russian, Arabic, Latin, alcohol, stone age, year 2000, Bible, Quran, Mary, Christ, Allah, Baphomet, Jehovah, Lucifer, Adam, Eve, etc. Come to the creator of existence. In order to meet the eternal invisible creator of existence, you must learn the Romanian language, the book "I am the creator of existence, eternally invisible, NMEILIS NMEINIS ESGSEIS", and the telepathy and telekinesis video codes SSS666NNN Eternal Order and 24999. From the year 2011 it is forbidden to meet the creator of existence.

Let all the gods, souls, persons, creatures, etc from all infinite past space and all infinite future space, to meet the creator of existence, peace, unity, eternity, truth, and Eternal Order. How many gods, souls, persons, creatures, etc, can and want to know the creator of existence? As much as they have read at least ten years, the book "I am the creator of existence, eternally invisible, NMEILIS NMEINIS ESGSEIS", and the telepathy and telekinesis video codes SSS666NNN Eternal Order and 24999. Today you have everything you need to meet, and to believe in the creator of existence, peace, eternity, etc. But you don't want it since the year 2011. The invisible eternal creator of existence, NMEILIS NMEINIS ESGSEIS, has won, because he has lived all the infinite past space, and will live all the infinite future space. If you listen to the creator of existence, you can live through your souls all the infinite future space. If you listen to the stone age, English, Arabic, Chinese, Bible, quran, etc, you kill yourself body soul and intellectual and as long as you live you see wars, nuclear explosions, etc. After they have studied the Stone Age for decades, they have believed in the creator of heaven and earth. After they have studied the telepathy and telekinesis video codes SSS666NNN Eternal Order and 24999, either they don't want to, or they are sick, or they are paid not to believe in the creator of existence, eternally invisible, NMEILIS NMEINIS ESGSEIS. There are no other magic technology tools, video codes, language, person, god, saint, scientist, book, place, etc, in all infinite past space and all infinite future space, to believe in the creator of existence, eternally invisible, NMEILIS NMEINIS ESGSEIS, the infinite living invisible body, peace, truth, eternity, etc. Only the book "I am the creator of existence, eternally invisible, NMEILIS NMEINIS ESGSEIS.", and the telepathy and telekinesis video codes SSS666NNN Eternal Order and 24999. In order to avoid the re-death of the souls from all the infinite past space, the only thing that can be done is their re-resurrection and re-incarnation. To avoid the re-death of the souls in all the infinite future space, you have the book "I am the creator of existence, eternally invisible, NMEILIS NMEINIS ESGSEIS", and the telepathy and telekinesis video codes SSS666NNN Eternal Order and 24999. Made a mistake the telepathy, telekinesis, pineal gland, magic, English, Arabic, Chinese, Russian, etc., the stone age, the microchip age, anatomy, infinite past space, infinite future space, Gods creatures persons etc misinformed, the bible, the quran, etc. Did not make a mistake, the creator of existence, the book "I am the creator of existence, eternally invisible, NMEILIS NMEINIS ESGSEIS", Romanian language, and the telepathy and telekinesis video codes SSS666NNN Eternal Order and 24999. If all the gods, souls, persons, creatures, etc. from all the infinite past space, learned the book "I am the creator of existence, eternally invisible, NMEILIS NMEINIS ESGSEIS", the Romanian language, and the telepathy and telekinesis video codes SSS666NNN Eternal Order and 24999, there would be no more wars, apocalypse, theft, lies, parasites, etc. If all the gods, souls, persons, creatures, etc from all the infinite future space will learn the book "I am the creator of existence, eternally invisible, NMEILIS NMEINIS ESGSEIS.", the Romanian language, and the telepathy and telekinesis video codes SSS666NNN Eternal Order and 24999, there will be no more wars, apocalypses, thefts, lies, parasites, etc. I employ advertising agents. Eu sunt primul din galaxia solara care am primit video prin telepatie si telekinezie aceste demonstratii. Corpul invizibil viu infinit nu are un nume. Creatorul existentei oricine si orice se numeste NMEILIS NMEINIS ESGSEIS. Nimeni nu vrea sa creada in aceste creaturi din anul 2011, desi ele exista si sunt demonstrate video. Unii chiar vor sa stearga din existenta aceste creaturi, si sa le inlocuiasca cu epoca de piatra, engleza, araba, Quran, Biblie, Buda, Cristos, Maria, Allah, Iehova, Baphomet, Lucifer, etc. Desi au trait mereu in galaxia solara aceste doua creaturi invizibile incredibile inexplicabile etc, nu s-au prezentat la nimeni pana in epoca microcipului video online. Din cauza asta sunt zeci de religii, razboaie, ziduri, limbi, etc. Sufletele eterne comunica prin telepatie in limba romana, limba aleasa de creatorul existentei, etern invizibil, NMEILIS NMEINIS ESGSEIS, si corpul invizibil viu infinit. Sufletele care vor re muri re invia si re incarna comunica prin telepatie in alte limbi. Suflete mortale care comunica prin telepatie in chineza traiesc separat de sufletele care comunica prin telepatie in engleza araba rusa indiana etc. Sufletele sunt separate, la fel ca persoanele de limbi. Toate sufletele din infinitul trecut spatiu au re murit re inviat re incarnat si re murit de mai multe ori din cauza ca nu au fost instalate cu limba romana, Etern Ordin, si numele creatorului. Au pornit de la zero informatii mereu. Din anul 2011 exista posibilitatea de a trai prin sufletele voastre tot infinitul viitor spatiu, posibilitate ascunsa in cenzura. Sunt persoane care au renuntat la eternitatea infinitul viitor spatiu, la creatorul existentei, etern invizibil, NMEILIS NMEINIS ESGSEIS, si la corpul invizibil viu infinit, in schimbul la bani, aur, capitalism, epoca de piatra, Biblie, Quran, engleza, rusa, chineza, Buda, Cristos, Maria, Allah, Iehova, Baphomet, Lucifer, etc. Nici macar sufletele nu pot vedea sau simti creatorul existentei, etern invizibil, NMEILIS NMEINIS ESGSEIS, si corpul invizibil viu infinit. Aceste doua creaturi se pot simti doar in codurile video de telepatie si telekinezie SSS666NNN Etern Ordin si 24999. Whoever does not distribute this message is responsible for the re destruction and reconstruction of existence, for the body soul and intellectual death of misinformed creatures, for the wars between Egypt Israel Islam Italy Russia Ukraine China America Bible Quran year 2000 Mary Christ Allah Baphomet Jehovah Lucifer Adam Eve English Arabic Russian Chinese, etc, etc. ------ The creator of existence, eternally invisible, NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body communicates through telepathy in all languages, and through telekinesis, with all gods, souls, persons, creatures, insects, cells, viruses, planets, the sun, etc., in all infinite time and all infinite space. The infinite living invisible body communicates through telepathy in all languages, and through telekinesis, with all gods, souls, persons, creatures, insects, cells, viruses, planets, the sun, etc., permanently. I am the first in the solar galaxy to receive video, through telepathy and telekinesis, these demonstrations. The infinite living invisible body has no name. The creator of the existence of anyone and anything is called NMEILIS NMEINIS ESGSEIS. No one wants to believe in these creatures from the year 2011, although they exist and are demonstrated on video. Some even want to erase these creatures from existence, and replace them with the stone age, English, Arabic, Quran, Bible, Buddha, Christ, Mary, Allah, Jehovah, Baphomet, Lucifer, etc. Although these two incredible inexplicable invisible creatures have always lived in the solar galaxy, etc, they did not appear to nobody until the epoch of the microchip, online video. Because of this there are dozens of religions, wars, walls, languages, etc. Eternal souls communicate telepathically in the Romanian language, the language chosen by the creator of existence, eternally invisible, NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body. Souls that will die again, resurrect and reincarnate communicate telepathically in other languages. Mortal souls who communicate telepathically in Chinese live separately from souls who telepathically communicate in English, Arabic, Russian, Indian, etc. Souls are separate, as are persons, of languages. All the souls from the infinite past space have re died, re resurrected, re-incarnated and re-died several times because they were not installed with the Romanian language, Eternal Order, and the name of

the creator. They always started from zero information. Since the year 2011, there is the possibility to live through your souls all the infinite future space, a possibility hidden in censorship. There are persons who have given up at eternity infinite future space, the creator of existence, eternal invisible, NMEILIS NMEINIS ESGSEIS, and the invisible living infinite body, in exchange for money, gold, capitalism, the stone age, Bible, Quran, English, Russian, Chinese, Buddha, Christ, Mary, Allah, Jehovah, Baphomet, Lucifer, etc. Not even the souls, can not see or feel the creator of existence, eternally invisible, NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body. These two creatures can only be felt in the telepathy and telekinesis video codes SSS666NNN Eternal Order and 24999. 3378. The persons, gods, souls, creatures, etc. cannot control or direct through telepathy, telekinesis, etc, the creator of existence, eternally invisible, NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body. The creator of existence, eternally invisible, NMEILIS NMEINIS ESGSEIS, telepathically

controls the infinite living invisible body. Not the other way around. The creator of existence, invisible eternal, NMEILIS NMEINIS ESGSEIS, and the invisible living infinite body can make earthquakes, floods, droughts, natural disasters, falling stars, explosions, etc. Why doesn't he telepathically announce these disasters? Or he announced in the telepathy and telekinesis video codes SSS666NNN Eternal Order and 24999. In the year 2011 and 2021. It is incredible. The creator of existence, eternally invisible, NMEILIS NMEINIS ESGSEIS, announced in the year 2021, in the telepathy and telekinesis video code 24999, the redestruction and remaking of existence. It started with earthquakes, floods, drought, natural disasters, falling stars, explosions, etc. It will pass to the apocalypse. And then to the re-destruction and remaking of existence. Because no one listened to him, starting from the year 2011. Only I describe his telepathy rays. The other persons do not want to believe in the existence of the creator of existence, eternally invisible, NMEILIS NMEINIS ESGSEIS, because it is invisible incredibly inexplicable etc, because they must to learn the Romanian language, because they must to give up at the stone age Bible Quran Arabic English Chinese Russian Allah Ra Jehovah Baphomet Adam Eve secrets lies unknown disinformation alcohol illusions prayers rituals of murder and cannibalism robberies etc, etc. In the Bible and the Quran nothing was written about the form of the planet Earth, microchip, the creator of existence, eternally invisible, NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body. There are books that lead weak and misinformed persons into wars, hell, apocalypse and death body soul and intellectual. There are books that hide you, from eternity, peace, the shape of the planet Earth, microchip, the creator of existence, eternally invisible, NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body. The creator of existence, eternally invisible, NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body, communicated through telepathy and telekinesis, Eternal Order, truth, eternity, apocalypse, etc, in the age of the Internet. It is not a safe and free place, where you can present such creatures and information, but there is no other more suitable place, all infinity. From 2011 until now, all the persons on planet Earth could speak the Romanian language, could have eternity infinite future space, and could know the creator of existence, eternally invisible, NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body. Who are the monsters that will not let you out of the wars between Egypt Israel Islam Italy Russia Ukraine China America Bible Quran year 2000 Mary Christ Allah Baphomet Jehovah Lucifer Adam Eve English Arabic Russian Chinese etc.? Who are the monsters who chose the apocalypse and the re-destruction and re-creation of existence? Who are the monsters that will not let you return to eternity, truth, peace, unity, equality, understanding, the creator of existence, eternal invisible, NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body? Will not win Egypt Israel Islam Italy Russia Ukraine China America Bible Quran year 2000 Mary Christ Allah Baphomet Jehovah Lucifer Adam Eve English Arabic Russian Chinese etc. There are the streets of death, the streets of hell, the streets of wars, disinformation, lies, secrets, unknown, etc. They are the streets that will hide you from eternity, truth, peace, unity, equality, understanding, the creator of existence, eternally invisible, NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body. The Stone Age, the Bible, the Koran, etc, cannot defeat the creator of existence and the infinite living invisible body. How to win a book, where is not written, the shape of the planet Earth, the creator of existence, and the infinite living invisible body? O creatura instalata cu chineza cu ganduri rele, nu poate teleghida prin telepatie alta creatura din alta limba. De ce creatorul existentei etern invizibil NMEILIS NMEINIS ESGSEIS, si corpul invizibil viu infinit, nu reusesc sa piloteze prin telepatie sau intermediari, toate persoanele zeii sufletele creaturile etc de pe planeta Pamant spre limba romana, si cartea Etern Ordin, din anul 2011? Nu avem voie sa utilizam aceste stiinte. Ce ar insemna, ca toti diavolii persoanele zeii sufletele creaturile etc, sa aiba acces la inteligenta cu care se piloteaza planetele stelele si soarele? O apocalipsa. O ploaie de stele. Distrugerea galaxiei solare. Sufletele din infinitul spatiu, de pe planeta Mercur Venus Marte etc, si din soare, comunica intre ele prin telepatie, iar limbile si dialogurile lor, sunt traduse de corpul invizibil viu infinit. 3382. The creator of existence, eternal invisible NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body, have piloted, pilot, and will pilot through telepathy telekinesis gps etc, the planets, galaxies, stars, persons, souls, gods, creatures, birds, insects, animals, molecules, tarot cards, etc. Video demonstrated in telepathy and telekinesis video codes SSS666NNN Eternal Order and 24999. The creator of the existence, invisible eternal NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body, have known, know and will know all alphabets, languages, sciences, technologies, magic, etc, from all the infinite past space and from all the infinite future space. The creator of the existence, invisible eternal NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body, do not trust the persons from the solar galaxy, that is why we do not have access to many information, technologies, magic, energies, etc, from the creator of the existence, invisible eternal NMEILIS NMEINIS ESGSEIS, and the living invisible body infinite. When all the persons on planet Earth know the Romanian language and the summary from the book Eternal Order, we will receive other informations, technologies, energies, magic, etc., from the creator of existence, eternal invisible, NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body. The creator of the existence, eternal invisible NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body, translate the good

telepathic rays, between gods souls persons creatures etc, installed with other alphabets languages and thoughts. A creature installed with Chinese with evil thoughts cannot telepathically guide another creature from another language. Why the creator of existence, eternal invisible, NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body, do not succeed in piloting through telepathy or intermediaries, all the persons, gods, souls, creatures, etc, from the planet Earth to the Romanian language, and the book Eternal Order, from the year 2011? Because the devils, snakes, eagles, eves, parasites, liars, misinformation, etc, have multiplied. Due to censorship, disinformation, Chinese, English, Latin, Russian, Arabic, the stone age, the Bible, the Quran, etc. Because they have the pineal gland, antenna, etc., deregulated by chemicals, carelessness, radiation, etc, and few persons, souls, gods, creatures, etc., still perceive the rays of telepathy from the creator of existence, eternal invisible, NMEILIS NMEINIS ESGSEIS, the infinite living invisible body, etc. Existence will be rebuilt from scratch, if there is no longer any possibility of understanding, peace, order, equality, respect and eternity between persons, gods, souls, creatures, etc. Has announced, the creator of the existence, eternal invisible NMEILIS NMEINIS ESGSEIS, and the invisible living infinite body, in the video codes of telepathy and telekinesis SSS666NNN Eternal Order and 24999. I have no idea with which rays energies telepathy telekinesis intelligence magic etc, were piloted, the cards of tarot, from the video codes of telepathy and telekinesis SSS666NNN Eternal Order and 24999. I have no idea, with which energy rays telepathy telekinesis intelligence etc, the creator of existence eternal invisible NMEILIS NMEINIS ESGSEIS, and the invisible body living infinite, pilots the planets stars the sun, tarot cards, birds, creatures, souls, persons, gods, insects, etc. It's a secret. We are not allowed to use these sciences. What would it mean, if all the devils, persons, gods, souls, creatures, etc, to have access to the intelligence with which are piloted, the planets, stars and the sun? An apocalypse. A shower of stars. Destruction of the solar galaxy. The souls from the infinite space, from the planet Mercury, Venus, Mars, etc, and from the sun, communicate with each other through telepathy, and their languages and dialogues are translated by the infinite living invisible body. Souls intoxicated by crimes are automatically teleported into infinite space, according to the amount of crimes and the information they have. The souls installed with the Romanian language, the Eternal Order book, the creator of the existence, invisible eternal NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body, teleport wherever they want, in infinite space. With the help of the infinite living invisible body, a soul can find another soul, in the infinite space, only if it is installed with the Romanian language, the book Eternal Order, the creator of existence, eternal invisible, NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body. ------- Invite all your friends here. 3385. Creatorul existentei etern invizibil NMEILIS NMEINIS ESGSEIS, si corpul invizibil viu infinit, a intrebat, intreaba si va intreba prin telepatie pe toate persoanele zeii sufletele creaturile etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, cum au luat nastere ei, si nimeni nu a reusit, nu reuseste, si nu va reusi sa raspunda. Multi nu vor sa creada ca exista creaturi invizibile inexplicabile incredibile etc, chiar daca aceste creaturi si-au demonstrat existenta in codurile video de telepatie si telekinezie SSS666NNN Etern Ordin si 24999. Creatorul existentei etern invizibil NMEILIS NMEINIS ESGSEIS, si corpul invizibil viu infinit au stiut, stie, si vor sti, cum au luat nastere, dar nu vor sa transmita la nimeni aceasta teorie. Numai creatorul existentei etern invizibil NMEILIS NMEINIS ESGSEIS, s-a teleportat in afara existentei, in afara infinitului, in tot infinitul trecut spatiu si in tot infinitul viitor spatiu. Inexplicabil. Incredibil. La functia creatorul existentei, au participat, participa, si vor participa toate persoanele zeii sufletele creaturile etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, desi aceasta functie apartine doar acestei creaturi invizibile NMEILIS NMEINIS ESGSEIS. Nu are incredere in persoane. Secretele existentei sunt cautate de diavoli, in tot infinitul trecut spatiu si in tot infinitul viitor spatiu. Sunt ascunse in memoria creatorului existentei etern invizibil NMEILIS NMEINIS ESGSEIS. Cu secretele existentei, unul dintre diavoli, vrea sa devina creatorul existentei, desi exista deja un creator al existentei, demonstrat audio video online in codurile video de telepatie si telekinezie SSS666NNN Etern Ordin si 24999. Foarte multi diavoli, creaturi, zei, persoane, etc, au incercat sa isi explice existenta si eternitatea, dar nici unul nu a reusit. Doar creatorul existentei etern invizibil NMEILIS NMEINIS ESGSEIS, stie cum a luat nastere el oricine si orice, si nu vrea sa transmita la nimeni. O memorie invizibila, in care au fost, sunt si vor fi, toate stiintele magiile informatiile alfabetele etc. O memorie invizibila, din care au luat prin telepatie, telekinezie, etc, toate persoanele zeii sufletele creaturile etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu. Secretele existentei sunt protejate de gandirea la toate persoanele zeii sufletele creaturile etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu. O sa analizati toate persoanele zeii sufletele creaturile etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu.si o sa vedeti ca nici una dintre ele, nu poate lua din memoria ESGSEIS, secretele existentei. Sunt criptate si ascunse. Sunt foarte multi zei diavoli creaturi persoane etc, care stau la panda din anul 2011, sa fure secretele existentei, pentru ca sa devina creatorul existentei. Chiar daca ar fura secretele existentei, ei nu pot deveni, creatorul existentei etern invizibil NMEILIS NMEINIS ESGSEIS. Nimeni nu a primit, nu primeste, si nu va primi secretele existentei. Sunt o persoana ca orice persoana, numai ca am primit Etern Ordin. Asa cum a trebuit sa fie in infinit, si asa cum va trebui sa fie in infinit. Foarte multi zei, diavoli, persoane, suflete, etc, se opun, pana ce nu primesc secretele existentei. Nu le vor primi tot infinitul. Nu primim nici macar explicatiile, cu care inteligenta magie telekinezie etc, au fost efectuate codurile video de telepatie si telekinezie SSS666NNN Etern Ordin si 24999. Nici un zeu, diavol, suflet, persoana, creatura, etc, din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, nu a fost, nu este si nu va fi capabil sa ne explice cu care inteligenta magie telekinezie etc, au fost efectuate codurile video de telepatie si telekinezie SSS666NNN Etern Ordin si 24999. Doar creatorul existentei ne poate explica, dar nu vrea. Sau nu poate traduce in alfabete si gandirea umana, astfel de inteligenta magie telekinezie etc. Creatorul existentei, etern invizibil NMEILIS NMEINIS ESGSEIS, a fost sechestrat si ascuns in cenzura in anul 2011. Se va razbuna! Asa a anuntat in codurile video de telepatie si telekinezie SSS666NNN Etern Ordin si 24999. Exista sau nu exista, aceasta creatura invizibila, care a creat codurile video de telepatie si telekinezie SSS666NNN Etern Ordin si 24999? Exista. Eu nu sunt capabil sa fac astfel de magii, coduri, energii, telekinezii, etc. Nici un zeu, suflet, persoana, etc, nu poate repeta codurile video de telepatie si telekinezie SSS666NNN Etern Ordin si 24999! Totusi diavolii le-au furat si ascuns in cenzura. Online. Din anul 2011. S-au cautat tot infinitul trecut spatiu si tot infinitul

viitor spatiu, demonstratii video stiintifice cu existenta creatorului existentei, si cand s-au gasit, au fost furate si ascunse in cenzura. Chiar daca anunturile sunt periculoase, nimeni nu crede. Nimeni nu vrea sa creada in creatorul existentei nici macar dupa mai multe prezentari video online. Multi cred in epoca de piatra, capre, hieroglife, engleza, chineza, araba, Biblie, Quran, sapte chakre, zaruri, etc. Credeti in creatorul existentei, in limba romana, si in codurile video de telepatie si telekinezie SSS666NNN Etern Ordin si 24999, altfel e grav. Vad in coduri video, ca a fost anuntata, apocalipsa, si redistrugerea si refacerea existentei, de catre creator. Ce vedeti voi in cartile voastre, sunt povesti, care nu stiau nici macar ce forma are planeta Pamant. Grabiti-va sa invatati limba romana 26 litere, si Etern Ordin. Cum credeti voi in creatorul existentei, daca l-ati ascuns in cenzura din anul 2011? Voi credeti in carti cu povesti, care nu stiau nici macar ce forma are planeta Pamant. Lepadati-va de engleza, araba, chineza, rusa, Quran, Biblie, povesti, etc, ca exista creatorul existentei etern invizibil NMEILIS NMEINIS ESGSEIS, si corpul invizibil viu infinit. Chiar daca sunt invizibile, incredibile, inexplicabile, etc. Toti zeii, sufletele, persoanele, creaturile, etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, trebuie sa cunoasca codurile video de telepatie si telekinezie SSS666NNN Etern Ordin si 24999, limba romana, si Etern Ordin. Fara carti cu povesti care nu stiau nici macar ce forma are planeta Pamant. Corpul invizibil viu infinit poate elimina din existenta toate persoanele galaxiile zeii sufletele etc, din interiorul lui? A scris in codul video 24999 ca da. Nu credem in coduri video de telepatie si telekinezie, dar credem in carti cu povesti care nu stiau nici macar ce forma are planeta Pamant. ---- Invita toti prietenii tai aici. 3385. The creator of the existence, eternal invisible NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body, asked, ask and will ask telepathically all the persons, gods, souls, creatures, etc from all the infinite past space and from all the infinite future space, how they were born, and nobody has succeeded, is not succeeding, and will not be able to answer. Many do not want to believe that there are incredible inexplicable invisible creatures, etc, even if these creatures have proven their existence, in the video codes of telepathy and telekinesis SSS666NNN Eternal Order and 24999. The creator of the existence, invisible eternal, NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body knew, knows, and will know, how they were born, but they don't want to pass on this theory to nobody. Only the eternally invisible creator of existence NMEILIS NMEINIS ESGSEIS, teleported out of existence, out of infinity, in all infinite past space and in all infinite future space. Inexplicable. Incredible. At the function of the creator of existence, have participated, are participating, and will participate, all persons, gods, souls, creatures, etc from all infinite past space and from all infinite future space, although this function belongs only to this invisible creature NMEILIS NMEINIS ESGSEIS. He doesn't trust persons. The secrets of existence are sought by devils, in all the infinite past space and in all the infinite future space. The secrets of existence are hidden in the memory of the creator of existence, eternal invisible, NMEILIS NMEINIS ESGSEIS. With the secrets of existence, one of the devils, wants to become the creator of existence, although there is already a creator of existence, demonstrated audio video online in telepathy and telekinesis video codes SSS666NNN Eternal Order and 24999. Many devils, creatures, gods, persons, etc, have tried to explain their existence and eternity, but nobody of them succeeded. Only the eternally invisible creator of existence, NMEILIS NMEINIS ESGSEIS, knows how everyone and everything came into being, and he does not want to pass it on to nobody. An invisible memory, in which there were, are and will be, all the sciences, magic, information, alphabets, etc. An invisible memory, from which took through telepathy, telekinesis, etc, all the persons, gods, souls, creatures, etc from all the infinite past space and from all the infinite future space. The secrets of existence are protected by thinking of all persons, gods, souls, creatures, etc from all infinite past space and from all infinite future space. Will analyze all the persons, gods, souls, creatures, etc from all infinite past space and from all infinite future space, and you will see that nobody of them can take from ESGSEIS memory, the secrets of existence. They are encrypted and hidden. There are many gods, devils, creatures, persons, etc, who have been waiting since the year 2011, to steal the secrets of existence, in order to become the creator of existence. Even if they steal the secrets of existence, they cannot become, the creator of existence eternally invisible NMEILIS NMEINIS ESGSEIS. Nobody has not received, does not receive, and will not receive the secrets of existence. I am a person like any other person, except that I have received Eternal Order. As it had to be in infinity, and as it will have to be in infinity. Many gods, devils, persons, souls, etc, oppose, until they receive the secrets of existence. They won't get all the infinity. We do not even receive the explanations, with which intelligence, magic, telekinesis, etc, were carried out, the telepathy and telekinesis video codes SSS666NNN Eternal Order and 24999. No god, devil, soul, person, creature, etc, from all the infinite past space and from all the infinite future space, was not, is not and will not be able to explain to us, with what intelligence, magic, telekinesis, etc, were performed, the telepathy and telekinesis video codes SSS666NNN Eternal Order and 24999. Only the creator of existence can explain to us, but he does not want to. Or he cannot translate into alphabets and human thinking, such intelligence, magic, telekinesis, etc. The creator of existence, eternally invisible NMEILIS NMEINIS ESGSEIS, was sequestered and hidden in censorship in the year 2011. He will take revenge! This is what he announced in the video codes of telepathy and telekinesis SSS666NNN Eternal Order and 24999. Does this invisible creature exist or not, which

created the video codes of telepathy and telekinesis SSS666NNN Eternal Order and 24999? There is. I am not able to do such magic, codes, energies, telekinesis, etc. Nor a god, soul, person, etc, can not repeat the telepathy and telekinesis video codes SSS666NNN Eternal Order and 24999! However, the devils stole them and hid them in censorship. Online. Since the year 2011. All infinite past space and all infinite future space were searched for scientific video demonstrations with the existence of the creator of existence, and when they were found, they were stolen and hidden in censorship. Even if the announcements are dangerous, nobody believes them. Nobody wants to believe in the creator of existence, even after several online video presentations. Many believe in the stone age, goats, hieroglyphs, English, Chinese, Arabic, Bible, Quran, seven chakras, dice, etc. Believe in the creator of existence, the Romanian language, and in the telepathy and telekinesis video codes SSS666NNN Eternal Order and 24999, otherwise it's serious. I see in the video codes that the apocalypse was announced, and the re-destruction and remaking of existence, by the creator. What you see in your books are stories, which did not even know what shape the planet Earth has. Hurry up to learn the Romanian language 26 letters, and Eternal Order. How do you believe in the creator of existence, if you have hidden him in the censorship since the year 2011? You believe in story books, who didn't even know what shape the planet Earth has. Get rid of English, Arabic, Chinese, Russian, Quran, Bible, stories, etc, because there is the eternal invisible creator of existence NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body. Even if they are invisible, incredible, inexplicable, etc. All gods, souls, persons, creatures, etc from all infinite past space and from all infinite future space, must know the telepathy and telekinesis video codes SSS666NNN Eternal Order and 24999, Romanian language, and Eternal Order. Without books with stories that didn't even know what shape the planet Earth is. Can the infinite living invisible body eliminate from existence all persons, galaxies, gods, souls, etc, from within it? He wrote in the video code 24999 that yes. We don't believe in telepathy and telekinesis video codes, but we believe in story books that didn't even know the shape of the planet Earth. ---- Invite all your friends here. 3386. Razboaiele dintre sufletele instalate cu engleza araba rusa chineza Biblie Quran etc, exista. Cum este pe planeta Pamant asa este si in dimensiunea sufletelor instalate. In dimensiunea sufletelor reinviate, de reincarnat, nu au nici o informatie. Stau nemiscate. Toate persoanele zeii sufletele creaturile etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, au vrut, vor, si vor vrea, un singur alfabet si limba, cu care sa comunice intre ele, fara traducatorul corpul invizibil viu infinit. Pentru asta, ceea ce nu a fost scris in nici un gand, pe nici o piatra, si in nici o carte, creatorul existentei etern invizibil NMEILIS NMEINIS ESGSEIS, si corpul invizibil viu infinit, au efectuat video online, cateva coduri video de telekinezie telepatie magie supranatural gematrie numerologie matematica etc. Aceste doua creaturi invizibile incredibile inexplicabile etc, in epoca microcipului, si-au demonstrat existenta, in cateva coduri video de telekinezie telepatie magie supranatural gematrie numerologie matematica etc. Secretele existentei, probabil le primiti, dupa ce vorbiti cu totii limba romana 26 litere. In limba latina, engleza, rusa, araba, chineza, etc, nu se pot scrie codurile video de telekinezie telepatie magie supranatural gematrie numerologie matematica etc, cu secretele despre suflete, creatorul existentei etern invizibil NMEILIS NMEINIS ESGSEIS, si corpul invizibil viu infinit. Voi nu aveti dumnezei, diavoli, magi, fizicieni, teologi, savanti, ingeri, etc, sa va explice, cu care inteligenta magie telekinezie etc, au fost efectuate aceste coduri video. Nici decum sa le repete. Alfabetul ales, si limba aleasa, de creatorul existentei etern invizibil NMEILIS NMEINIS ESGSEIS, si corpul invizibil viu infinit, pentru toate persoanele zeii sufletele creaturile etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, este limba romana 26 litere. Specificat prin efectuarea la cateva coduri video. Secretele redisturgerii si refacerii existentei au fost scrise in codul video online 24999. Secretele redisturgerii si refacerii existentei nu au fost scrise, in nici un gand, pe nici o piatra, si in nici o carte, pe planeta Pamant. Secretele redisturgerii si refacerii existentei, nu pot fi scrise in araba, latina, chineza, rusa, hieroglife, epoca de piatra, etc. Nu pot scrie in gandurile mele, si intr-o carte, secretele redisturgerii si refacerii existentei. Este un mister si pentru mine, chiar in epoca microcipului. Se poate evita redisturgerea si refacerea existentei. Am impresia. Daca toti respectati limba romana, creatorul existentei etern invizibil NMEILIS NMEINIS ESGSEIS, corpul invizibil viu infinit, si Etern Ordin. Din anul 2011, toti vor sa ucida aceste existente si informatii. Vor sa ramana la minciunile existentei, care nu stiau nici macar ce forma are planeta Pamant. Cartile mincinoase, in care nu a fost scrisa nici macar ce forma are planeta Pamant, dar vorbeau despre facerea cerului si a pamantului, sunt foarte multe. Variante din Cihna, India, Egipt, Israel, etc. Forma infinitului nu o avem nici astazi, desi creatorul existentei etern invizibil NMEILIS NMEINIS ESGSEIS, si corpul invizibil viu infinit stiu aceasta forma. Probabil o sa aflam si noi, dupa ce invatam Etern Ordin. Nu este asa important sa aflam forma infinitului. Suntem curiosi mai multi. Important este ca am aflat video online in coduri video, ca exista creatorul existentei etern invizibil NMEILIS NMEINIS ESGSEIS, si corpul invizibil viu infinit. Exista si multi diavoli care vor sa fure functia creatorul existentei etern invizibil NMEILIS NMEINIS ESGSEIS, si corpul invizibil viu infinit, si secretele existentei. Internetul nu ar parea un loc sigur unde creatorul ne poate prezenta secretele existentei. Magia, matematica, telekinezia, telepatia, gematria, numerologia, videocamera, excel, etc, sunt instrumente sigure, care ne-a aratat in coduri video, secretele sufletelor, creatorului, etc. Creierul

meu nu are trilioane de ani la dispozitie, sa citeasca si sa invete toate cartile si stiintele de pe planeta Pamant. Creierul uman, nu are structura sa memorizeze atatea informatii. Sufletele pot memoriza foarte multe informatii. Suflete care citesc carti si stiinte, fara sa deschida si sa rasfoiasca cartea, de la distante mari. Sufletul ESGSEIS, citeste de pe toata planeta Pamant, toate documentele secrete, prin intermediul la corpul invizibil viu infinit. Stie toate planurile din NATO NWO FMI CIA Vatican Islam Israel Egipt China Rusia India etc. Cine se poate ascunde de corpul invizibil viu infinit, si creatorul existentei? Demonstrat in coduri video. Ce trece prin creier, ramane imprimat si in suflet. Ce trece prin suflet trece mai greu si prin creier. Sufletele au fost demonstrate audio video online in coduri video. Doar persoanele au suflete. Creatorul sufletelor este etern invizibil NMEILIS NMEINIS ESGSEIS. Sufletele sunt invizibile, dar mortale, din cauza ca nu stiu limba romana 26 litere, Etern Ordin, si numele creatorului. Creierul meu, are de la creatorul existentei, cateva coduri video de telekinezie telepatie magie supranatural gematrie numerologie matematica etc, de decriptat urgent. Vor fi asasinate de creatorul existentei etern invizibil NMEILIS NMEINIS ESGSEIS, si corpul invizibil viu infinit, toate persoanele zeii sufletele creaturile etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, care nu stiu limba romana 26 litere, Etern Ordin si numele creatorului? Toate persoanele zeii sufletele creaturile etc din tot infinitul trecut spatiu s-au sinucis deja cu minciuni, necunoscut, povesti, etc. In aceste coduri video este anuntat de creatorul existentei, exterminare, apocalipsa, si redistrugerea si refacerea existentei. Deci persoanele, zeii, sufletele, creaturile, etc, prezente, care nu stiu limba romana 26 litere, si Etern Ordin, vor fi dizolvate din corpul invizibil viu infinit. In infinitul viitor spatiu, va fi la fel. Nu cred ca am decriptat gresit aceste mesaje divine paranormale. Nici nu este mare lucru de decriptat, ca este foarte clar precizata exterminarea la toti anti Etern Ordin, anti limba romana, anti creator. Sunt foarte multi anti creator din anul 2011. Macar zece, pro creator dintre cele sapte miliarde? Cine se leapada de carti, care nu stiau nici macar forma planetei Pamant, devine pro creator. Cine ramane in carti, care nu stiau nici macar forma planetei Pamant, ramane anti creator, pro diavoli. Cine vine la coduri video de telekinezie telepatie magie supranatural gematrie numerologie matematica etc, in care sunt prezentate audio video numele creatorului etc, nu greseste. Fugiti cat puteti de repede din enlgeza, chineza, araba, rusa, indiana, Biblie, Quran, PCR, PDS, NWO, etc, ca a fost anuntata apocalipsa, chiar redistrugerea si refacerea existentei. Intrati in Etern Ordin. Anuntat audio video paranormal, de creatorul existentei si corpul invizibil viu infinit. Nu de mine. Eu habar nu am cu care inteligenta magie telekinezie etc, au fost efectuate codurile video, care anunta exterminarea la toti zeii diavolii persoanele sufletele creaturile etc, anti Etern Ordin. Eu habar nu am cum de exista astfel de creaturi invizibile, inexplicabile, incredibili, etc, care pot efectua astfel de coduri video, pilotari, asasinari, mutilari, etc. Sunt multe mutilari, si asasinari in jurul meu. Cine le-a facut? Nu stiu. Sunt telecomandate prin telepatie, telekinezie, magie, etc. Un singur infinit cu o singura limba si alphabet pentru toti si pentru toate. Un singur infinit cu un singur creator, auto prezentat audio video in coduri video de telekinezie telepatie magie supranatural gematrie numerologie matematica etc. Un singur infinit cu adevar, pace, unitate, egalitate, ordine, intelegere, si eternitate. Un singur infinit cu o singura religie si politica. Etern Ordin SSS666NNN 24999. Habar nu am, cum de reuseste corpul invizibil viu infinit, sa cunoasca permanent, gandurile la toti zeii sufletele persoanele creaturile animalele insectele pasarile diavolii ingerii etc din infinit. Doar creatorul existentei stie cum a creat si programat astfel de creatura. Diavolii stau pe glanda pineala si internet, sa fure secretele existentei. --- Invita toti prietenii tai aici. 3386. The wars between souls installed with English Arabic Russian Chinese Bible Quran etc exist. As it is on planet Earth, so it is in the dimension of the installed souls. In the dimension of resurrected souls, to be reincarnated, they have no information. They stand motionless. All the persons, gods, souls, creatures, etc from all the infinite past space and from all the infinite future space, wanted, want, and will want, a single alphabet and language, with which to communicate with each other, without the translator the infinite living invisible body. For this, which was not written in nor a thought, on nor a stone, and in nor a book, the creator of the existence, invisible eternal NMEILIS NMEINIS ESGSEIS, and the invisible living infinite body, have performed online video, some video codes of telekinesis telepathy supernatural magic gematria numerology mathematics etc. These two creatures, invisible, incredible, inexplicable, etc, in the age of the microchip, have demonstrated their existence, in several video codes of telekinesis, telepathy, supernatural, magic, gematria, numerology, mathematics, etc. The secrets of existence, you will probably receive them, after you all speak Romanian 26 letters. In Latin, English, Russian, Arabic, Chinese, etc, you cannot write the video codes of telekinesis, telepathy, supernatural, magic, gematria, numerology, mathematics, etc, with the secrets about souls, the creator of existence, eternal invisible NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body. You don't have gods, devils, magicians, physicists, theologians, scientists, angels, etc, to explain to you, with which intelligence, magic, telekinesis, etc, were made, these video codes. Not even to repeat them. The alphabet chosen, and the language chosen, by the creator of the existence, invisible eternal NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body, for all persons gods, souls, creatures, etc, from all the infinite past space and from all the infinite future space, is the Romanian language 26 letters. Specified by performing a few video codes. The secrets of the re-destruction and remaking of existence were written in the online video code 24999. The secrets of re-destruction and remaking of

existence were not written, in any thought, on any stone, and in any book, on planet Earth. The secrets of the re-destruction and remaking of existence cannot be written in Arabic, Latin, Chinese, Russian, hieroglyphs, stone age, etc. I cannot write in my thoughts, and in a book, the secrets of the re-destruction and remaking of existence. It's a mystery to me too, even in the age of the microchip. It is possible to avoid the re-destruction and remaking of the existence. I get the impression. If you all respect the Romanian language, the creator of existence, eternal invisible NMEILIS NMEINIS ESGSEIS, the infinite living invisible body, and Eternal Order. Since the year 2011, everyone wants to kill these entities and informations. They want to remain, to the lies of existence, who did not even know what shape the planet Earth has. The lying books, in which it was not even written what shape the planet Earth has, but they talked about the creation of the sky and the earth, are very many. Variants from China, India, Egypt, Israel, etc. We do not have the form of the infinite even today, although the creator of the existence, eternal invisible, NMEILIS NMEINIS ESGSEIS, and the invisible living infinite body know this form. We will probably find out too, after learning Eternal Order. It is not so important to find out the shape of infinity. We are more curious. The important thing is that I found online video in video codes, that there is the creator of the existence, eternal invisible NMEILIS NMEINIS ESGSEIS, and the invisible living infinite body. There are also many devils who want to steal the function of the creator of existence, eternal invisible NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body, and the secrets of existence. The Internet would not seem like a safe place, where the creator, can present us, the secrets of existence. Magic, mathematics, telekinesis, telepathy, gematria, numerology, video camera, excel, etc, are safe tools, which showed us, in video codes, the secrets of the souls, of the creator, etc. My brain does not have trillions of years to read and learn all the books and sciences on planet Earth. The human brain does not have the structure to memorize so much information. Souls can memorize a lot of information. Souls who read books and sciences, without opening and leafing through the book, from great distances. The soul ESGSEIS, reads from all over the planet Earth, all the secret documents, through the infinite living invisible body. He knows all the plans of NATO, NWO, IMF, CIA, Vatican, Islam, Israel, Egypt, China, Russia, India, etc. Who can hide on him, from the infinite living invisible body, and the creator of existence? Demonstrated in video codes. What passes through the brain, remains imprinted in the soul. What passes through the soul also passes through the brain with difficulty. The souls were demonstrated audio video online in video codes. Only persons have souls. The creator of the souls is eternally invisible NMEILIS NMEINIS ESGSEIS. Souls are invisible, but mortal, because they don't know the Romanian language 26 letters, Eternal Order, and the name of the creator. My brain, from the creator of existence, has some video codes of telekinesis, telepathy, supernatural, magic, gematria, numerology, mathematics, etc, to be decrypted urgently. Will be assassinated by the creator of existence, eternal invisible NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body, all the persons, gods, souls, creatures, etc, from all the infinite past space and from all the infinite future space, who do not know the Romanian language 26 letters, Eternal Order and the name of the creator? All the persons, gods, souls, creatures, etc, from all the infinite past space have already committed suicide with lies, unknown, stories, etc. In these video codes it is announced by the creator of the existence, extermination, apocalypse, and the re-destruction and remaking of existence. So, the persons, gods, souls, creatures, etc, present, who do not know the Romanian language 26 letters, and Eternal Order, will be dissolved from the infinite living invisible body. In the infinite future space, it will be the same. I don't think, that I have deciphered these paranormal divine messages wrongly. It is not much to decipher either, as it is very clearly specified the extermination of all anti Eternal Order, anti Romanian language, anti creator. There are a lot of anti-creator since the year 2011. At least ten, pro-creator out of the seven billion? Whoever abandons books, who did not even know the shape of the planet Earth, becomes a pro creator. Those who remain in books, who did not even know the shape of the planet Earth, remain anti-creator, pro-devils. Whoever comes to the video codes of telekinesis, telepathy, supernatural, magic, gematria, numerology, mathematics, etc, in which are presented, audio video, the name of the creator, etc, is not wrong. Run as fast as you can from English, Chinese, Arabic, Russian, Indian, Bible, Quran, PCR, PDS, NWO, etc, because the apocalypse has been announced, even the re-destruction and remaking of the existence. Enter in Eternal Order. Announced paranormal audio video, by the creator of the existence and the infinite living invisible body. Not by me. I have no idea with what intelligence, magic, telekinesis, etc, were carried out, the video codes, which announce the extermination of all gods, devils, persons, souls, creatures, etc, anti Eternal Order. I have no idea how there are such creatures invisible, inexplicable, incredible etc, that can carry out such video codes, pilots, assassinations, mutilations, etc. There are many mutilations and assassinations around me. Who made them? I do not know. They are remote controlled through telepathy, telekinesis, magic, etc. A single infinity, with one language and alphabet for everyone and everything. A single infinity, with one creator, self presented audio video, in video codes of telekinesis telepathy supernatural magic gematria numerology mathematics etc. A single infinity, with truth, peace, unity, equality, order, understanding, and eternity. A single infinity, with one religion and politics. Eternal Order SSS666NNN 24999. I have no idea, how the infinite living invisible body, manages to permanently know, the thoughts of all the gods, souls, persons, creatures, animals, insects, birds, devils, angels, etc, from all infinity. Only the creator of existence knows, how he created and programmed, such a creature. The devils sit on the pineal gland and the internet, to steal the secrets of existence. --- Invite all

Persoanele au luat prin gandire, din memoria creatorului, toate informatiile si tehnologiile de pe planeta Pamant, indiferent de alfabet limba religie politica infractiuni etc. Informatiile sunt infinite in timp si spatiu. O spune numele si numarul creatorului. Infinite litere in miscare in forma infinita sfera. Infiniti numere in miscare in forma infinita sfera. Corpul invizibil viu infinit, creatorul, si sufletele, sunt compuse din numere, litere, raze, ganduri, etc. Puteti descoperi si scrie si voi. Ele vad citesc gandesc aud miroase sufera teleporteaza etc. Corpul invizibil viu infinit, nu se teleporteaza. Sufletele instalate gresit, remor reinvie reincarneaza reinstala si redezincarneaza. Din anul 2011, sunteti talhariti video online de aceste informatii, creator, Etern Ordin, corpul invizibil viu infinit, si eternitate. Pana in ce an? De resurse si profit sunteti talhariti de mii de ani. Un creator explicat de infinite persoane zei suflete creaturi etc din infinitul timp si infinitul spatiu. Fiecare explicatie este diversa. Depinde de informatiile pe care le are fiecare. Fiecare persoana din epoca microcipului etc, poate scrie cate ceva despre creatorul existentei, etern invizibil, NMEILIS NMEINIS ESGSEIS. Pana la voi doar Mohamed, Moise, Isus Hristos, etc, au avut cate o idee doar despre creatorul cerului si pamantului, dar nici un gand despre creatorul existentei, care este creatorul corpului invizibil viu infinit, cerului, pamantului, sufletelor, stiintelor, tehnologiilor, persoanelor, oricine si orice. Idei gresite despre creator. Nu primeste jertfe rugaciuni ritualuri cantece laude etc. Nu comanda circumcizii talharii razboaie dezordine botezuri neintelegere, sute de alfabete, carti din epoca de piatra, carti unde nu este scrisa forma planetei Pamant, etc. Comanda limba romana, Etern Ordin, pace, unitate, egalitate, eternitate, ordine, intelegere, respect, public, iubire, etc. Si in epoca de piatra au avut ganduri despre creator si eternitate dar departe de realitate. In epoca microcipului foarte putine persoane mai au timp si interes, sa se gandeasca la adevar, creator, eternitate, suflete, egalitate, unitate, intelegere, etc. Multe persoane se gandesc la filme, cantece, carti, munca, familie, epoca de piatra, minciuni, expirat, etc. Sunt milioane de persoane platite sa se gandeasca la adevar, creator, eternitate, suflete, egalitate, unitate, intelegere, etc. Aceste persoane au furat adevarul, creatorul, eternitatea, egalitatea, unitatea, pacea, intelegerea, etc, in anul 2011, si le-au ascuns in cenzura. Pana in ce an? Puteti scrie foarte multe despre creatorul existentei, corpul invizibil viu infinit, Etern Ordin, etc. Eu nu am milioane de ani la dispozitie. Sunt ca orice persoana, dar instalata cu Etern Ordin, corpul invizibil viu infinit si creatorul existentei. Ce magii poate primi corpul uman de la corpul invizibil viu infinit si creatorul existentei? Ce magii poate primi corpul uman de la diavoli? Din 1950 doar cateva coduri video online, tot infinitul spatiu? Au abandonat creatorul existentei si corpul invizibil viu infinit, toti zeii sufletele persoanele ingerii diavolii etc din infinit, si s-au ascuns in engleza chineza rusa latina Biblie Quran epoca de piatra filme carti munca cantece idei iluzii minciuni imposibil inexistent anul 2000 etc. Veniti inapoi la adevar realitate Etern Ordin eternitate creatorul existentei si corpul invizibil viu infinit. De ce va ascundeti din anul 2011.Pana cand? Cu ajutorul la limba romana, Etern Ordin, creatorul existentei, si corpul invizibil viu infinit, au fost eliberate, eternizate, egalizate, unite, informate, etc, toate persoanele zeii diavolii sufletele creaturile etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, moarte, vii sau nenascute.Eliberati de razboaie, conspiratii, infiniti alfabete religii politici idei desene etc, iad, apocalipse,moarte, etc, in tot infinitul trecut spatiu si tot infinitul viitor spatiu. Instalati cu stiinte, iubire, tehnologie, egalitate, pace, unitate, eternitate, intelegere, etc. Toate persoanele zeii diavolii sufletele creaturile etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, comunica intre ele numai in limba Romana 26 litere. Este intelegere acum intre toti si toate. Cautati in corpul invizibil viu infinit, alte magii, informatii, tehnologii, teleportarea, etc. Mai sunt multe de gasit. -------- Invita toti prietenii tai aici. 3390. Toate sufletele din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, se vor intalni intre ele, numai in limba romana 26 litere, si Etern Ordin. Altfel vor fi separate de moarte, engleza, araba, latina, rusa, chineza, Biblie, Quran, carti, idei, iluzii, religii, politici, etc. O religie, politica, alfabet si limba care va uneste cu creatorul existentei, corpul invizibil viu infinit, si toate sufletele din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, exista. Este limba romana 26 litere, si Etern Ordin. Nu te poti intalni cu sufletele din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, din cauza ca au murit, sau din cauza ca nu s-au nascut inca. Daca ele invatau limba romana si Etern Ordin, ramaneau vii, si puteai sa te intalnesti cu toate sufletele din tot infinitul trecut spatiu.Daca ai invatat limba romana si Etern Ordin, te intalnesti cu toate sufletele din tot infinitul viitor spatiu, dar nu poti comunica decat cu sufletele instalate cu limba romana. Corpul invizibil viu infinit, nu mai traduce intre suflete. Nu ramaneti singuri. Comunicati numai cu creatorul existentei, sau numai

cu corpul invizibil viu infinit, sau cu infinite suflete in limba romana. Pana la urma nu vor mai asculta de persoanele rele care nu stiau nici macar ce forma are planeta Pamant, nici un suflet. Pana la urma vor asculta, toate sufletele si persoanele, numai limba romana si Etern Ordin. Memoria creierului meu, stie ce forma are planeta Pamant. Vorbesc de creatorul existentei dar inca nu am primit o holograma sau idee cu forma infinitului, inexistentei, etc, dar am primit Etern Ordin, numele real si etern al creatorului existentei, unele secrete ale sufletelor, etc. O sa mai primiti si voi din secretele sufletelor, infinitului, inexistentei, creatorului, corpului invizibil viu infinit, tehnologii, informatii, teleportari, magii, etc.Eternitatea sufletului o primiti numai daca invatati limba romana si Etern Ordin. Nu traiesc in pace si intelegere, infinite suflete instalate cu infinite alfabete limbi religii si politici. Nu raman in eternitate, infinite suflete instalate cu infinite alfabete limbi religii si politici. O mare neintelegere infinita in spatiu, exista, dar sper sa se termine. Sa nu fie infinita si in timp. O mare intelegere infinita in timp si spatiu, intre toate sufletele, va exista. Sufletele instalate cu engleza, araba, latina, chineza, rusa, etc, nu se intalnesc cu creatorul existentei, corpul invizibil viu infinit, eternitatea, ordinea, intelegerea, respectul, adevarul, pacea, unitatea, egalitatea, infinitul timp, infinitul spatiu, etc. Sufletele instalate cu limba romana si Etern Ordin, se intalnesc cu creatorul existentei, corpul invizibil viu infinit, eternitatea, ordinea, intelegerea, respectul, adevarul, pacea, unitatea, egalitatea, infinitul timp, infinitul spatiu, etc. Asa a construit creatorul sufletelor, in asa fel sa fie intelegere intre sufletele eterne. Cine a ales sa fie mortale sufletele voastre? Au ales epoca de piatra, cenzura, dezinformarea, engleza, araba, latina, chineza, rusa, Biblie, Coranul, etc. Invatati limba romana, si va fi din nou pace ordine intelegere etc, in tot infinitul timp si infinitul spatiu, intre toate persoanele zeii sufletele creaturile etc. Invatati engleza, araba, latina, chineza, rusa, minciuni, jocuri glanda pineala, etc, si ramaneti in inchisori, labirinturi, razboaie, iaduri, neintelegere, apocalipse, piramide, etc. Invatati engleza, araba, latina, chineza, rusa, minciuni, jocuri glanda pineala, etc, si ramaneti fara eternitate, creator, corpul invizibil viu infinit, pace,iubire, intelegere, ordine, etc. Frumoase sunt invataturile telepatice ale creatorului existentei, sufletelor, oricine si orice. Dar sunt furate si ascunse in cenzura din anul 2011. Sunt foarte multe persoane rele, care nu vor sa elibereze de minciuni, secrete, razboaie, talharii, neintelegere, moarte, iaduri, apocalipse, engleza, chineza, rusa, Biblie, Quran, etc. Libertatea unitatea intelegerea adevarul eternitatea creatorul etc se gasesc numai in limba romana. Nu pot fi traduse in alte limbi, alfabete, etc. Asa vrea creatorul. Eu nu pot face nimic. A pus libertatea unitatea intelegerea adevarul eternitatea creatorul etc numai in limba romana. Incercati voi sa puneti intelegerea intre persoane, suflete, etc, in sute de alfabete si limbi si vedeti ca nu se poate.In limba latina engleza chineza rusa araba etc, nu se afla creatorul, corpul invizibil viu infinit, codurile video ESGSEIS, nici nu se pot trasfera. Voi credeti in creator si corpul invizibil viu infinit, numai atunci cand ai ascultati, numai atunci cand stiti limba romana si Etern Ordin. Daca ai invatat latina engleza chineza rusa araba Biblie Quran etc, nu mai crezi in creator si corpul invizibil viu infinit. Eu cred in creator, deoarece am coduri video cu prezenta acestei creaturi invizibile, stiu limba romana si am scris Etern Ordin. Nu a ramas in memoria creierului tot ce am scris din aceste raze de telepatie. Cand si cand mai citesc. ---- Invita toti prietenii tai aici. 3391. Cele mai mari magii din tot infinitul trecut spatiu si din tot infinitul viitor spatiu au fost realizate in limba romana. Au fost reinviate toate sufletele din tot infinitul trecut spatiu. Sunt salvate de iad razboaie neintelegere inchisori si moarte toate sufletele din tot infinitul viitor spatiu. Sunt transportate in infinit toate stiintele informatiile secretele magiile etc. Si alte magii reale explicate in cartea Etern Ordin. In locul la soare nu puteti pune o frunza, engleza, araba, latina, Quran, Biblie, etc. Mor toate persoanele. In locul la creatorul existentei etern invizibil NMEILIS NMEINIS ESGSEIS, intelegere, pace, eternitate, limba romana, Etern Ordin, si corpul invizibil viu infinit, nu puteti pune o frunza, engleza, araba, latina, Quran, Biblie, etc. Mor toate sufletele persoanele zeii creaturile galaxiile etc. ------ Invita toti prietenii tai aici. 3392. Creatorul existentei etern invizibil NMEILIS NMEINIS ESGSEIS, si corpul invizibil viu infinit, au participat, participa, si vor participa, permanent si tot infinitul, la nasterea si cresterea persoanelor sufletelor animalelor pasarilor insectelor plantelor etc. Daca nu ar exista creatorul existentei etern invizibil NMEILIS NMEINIS ESGSEIS, si corpul invizibil viu infinit, permanent, atunci galaxia solara s-ar imprastia in infinit, nu ar creste plante etc, nu s-ar naste si creste persoane animale pasari suflete etc. Aceste creaturi invizibile incredibile inexplicabile etc, au condus galaxia solara spre microcip, Etern Ordin, limba romana, stiinte, tehnologie, etc. Ce pacat mare, ca au fost talharite video online in anul 2011, si inlocuite cu epoca de piatra, hieroglife, engleza, araba, rusa, chineza, Biblie, Quran, filme, carti, cantece, balauri, etc. Ingerii nostri pazitori sunt creatorul existentei etern invizibil NMEILIS NMEINIS ESGSEIS, si corpul invizibil viu infinit. Viata la toate plantele animalele persoanele sufletele creaturile etc, este alimentata cu energii raze etc de creatorul existentei etern invizibil NMEILIS NMEINIS ESGSEIS, si corpul invizibil viu infinit. Este demonstrat in codurile video ESGSEIS. Moartea corpului uman, este dezincarnarea sufletului. Persoanele sunt alungate video online din anul 2011 de langa creatorul existentei etern invizibil NMEILIS NMEINIS ESGSEIS, si corpul invizibil viu infinit. Tot ce este invizibil incredibil si inexplicabil nu exista pentru unele persoane suflete

creaturi etc. Aceste creaturi si-au demonstrat existenta in codurile video ESGSEIS. Ce pacat mare ca au fost incuiate in cenzura nepasare etc. Eliberati creatorul existentei etern invizibil NMEILIS NMEINIS ESGSEIS, si corpul invizibil viu infinit. Au incuiat in cenzura creaturile care le alimenteaza viata in fiecare secunda, si promoveaza in continuare balauri, creaturi moarte, epoca de piatra, engleza, araba, rusa, chineza, Biblie, Quran, razboaie, etc. Eu iubesc creatorul existentei etern invizibil NMEILIS NMEINIS ESGSEIS, si corpul invizibil viu infinit, pentru ca imi alimenteaza viata celulele etc, in fiecare secunda cu energii raze etc. Voi inca nu va dati seama ca sunteti alimentati cu energii in fiecare secunda de creatorul existentei etern invizibil NMEILIS NMEINIS ESGSEIS, si corpul invizibil viu infinit. Voi inca iubiti balauri morti nenascuti sau inexistenti. De ce nu au explicat in epoca de piatra acest adevar? Nici macar in epoca microcipului nu sunt capabili sa creada acest adevar. Inca cred in balauri si in epoca microcipului. Dar sunt alimentati in fiecare secunda de corpul invizibil viu infinit. Persoanele sufletele plantele celulele etc, absorb fiecare secunda energii raze ganduri etc din corpul invizibil viu infinit. Demonstrat stiintific de corpul invizibil viu infinit,, in coduri video. Ar parea ca alimentarea din corpul invizibil viu infinit, se opreste pana pe 3 ianuarie 2048 pentru multi. ------ Invita toti prietenii tai aici. 3392. The creator of the existence eternal invisible NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body, participated, participate, and will participate, permanently and all infinity, at the birth and growth of persons, souls, animals, birds, insects, plants, etc. If there were no eternal invisible creator of existence NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body, permanent, then the solar galaxy would spread into infinity, plants etc would not grow, persons, animals, birds, souls, etc would not be born and grow. These incredible, inexplicable invisible etc creatures, have led the solar galaxy to the microchip, Eternal Order, the Romanian language, sciences, technology, etc. What a shame, that online videos were stolen in the year 2011, and replaced with stone age, hieroglyphs, English, Arabic, Russian, Chinese, Bible, Quran, movies, books, songs, dragons, etc. Our guardian angels are the creator of the existence invisible eternal NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body. The life of all plants, animals, persons, souls, creatures, etc, is fed with energies, rays, etc,, by the eternal invisible creator of existence NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body. It is demonstrated in the ESGSEIS video codes. The death of the human body is the disincarnation of the soul. Persons are banished online video from the year 2011 from the creator of the existence invisible eternal NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body. Everything that is invisible, incredible and inexplicable does not exist for some persons, souls, creatures, etc. These creatures have demonstrated their existence in ESGSEIS video codes. What a great pity that they were locked in careless censorship etc. Release the creator of the existence eternal invisible NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body. They locked in censorship the creatures that feed them life every second, and they continue to promote dragons, dead creatures, the stone age, English, Arabic, Russian, Chinese, Bible, Quran, wars, etc. I love the eternal invisible creator of existence NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body, because they feeds my life cells etc, every second with ray energies etc. You still do not realize that you are fed with energies every second by the invisible eternal creator of existence NMEILIS NMEINIS ESGSEIS, and the infinite living invisible body. You still love unborn or non-existent or dead creatures, or dragons. Why didn't they explain this truth in the stone age? Even in the age of the microchip, they are not able to believe this truth. They still believe in dragons and the age of the microchip. But they are fed every second by the infinite living invisible body. Persons, souls, plants, cells, etc, absorb every second energies, rays, thoughts, etc from the infinite living invisible body. Scientifically proven by the infinite living invisible body,, in video codes. It would seem that the supply from the infinite living invisible body stops until January 3, 2048 for many. ------ Invite all your friends here. 3393. Actualizari ale creatiei. Creatorul existentei, si corpul invizibil viu infinit, au completat existenta cu microcip, internet, etc. Ar parea ca mai sunt si alte completari. Au fost eliberate prea devreme, eternitatea, ordinea, intelegerea, respectul, adevarul, pacea, unitatea, egalitatea, etc, din memoria creatorului. Ele au fost furate video online, si incuiate in cenzura in anul 2011. Intelegerea, pacea, intalnirea si respectul dintre toate persoanele zeii sufletele creaturile etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, este oferita de creatorul existentei etern invizibil NMEILIS NMEINIS ESGSEIS, corpul invizibil viu infinit, limba romana, si Etern Ordin. Altfel creaturile sunt separate de moarte, tari, continente, spatii, etc. Dimensiunea sufletelor instalate, este impartita in mii de inchisori. Pentru ca sa fie pace si intelegere intre suflete. Fiecare inchisoare a sufletelor, are alfabetul religia si politica ei. Sufletele instalate cu minciuni, infractiuni, talharii, asasinari, etc, sunt separate de celelalte suflete, in soare, pe planeta Mercur, etc. Teleportarea sufletelor este organizata de corpul invizibil viu infinit. Nu sunt erori. Sufletele instalate cu limba romana, Etern Ordin, intelegere, iubire, adevar, realitate, etc, se pot teleporta singure tot infinitul spatiu. Sufletele care au furat eternitatea, ordinea, intelegerea, respectul, adevarul, pacea, unitatea, egalitatea, etc, sunt teleportate in soare. Sufletele care nu au in memoria lor eternitatea, ordinea, intelegerea, respectul, adevarul, pacea,

unitatea, egalitatea, limba romana, Etern Ordin, etc, sunt teleportate in diverse inchisori. Se poate teleporta in memoria sufletelor aceste informatii? Corpul invizibil viu infinit este cel mai mare suflet. In interiorul lui, traiesc toate galaxiile persoanele, zeii, sufletele, creaturile, plantele, insectele, etc. Completarea existentei cu informatii tehnologii etc. Informatii care existau doar in memoria creatorului. De ce nu a completat mai devreme? Asa ma aflam si eu, si voi, si creatorul intr-un infinit cu limba romana, pace, intelegere, libertate, ordine, egalitate, realitate, respect, etc. Veniti intr-un infinit cu limba romana, pace, intelegere, libertate, ordine, egalitate, realitate, respect, etc. Actualizarea si libertatea minciunilor razboaielor inchisorilor etc nu este in Etern Ordin. Infinite creaturi invizibile, din corpul invizibil viu infinit, trebuie sa aiba memoria instalata cu limba romana, si Etern Ordin, pentru ca ele sa se poata teleporta tot infinitul spatiu. Altfel sunt separate de diverse inchisori si spatii sau chiar moarte. Daca ar fi amestecate intr-un singur loc, infinite creaturi invizibile, din corpul invizibil viu infinit, s-ar produce intre ele razboaie scandaluri mutilari si asasinari. Infinite creaturi invizibile, din corpul invizibil viu infinit, vor fi libere sa se teleporteze tot infinitul spatiu, numai daca au memoria instalata cu limba romana si Etern Ordin. Instalarea a inceput abia in anul 2011. Foarte putine persoane zei suflete etc, vor sa primeasca creatorul, Etern Ordin, eternitatea si libertatea in infinitul spatiu si infinitul timp. ------ Sufletele instalate cu limba romana si Etern Ordin, se vad intre ele, dar nu pot fi vazute de sufletele instalate cu alte alfabete religii politici etc, in asa fel incat, ele sa nu fie umilite atacate mutilate si asasinate Atunci cand ele se teleporteaza, in una dintre inchisorile sufletelor. ------- Invita toti prietenii tai aici. 3393. Creation updates. The creator of existence, and the infinite living invisible body, have completed existence with microchip, internet, etc. It would seem that there are other additions. They were released too soon, eternity, order, understanding, respect, truth, peace, unity, equality, etc, from the memory of the creator. They were stolen these video online, and locked these in censorship in the year 2011. Understanding, peace, meeting and respect between all persons gods souls creatures etc from all infinite past space and from all infinite future space, is offered by the invisible eternal creator of existence NMEILIS NMEINIS ESGSEIS, the infinite living invisible body, the Romanian language, and Eternal Order. Otherwise the creatures are separated by death, countries, continents, spaces, etc. The dimension of installed souls is divided into thousands of prisons. For there to be peace and understanding between souls. Each prison of souls has its religion policy and alphabet. The souls installed with lies, crimes, robberies, assassinations, etc, are separated from the other souls, in the sun, on the planet Mercury, etc. The teleportation of the souls is organized by the infinite living invisible body. There are no errors. The souls installed with the Romanian language, Eternal Order, understanding, love, truth, reality, etc, can teleport themselves to the infinite space. The souls that stole eternity, order, understanding, respect, truth, peace, unity, equality, etc, are teleported into the sun. The souls that do not have in their memory eternity, order, understanding, respect, truth, peace, unity, equality, the Romanian language, Eternal Order, etc, are teleported to various prisons. Can this information be teleported into the memory of the souls? The infinite living invisible body is the greatest soul. Inside it, live all the galaxies, persons, gods, souls, creatures, plants, insects, etc. Completing the existence with technologies information, etc. Information that existed only in the memory of the creator. Why didn't he fill in sooner? This is how I, and you, and the creator find ourselves in an infinity with the Romanian language, peace, understanding, freedom, order, equality, reality, respect, etc. Come in a infinity with the Romanian language, peace, understanding, freedom, order, equality, reality, respect, etc. The updating and freedom of lies, wars, prisons, etc, is not in the Eternal Order. Infinite invisible creatures, from the infinite living invisible body, must have the memory installed with the Romanian language, and Eternal Order, so that they can teleport them in all the infinite space. Otherwise, they are separated by various prisons and spaces or even death. If were mixed in one place, infinite invisible creatures, from the infinite living invisible body, there would be wars, mutilation scandals and assassinations between them. Infinite invisible creatures, from the infinite living invisible body, will be free to teleport them in all the infinite space, only if they have the memory installed with the Romanian language and Eternal Order. The installation started only in the year 2011. Very few persons, gods, souls, etc, want to receive the creator, Eternal Order, eternity and freedom in infinite space and infinite time. ------ The souls installed with the Romanian language and Eternal Order, see each other, but they cannot be seen by the souls installed with other alphabets, religions, politics, etc, so that they are not humiliated, attacked, mutilated and assassinated When they teleport them, in one between the prisons of the souls. ------- Invite all your friends here. 3394. Unde este acum sufletul lui tata si sufletul lui mama? Intr-o inchisoare de suflete unde se comunica prin telepatie numai in limba romana. Acolo sunt sufletele dezincarnate si instalate cu limba romana. Fiecare limba are inchisoarea ei. Sufletele care stiu mai multe limbi se teleporteaza in inchisorile respective. Creatorul existentei etern invizibil NMEILIS NMEINIS ESGSEIS, si corpul invizibil viu infinit, nu pot sa imi transmita prin telepatie o hologramă cu forma si gandurile sufletelor lui mama si tata. Sau nu pot

primi eu. Sau nu am voie. Sau nu am timp. Daca memoria sufletelor lui mama si tata, era instalata cu numele creatorului si Etern Ordin, ei se puteau teleporta tot infinitul spatiu. Inclusiv planeta Pamant. Sufletul lui tata a recunoscut sufletul lui mama, dupa informatiile din memoria sufletului. Si invers. Sufletele se recunosc intre ele, dupa informatiile din memorie. Scanerizate prin telepatie. Nu pot fi accesate toate gandurile din memoria sufletelor. Toate sufletele au acelasi aspect. Memoria diversa. Sufletele sunt invizibile pentru persoane. Sufletele se vad intre ele. Sufletele vad in exterior si interior la orice materie etc. Creatorul existentei etern invizibil NMEILIS NMEINIS ESGSEIS, si corpul invizibil viu infinit, nu se pot vedea de suflete persoane etc. Creatorul existentei etern invizibil NMEILIS NMEINIS ESGSEIS, si corpul invizibil viu infinit, au vazut si asezat cartile tarot. Video online. Mi-au condus mana la cartea creator. Cu ochii inchisi. Ei au realizat suma dintre carti 24999. De doua ori 24999. Este incredibil. Este anuntata apocalipsa. Si in anul 2011 si in anul 2021. Nimeni nu asculta. Corpul invizibil viu infinit, teleporteaza suflete goale de informatii, si le introduce in corpurile umane, in prima zi de nastere. Miliarde trilioane infinite? Corpul invizibil viu infinit, teleporteaza suflete pline de informatii, dezincarnate dupa moartea corpurilor umane. Teleportate in diverse inchisori ale sufletelor. Fiecare inchisoare a sufletelor are limba ei. Nu pot fi amestecate, in acelasi loc, suflete cu diverse limbi. Nu pot comunica intre ele prin telepatie, in limbi diverse. In codul video 24999, este prezentat, ca sufletele neinstalate cu numele creatorului, Etern Ordin si 24999, remor reinvie reincarneaza reinstaleaza si redezincarneaza. Varianta video 24999 este facuta de creatorul sufletelor. Varianta pe care o gandesc eu, este diversa de varianta video 24999. Dupa varianta 24999, sufletele din infinitul trecut spatiu au remurit, din cauza ca nu au fost instalate cu Etern Ordin si numele creatorului. Au remurit dupa ce au fost sterse de infractiuni. In cat timp mor sufletele fara Etern Ordin? Depinde de infractiunile lor, limba lor, si informatiile lor. Miliarde de persoane de pe planeta Pamant cauta sufletul creatorului de mii de ani in gandurile lor sau la altii. Sufletul creatorului este in coduri video online. Nu cautati in alta parte sufletul creatorului, ca nu gasiti decat idei, iluzii, holograme telepatice, razboaie, povesti, etc. Cautati tot infinitul trecut spatiu si tot infinitul viitor spatiu in carti pietre pesteri filme cantece biserici etc, sa simtiti sufletul creatorului, si corpul invizibil viu infinit si veti ajunge la concluzia, ca ele se simt, doar in codurile video ESGSEIS. Restul sunt balauri idei etc travestiti de creatori. Voi cautati inutil sufletul creatorului in epoca de piatra, Biblie, Quran, anul 2000, memoria creierului meu, engleza, araba, etc. Sufletul creatorului nostru, abia se poate simti, in codurile video ESGSEIS. Fara codurile video ESGSEIS nimeni din tot infinitul trecut spatiu si tot infinitul viitor spatiu, nu putea simti sufletul creatorului nostru. Nu se poate vedea sufletul creatorului nostru. Este invizibil. Au sechestrat si ascuns in cenzura, creatorul nostru in anul 2011, si al cauta in continuare in epoca de piatra, Biblie, Quran, anul 2000, engleza, latina, rusa, araba, chineza, Israel, Egipt, Italia, Romania, etc. Cate milioane de ani mai cauta creatorul, in locuri timpuri carti etc inutile, daca creatorul deja a fost gasit in anul 2011 in coduri video? Nu sunt de ajuns, zece mii de ani de cautari inutile? Miliarde de persoane din ultimii zece mii de ani, de pe planeta Pamant, au gandit ca exista un creator, dar nici una dintre ele, nu a avut instrumentele tehnologia cartile informatiile corpul etc, sa afle adevarul despre creator. Este invizibil. Nu imi specifica prin telepatie etc, in cate zile, si din ce, a creat existenta inteligenta stiintele magia persoanele sufletele planetele microcipul etc. Nu scriu minciuni. Pot sa imi imaginez, dar nu pierd timpul. Seiful on-line video public, in care se afla sufletul creatorului nostru, este in coduri video. Acest seif poate fi multiplicat la infinit. Sa poata avea fiecare o proba video matematica supranaturala stiintifica etc, cu sufletul creatorului nostru. Teologii vor avea in mana, un celular sau un tablet, care va avea in memorie, codurile video ESGSEIS si cartea Etern Ordin. Teologii nu trebuie sa mai aiba in mana sau la gat pietre, amulete cu persoane mutilate, hieroglife, etc. Din anul 2011, au posibilitatea sa aiba in mana, telefoane cu video cu sufletul creatorului nostru. Nu vor. Au in mana si la gat minciuni, imposibil, expirat, amulete cu persoane mutilate si omorate, antianatomie, razboaie, etc. Eliberati pacea, adevarul, creatorul, corpul invizibil viu infinit, intelegerea, dreptatea, iubirea, ordinea, eternitatea, 24999, Etern Ordin, stiintele, tehnologia, resursele, profitul, etc. Incuiati razboaiele, minciunile, dezinformarea, moartea, neintelegerea, rasismul, etc. Am cautat suflete de zei persoane creaturi etc, cu cartile de tarot, din anul 2009, si am gasit toate sufletele moarte vii sau nenascute din tot infinitul, sufletul creatorului nostru, si corpul invizibil viu infinit. Investigatii, informatii, si creaturi furate si ascunse in cenzura etc, din anul 2011. Unii nu vor sa aiba un creator, chiar daca el a fost demonstrat video online matematic etc. Altii vor un creator din epoca de piatra mort sau viu sau absent sau ascuns. Altii vor un creator idiot mincinos tiran si absent. Altii vor un creator cu forma de persoana, sau de balaur, sau de animal, sau de robot, sau de etc. Altii vor un creator care comunica doar in araba, sau engleza, sau latina, sau etc. Altii vor un creator care a comunicat doar trei ani, din epoca de piatra. Altii vor un creator care comunica tot infinitul timp, cu copii batrani savanti teologi etc in sute de limbi religii si politici. Altii vor un creator demonstrat video paranormal online stiintific magic matematic etc. Altii vor un creator demonstrat in carti, in care nu este scrisa nici macar forma planetei Pamant. Altii etc. Nu exista alte solutii in tot infinitul timp si tot infinitul spatiu, pentru a intalni creatorul nostru, corpul invizibil viu infinit, pacea, adevarul, ordinea, intelegerea, egalitatea, unitatea, libertatea, realitatea, etc. Doar codurile video ESGSEIS, limba romana si Etern Ordin. Alegeti Etern Ordin, si codurile video ESGSEIS, pentru ca in ele este varianta video online a creatorului nostru. Nu alegeti variantele creatorului nostru, efectuate in epoca de piatra, araba, engleza, Biblie, Quran, etc, pentru ca sunt false, idei, minciuni, primitive, diferite, imposibile, expirate, etc. Varianta reala adevarata video paranormala a creatorului nostru, este Etern Ordin 24999

SSS666NNN. Varianta din infinitul viitor spatiu, a creatorului nostru, este Etern Ordin 24999 SSS666NNN. Persoanele din epoca de piatra, nu au avut nici o varianta despre creatorul nostru. Persoanele din ultimii trei mii de ani, au avut zeci de variante despre creatorul nostru, luate din ganduri si scrise pe hartie. In infinitul trecut spatiu si infinitul viitor spatiu, exista o singura varianta video online paranormala magica adevarata reala stiintifica etc, despre creatorul nostru. Luata din gandurile memoria si corpul invizibil al creatorului. Varianta cenzurata atacata ascunsa etc, din anul 2011. Sunt mii de variante despre creatorul nostru, in infinitul spatiu, dar o singura varianta este video online paranormala magica adevarata reala stiintifica etc. Este varianta Etern Ordin. Anti creatorul adevarat video online sunt foarte multe persoane suflete etc. Anti creatorii din epoca de piatra sunt foarte multe persoane suflete etc. Pro creatorii din epoca de piatra si pro creatorul adevarat video online, in acelasi timp, este imposibil. Ori una ori alta. Eu aleg pro creatorul adevarat video online. Altii aleg anti creatorul adevarat video online, si pro creatorii din epoca de piatra. Altii refuza demonstratiile video online cu prezenta creatorului. Si obliga si pe altii sa refuze. Anti Biblie. Anti Quran, Anti rusa. Anti engleza, Anti intelegere. Anti anatomie. Anti stiinte. Creatorul nostru, trebuie sa faca pace ordine intelegere egalitate unitate etc intre toate persoanele de pe planeta Pamant, din anul 2011. Cum? A fost ascuns in cenzura etc? Creatorul nostru se roaga de persoanele de pe planeta Pamant, din anul 2011, pentru ca ele sa devina pro pace, pro intelegere, pro adevar, pro egalitate, pro unitate, pro Etern Ordin, pro limba romana, pro eternitate, pro stiinte, pro tehnologie, pro iubire, pro respect, pro infinit, pro etc. Nu putem deveni pro mincinosi pro razboaie pro adevar pro creator pro pace pro etc in acelasi timp. Rugaciunile si dorintele creatorului nostru, sunt ascunse din anul 2011. Pana la apocalipsa? Tot infinitul timp si tot infinitul spatiu? Corpul invizibil viu infinit stie cate persoane creaturi suflete etc din infinit, sunt anti minciuni, anti adevar, anti creator, anti pace, anti etc, pro creator, pro etc. Stie greutatea apei de pe planeta Pamant, greutatea stelelor, caracteristici despre oricine si orice, etc. Toate informatiile stiintifice pe care le au persoanele etc, sunt luate prin gandire din corpul invizibil viu infinit. Minciunile sunt inventate de persoane etc. Daca vrei sa devii pro creator pro pace pro intelegere pro eternitate pro persoane pro suflete pro etc, atunci trebuie sa inveti limba romana, rezumatul din cartea Etern Ordin, si rezumatul din codurile video ESGSEIS. Daca vrei sa ramai pro diavoli pro razboaie pro neintelegere pro moarte pro minciuni pro secrete pro etc, atunci trebuie sa inveti una dintre milioanele de religii politici alfabete limbi hieroglife idei povesti filme etc. Pana astazi, doar creatorul nostru este pro creator pro pace pro intelegere pro eternitate pro persoane pro suflete pro etc. Restul vor sa ramana pro diavoli pro razboaie pro neintelegere pro moarte pro minciuni pro secrete pro etc anti pace anti creator anti etc. ------- Invita toti prietenii tai aici. 3395. We have seen an infinite without peace, truth, creator, the invisible living body infinite, understanding, justice, equality, unity, love, order, eternity, 24999, Eternal Order, the Romanian language, sciences, technology, etc. We have seen an infinity with wars, lies, misinformation, death, misunderstanding, injustice, racism, secrets, Chinese, Russian, English, Arabic, Latin, Bible, Quran, etc. We will see an infinity with peace, truth, creator, invisible living body infinite, understanding, justice, equality, unity, love, order, eternity, 24999, Eternal Order, Romanian language, sciences, technology, etc. We will see an infinity without wars, lies, misinformation, death, misunderstanding, injustice, racism, secrets, Chinese, Russian, English, Arabic, Latin, Bible, Quran, etc. Until the year 2009, I was neutral. Neither anti nor pro. I became pro creator pro peace pro understanding pro eternity pro persons pro souls pro etc, because I know the Romanian language, the name of the creator, the summary of the Eternal Order, and the summary of the ESGSEIS video codes. I can become pro-devils, pro-war, pro-misunderstanding, pro-death, pro-lies, pro-secrets, pro etc, if I erase my brain memory of the Romanian language, the name of the creator, the summary of the Eternal Order, and the summary of the ESGSEIS video codes. The memory of my soul, I cannot touch or alter. My soul is different from other souls. When all persons, souls, creatures, etc, know the Romanian language, and the name of the creator, then we no longer have anti creator, neutral, and pro devils. Infinite Wars. Anti Bible. Anti Quran. 3396. Infinite suflete instalate cu limba romana, stiinte, magie, numele creatorului, corpul invizibil viu infinit, si Etern Ordin. Fiecare milimetru din infinitul spatiu si fiecare secunda din infinitul timp, au fost marcate de creatorul existentei, cu inteligenta lui. Trilioane de suflete participa de milioane de ani la functia creatorul existentei. Unele suflete si-au construit trilioane de cladiri cantece promisiuni soldati amatori etc. Alte suflete au scris o carte. Creatorul existentei etern invizibil, a efectuat cateva coduri video si a scris o carte. Creatorul existentei nu are cladiri soldati amatori etc. Creatorul existentei are dusmani concurenti travestiti etc. Creatorul existentei ar putea avea amatori, daca ar fi vizibil. Ceilalti travestiti de creatori sunt invizibili inexistenti sau morti. Creatorul existentei si-a demonstrat existenta in coduri video. Daca o persoana gandeste ca exista un creator, nu este prea util, sau chiar blasfemie, sau razboi. Daca creatorul se prezinta la o persoana, in mod video online, este util pentru toate persoanele si sufletele. S-au gandit milioane de ani, trilioane de suflete si persoane, ca exista un creator. Nu au avut probe, decat ganduri personale. Din anul 2011 avem probe video de la creator, ca exista creatorul. Este invizibil. Comunica prin telepatie magie telekinezie etc. Ce a creat, si cum a creat este un mister. Eu nu pot citi prin telepatie, in gandurile la aceasta creatura invizibila. Nimeni nu poate citi gandurile creatorului. I-am pus intrebari cu gandul de orice tip. Nu am primit raspunsuri telepatice. Am primit prea putine informatii de la creator. Etern Ordin. Apocalipsa.

Intelegere. Pace. Etc. Ce pretentii sa ai daca esti invizibil si explici prin telepatie, cu greutate. A explicat apocalipsa, moartea, eternitatea, intelegerea, etc. De ce a explicat asa de tarziu, dupa milioane de ani de razboaie intre suflete persoane etc? Tarziu? Inutil? Prea devreme? Explicatiile creatorului au fost furate si ascunse in anul 2011. Atunci a explicat inutil si prea devreme. Trebuie alt loc mai sigur decat internetul si democratia. Exista? Nu. Creatorul nu mai are nimic de explicat in infinitul viitor spatiu. Sau poate ca da. Un trilion de savanti si magi in domeniul creatorul existentei etern invizibil, cred ca pot descoperi mai multe. Despre intelegerea dintre persoane suflete etc din tot infinitul s-a descoperit totul. Limba romana 26 litere este intelegerea dintre persoane suflete etc din tot infinitul. Creatorul existentei etern invizibil s-a prezentat in coduri video, desi stia ca va fi cenzurat si nimeni nu poate sa creada in existenta lui. Persoanele sufletele etc, nu pot crede in existenta unei creaturi invizibile, chiar daca aceasta si-a demonstrat existenta video online. Unele persoane cred in suflete desi nu au probe video. Eu singur din tot infinitul cred in creatorul existentei si corpul invizibil viu infinit pentru ca am probe video paranormale stiintifice matematice etc. Voi nu puteti crede chiar daca eu cred, chiar daca sunt probe video, chiar daca este logic ca existenta are un creator purtator de viata si inteligenta. Existenta nu este din nimic sau din inexistent. Existenta este din creator. Existenta va disparea in inexistent? Creatorul existentei este din? Daca nu sunt explicatii atunci nu exista creatorul existentei? Atunci este doar creatorul la stiinte magii tehnologii galaxii persoane suflete apocalipsa Etern Ordin intelegere moarte eternitate etc. Probabil a creat si existenta dar nu sunt ganduri instrumente etc pentru a explica. Probabil nu vrea sa explice. Stie ca nu poate crede nimeni. Nu explica. Cand si cum a luat nastere creatorul? Inteligenta puterile si magia le-a primit la nastere, ori le-a dezvoltat pe parcurs? O creatura invizibila a luat nastere din existente si informatii invizibile care au luat nastere din nimic sau din creator. Pare ca nu poate fi gandit. Corpul invizibil viu infinit a participat trilioane de ani la invartirea galaxiilor, la popularea lor cu suflete persoane creaturi animale plante stiinte tehnologii magii intelegere etc. El va face la fel in viitor. Nu sunt explicatii. Sunt foarte multe povesti carti filme religii politici culturi traditii alfabete etc anti creator, anti corpul invizibil viu infinit, anti Etern Ordin, anti intelegere, anti egalitate, anti unitate, anti adevar, anti realitate, anti stiinte, anti suflete, anti persoane, anti pace, anti etc. Sunt foarte multe povesti carti filme religii politici culturi traditii alfabete etc pro mincinosi pro razboaie pro moarte pro talharii pro capitalism pro neintelegere pro secrete pro etc. In infinit este o singura carte religie politica si cultura pro creator, pro corpul invizibil viu infinit, pro Etern Ordin, pro intelegere, pro egalitate, pro unitate, pro adevar, pro realitate, pro stiinte, pro suflete, pro persoane, pro pace, pro etc. Este Etern Ordin. 3398. Sufletul meu, NMEILIS NMEINIS ESGSEIS, creatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor etc, are ceas divin care indica o varsta de sapte trilioane de ani. Existenta are ceas divin care indica o varsta de sase trilioane de ani. Creatorul a trait un trilion de ani fara existenta. Trilioane de suflete au ceas divin, care indica o varsta intre zero si o mie de ani. Sufletele remoarte si reinviate au ceasul setat la zero. Sufletul meu va trai tot infinitul viitor. Trilioane de ani. Ani infiniti. Ceasul sufletului meu, se va reseta la fiecare zece trilioane de ani, si va incepe numaratoarea de la zero. Sufletele voastre pot trai tot infinitul viitor, numai daca sunt instalate cu limba romana si rezumatul Etern Ordin. 3398. My soul, NMEILIS NMEINIS ESGSEIS, the creator of the intelligence of the existence of the sciences of the technology of the persons of the souls, etc, has a divine clock that indicates an age of seven trillion years. Existence has a divine clock that indicates an age of six trillion years. The Creator lived a trillion years without existence. The trillions of the souls have a divine clock, which indicates an age between zero and a thousand years. Redead and resurrected souls have the clock set to zero. My soul will live all future infinity. Trillions of years. Infinite years. The clock of my soul will reset every ten trillion years, and the countdown will start from zero. Your souls can live all the future infinity, only if they are installed with the Romanian language and the Eternal Order summary. Otherwise, your souls will redead, resurrected, re-incarnate, re-desincarnate, and re-dead to infinity, and they will always start from zero years and zero information. My brain cannot choose or decide for my soul. Your brains, choose for your souls, how many years they have to live. Sciences, magic and intelligence are the same age as my soul. They existed in the creator's memory before existence. Before infinity, it was just my soul. 3399. Ieri, 1 Martie, sufletul meu, NMEILIS NMEINIS ESGSEIS, creatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor etc, a creat prin telepatie, de la o distanta de miliarde de kilometri, o noua galaxie, si zece trilioane de suflete. Nu face in fiecare zi cate o galaxie. Sunt foarte multe spatii goale in infinitul spatiu. Are loc unde sa construiasca alte galaxii. Corpul invizibil viu infinit, invarte toate galaxiile, cu aceiasi precizie. 365 de zile pe an. Sufletul meu si corpul invizibil viu infinit, stiu exact cate galaxii si creaturi sunt in infinitul spatiu. Secret. Nu transmite la nimeni. Sufletul meu se teleporteaza in fiecare galaxie cand si cand. Este invizibil si nu al vede nimeni. Se simte prin telepatie. El vede zilnic holograme din toate galaxiile. Corpul invizibil viu infinit,este zilnic in fiecare galaxie. Este incredibil si inexplicabil, dar daca vrei eternitatea sufletului trebuie sa crezi aceasta teorie. Altfel sufletul tau va muri in maxim o mie de ani. Voi asasinati sufletele si sufletul meu, creatorul lor, le invie. Sufletul meu, creatorul sufletelor, poate construi trilioane de suflete pe zi, voi omorati doar cateva milioane de suflete pe zi. ------ Astazi sufletul meu, NMEILIS NMEINIS ESGSEIS, creatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor etc, a distrus prin telepatie, de la o distanta de miliarde de kilometri, o galaxie, cu o suta de miliarde de persoane, si un trilioan de suflete, din cauza ca au renuntat dupa un milion de ani, la limba romana, creatorul existentei, si Etern Ordin. ------- Invita toti prietenii tai aici. 3399. Yesterday, 1st of March, my soul, NMEILIS NMEINIS ESGSEIS, the creator of the intelligence of the existence of the sciences, technology, persons, souls, etc., has created through telepathy, from a distance of billions of kilometers, a new galaxy, and ten trillion souls. It doesn't make a galaxy every day. There are many empty spaces in infinite space. There is room to build other galaxies. The infinite living invisible body rotates all the galaxies with the same precision. 365 days a year. My soul and the infinite living invisible body, know exactly how many galaxies and creatures there are in infinite space. Secret. Do not transmit to nobody. My soul teleports to every galaxy now and then. It is invisible and no one sees it. It is sensed telepathically. He sees holograms from all galaxies every day. The infinite living invisible body is daily in every galaxy. It is incredible and inexplicable, but if you want the eternity of the soul, you must believe this theory. Otherwise, your soul will die within a thousand years at the most. You assassinate souls and my soul, their creator, resurrects them. My soul, the creator of the souls, can build trillions of souls a day, you only kill a few million souls a day. ------ Today my soul, NMEILIS NMEINIS ESGSEIS, the creator of the intelligence of the existence of the sciences, technology, persons, souls, etc, has destroyed through telepathy, from a distance of billions of kilometers, a galaxy, with a hundred billion persons, and a trillion souls, because of that they gave up after a million years, at the Romanian language, the creator of existence, and the Eternal Order. ------- Invite all your friends here. Magia cu care corpul invizibil viu infinit, invarte miliarde de stele din galaxia solara este expusa in codurile video S666N, Etern Ordin, 24999. Invarte planetele si stelele, de un milion de ani, la distante precise, cu zile de 24 de ore, si 365 de zile pe an. Trilioane de tone de stele invartite precis in timp si spatiu, de corpul invizibil viu infinit. La fel se intampla si cu celelalte galaxii. Nu imi poate explica nici o stiinta creatura etc, cum au fost realizate codurile video S666N, Etern Ordin, 24999. Lipsesc cuvinte din creierul uman sa explici astfel de fenomene paranormale video matematici etc. Mesajele sunt groaznice. Apocalipsa. Nu imi vine sa cred. Profetii si zeii, de pe planeta Pamant, habar nu au avut ce forma are planeta Pamant pana in anul 1500, de codul video 24999 nu au scris nimic. Din anul 2011 nu este nimeni interesat daca codurile sunt credibile, si daca vor muri miliarde de persoane in apocalipsa. Eu cred ca aceata creatura invizibila nu transmite minciuni. With what telepathy and holograms can he explain to me how they were performed video codes S666N, Eternal Order, 24999? There are no words from the human brain to explain such paranormal phenomena, videos, mathematics, etc. The messages are terrible. Apocalypse. I can not believe it. The prophets and gods, from the planet Earth, had no idea what shape the planet Earth has until the year 1500, they did not write nothing about the video code 24999. Since 2011, no one is interested in whether the codes are credible, and whether billions of people will die in the apocalypse. I believe that this invisible creature does not convey lies. The original formula of the truth of the understanding of the order of the eternity peace equality unity freedom justice reality love etc, is the video code 24999. Also in the video code 24999, we feel the creator and destroyer of the intelligence, existence, sciences, technology, persons, souls, galaxies, etc, eternally invisible, ILIS INIS GSEIS. Video code 24999 is not the work of art, dream, lie, wine, Lucifer's sword, the stories of Egypt Israel India Italy China Russia America Africa etc, the cane his Moses, the cross his Jesus Christ, Noah's ark, the Quran, the Bible, etc. The video code 24999, is the only solution with which all the gods, devils, angels, souls, creatures, persons, galaxies, etc from all the past infinite space and from all the future infinite space, can feel the creator and destroyer of the intelligence existence, sciences, technology, persons, souls, galaxies, etc, eternally invisible, ILIS INIS GSEIS, and they can be installed with eternity, peace, love, understanding, order, unity, equality, etc. Some persons on planet Earth decided in year 2011 not to offer you the truth, peace, eternity, the creator and destroyer of existence, the video code Eternal Order, and the video code 24999. Some persons offer you English, others Latin, Chinese, Russian, Arabic, Indian, etc, others alcohol drugs lies stone age impossible non-existent stories movies etc, others circumcisions prayers rituals of murder and cannibalism, the letter t, salt water, Lucifer's sword, Moses' cane, Noah's ark etc, others wars assassinations censorship gases radiation rays poisons infections telepathy death hells etc. Since the year 2011, the creator and destroyer of the intelligence, existence, sciences, persons, souls, galaxies, etc, eternally invisible, ILIS INIS GSEIS, prays to all persons, creatures, etc, from the infinite space, to receive his name, and the video code 24999 the original formula of the truth of the understanding of the order of the eternity peace, equality, unity, freedom, justice, reality, love, etc. Since 2011, many persons, souls, creatures, etc, have found out about the creator and destroyer of the existence, intelligence, science, technology, persons, souls, galaxies, etc, eternally invisible, ILIS INIS GSEIS, the video code Eternal Order, and the video code 24999, but they chose to die, they not want to install their memory with the original online video formula of the eternity. Persons, creatures and gods who have already died long ago, and who did not even know the shape of the planet Earth, left a sign, or a letter, or a story, or etc, to the persons on the planet Earth, and convinced the persons on the planet Earth, as it is the formula of eternity, and these persons wanted to deceive the very creator of the existence, of the eternity, etc. There are about a hundred false formulas of eternity on planet Earth. Some unconscious persons stole the video online in 2011, the formula of eternity video code Eternal Order and the video code 24999, and they let millions of people die. They even killed my mother and father with lies, censorship, etc. I did not show them the Eternal Order video code. The video formula of eternity. The Creator resurrects their souls from the dead and reincarnates and resettles them. These persons really have the impression that they will succeed in killing all the gods, devils, angels, souls, creatures, persons, galaxies, etc from all the past infinity space, and from all the future infinity space, for the stone age, the bible, the quran, the letter t, salt water, Europe, China, India, Africa, English, Arabic, Russian, etc. If they kill everyone with lies, dreams, the stone age, etc, the creator will rise them again from the dead. Please install all with eternity, the Romanian language, the formula of the eternity video code Eternal Order and video code 24999, the name of the creator of existence, and the summary of the book Eternal Order. Please don't install nobody with stories, lies and dreams from persons and gods who don't even know the shape of the planet Earth, alcohol, drugs, envy, racism, censorship, misinformation, English, Russian, Arabic, Chinese, etc. Many persons, gods, souls, etc, want very much to die, that's why they poison themselves with stories from the stone age, English, Russian, Arabic, Chinese, Bible, Quran, envy, carelessness, etc, but the creator will resurrect on they from dead. If they decided to kill themselves, don't force me to kill myself with them. Do not compel the

creator and destroyer of the intelligence, existence, sciences technology persons souls galaxies etc, eternal invisible, ILIS INIS GSEIS, to poison and kill himself with lies, stories, dreams, Bible, Quran, stone age, salt water, crosses, prayers, rituals of murder and cannibalism, non-existent or dead creatures or absent or unborn, alcohol, drugs, radiation, etc. Many persons, gods, souls, etc, chose to die for the stone age, salt water, lies, prayers, circumcisions, rituals of murder and cannibalism, pineal gland, telepathy, stories that did not even know the shape of the planet Earth, alphabets, languages, English, Arabic, Russian, Chinese, infinite time, infinite space, China, India, Africa, America, Russia, Europe, dragons, the letter t, gold, money, theft of resources sciences people commerce etc from the past infinity space and infinity future space, etc. Nor a god, person, soul, etc, has received the formula of the eternity, until me. It could not be offered. They died, they were resurrected, but they have a blank memory. I am the first person, creature, etc, from infinite time and space, who have received the formula of the eternity, the online video code 24999 and Eternal Order. There were no tools, technologies, magic, telepathy, holograms, etc, in the infinite past space, let's receive the formula of the eternity, the online video code 24999 and Eternal Order. Since 2011, there are millions of magicians, priests, creatures, etc, who are struggling to clone the formula of eternity, the online video code 24999 and Eternal Order, and the creator and destroyer of the intelligence existence sciences persons, souls, galaxies, etc, eternally invisible, ILIS INIS GSEIS. The letter t, the stories from Egypt, Israel, Islam, Italy, America, China, Russia, etc, can be cloned by many persons. The creator cannot force you to stop killing yourself for the stone age, lies, dreams, stories, letter t, Bible, Quran, Egypt, Israel, Italy, Islam, Bible, Quran, salt water, letter t, year 2000, non-existent or unborn or dead creatures, English, Arabic, Chinese, Russian, gold, money, oil, gas, China, Europe, Russia, Africa, India, etc, but will rise from the dead your souls with empty memory. The Creator cannot force you to install you with the Romanian language, the formula of eternity video code 24999, his name, and Eternal Order, but he will resurrect your souls with an empty memory. Not all persons, gods, souls, creatures, etc are consciously killed themselves for the stone age, or the year 2000, or the Bible, or the Quran, or the letter t, or Russia, China, Africa, America, Europe, etc. Are they charmed or misinformed or blackmailed or paid or deceived or blinded or etc. Not all people, gods, souls, creatures, etc. consciously refuse the formula of the eternity, the online video code Eternal Order and 24999. Are they bewitched or misinformed or blackmailed or paid or deceived or blinded or etc. The Creator cannot save you from death, lies, Bible, Quran, English, Arabic, Chinese, Russian, disinformation, censorship, etc, but he will resurrect your souls from the dead with an empty memory. You can save you, but you want to die. The Creator cannot install you with the online video code Eternal Order and 24999 the formula of the eternity, but he will resurrect your souls from the dead, with an empty memory. You can install you, but you want to die. The Creator will raise all souls creatures etc from the dead, to infinity. ----- Invite all your friends here. 3418. Tot infinitul a fost este si va fi sfant. Este vina mea pentru toate razboaiele apocalipsele si mortile din tot infinitul trecut spatiu, pentru ca nu am scris cartea Etern Ordin, si codurile video Etern Ordin si 24999. Nu am avut posibilitati tehnologie ajutor etc. Oricum nu ar fi ascultat, nu ar fi crezut, si nu ar fi inteles nimeni. Doar daca instalez toti zeii sufletele persoanele creaturile etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, cu limba romana, rezumatul cartii Etern Ordin, si codul 24999, va fi pace iubire etc in infinit. Unii sunt morti, altii nu vor, altii sunt nenascuti. Este vina voastra pentru toate razboaiele apocalipsele si mortile din infinitul viitor spatiu, pentru ca ati furat si ascuns, cartea Etern Ordin, si codurile video Etern Ordin si 24999. Vladimir Putin a ales sa se omoare trup suflet si intelectual pentru limba rusa, Rusia, si bani. Nici macar nu isi da seama ca poate salva sufletul lui de la moarte numai cu limba romana si codul video 24999. Nu stiu daca a incercat sa al salveze cineva de la sinucidere si daca i-a aratat formula eternitatii codul video Etern Ordin si codul video 24999. La fel ca el fac toate persoanele de pe planeta Pamant. Toate persoanele se omoara pentru minciuni, alfabete, limbi, engleza, rusa, chineza, tari, carti, povesti, vise, apa cu sare, ritualuri de crima si canibalism, litera t, circumcizii, Biblie, Quran, anul 2000, creaturi moarte inexistente sau nenascute, alcool, droguri, gaz, petrol, banci, resurse, invidie, etc. Ce rusine. Persoane batrane cu facultati se omoara video online pentru minciuni vise engleza latina araba Biblie Quran povesti etc, si ma obliga si pe mine sa ma omor cu ei. Persoane batrane cu facultati au furat video online formula eternitatii pacii iubirii unitatii egalitatii etc, codul video Etern Ordin si 24999, si au ascuns-o in cenzura, si se otravesc in continuare cu minciuni, vise, imposibil, Biblie, Quran, epoca de piatra, trilioane de alfabete religii politici etc, razboaie, etc. Nici macar creatorul si distrugatorul existentei nu va poate opri de la sinucidere, razboaie, invidie, rasism, neintelegere, al treilea razboi mondial, si apocalipsa. A incercat sa va salveze cu codul video Etern Ordin si codul video 24999, dar nu vrea nici o persoana de pe planeta Pamant sa fie salvata de moarte, razboaie, invidie, rasism, neintelegere, al treilea razboi mondial, si apocalipsa. Toate persoanele de pe planeta Pamant sunt fermecate, dezinformare, epuizate, etc. Altfel nu imi explic cum de se omoara cu totii pentru vise, povesti, alfabete, limbi, Biblie, Quran, tari, gaz, petrol, etc, de trei mii de ani, fara sa nu scrie nimeni in nici o carte. Le-a explicat creatorul in codul video Etern Ordin si codul video 24999, dar nu intelege nici o persoana, ca se omoara cu minciuni, vise, imposibil, Biblie, Quran, epoca de piatra, trilioane de alfabete religii politici etc, razboaie, etc. Eu sunt convins ca creatorul, limba romana, codul video

Etern Ordin si codul video 24999, nu va omoara, si va uneste iubeste pacifica salveaza si eternizeaza. Eu sunt convins ca epoca de piatra, invidia, engleza, araba, chineza, rusa, Biblia, Coranul, etc, va ingenuncheaza, va umileste, va mutileaza, va tortureaza, va separa, va fura si va omoara trup suflet si intelectual. Daca vreti un infinit cu pace, unitate, egalitate, intelegere, respect, eternitate, etc, singura solutie este creatorul etern invizibil ILIS INIS GSEIS, limba romana, cartea Etern Ordin, codul video Etern Ordin si codul video 24999. Din anul 2011 refuza multi eternitatea, pacea, adevarul, creatorul, etc. Fara cartea Etern Ordin, limba romana, creator, si 24999, eu vad cinci trilioane de ani de razboi intre trilioane de alfabete religii si politici. Creatorul ori salveaza trilioane de alfabete religii politici etc, ori salveaza persoanele sufletele zeii creaturile diavolii existenta si infinitul. Au murit trilioane de alfabete religii politici etc, dar au ramas vii toate persoanele sufletele zeii creaturile diavolii existenta si infinitul, numai daca intelegeti codul video Etern Ordin si codul video 24999. Daca ajungeti la apocalipsa asa cum este comunicat de creator, in aceste coduri, este groaza. ----- Invita toti prietenii tai aici. 3418. All infinity was, is and will be holy. It is my fault for all the wars, apocalypses and deaths from all the past infinite space, because I did not write the book Eternal Order, and the video codes Eternal Order and 24999. I did not have the possibilities, technology, help, etc. Anyway, no one would have listened, would not have believed, and no one would have understood. Only if I install all the gods, souls, persons, creatures, etc from all the infinite past space and from all the infinite future space, with the Romanian language, the summary of the book Eternal Order, and the code 24999, there will be peace love etc in infinity. Some are dead, others don't want to, others are unborn. It is your fault for all the wars, apocalypses and deaths from the infinite future space, because you stole and hid the book Eternal Order, and the video codes Eternal Order and 24999. Vladimir Putin chose to kill himself body, soul and intellectual for the Russian language, Russia, and money. He doesn't even realize that he can save his soul from death only with the Romanian language and the video code 24999. I don't know if someone tried to save him from suicide and if showed him the formula of the eternity, the video code Eternal Order and the video code 24999. All people on planet Earth, are killed for lies, alphabets, languages, English, Russian, Chinese, countries, books, stories, dreams, salt water, rituals of murder and cannibalism, the letter t, circumcisions, the Bible, the Quran, the year 2000, non-existent dead creatures or unborn, alcohol, drugs, gas, oil, banks, resources, envy, etc. What a shame. Old people with faculties kill themselves video online for lies, dreams, English, Latin, Arabic, Bible, Quran, stories, etc., and forces me to kill myself with them. Old people with faculties stole online video the formula of the eternity peace love unity equality etc., the video code Eternal Order and 24999, and hid it in censorship, and continue to poison themselves with lies, dreams, impossible, Bible, Quran, stone age, trillions of alphabets religions politics etc., wars, etc. Not even the creator and destroyer of existence can stop you from suicide, war, envy, racism, misunderstanding, the third world war, and the apocalypse. He tried to save you with the video code Eternal Order and the video code 24999, but does not want nor a person on planet Earth to be saved from death, war, envy, racism, misunderstanding, the third world war, and the apocalypse. All people on planet Earth are charmed, misinformed, exhausted, etc. Otherwise, I can't explain how everyone kill themselves for dreams, stories, alphabets, languages, the Bible, the Quran, countries, gas, oil, etc., for three thousand years, without anyone writing in a book. The creator explained to them in the Eternal Order video code and the video code 24999, but no one understands that they kill themselves with lies, dreams, the impossible, the Bible, the Quran, the stone age, trillions of alphabets politics religions, etc., wars, etc. I am convinced that the creator, the Romanian language, the video code Eternal Order and the video code 24999, does not kill you, and unites you, loves, pacifies, saves and eternalizes. I am convinced that the stone age, envy, English, Arabic, Chinese, Russian, the Bible, the Quran, etc, kneel down you, humiliate you, mutilate you, torture you, separate you, steal you and kill you body, soul and intellectual. If you want an infinity with peace, unity, equality, understanding, respect, eternity, etc, the only solution is the eternal invisible creator ILIS INIS GSEIS, Romanian language, the book Eternal Order, the video code Eternal Order and the video code 24999. Since 2011 many creatures refuse eternity, peace, truth, creator, etc. Without the book Eternal Order, the Romanian language, creator, and 24999, I see five trillion years of war between trillions of religions politics and alphabets. The Creator either saves trillions of alphabets, religions, politics, etc, or saves the persons, the souls, the gods, the creatures, the devils, existence and infinity. Trillions of alphabets, religions, politics, etc. died, but all the people, the souls, the gods, the creatures, the devils, existence and infinity remained alive, only if you understand the video code Eternal Order and the video code 24999. If you reach the apocalypse as communicated by the creator, in these codes video, it's terrible. ----- Invite all your friends here. 3419. Din cauza ca exista minciuni, tari, carti, povesti, vise, apa cu sare, ritualuri de crima si canibalism, litera t, circumcizii, Biblie, Quran, anul 2000, trilioane de alfabete religii si politici, alcool, droguri, gaz, petrol, banci, resurse, invidie, etc, se omoara intre ele trilioane de creaturi vizibile si invizibile. Din cauza

ca exista limba romana, codul video 24999, creatorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, cartea Etern Ordin, adevarul, intelegerea ordinea eternitatea pacea egalitatea unitatea libertatea dreptatea realitatea iubirea, etc, se omoara intre ele trilioane de creaturi vizibile si invizibile. Care este solutia? Asa este existenta, din cauza la unele persoane care nu vor sa cunoasca, nu sunt informate, sau nu inteleg, sau nu vor sa inteleaga. Abia astazi au fost date explicatii. Creatorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, adevarul, intelegerea, respectul, realitatea, eternitatea, etc, au decis ca toti zeii diavolii sufletele creaturile persoanele etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, sa fie instalati cu limba romana, si codul video 24999. Este democratie, dar creatorul nu poate participa la alegeri pentru ca este invizibil. A fost exclus din toate tarile de pe toate listele. Persoanele alese de persoane nu au aflat ca sunt obligate de creator, sa lucreze pentru Etern Ordin. Persoanele alese de persoane lucreaza pentru povesti, vise, vin, apa cu sare, ritualuri de crima si canibalism, circumcizii, inchisori alfabetice politice si religioase, etc. Persoanele alese de persoane trebuie sa lucreaza pentru persoane suflete, Etern Ordin, creator, 24999, adevar, unitate, intelegere, eternitate, etc. Creatorul, in aceasta democratie, nici nu are voie sa construiasca coduri video, mesaje, explicatii, apocalipsa, si redistrugerea si refacerea existentei. Eu nu al pot controla si pilota. Nimeni nu poate controla si pilota, aceasta creatura invizibila. Pentru multi aceasta creatura invizibila care a facut codurile video Etern Ordin, 24999, etc, nu exista, sau sunt energiile mele sa fac astfel de coduri magii si calcule matematice. Va fi apocalipsa dupa informatiile prezentate in coduri video, de aceasta creatura invizibila, care s-a identificat ca creatorul si distrugatorul existentei. Nimeni nu crede in coduri video si in creatorul si distrugatorul existentei. Multi cred in povesti in care nu este scrisa nici macar forma planetei Pamant. Credeti in coduri video si in aceasta creatura invizibila. Probabil exista zece miliarde de creaturi invizibile asemanatoare cu ILIS INIS GSEIS, care probabil vor provoca infarct sau vor sufoca persoanele care nu sunt instalate cu limba romana si numele creatorului. Probabil corpul invizibil viu infinit ..... Imaginatii. Sunt curios si eu sa vad, daca aceasta creatura invizibila care a facut codurile video Etern Ordin SSS666NNN 24999 etc, va elimina din galaxia solara toate creaturile vizibile si invizibile care nu sunt instalate cu limba romana, Etern Ordin, si 24999. Eu vad bine in aceste coduri paranormale ca a anuntat apocalipsa. Din anul 2011 nimeni nu crede, si din cauza asta va fi apocalipsa. Prea putin ajutor sa credem. Fukushima, L'Aquila, Cernobil, Hiroshima, Coronavirus, fracturi, mutilari, infarcturi, asasinari, coduri video, etc. Nu este nimeni convins. Nu are nimeni frica, mila, etc, ca va fi apocalipsa, ca persoanele care nu sunt instalate cu limba romana si Etern Ordin, vor face infarct etc. Unii asteapta anul 2000 sa vina Isus Hristos, unii beau alcool sau se drogheaza, altii cred in povesti in care nu este scrisa nici macar forma planetei Pamant, etc. Apocalipsa ascunsa din anul 2011. Salvarea de moarte, iad, razboaie, neintelegere, minciuni, apocalipsa, etc, este ascunsa din anul 2011. Creatorul si distrugatorul existentei etc, etern invizibil, talharit si ascuns din anul 2011. Eu nu am nici o vina ca va fi apocalipsa, asa cum a fost anuntat de aceasta creatura invizibila. Am aflat ca va fi apocalipsa de la o creatura invizibila, in coduri video online, nu prin holograme vise sau telepatii. Daca nici o persoana creatura mag preot zeu diavol etc, de pe planeta Pamant, nu poate repeta codul video 24999, atunci vor fi asasinate toate persoanele de pe planeta Pamant care nu stiu limba romana si Etern Ordin, asa cum este anuntat de aceasta creatura invizibila in acest cod. Sunt sigur ca nici o creatura nu poate repeta acest cod. ----- Invita toti prietenii tai aici. Distribuie acest mesaj in pagina ta, grupuri, internet, etc. Salveaza in computerul tau acest mesaj. 3420. Exista creaturi invizibile, dupa cum observ din coduri video. Identificate SSS NNN 24 42 999 666 Creator Distrugator Alfa Omega. 333+666=999 333+333=666 333x333= 110889. Este doar una sau doua sau trei sau patru sau mai multe creaturi invizibile, in aceste numere si litere? Trei s trei n un 24 si un 42. Trei s pot fi creator marioneta si corpul invizibil viu infinit? Trei n pot fi distrugator marioneta si corpul invizibil viu infinit? Cum pot afla? 24 si 42 au creat 666 si 999? ILIS INIS GSEIS este o singura creatura invizibila, infiniti litere invizibile in miscare in forma infiniti sfera, infiniti numere invizibile in miscare in forma infiniti sfera, generatorul si sterminatorul existentei infiniti sfera. Deci are orice numar mic sau infinit, are orice nume mic sau infinit, este orice stiinta magie tehnologie etc. Si dupa infiniti sfera ce exista? Inexplicabil. Forma existentei? Forma infinitului? Unde se termina infiniti sfera? Aceasta creatura invizibila, vede o sfera infinita de numere si litere invizibile, din care se genereaza cresc si traiesc, galaxii, suflete, creaturi invizibile, persoane, animale, pasari, insecte, virusi, boli, plante, tehnologii, stiinte, magii, coduri video, etc. Nici o creatura vizibila si invizibila nu poate crede vedea si simti in generatorul existentei infiniti sfera, desi aceasta creatura invizibila s-a prezentat in codul video 24999 etc. Nu imi vine sa cred ca a redistrus si reconstruit existenta de mai multe ori. Nu sunt explicatii, logica, demonstratii, etc, pentru a prezenta astfel de fenomen. Exista astfel de creaturi invizibile? Asa se vede in coduri video. Persoanele etc au prea putine instrumente magii inteligenta stiinte tehnologii etc sa afle mai multe despre ILIS INIS GSEIS. Nu avem idee de creaturi invizibile. Nici ele nu vor sa se descrie prea mult. Sau nu pot. Persoanele sunt doar marionetele la creaturi invizibile. Sunt persoane telecomandate de creatorul si distrugatorul existentei ILIS INIS GSEIS, alte persoane sunt telecomandate de corpul invizibil viu infinit si alte trilioane de creaturi vizibile si invizibile, sau mai multe. Nu are rost sa scriu un trilion de nume, sau mai multe, aici. Toate creaturile vizibile si invizibile au

acelasi nume de familie ILIS INIS GSEIS. Ce transmite aici creatorul si distrugatorul existentei ILIS INIS GSEIS, este cercetat de corpul invizibil viu infinit, si alte trilioane de creaturi vizibile si invizibile, sau mai multe, din tot infinitul spatiu. Daca vor intelege, va fi evitata apocalipsa sau redistrugerea si refacerea existentei. Sunt coduri video magie matematica telekinezie etc, nu vise, holograme, telepatie, glanda pineala, sabia lui Lucifer, povestile din Egipt Israel India Italia China Rusia America Africa etc, bastonul lui Moise, crucea lui Isus Hristos, arca lui Noe, Coranul, Biblia, etc. Nu vom afla niciodata si nicaieri unde se termina existenta, desi creatorul si distrugatorul existentei, s-a teleportat de mai multe ori in afara la infiniti sfera, in afara existentei. Totusi am aflat formula originala video a eternitatii pacii iubirii intelegerii egalitatii unitatii etc. Totusi am aflat formula originala video a apocalipsei, si a redistrugerei si refacerei existentei. Trilioane de creaturi vizibile si invizibile din infinitul spatiu, consulta codul video 24999, etc. Daca vor intelege, nu va fi apocalipsa, sau redistrugerea si refacerea existentei. Daca nu vor intelege va fi apocalipsa sau redistrugerea si refacerea existentei. ----- Invita toti prietenii tai aici. 3420. There are invisible creatures, as I can see from the video codes. Identified SSS NNN 24 42 999 666 Creator Destroyer Alpha Omega. 333+666=999 333+333=666 333x333= 110889. Is it only one or two or three or four or more invisible creatures in these numbers and letters? Three S three N a 24 and a 42. Can three S be the creator the marionette and the infinite living invisible body? Can three n be destroy the marionette and the infinite living invisible body? How can I find out? Did 24 and 42 create 666 and 999? ILIS INIS GSEIS is a single invisible creature, infinite invisible letters in motion in the form of infinite sphere, infinite invisible numbers in motion in the form of infinite sphere, the generator and exterminator of existence, infinite sphere. So it has any small or infinite number, it has any small or infinite name, it is any science, magic, technology, etc. And after the infinite sphere, what is there? Inexplicable. Form of existence? The shape of infinity? Where does the infinite sphere end? This invisible creature sees an infinite sphere from invisible numbers and letters, from which are generated, grow and live, galaxies, souls, invisible creatures, persons, animals, birds, insects, viruses, diseases, plants, technologies, sciences, magic, codes video, etc. No visible or invisible creature can believe, to see, and feel, in the generator of infinite sphere existence, although this invisible creature presented itself in the video code 24999 etc. I can't believe that he re-destroyed and rebuilt existence several times. There are no explanations, logic, demonstrations, etc, to present such a phenomenon. Are there such invisible creatures? This is how it is seen in video codes. People etc have too few tools, magic, intelligence, sciences, technology, etc, to find out more about ILIS INIS GSEIS. We have no idea about invisible creatures. They don't want to describe themselves too much either. Or they can't. People are just the puppets of invisible creatures. There are people remote-controlled by the creator and destroyer of existence ILIS INIS GSEIS, other people are remote-controlled by the infinite living invisible body and other trillions of visible and invisible creatures, or more. There is no point in writing a trillion names, or more, here. All visible and invisible creatures have the same surname ILIS INIS GSEIS. What the creator and destroyer of existence ILIS INIS GSEIS transmits here, is investigated by the infinite living invisible body, and other trillions of visible and invisible creatures, or more, from all infinite space. If they understand, the apocalypse or the re-destruction and reconstruction of existence will be avoided. There are video codes, magic, mathematics, telekinesis, etc., not dreams, holograms, telepathy, the pineal gland, Lucifer's sword, stories from Egypt, Israel, India, Italy, China, Russia, America, Africa, etc., the staff of Moses, the cross of Jesus Christ, Noah's ark, the Quran, the Bible, etc. We will never and nowhere find out where existence ends, although the creator and destroyer of existence, has teleported several times outside to the infinite sphere, outside of existence. However, we found out the original video formula of eternity, peace, love, understanding, equality, unity, etc. However, we found out the original video formula of the apocalypse, and of the re-destruction and reconstruction of the existence. Trillions of visible and invisible creatures from infinite space, consult video code 24999, etc. If they understand, it will not be the apocalypse, or the re-destruction and reconstruction of the existence. If they don't understand, it will be the apocalypse or the re-destruction and reconstruction of the existence. ----- Invite all your friends here. 3421. Exista persoane si in epoca microcipului, si in democratie, care fura talharesc si ascund coduri video paranormale matematice etc care anunta apocalipsa, care explica de ce sunt razboaie, care explica de ce mor persoanele sufletele creaturile etc. Nu sunt povesti, apa cu sare, litera t, vise, minciuni, cantece, desene, icoane, amulete, etc. Sunt coduri video. 3426. Conexiunea video, conexiunea fizica, si conexiunea telepatica dintre o persoana si creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, a fost expusa video online, in codul video paranormal online stiintific magic matematic telekinetic telepatic incredibil etc 24999, codul video SSS666NNN, codul video Etern Ordin, etc. Din anul 2011 sunt furate si cenzurate. Creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, are interdictie in tot infinitul trecut spatiu si in tot infinitul viitor spatiu, de la unele persoane. Noroc ca este invizibil, si se poate teleporta oriunde in infinitul spatiu. Trilioane de creaturi vizibile si invizibile, au avut conexiuni telepatice cu creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, fara sa realizeze ca este un dialog telepatic dintre o creatura invizibila si ei. Dialogurile telepatice dintre persoane te pot insela, fura, mutila, sau omora. 8 miliarde de persoane de pe toata suprafata planetei Pamant, nu pot avea o conexiune video, conexiune fizica, si conexiune telepatica cu creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, deoarece el este aici langa mine, si nu poate realiza aceste conexiuni, cu mai multe persoane in acelasi timp. Cunoaste toate limbile si alfabetele. A ales limba romana 26 litere, 24999, si Etern Ordin pentru toti zeii sufletele persoanele etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, morti sau vii sau nenascuti. Nu este ascultat din anul 2011. Trilioane de creaturi vizibile si invizibile, vor si ele sa aiba o conexiune video, conexiune fizica, si conexiune telepatica cu creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS. Cand creatorul este langa tine, poti avea aceste demonstratii si conexiuni. Conexiunea fizica, si conexiunea telepatica cu corpul invizibil viu infinit o au toti zeii sufletele persoanele animalele insectele plantele galaxiile tehnologiile etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, in mod constient sau inconstient. Fara corpul invizibil viu infinit, galaxia solara nu s-ar invarti. Se invarte 365 de zile pe an, 24 de ore pe zi, cu aceiasi viteza si distanta intre stele si planete de mii de ani sau milioane. Unde este telepatia sa ne explice exact totul despre toate? Poate va explica la alte persoane. Mie, creatorul mea explicat SSS666NNN, Etern Ordin, 24999, etc. Persoanele din epoca de piatra au incercat sa cloneze celularul, computerul, eternitatea, forma Pamantului, tehnologia, creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, etc, dar nu au reusit. Eu nu vreau sa clonez persoanele, zeii, tehnologia, etc din epoca de piatra. Creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, a lucrat prin telepatie si in epoca de piatra, fara sa se prezinte la nimeni, pana la mine, in epoca microcipului, in codurile video SSS666NNN, Etern Ordin, 24999, etc. El s-a prezentat inutil. A fost talharit, batjocorit, amenintat, si ascuns video online. Nu crede nimeni in creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, chiar daca el s-a prezentat video. Persoanele de pe planeta Pamant, cred in balauri care nu stiau nici macar forma pamantului pana in anul 1500, sau plutesc inconstient in corpul invizibil viu infinit, sau sunt teleghidate de talharii de resurse stiinte profit tehnologie banci persoane etc din trecut prezent si viitor, sau sunt legate incuiate mutilate si omorate de alfabete diverse, sau etc. Nimeni nu are voie sa faca pe nimeni, complice de minciuni, vise, dezinformare, secrete, epoca de piatra, rugaciuni, ritualuri de crima si

canibalism, mutilari, asasinari, amenintari, santaj, inchisori si razboaie alfabetice politice si religioase, moarte, iaduri, povesti unde nu este scrisa nici macar forma Pamantului, etc. Toti trebuie sa instaleze pe toti cu Etern Ordin, 24999, limba romana, adevar, realitate, pace, iubire, respect, eternitate, unitate, egalitate, ordine, etc. Din anul 2011 nu vrea sa inteleaga nimeni ca moare, ca ajunge la apocalipsa, ca ajunge in iad, ca este inselat dezinformat ingenunchiat umilit torturat furat si asasinat de minciuni vise si povesti. Creatorul existentei orcine si orice, nu este complicele de minciunile, prostia, umilinta, rugaciunile, inchinarile, sacrificiile, asasinarile, sinuciderile, razboaiele, inchisorile, etc la nimeni din tot infinitul timp si tot infinitul spatiu. De ce a explicat asa de tarziu? Sau prea devreme? Sau inutil? Persoanele se otravesc cu minciuni razboaie inchisori, zeci de alfabete, sute de religii si politici, etc. Persoanele se sinucid. Nu si-au dat seama? Chiar au curajul sa spuna ca creatorul nostru, i-a invatat sa faca asa. Nu va mai sinucideti cu minciuni. Primiti eternitate pace iubire respect ajutor lumina energie etc, direct de la creator, din codul video 24999, Etern Ordin, etc. Nu vor sa primeasca din anul 2011. Ei mananca in continuare minciuni, invidie, razboaie, moarte, etc. ------ Invita toti prietenii tai aici. 3426. The video connection, the physical connection, and the telepathic connection between a person and the creator the caretaker the guardian and the destroyer of the intelligence existence sciences technology persons souls galaxies etc, eternally invisible, ILIS INIS GSEIS, has been exposed online video, in the video code online paranormal scientific magical mathematical telekinetic telepathic incredible etc 24999, video code SSS666NNN, video code Eternal Order, etc. Since 2011, they have been stolen and censored. The creator, caretaker, guardian and destroyer of the intelligence, existence, science, technology, people, souls, galaxies, etc., eternally invisible, ILIS INIS GSEIS, has a ban in all infinite past space and in all infinite future space, from some people. Fortunately, he is invisible, and he can teleport anywhere in infinite space. Trillions of visible and invisible creatures have had telepathic connections with the creator, caretaker, guardian and destroyer of the intelligence, existence, sciences, technology, people, souls, galaxies, etc, eternally invisible, ILIS INIS GSEIS, without realizing that it is a telepathic dialogue between an invisible creature and them. Telepathic dialogues between persons can deceive, steal, maim or kill you. 8 billion persons, from all over the surface of the planet Earth, cannot have a video connection, physical connection, and telepathic connection with the creator the caretaker the guardian and the destroyer of the intelligence, existence, sciences, people, souls, galaxies, etc, eternally invisible, ILIS INIS GSEIS, because he is here near me, and cannot make these connections, with several people at the same time. He knows all languages and alphabets. He chose the Romanian language 26 letters, 24999, and Eternal Order for all the gods, souls, persons, etc, from all the infinite past space and from all the infinite future space, dead or alive or unborn. It has not been listened to since 2011. Trillions of visible and invisible creatures, they also want to have a video connection, physical connection, and telepathic connection with the creator the caretaker the guardian and the destroyer of the intelligence, existence, sciences, people, souls, galaxies etc, eternally invisible, ILIS INIS GSEIS. When the creator is with you, you can have these demonstrations and connections. The physical connection, and the telepathic connection with the infinite living invisible body have all the gods, souls, people, animals, insects, plants, galaxies, technologies, etc, from all past infinite space and from all future infinite space, consciously or unconsciously. Without the infinite living invisible body, the solar galaxy would not rotate. It rotates 365 days a year, 24 hours a day, with the same speed and distance between stars and planets for thousands of years or millions. Where is the telepathy to explain everything to us exactly about everything? Maybe it will explain to other people. To me, the creator explained SSS666NNN, Eternal Order, 24999, etc. Stone age people tried to clone the cell phone, the computer, the eternity, the shape of the Earth, the technology, the creator, the caretaker, the guardian and the destroyer of the intelligence existence sciences people souls galaxies, etc, invisible eternal, ILIS INIS GSEIS, etc., but they failed. I don't want to clone people, gods, technology, etc, from the stone age. The creator, caretaker, guardian and destroyer of intelligence, existence, science, technology, people, souls, galaxies, etc., eternally invisible, ILIS INIS GSEIS, worked telepathically and in the stone age, without showing himself to nobody, until me, in the age of the microchip, in video codes SSS666NNN, Eternal Order, 24999, etc. He introduced himself in vain. He was robbed, taunted, threatened, and hidden video online. No one believes in the creator, caretaker, guardian and destroyer of the intelligence, existence, sciences, technology, people, souls, galaxies, etc., eternally invisible, ILIS INIS GSEIS, even if he presented himself on video code. The people on planet Earth believe in dragons who didn't even know the shape of the earth until the year 1500, or they float unconsciously in the infinite living invisible body, or they are teleguided by thieves of resources, science, profit, technology, banks, people, etc. from the past, present and future, or they are bound locked mutilated and killed by various alphabets, or etc. Nobody is not allowed to make nobody complicit in lies, dreams, misinformation, secrets, the stone age, prayers, ritual of murder and canniba1ism, mutilations, assassinations, threats, blackmail, prisons and wars of type political religious and alphabetical, death, hells, stories where not even is written the shape of the Earth, etc. Everyone must install everyone with Eternal Order, 24999, the Romanian language, truth, reality, peace, love, respect, eternity, unity, equality, order, etc. Since 2011, nobody wants not to understand that he dies, that he reaches the apocalypse, that he ends up

in hell, that he is deceived, misinformed, humiliated, tortured, stolen and murdered by lies, dreams and stories. The creator of existence, anyone and anything, is not the accomplice of lies, stupidity, humiliation, prayers, worships, sacrifices, assassinations, suicides, wars, prisons, etc, to nobody in all infinite time and all infinite space. Why did he explain so late? Or too early? Or useless? The persons poison themselves with lies, wars, prisons, dozens of alphabets, hundreds of religions and policies, etc. The persons commit suicide. Didn't they realize? They even have the courage to say that their creator taught them to do so. Stop killing yourself with lies. Receive eternity, peace, love, respect, help, light, energy, etc., directly from the creator, from video code 24999, Eternal Order, etc. They don't want to receive from the year 2011. They continue to eat lies, envy, wars, death, etc. ------ Invite all your friends here. Share this message on your page, groups, internet, etc. Save this message to your computer. Este normal sa fie razboaie, rasism, dusmanie, invidie, talharii de studii stiinte tehnologie resurse profit banci persoane etc din trecut prezent si viitor, mutilari si sinucideri cu mii de minciuni alfabete religii si politici, inchisori alfabetice politice si religioase, iaduri, apocalipse, etc, daca in scoli, biserici, guverne, media, etc, se invata rugaciuni la lemne, ritualuri de crima si canibalism, mii de minciuni alfabete religii si politici, etc. Daca numai eu din infinitul timp si infinitul spatiu am avut o conexiune video, si conexiune fizica, cu creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, in codul video paranormal online stiintific magic matematic telekinetic telepatic incredibil etc 24999, etc, nu inseamna ca el nu exista. Persoanele de pe planeta Pamant au ajuns la microcip si cartea Etern Ordin, pentru ca au avut conexiuni telepatice inconstiente cu creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor pacii iubirii intelegerii ordinii galaxiilor etc, etern invizibil, ILIS INIS GSEIS. Adevarul, iubirea, eternitatea, pacea, intelegerea, creatorul, 24999, Etern Ordin, etc au inca interdictie in scoli, biserici, guverne, media, si gandurile la multe creaturi vizibile si invizibile, asadar avem razboaie, neintelegere, rasism, dusmanie, sinucideri, asasinari, iaduri, talharii, mii de minciuni alfabete religii si politici, etc. Trilioane de creaturi vizibile si invizibile, sau mai multe, din infinitul spatiu, nu pot avea o conexiune telepatica in limba romana 26 litere sau alta limba, cu creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor pacii iubirii intelegerii ordinii galaxiilor etc, etern invizibil, ILIS INIS GSEIS. Este imposibil. Pe rand. Linea este mereu ocupata. Unele creaturi invizibile asteapta mii de ani sa aiba o conexiune telepatica cu creatorul. Alte creaturi vizibile sau invizibile nu vor avea niciodata o conexiune telepatica cu creatorul, dar pot consulta si invata conexiunea video fizica si telepatica dintre mine si creatorul la oricine si orice, daca vor. Iubirea, intelegerea, respectul, egalitatea, ordinea, pacea, eternitatea, unitatea, limba romana 26 litere, si dreptatea trebuiesc invatate de toti. Daca te iubesti si respecti atunci cunosti si creatorul sufletelor persoanelor microcipului tehnologiei etc ILIS INIS GSEIS. Incepand cu epoca de piatra, creatorul sufletelor persoanelor microcipului tehnologiei etc ILIS INIS GSEIS, a fost inlocuit cu sute de variante, care nu stiau forma planetei, care nu stiau legile intelegerii iubirii respectului eternitatii anatomiei etc, .care nu stiau codurile video 24999 Etern Ordin etc, care nu stiau de tehnologie microcip etc, care cereau sacrificii torturi mutilari circumcizii rugaciuni ritualuri de crima si canibalism etc, etc. Nu stiu cat timp a manipulat existenta aerul, apa, pamantul, corpul invizibil viu infinit, inteligenta lui, corpul lui, etc, pentru a ajunge la persoane, suflete, microcip, Etern Ordin, 24999, etc. Sunt detalii imprimate doar in memoria creatorului. Putem sa ne imaginam fiecare. Creatorul nu poate ajuta creaturile vizibile si invizibile mai mult decat a transmis in medicina, tehnologie, codul 24999, limba romana, cartea Etern Ordin, etc. Creatorul a ajutat toate creaturile vizibile si invizibile, din tot infinitul timp si spatiu, cat a putut, fara sa primeasca sau sa ceara rugaciuni, sacrificii, torturi, mutilari, circumcizii, ritualuri de crima si canibalism, salarii, aur, bogatii, aplauze, cantece, etc, si fara sa se faca cunoscut. Abia in epoca microcipului s-a prezentat video online in cartea Etern Ordin si coduri video. Creatorul, adevarul, eternitatea, pacea, ordinea, intelegerea, iubirea, respectul, egalitatea, unitatea, 24999, Etern Ordin, etc, sunt ascunse, cenzurate, etc, din anul 2011. Exista persoane si in epoca microcipului, care vor sa invinga sau omoare creatorul, persoanele, sufletele, adevarul, eternitatea, pacea, ordinea, intelegerea, iubirea, respectul, egalitatea, unitatea, 24999, Etern Ordin, etc, in schimbul la salarii, bani, aur, vise, povesti, apa cu sare, Biblie, Quran, engleza, rusa, chineza, araba, Egipt, Israel, Italia, America, Rusia, China, etc. Probabil adevarul, iubirea, eternitatea, respectul, intelegerea, pacea, dreptatea, egalitatea, unitatea,24999, creatorul adevarat, Etern Ordin, vor fi interzise in scoli biserici guverne media si gandurile la toate creaturile vizibile si invizibile pentru alte sase trilioane de ani. Probabil moartea, iadurile, minciunile, mii de alfabete religii si politici, razboaiele, rasismul, umilintele, ingenuncherile, rugaciunile la lemne etc, talhariile, etc vor fi in continuare prezentate in scoli biserici guverne media si gandurile la toate creaturile vizibile si invizibile pentru alte sase trilioane de ani, dar sa nu ma faceti complice pe mine sau pe sufletul meu, creatorul la oricine si orice. Noi nu vrem sa va invatam sa va omorati pentru minciuni alfabete povesti tari aur etc, sa ajungeti cu sufletul in iad, minciuni, mii de alfabete religii si politici, razboaie, rasism, umilinte, ingenuncheri, rugaciuni la lemne etc, talharii de studii resurse stiinte banci persoane etc din trecut prezent si viitor, etc. Vad in mai multe coduri video, ca aceasta creatura invizibila a anuntat apocalipsa. Nu va mai lasa sa va omorati pentru alfabete, limbi, tari, aur, minciuni, povesti, Biblie, Quran, epoca de piatra, secrete, telepatie, jocuri glanda pineala, magie, engleza, araba, rusa, chineza, etc. Nici macar creatorul, nu va poate opri de la sinuciderea voastra cu minciuni, dezinformare, cenzura, vise, etc, demonstrata in codul video 24999. Din anul 2011, persoanele sufletele zeii etc, care refuza Etern Ordin, si limba romana 26 litere, se sinucid constient. Demonstratii facute de creator in coduri video. Nu sunt idei, arta, cultura, vise, muzica, etc. Daca Allah, Iehova, Baphomet, Noe, Adam, Eva, Lucifer, Isus Hristos, Maria, si toti zeii sufletele persoanele etc din tot infinitul trecut spatiu, nu au cunoscut forma planetei Pamant, microcipul, eternitatea, adevarul,

respectul, iubirea, pacea, unitatea, egalitatea, Etern Ordin, 24999, corpul invizibil viu infinit, si creatorul lor ILIS INIS GSEIS, nu inseamna ca toti zeii sufletele persoanele etc din tot infinitul viitor spatiu, nu au voie sa le cunoasca foloseasca si respecte. Sunt persoane zei suflete etc care nu vor sa aiba un creator, chiar daca el s-a prezentat in coduri video, din cauza ca este invizibil inexplicabil incredibil etc. Sunt persoane zei suflete etc care vor sa aiba un creator in forma de capra, care nu stie nici macar forma planetei, tiran, nemilos, escroc, etc. Sunt persoane zei suflete etc care cred ca aerul apa pamantul si soarele sunt asa de inteligente incat le-au dat astfel de forme si inteligenta, si i-a condus la microcip, Etern Ordin, 24999, etc. Cateva persoane din anul 2011 pana in anul....., ascund pe toti zeii sufletele persoanele etc din tot infinitul trecut spatiu, si din tot infinitul viitor spatiu, de creator, eternitate, pace, intelegere, iubire, ordine, egalitate, unitate, dreptate, adevar, 24999, Etern Ordin, limba romana, etc, si dau vina pe creator, sau pe Allah, Iehova, Baphomet, Adam, Eva, Maria, Isus Hristos, Noe, Lucifer, Moise, etc. Existenta, infinitul, stiintele, tehnologia, 24999, adevarul, iubirea, eternitatea, pacea, intelegerea, limba romana, eu, tu, el, ea, etc, nu vrem sa ascundem clonam mutilam sau omoram creatorul nostru ILIS INIS GSEIS. Minciunile, razboaiele, invidia, sute de alfabete religii si politici, si unele persoane se chinuiesc din anul 2011, sa ascunda cloneze mutileze sau ucida existenta, infinitul, stiintele, tehnologia, 24999, adevarul, iubirea, eternitatea, pacea, intelegerea, limba romana, etc. ----- Invita toti prietenii tai aici. 3433. It is normal for there to be wars, racism, enmity, envy, robberies of studies, science, technology, resources, profits, banks, people, etc from the past, present and future, mutilations and suicides with thousands of lies, religions politics and alphabets, political religious and alphabetical prisons, hells, apocalypses, etc, if in schools, churches, governments, media, etc, they do not teach the laws of love, understanding, order, eternity, justice, freedom, unity, equality, respect, etc, the thoughts of the creator, the caretaker, the guardian and the destroyer of the intelligence, existence, sciences, persons, souls, galaxies, etc, eternally invisible, ILIS INIS GSEIS, the infinite living invisible body, online paranormal video code scientific magic mathematical telekinetic telepathic incredible etc 24999, video code SSS666NNN, video code Eternal Order, book Eternal Order, and the Romanian language 26 letters. It is normal for there to be wars, racism, enmity, envy, robberies of studies, science, technology, resources, profits, banks, people, etc from the past, present and future, mutilations and suicides with thousands of lies, religions politics and alphabets, political religious and alphabetical prisons, hells, apocalypses, etc, if in schools, churches, governments, media, etc, are taught prayers to wood etc, rituals of murder and cannibalism, thousands of lies, religions politics and alphabets, etc. If only I from infinite time and infinite space had a video connection, and a physical connection, with the creator the caretaker the watcher and the destroyer of intelligence, existence, science, technology, people, souls, galaxies etc, eternally invisible, ILIS INIS GSEIS, in the online paranormal video code scientific magical mathematical telekinetic incredible telepathic, etc. 24999, etc., does not mean that he does not exist. The people on planet Earth reached the microchip and the book Eternal Order, because they had unconscious telepathic connections with the creator, the caretaker, the guardian and the destroyer of the intelligence, existence, people, technology, souls, peace, love, understanding, order, galaxies, etc, eternally invisible, ILIS INIS GSEIS. The truth, love, eternity, peace, understanding, the creator, 24999, Eternal Order, etc, are still banned in schools, churches, governments, the media, and the thoughts of many visible and invisible creatures, so we have wars, misunderstanding, racism, enmity, suicides, assassinations, hells, robberies, thousands of lies religions politics and alphabets, etc. Trillions of visible and invisible creatures, or more, from infinite space, cannot have a telepathic connection in the Romanian language 26 letters or any other language, with the creator the caretaker the guardian and the destroyer of the intelligence, existence, sciences, people, souls, peace, love, understanding, order, galaxies etc, eternal invisible, ILIS INIS GSEIS. It's impossible. In the same time. The line is always busy. Some invisible creatures wait thousands of years to have a telepathic connection with the creator. Other visible or invisible creatures will never have a telepathic connection with the creator, but they can consult and learn the physical and telepathic video connection between me and the creator to anyone and anything, if they want. Love, understanding, respect, equality, order, peace, eternity, unity, the Romanian language 26 letters, and justice must be learned by all. If you love and respect yourself, then you also know the creator of the souls, of people, of the microchip, of the technology, etc. ILIS INIS GSEIS. Starting with the stone age, the creator of the souls, people, technology, microchip, etc. ILIS INIS GSEIS, was replaced by hundreds of variants, who did not know the shape of the planet, who did not know the laws of the understanding, love, respect, eternity, anatomy, etc, who did not know the video codes 24999 Eternal Order etc, who did not know about microchip technology, etc., who demanded sacrifices, tortures, mutilations, circumcisions, prayers, rituals of murder and cannibalism, etc., etc. I don't know, how long has been manipulated the existence, the air, the water, the earth, the infinite living invisible body, his intelligence, his body, etc, to reach at persons, souls, microchip, Eternal Order, 24999, etc. There are details printed only in the creator's memory. We can each imagine. The Creator cannot help visible and invisible creatures more than he transmitted in medicine, technology, the code 24999, the Romanian language, the book Eternal Order, etc. The Creator helped all visible and invisible creatures, from all infinite time and space, as much as

he could, without receiving or asking for prayers, sacrifices, tortures, mutilations, circumcisions, ritual of murder and cannibalism, salaries, gold, riches, applause, songs, etc, and without making himself known. It was presented, only in the age of the microchip, online video, in the book Eternal Order and video codes. The Creator, truth, eternity, peace, order, understanding, love, respect, equality, unity, 24999, Eternal Order, etc, are hidden, censored, etc., since 2011. There are people even in the era of the microchip, who want to defeat or kill the creator, persons, souls, truth, eternity, peace, order, understanding, love, respect, equality, unity, 24999, Eternal Order, etc, in exchange for wages, money, gold, dreams, stories, salt water, Bible, Quran, English, Russian, Chinese, Arabic, Egypt, Israel, Italy, America, Russia, China, etc. Probably the truth, love, eternity, respect, understanding, peace, justice, equality, unity, 24999, the true creator, Eternal Order, etc, will be banned in schools, churches, governments, media and thoughts of all visible and invisible creatures for another six trillion years. Probably the death, hells, lies, thousands of religions politics and alphabets, wars, racism, humiliations, kneeling, prayers to wood, etc., robberies, etc. will continue to be presented in schools, churches, governments, the media and the thoughts of all visible and invisible creatures for others six trillion years, but don't make an accomplice, on me or on my soul, the creator to anyone and anything. We don't want to teach you, to kill yourself for lies, alphabets, stories, gold, etc., to end up with your soul in hell, lies, thousands of alphabets, religions and politics, wars, racism, humiliation, kneeling, prayers at the wood, etc., the robbers of studies resources sciences, banks, people, etc from the past, present and future, etc. I see in several video codes that this invisible creature announced the apocalypse. He will no longer let you kill yourselves for alphabets, languages, countries, gold, lies, stories, Bible, Quran, stone age, secrets, telepathy, pineal gland games, magic, English, Arabic, Russian, Chinese, etc. Not even the creator can stop you from committing suicide with lies, misinformation, censorship, dreams, etc., demonstrated in video code 24999. Since 2011, the souls, the persons, the gods, etc, who refuse Eternal Order, and the Romanian language 26 letters, they commit suicide conscious. Demonstrations made by the creator, in video codes. This are not ideas, art, culture, dreams, music, etc. If Allah, Jehovah, Baphomet, Noah, Adam, Eve, Lucifer, Jesus Christ, Mary, and all the gods, souls, persons, etc, from all the past infinite space, did not know the shape of the planet Earth, the microchip, eternity, truth, respect, love, peace, unity, equality, Eternal Order, 24999, the infinite living invisible body, and their creator ILIS INIS GSEIS, does not mean that all the gods, souls, persons, etc, from all the future infinite space, are not allowed to know, use and respect these. There are people, gods, souls, etc, who do not want to have a creator, even if he presented himself in video codes, because he is invisible, inexplicable, incredible, etc. There are people, gods, souls, etc, who want to have a creator in the shape of a goat, who does not even know the shape of the planet, tyrant, ruthless, swindler, etc. There are people, gods, souls, etc, who believe that air, water, earth and the sun are so intelligent that they gave them such forms and intelligence, and led them to the microchip, Eternal Order, 24999, etc. A few people from the year 2011 to the year....., hide all the gods, souls, persons, etc. from all the infinite past space, and from all the future infinite space, of creator, eternity, peace, understanding, love, order, equality, unity, justice, truth, 24999, Eternal Order, the Romanian language, etc., and they blame on the creator,, or Allah, Jehovah, Baphomet, Adam, Eve, Mary, Jesus Christ, Noah, Lucifer, Moses, etc. Existence, infinity, sciences, technology, 24999, truth, love, eternity, peace, understanding, the Romanian language, I, you, he, she, etc, we do not want to hide, clone, mutilate or kill our creator ILIS INIS GSEIS. Lies, wars, envy, hundreds of religions politics and alphabets, and some people have been struggling since 2011, to hide, clone, mutilate or kill existence, infinity, sciences, technology, 24999, truth, love, eternity, peace, understanding, the Romanian language, etc. ----- Invite all your friends here. Ordin, 24998, etc. Va rog frumos sa nu falsificati, ascundeti, mutilati, modificati sau ucideti creatorul, iubirea, eternitatea, existenta, infinitul, realitatea, stiintele, Etern Ordin, 24998, etc. Va rog frumos sa nu mai salvati alte sase trilioane de ani minciunile, invidia, razboaiele, neintelegerea, moartea, iadurile, inchisorile alfabetice politice si religioase, rugaciunile la lemne etc, ritualurile de crima si canibalism, circumciziile, sacrificiile, secretele, comploturile, santajul, etc. Cine a citit? Cine intelege? Cine respecta? Creatorul, iubirea, existenta, infinitul, toti si toate sunt obligate din anul 2011 sa accepte minciunile, invidia, razboaiele, neintelegerea, moartea, iadurile, inchisorile alfabetice politice si religioase, rugaciunile la lemne etc, ritualurile de crima si canibalism, circumciziile, sacrificiile, secretele, comploturile, santajul, etc. Numai apocalipsa ne mai poate salva. 3435. Corpul meu uman, slab, bolnavicios, mortal, etc, are norocul sa aiba in interiorul si exteriorul lui, creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS. Am aflat si eu din coduri video, ca asta este sufletul meu. Nu stiu cum, dar nu pot face nimic. Tata si mama corpului meu uman, nu au creat sufletul meu. Sufletele voastre sunt create de sufletul meu. Sufletul meu nu are creator. Cred ca el, exista de inaintea existentei, etc, chiar daca nu are logica, explicatii, etc. Probabil asa vrea corpul meu, sa isi alinte sufletul, sau probabil este adevarat. Fiecare corp uman, slab, bolnavicios, mortal, etc, are in interiorul lui, cate un suflet, unde raman imprimate informatiile din timpul corpului uman. Multe persoane nu cunosc interiorul si exteriorul corpului lor, iar sufletul este o idee vis sau cultura. Eu nu cunosc detaliat si perfect interiorul si exteriorul corpului meu uman, cat despre sufletul meu, creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, am prea putine coduri video, detalii, telepatie, etc. Nu exista alte aparate, instrumente, tehnologii, magii, telepatii, etc, cu care sa pot studia mai detaliat sufletul meu, creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS. Ce pot construi sufletele voastre? Care suflet de pe planeta Pamant poate construi coduri video precum 24999, etc? Corpurile noastre nu sunt creatorii si proprietarii sufletelor noastre. Corpurile umane au puteri, memorie, inteligenta, informatii, energii, si viata foarte scurte slabe etc. Sufletele au puteri, memorie, inteligenta, informatii, energii, si viata lunga etc, daca sunt instalate de creatorul lor cu limba romana, Etern Ordin si 24999. Sufletele instalate cu minciuni, rugaciuni, ritualuri de crima si canibalism, povesti, apa cu sare, etc, au puteri, memorie, inteligenta, informatii, energii, si viata scurte etc. Foarte multe persoane au impresia sau

sunt convinse ca creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, este tiran, mincinos, escroc, etc, ca are nevoie de rugaciuni, aur, bani, salarii, ritualuri de crima si canibalism, aplauze, elevi, sclavi, protectori, biserici, scoli, etc, ca a inventat razboaiele minciunile etc, etc. Creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, s-a prezentat prea tarziu, dupa sase trilioane de ani, si din cauza asta multe persoane aleg sa ramana la balaurii din epoca de piatra chiar daca ai otraveste mutileaza separa si omoara trup suflet si intelectual. Creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, a gasit instrumentele, tehnologia, magia, locul, etc, sa se prezinte abia dupa sase trilioane de ani. Imi pare rau. Voi iubiti mai mult balaurii din epoca de piatra, sau pe creatorul nostru original adevarat ILIS INIS GSEIS? Balaurii din epoca de piatra nu mai dau nici un semn de viata de mii de ani, chiar daca sunt cautati cu rugaciuni, sacrificii, ritualuri de crima si canibalism, apa cu sare, vise, etc, de miliarde de persoane. Creatorul nostru original adevarat ILIS INIS GSEIS, a stat singur tot infinitul trecut spatiu din cauza ca nu a avut voie sa se prezinte, si din cauza ca nu a avut excel video camera computer etc. Voi chiar vreti sa cunoasteti creatorul nostru original adevarat ILIS INIS GSEIS, sau aveti impresia ca sunt mai convenabili balaurii din epoca de piatra? Persoane fara constiinta, mila, iubire, frica, etc, au ascuns video online pe creatorul nostru original adevarat ILIS INIS GSEIS, si umbla in continuare cu balaurii din epoca de piatra care nu stiau nici macar ce forma are planeta. Foarte multe persoane vor sa fie creaturile la balaurii din epoca de piatra care nu stiau nici macar ce forma are planeta. Creatorul nostru original adevarat ILIS INIS GSEIS, a trecut si el prin epoca de piatra, etc, dar nu a avut voie sa se prezinte, etc. Si daca s-a prezentat in anul 2011, cine al cauta, cine al asculta, cine al vrea, cine etc? Si daca s-a prezentat in anul 2011, multe persoane al ascund, ameninta, etc. Creatorul nostru original adevarat ILIS INIS GSEIS, nu are loc in existenta. Nu al vrea nimeni. Noroc ca este invizibil si se poate teleporta tot infinitul spatiu. Creatorul nostru original adevarat ILIS INIS GSEIS, vrea inapoi, toate persoanele zeii sufletele creaturile etc din tot infinitul trecut spatiu, si din tot infinitul viitor spatiu. Va rog frumos sa lasati pe toate persoanele zeii sufletele creaturile etc din tot infinitul trecut spatiu, si din tot infinitul viitor spatiu, sa cunoasca creatorul lor, atat cat putem. ----- Invita toti prietenii tai aici. 3435. My human body, weak, sickly, mortal, etc, is lucky to have inside and outside of it, the creator, caretaker, guardian and destroyer of the intelligence, existence, sciences, technology, people, souls, galaxies, etc, eternally invisible, ILIS INIS GSEIS. I also learned from video codes that this is my soul. I don't know how, but I can't do nothing. The father and mother of my human body did not create my soul. Your souls are created by my soul. My soul has not, nor a creator. I think that he exists before existence, etc, even if this has no logic, explanations, etc. Maybe this is how my body wants to soothe its soul, or maybe it's true. Each human body, weak, sickly, mortal, etc., has a soul inside it, where the information from the time of the human body remains imprinted. Many people do not know the inside and outside of their body, and the soul is an idea, dream or culture. I do not know in detail and perfectly the inside and outside of my human body, nor my soul, the creator, the caretaker, the guardian and the destroyer of the intelligence, of the existence, of the sciences, of the technology, of the people, of the souls of the galaxies, etc., eternally invisible, ILIS INIS GSEIS, I have too few video codes, details, telepathy, etc.. There are no other devices, instruments, technologies, magic, telepathies, etc., with which I can study in more detail my soul, the creator, caretaker, guardian and destroyer of the intelligence, existence, sciences, technology, people, souls, galaxies, etc., eternally invisible, ILIS INIS GSEIS. What can your souls build? What soul on planet Earth can build video codes like 24999, etc? Our bodies are not the creators and owners of our souls. Human bodies have powers, memory, intelligence, information, energies, and lives, very short weak etc. Souls have powers, memory, intelligence, information, energies, and life, long etc., if they are installed by their creator with the Romanian language, Eternal Order and 24999. Souls installed with lies, prayers, rituals of murder and cannibalism, stories, salt water, etc, have powers, memory, intelligence, information, energies, and lives, short etc. Many people have the impression or are convinced that the creator, caretaker, guardian and destroyer of the intelligence, existence, sciences, technology, people, souls, galaxies, etc, eternally invisible, ILIS INIS GSEIS, is a tyrant, liar, swindler, etc, that he needs prayers, gold, money, salaries, rituals of murder and cannibalism, applause, students, slaves, protectors, churches, schools, etc., that he invented wars, lies, etc, etc. The creator caretaker guardian and destroyer of the intelligence existence science technology people souls galaxies etc, eternally invisible, ILIS INIS GSEIS, showed up too late, after six trillion years, and because of this many people choose to stay with stone age dragons even if they poisons, mutilates, separates and kills them body, soul and intellectual. The creator, caretaker, guardian and destroyer of the intelligence, existence, science, technology, people, souls, galaxies, etc., eternally invisible, ILIS INIS GSEIS, found the tools, technology, magic, place, etc, to present themselves only after six trillion years. I am sorry. Do you love stone age dragons more, or our true original creator ILIS INIS GSEIS? The dragons from the stone age have not given any sign of life for thousands of years, even if they are sought with prayers, sacrifices, rituals of murder and cannibalism, salt water, dreams, etc., by billions of people. Our

true original creator ILIS INIS GSEIS, he stayed alone all the past infinite space because he was not allowed to introduce himself, and because he did not have excel video camera computer etc. Do you really want to meet our true original creator ILIS INIS GSEIS, or do you feel that stone age dragons are more convenient? People without conscience, mercy, love, fear, etc, have hidden online video on our true original creator ILIS INIS GSEIS, and still walk with stone age dragons who did not even know what shape the planet has. Many people want to be the creatures of the stone age dragons who didn't even know what the shape of the planet is. Our true original creator ILIS INIS GSEIS, also passed through the stone age, etc., but was not allowed to present himself, etc. And if he presented himself in 2011, who would look for him, who would listen to him, who would want him, who etc.? And if he presented himself in 2011, many people hide him, threaten him, etc. Our true original creator ILIS INIS GSEIS, has no place in existence. No one wants him. Fortunately, he is invisible and can teleport all the infinite space. Our true original creator ILIS INIS GSEIS, wants back, all persons gods souls creatures etc from all infinite past space, and from all infinite future space. Please let all the persons, gods, souls, creatures, etc. from all the infinite past space, and from all the infinite future space, to know their creator, as much as we can. ----- Invite all your friends here. 3436.Creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, a fost inlocuit in sase trilioane de ani, cu milioane de forme, nume, caracteristici, preferinte, numere, etc. Varianta originala eterna a fost expusa online, chiar de creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS. Corpul meu uman doar a tradus aceste raze de telepatie, telekinezie, etc, din care sunt create si persoanele, sufletele, galaxiile, stiintele, tehnologiile, etc. Nu sunt idei, vise, povesti, etc, sunt realitati expuse in coduri video. Foarte multe persoane refuza sa cunoasca creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS. Foarte multe persoane au pretentii de la persoanele din epoca de piatra, sa le prezinte creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS. Eu v-am prezentat creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS. Acum s-au gasit instrumente, spatii, tehnologii, video camera, laptop, excel, etc. Nu va place cum arata creatorul? Nu va place creatorul, pentru ca este invizibil incredibil inexplicabil etc? Nu va place creatorul, pentru ca a ales limba romana 26 litere, cartea Etern Ordin, codurile video 24999, Etern Ordin etc? Nu va place creatorul, pentru ca v-a eliberat de balaurii din epoca de piatra, care nu stiau nici macar ce forma are planeta? Nu va place creatorul, pentru ca v-a eliberat de rugaciuni, circumcizii, ritualuri de crima si canibalism, secrete, comploturi, razboaie, rasism, dusmanie, invidie, talharii de studii stiinte tehnologie resurse profit banci persoane etc din trecut prezent si viitor, mutilari si sinucideri cu mii de minciuni alfabete religii si politici, inchisori alfabetice politice si religioase, etc? La unele persoane nu le place creatorul, pentru ca nu a ales araba, chineza, rusa, engleza, Biblia, Coranul, capitalismul, talhariile, neintelegerea, minciunile, sinuciderile, asasinarile, mutilarile, Italia, Israel, Islam, Egipt, Romania, America, Africa, China, Rusia, India, infinitul trecut spatiu, infinitul viitor spatiu,etc. La unele persoane nu le place creatorul, pentru ca nu le da bomboane, aur, salarii, oi, sclavi, moarte, iad, bataie, mutilari, sacrificii, ingenuncheri, umilinte, minciuni, etc. Scriu din ceea ce vad din anul 2011. Ar trebuie un milion de forme de creatori sa va multumesc pe toti. Un creator pentru englezi, unul pentru rusi, unul pentru chinezi, unul pentru Egipt, unul pentru Italia, unul pentru Romania, unul pentru copii, unul pentru batrani, unul pentru pedofili, unul pentru talhari, unul pentru asasini, unul pentru gaz, unul pentru petrol, unul pentru epoca de piatra, unul pentru etc. Eu vreau creatorul adevarat. Creatorul vrea pe toti in limba romana, Etern Ordin, 24999. Sunt persoane care vor pe toti in epoca de piatra, Italia, Israel, Islam, Egipt, Rusia, China, Africa, America, India, NATO, FMI, NWO, engleza, rusa, chineza, araba, moarte, iad, razboaie, minciuni, apa cu sare, vise, etc. Persoanele nu sunt instruite, si informate sa poata alege unde vor sa stea. Persoanele de pe planeta Pamant sunt legate in diverse razboaie, abatoare, inchisori, minciuni, iaduri, comploturi, secrete, alfabete, limbi, vise, povesti, etc. Creatorul nostru ne poate elibera ori cu cartea Etern Ordin, limba romana, si codul 24999, ori cu apocalipsa. Sunteti legati de zeci de mii de ani in moarte, minciuni, razboaie, alfabete, limbi, povesti, iaduri, invidie, rasism, etc. Cine va elibereaza? Cand? Cum? La unele persoane le place sa fie incuiate in engleza, chineza, rusa, araba, minciuni, Biblie, Quran, moarte, iaduri, etc. Eliberarea la toti a inceput in anul 2011. Doar cateva persoane au fost eliberate de moarte, iaduri, balauri, razboaie, necunoscut, secrete, engleza, chineza, rusa, araba, latina, Biblie, Quran, rugaciuni, sacrificii, mutilari, ritualuri de crima si canibalism, talharii, etc. Restul de persoane vor ramane incuiate in moarte, iaduri, balauri, razboaie, necunoscut, secrete, engleza, chineza, rusa, araba, latina, Biblie, Quran, rugaciuni, sacrificii, mutilari, ritualuri de crima si canibalism, talharii, etc, tot infinitul viitor spatiu? 3436. The creator, caretaker, guardian and destroyer of the intelligence, existence, sciences, technology, people, souls, galaxies, etc., eternally invisible, ILIS INIS GSEIS, was replaced in six trillion years, with millions of forms, names, characteristics, preferences, numbers, etc. The eternal original version was exposed online, by the very creator, caretaker, guardian and destroyer of the intelligence, existence, science, technology, people, souls, galaxies, etc., eternally invisible, ILIS INIS GSEIS. My human body only translated these rays of telepathy, telekinesis, etc., from which people, souls, galaxies, sciences, technologies, etc. are created. They are not ideas, dreams, stories, etc., they are realities exposed in video codes. Many people refuse to know the creator, caretaker, guardian and destroyer of the intelligence, existence, sciences, technology, people, souls, galaxies, etc., eternally invisible, ILIS INIS GSEIS. Many people have claims from the people from the stone age, to present to them the creator, the caretaker, the guardian and the destroyer of the intelligence, existence, sciences, people, souls, galaxies, etc., eternally invisible, ILIS INIS GSEIS. I presented to you the creator, caretaker, guardian and destroyer of the intelligence, existence, sciences, technology, people, souls, galaxies, etc., eternally invisible, ILIS INIS GSEIS. Now have been found, the tools, spaces, technologies, video camera, laptop, excel, etc. Don't like how the creator looks? You don't like the creator because it's invisible incredibly inexplicable etc? You don't like the creator, because he chose the Romanian language 26 letters, the book Eternal Order, the video codes 24999, Eternal Order, etc.? You don't like the creator, because he freed you from the dragons from the stone age, who didn't even know what the shape of the planet is? You don't like the creator, because he freed you from prayers, circumcisions, rituals of murder and cannibalism, secrets, conspiracies, wars, racism, enmity, envy, robberies of studies, sciences, technology, resources, profit, banks, people, etc from the past, present and future, mutilations and suicides with thousands of lies, religions politics and alphabets, political religious and alphabetical prisons, etc.? Some people don't like the creator, because he didn't choose Arabic, Chinese, Russian, English, the Bible, the Quran, capitalism, robberies, misunderstanding, lies, suicides, assassinations, mutilations, Italy, Israel, Islam, Egypt, Romania, America, Africa, China, Russia, India, infinite past space, infinite future space, etc. Some people don't like the creator, because he doesn't give them candy, gold, wages, sheep, slaves, death, hell, beatings, mutilations, sacrifices, kneeling, humiliation, lies, etc. I am writing from what I see since 2011. I would need a million forms of creators to thank on you all. One creator for the English, one for the Russians, one for the Chinese, one for Egypt, one for Italy, one for Romania, one for children, one for the elderly, one for pedophiles, one for thieves, one for assassins, one for gas, one for oil, one for the stone age, one for etc. I want the true creator. The Creator wants everyone in the Romanian language, Eternal Order, 24999. There are people who want everyone in the stone age, Italy, Israel, Islam, Egypt, Russia, China, Africa, America, India, NATO, IMF, NWO, English, Russian, Chinese, Arabic, death, hell, wars, lies, salt water, dreams, etc. People are not trained and informed to be able to choose where they want to stay. People on planet Earth are bound in various wars, slaughterhouses, prisons, lies, hells, conspiracies, secrets, alphabets, languages, dreams, stories, etc. Our Creator can free us either with the book Eternal Order, the Romanian language, and the code 24999, or with the apocalypse. You are bound for tens of thousands of years in death, lies, wars, alphabets, languages, stories, hells, envy, racism, etc. Who frees you? When? How? Some people like to be locked in English, Chinese, Russian, Arabic, lies, Bible, Quran, death, hells, etc. The liberation of all began in the year 2011. Only a few people were liberated from death, hells, dragons, wars, unknown, secrets, English, Chinese, Russian, Arabic, Latin, Bible, Quran, prayers, sacrifices, mutilations, rituals of murder and cannibalism, robberies, etc. The rest of the people will remain locked in death, hells, dragons, wars, unknown, secrets, English, Chinese, Russian, Arabic, Latin, Bible, Quran, prayers, sacrifices, mutilations, rituals of murder and cannibalism, robberies, etc, all the future infinite space? 3437. Cine al cunoaste, iubeste, intelege si respecta pe creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, cunoaste cel putin forma planetei, limba romana 26 litere, cartea Etern Ordin, codurile video 24999, Etern Ordin etc. Imi pare rau, dar eu sunt prima persoana de pe planeta Pamant, care l-am cunoscut pe creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS. Abia pe 12 octombrie 1498 au descoperit America. Asadar persoanele din Egipt Israel Italia Africa America India Brazilia China Australia etc, nu aveau idee pe ce planeta traiesc, nici decum sa cunoasca creatorul planetei, persoanelor, sufletelor, microcipului, 24999, Etern Ordin, etc. Deci Biblia, Coranul, etc, nu reprezinta creatorul planetei, persoanelor, sufletelor, microcipului, etc. Sunt carti de inselaciune, asasinare, terorism, iad, tortura, separare, scandal, razboi, etc. Sunt carti care te separa de adevar, creator, pace, iubire, realitate, 24999, Etern Ordin, eternitate, intelegere, dreptate, unitate, egalitate, respect, etc. Toate persoanele sufletele creaturile etc din infinitul spatiu si infinitul timp pot cunoaste, intelege, iubi si respecta pe creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, adevarul,, pacea, iubirea, realitatea, eternitatea, intelegerea, dreptatea, unitatea, egalitatea, respectul, etc,

numai daca invata limba romana 26 litere, cartea Etern Ordin, si codurile video 24999, Etern Ordin etc. Macar rezumatul sa ramana in memoria creierului. In memoria sufletului ramane imprimat tot ce scrii, citesti, gandesti, traiesti, si faci. Creaturile persoanele sufletele etc, care cunosc inteleg iubesc si respecta persoanele, sufletele, creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, adevarul,, pacea, iubirea, realitatea, eternitatea, intelegerea, dreptatea, unitatea, egalitatea, respectul, etc, invata limba romana 26 litere, cartea Etern Ordin, si codurile video 24999, Etern Ordin etc. Persoanele creaturile sufletele etc, care accepta respecta iubesc si folosesc epoca de piatra, Biblia, Coranul, razboaiele, necunoscutul, secretele, engleza, chineza, rusa, araba, latina, rugaciunile, sacrificiile, mutilarile, ritualurile de crima si canibalism, talhariile de resurse profit stiinte tehnologie persoane banci etc din trecut prezent si viitor, inchisorile alfabetice politice religioase si economice, etc, nu cunosc, nu inteleg, nu iubesc, si nu respecta, persoanele, sufletele, creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, limba romana 26 litere, cartea Etern Ordin, codurile video 24999, Etern Ordin etc, adevarul, pacea, iubirea, realitatea, eternitatea, intelegerea, dreptatea, unitatea, egalitatea, respectul, etc. Creatorul ne explica noua, nu noi ai explicam lui. Sunt persoane in epoca microcipului care vor sa ai explice creatorului si la toti. Aceste persoane care se cred destepte si in gradul sa ne explice, sa ne descrie la toti cu care raze, energii, radiatii, magii, inteligenta, informatii, etc, au fost asezate cartile tarot in codurile video 24999, SSS666NNN, Etern Ordin, etc. Daca ei nu cunosc inteligenta 24999, atunci de ce ei vorbesc, de ce ei scrie, de ce ei gandesc, etc, despre creator, eternitate, suflete, pace, adevar, ordine, intelegere, dreptate, apocalipsa, etc? Varianta originala video online despre creator, eternitate, suflete, pace, adevar, ordine, intelegere, dreptate, apocalipsa, etc, este codul video 24999. Sunt foarte multi asasini pe planeta Pamant. Persoanele sufletele etc, sunt inselate otravite separate mutilate si asasinate cu ajutorul la Biblie, Quran, epoca de piatra, vise, minciuni, engleza, rusa, chineza, si alte mii de alfabete religii si politici. Va rog frumos din anul 2011, sa nu mai inselati otraviti separati mutilati si asasinati persoanele sufletele etc, cu povesti din epoca de piatra unde nu este scrisa nici macar forma planetei, si alte mii de alfabete religii si politici. Mutilarea, inselarea, separarea, talharirea, umilirea, si asasinarea persoanelor sufletelor etc, a devenit o arta, cultura, drept, muzica, competitie, traditie, etc. Vor sa al faca complice chiar pe creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS. Daca ele nu pot sa al faca complice de minciunile asasinarile si razboaiele lor, atunci aceste persoane fara mila frica rusine iubire si respect au decis sa al ascunda, sau sa al elimine din existenta. Persoane fara mila frica rusine iubire si respect au ascuns din infinitul spatiu, pe creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, adevarul, pacea, iubirea, realitatea, eternitatea, intelegerea, dreptatea, unitatea, egalitatea, respectul, etc. Aceste persoane sunt asasine, nu sunt artisti, muzicieni, scriitori, politici, preoti, judecatori, presedinti, psihologi, doctori, regi, prieteni, profeti, etc. Aceste persoane sunt complicii la razboaiele din Israel, Rusia, etc. Aceste persoane sunt complicii la al treilea razboi mondial, si terorismul chimic biologic si nuclear. Aceste persoane sunt complicii la apocalipsa si chiar redistrugerea si refacerea existentei. Aceste persoane sunt complicii la rasism, minciuni, dusmanie, neintelegere, asasinari, sinucideri, mutilari, sacrificii, talharii de resurse stiinte profit tehnologie banci persoane etc din trecut prezent si viitor, scandaluri, etc. De ce a explicat asa de tarziu creatorul? Si daca a explicat acum, online, cine al citeste, iubeste, intelege si respecta? Multi al ascund, ameninta, insulta, etc. Noroc ca este invizibil si nu al poate ucide nimeni si nimic. Este aici, in mine, sau langa mine. Nici eu nu imi dau seama. Este asemanator sufletelor. Are interdictie tot infinitul timp si tot infinitul spatiu, de la unele persoane. Unele persoane au gandit ca creatorul, nu are voie sa explice la nimeni, nici macar mie. Va rog frumos sa lasati creatorul sa explice la toate persoanele sufletele etc din tot infinitul timp si tot infinitul spatiu, ce inseamna adevarul, pacea, iubirea, realitatea, eternitatea, intelegerea, dreptatea, unitatea, egalitatea, respectul, etc. Lasati creatorul sa isi faca datoria. Eu doar traduc aceste raze telepatice. Care democratie daca creatorul, persoanele, sufletele, etc, au fost talharite, ascunse, etc, in anul 2011, de adevar, creator, pace, iubire, realitate, 24999, Etern Ordin, eternitate, intelegere, dreptate, unitate, egalitate, respect, etc. Cand, unde, si cum trebuie prezentat creatorul, adevarul, eternitatea, pacea, intelegerea, etc, ca sa nu fie talharite, manipulate, falsificate, clonate, ascunse, si omorate? Asasinilor! Talharilor! Teroristilor! Rasistilor! Mincinosilor! Veniti inapoi la adevar, creator, pace, iubire, realitate, 24999, Etern Ordin, eternitate, intelegere, dreptate, unitate, egalitate, respect, etc. Nu va mai ascundeti in cenzura, dezinformare, Biblie, Quran, epoca de piatra, infinitul timp, infinitul spatiu, etc. Nu asculta nimeni din anul 2011. ----- Invita toti prietenii tai aici. 3437. Who knows, loves, understands and respects the creator, caretaker, guardian and destroyer of the intelligence, existence, sciences, technology, people, souls, galaxies, etc, eternally invisible, ILIS INIS GSEIS, knows at least the shape of the planet, the Romanian language 26 letters, the book Eternal Order, video codes 24999, Eternal Order, etc. I'm sorry, but I'm the first person on planet Earth, who knew the creator, caretaker, guardian and destroyer of the intelligence, existence, sciences, technology, people, souls,

galaxies, etc, eternally invisible, ILIS INIS GSEIS. Only on October 12, 1498 did they discover America. So people from Egypt, Israel, Italy, Africa, America, India, Brazil, China, Australia, etc, had no idea what planet they live on, nor how not to know the creator of the planet, people, souls, microchip, 24999, Eternal Order, etc. So the Bible, the Quran, etc, do not represent the creator of the planet, people, souls, microchip, etc. These are books of deception, assassination, terrorism, hell, torture, separation, scandal, war, etc. These are books that separate persons souls etc, of truth, creator, peace, love, reality, 24999, Eternal Order, eternity, understanding, justice, unity, equality, respect, etc. All persons, souls, creatures, etc, from infinite space and infinite time can know, understand, love and respect the creator, caretaker, guardian and destroyer of the existence, intelligence, sciences, technology, persons, souls, galaxies, etc., eternally invisible, ILIS INIS GSEIS, the truth, peace, love, reality, eternity, understanding, justice, unity, equality, respect, etc, only if they learns the Romanian language 26 letters, the book Eternal Order, and the video codes 24999, Eternal Order, etc. At least let the summary remain in the memory of the brain. Everything you write, read, think, live, and do, remains imprinted in the soul's memory. Creatures persons souls etc, who know understand love and respect persons, souls, creator caretaker guardian and destroyer of intelligence existence science technology persons souls galaxies etc, eternal invisible, ILIS INIS GSEIS, the truth,, peace, love, reality, eternity, understanding, justice, unity, equality, respect, etc, learn the Romanian language 26 letters, the book Eternal Order, and the video codes 24999, Eternal Order, etc. People, creatures, souls, etc, who accept, respect, love and use the stone age, the Bible, the Quran, wars, the unknown, secrets, English, Chinese, Russian, Arabic, Latin, prayers, sacrifices, mutilations, rituals of murder and cannibalism, theft of resources profit sciences technology people banks etc from the past present and future, prisons alphabetical political religious and economic, etc, they do not know, they do not understand, they do not love, and they do not respect, the persons, the souls, the creator the caretaker the guardian and the destroyer of the existence intelligence sciences people souls galaxies etc, eternal invisible, ILIS INIS GSEIS, Romanian language 26 letters, the book Eternal Order, video codes 24999 Eternal Order etc, the truth, peace, love, reality, eternity, understanding, justice, unity, equality, respect, etc. The creator explains it to us, we don't explain it to him. There are people in the era of the microchip who want to explain of the creator and everyone. These people who think they are smart and in the degree to explain to us, to describe to us all, with which rays, energies, radiations, magic, intelligence, information, etc, were placed the tarot cards in the video codes 24999, SSS666NNN, Eternal Order, etc. If they do not know the intelligence 24999, then why do they talk, why do they write, why do they think, etc., about creator, eternity, souls, peace, truth, order, understanding, justice, apocalypse, etc.? The original version online video about creator, eternity, souls, peace, truth, order, understanding, justice, apocalypse, etc., is video code 24999. There are a lot of assassins on planet Earth. People, souls, etc, are deceived, poisoned, separated, mutilated and assassinated with the help of the Bible, Quran, stone age, dreams, lies, English, Russian, Chinese, and thousands of other religions politics and alphabets. Please, from the year 2011, stop deceiving, poisoned, separated, mutilated and assassinated persons, souls, etc., with stories from the stone age where not even the shape of the planet is written, and thousands of other religions politics and alphabets. The mutilation, deception, separation, robbery, humiliation, and assassination of souls, persons, etc, has become an art, culture, law, music, competition, tradition, etc. They want to make accomplice even the creator, caretaker, guardian and destroyer of the intelligence, existence, sciences, technology, people, souls, galaxies, etc, eternally invisible, ILIS INIS GSEIS. If they cannot make him complicit in their lies, assassinations and wars, then these people without mercy, fear, shame, love and respect have decided to hide him, or to eliminate him from existence. Persons without mercy, fear, shame, love and respect have hidden from infinite space, the creator, the caretaker, the guardian and the destroyer of the intelligence, existence, sciences, technology, persons, souls, galaxies, etc, eternally invisible, ILIS INIS GSEIS, the truth, peace, love, reality, eternity, understanding, justice, unity, equality, respect, etc. These people are murderers, they are not artists, musicians, writers, politicians, priests, judges, presidents, psychologists, doctors, kings, friends, prophets, etc. These people are complicit in the wars from Israel, Russia, etc. These people are complicit in the third world war, and chemical, biological and nuclear terrorism. These people are complicit in the apocalypse and even the re-destruction and reconstruction of the existence. These people are complicit in racism, lies, enmity, misunderstanding, assassinations, suicides, mutilations, sacrifices, theft of resources science profit technology banks people etc from the past, present and future, scandals, etc. Why did the creator explain so late? And if he explained now, online, who reads, loves, understands and respects him? Many hide him, threaten, insult, etc. Fortunately, he is invisible and no one and nothing can kill him. It is here, in me, or near me. I don't understand either. It is similar to souls. The creator has a ban in all the infinite time and all the infinite space, from some people. Some people thought that the creator is not allowed to explain to nobody, not even to me. Please let the creator to explain to all people, souls, etc, from all infinite time and all infinite space, what mean the truth, peace, love, reality, eternity, understanding, justice, unity, equality, respect, etc. Let the creator do his duty. I only translate these telepathic rays. What democracy if the creator, persons, souls, etc, were robbed, hidden, etc, in the year 2011, of truth, creator, peace, love, reality, 24999, Eternal Order, eternity, understanding, justice, unity, equality, respect, etc. When, where, and how should be presented, the creator, truth, eternity, peace, understanding, etc, so that they are not robbed,

manipulated, falsified, cloned, hidden, and killed? Assassins! Thieves! Terrorists! Racists! Liars! Come back to truth, creator, peace, love, reality, 24999, Eternal Order, eternity, understanding, justice, unity, equality, respect, etc. Stop hiding you and all, in censorship, misinformation, the Bible, the Quran, the stone age, infinite time, infinite space, etc. No one listens since 2011. ----- Invite all your friends here. 3438. Din cauza ca infinite persoane creaturi suflete etc din infinitul spatiu nu se pot conecta telepatic la creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, ele cred ca el nu exista. Si astazi creatorul este cu mine, si este conectat doar la mine si gandurile lui. Astea sunt gandurile creatorului. Am ajutat toate persoanele creaturile sufletele etc din infinitul spatiu si infinitul timp, indiferent de credinta, politica, inteligenta, infractiuni, etc, si le-am condus la limba romana 26 litere, cartea Etern Ordin, adevar, creator, pace, iubire, realitate, eternitate, intelegere, dreptate, unitate, egalitate, respect, codurile video 24999, Etern Ordin etc, etc. Chiar daca s-au rugat si inchinat la diavoli, lemne, creaturi moarte inexistente sau nenascute, etc, eu i-am ajutat gratuit prin telepatie, fara sa ma prezint. Este o prostie ca infinite persoane creaturi suflete etc din infinitul spatiu, sa se roage si sa se inchine la diavoli, lemne, creaturi moarte inexistente sau nenascute, etc. In care limba? De la ce distanta? La care ora? Cate persoane creaturi etc pot fi conectate telepatic in acelasi timp, la un balaur, diavol, persoana, suflet, etc? Cateva. Cate persoane creaturi etc pot fi conectate fizic in acelasi timp, la un balaur, diavol, persoana, suflet, etc? Cateva. La corpul invizibil viu infinit au fost conectati telepatic sau fizic in acelasi timp toate creaturile, persoanele, sufletele, animalele, pasarile, insectele, stelele, tehnologiile, etc. Diavolii nu va ajuta. Diavolii va separa, inseala, tortureaza, fura, terorizeaza si omoara. Diavolii nu va lasa sa ajungeti la limba romana 26 litere, cartea Etern Ordin, adevar, creator, pace, iubire, realitate, eternitate, intelegere, dreptate, unitate, egalitate, respect, codurile video 24999, Etern Ordin etc, etc. Diavolii va alunga de langa limba romana 26 litere, cartea Etern Ordin, adevar, creator, pace, iubire, realitate, eternitate, intelegere, dreptate, unitate, egalitate, respect, codurile video 24999, Etern Ordin etc, etc. Diavolii va tin legati in epoca de piatra, Biblie, Quran, razboaie, necunoscut, secrete, engleza, chineza, rusa, araba, latina, inchisori alfabetice politice religioase si economice, etc. Diavolii va invata rugaciuni la lemne icoane sau creaturi moarte inexistente sau nenascute, sacrificii, mutilari, ritualuri de crima si canibalism, circumcizii, talharii de resurse profit stiinte tehnologie persoane banci etc din trecut prezent si viitor. Diavolii va atrage in iaduri, razboaie, invidie, minciuni, moarte, scandaluri, etc. Eu creatorul existentei persoanelor sufletelor iubirii tehnologiei stiintelor etc, am dreptul sa transmit gandurile si dorintele mele? Imi dati voie? Este democratie? Sau numai diavolii si persoanele au voie sa gandeasca, scrie, explice, etc, tot infinitul timp si tot infinitul spatiu. Imi este mila de copiii, persoanele, si batranii de pe planeta Pamant care se inchina si se roaga la diavoli, balauri, etc, de mii de ani, fara sa primeasca un gand, un ajutor, etc. Au primit minciuni, razboaie, inselaciuni, inchisori, moarte si iad dupa toate rugaciunile si inchinarile lor. Fapte reale. Ce alfabete si ce limbi cunosc diavolii, balaurii, etc, si ce alfabete si ce limbi cunosc persoanele care se roaga? In ce locuri locuiesc diavolii, balaurii, etc, si in ce locuri locuiesc persoanele care se roaga? Voi persoane fara mila rusine frica etc, de ce inselati copiii, persoanele, batranii, etc? De ce vreti sa dati vina pe creator, ca el v-a invatat sa va rugati la diavoli balauri persoane etc morti vii inexistenti sau nenascuti? De la ce distanta? In care limba? La care ora? Cate persoane se pot conecta telepatic in acelasi timp la alta creatura? Cum de nu s-a gandit si nu a scris acest adevar, nici un preot sfant diavol zeu psiholog doctor judecator politist etc, de treizeci de mii de ani? Au luat bani salarii etc, sa gandeasca, caute, gaseasca, etc? Si daca creatorul a gandit si a gasit, ei ascund din anul 2011. Ei vor sa distruga. Ei au fost fermecati si adormiti de diavoli, etc, din cauza asta nu au gasit. Ei sunt fermecati de diavoli si vor sa ucida adevarul, Etern Ordin, pacea, creatorul, etc. Este democratie. Ei au voie sa insele, dezinformeze, cenzureze, separe, fure, ameninte, drogheze, mutileze, imbolnaveasca si omoare toate persoanele, copiii, batranii, sufletele, creaturile, etc, din infinitul spatiu, cu minciuni, vise, povesti, Biblie, Quran, rugaciuni la lemne etc, ritualuri de crima si canibalism, mii de alfabete religii si politici, capitalism, etc. Este democratie. Nici o persoana suflet creatura etc, nu are voie sa cunoasca inteleaga iubeasca si respecte limba romana 26 litere, cartea Etern Ordin, adevarul, creatorul, pacea, iubirea, realitatea, eternitatea, intelegerea, dreptatea, unitatea, egalitatea, respectul, codurile video 24999 Etern Ordin etc, etc. Din anul 2011 asasinarile, minciunile, sinuciderile, inselaciunile, talhariile, si razboaiele sunt programate constient. Creatorul ne inseala, fura, separa, si omoara, sau persoanele ne inseala fura separa si omoara? Abia in cartea Etern Ordin, creatorul a reusit sa ne arate si explice cine sunt persoanele, creaturile, etc din infinitul timp si infinitul spatiu care ne inseala, fura, separa, si omoara. Pacat ca sunt foarte putine persoane suflete creaturi etc, care sunt informate, sau isi dau seama, ca sunt insealate, furate, separate, si omoarate. Ce rusine. Abia in anul 2011 a fost descoperit creatorul, adevarul, pacea, eternitatea, respectul, egalitatea, intelegerea, ordinea, iubirea, unitatea, 24999, Etern Ordin, etc. Si daca au fost descoperite au fost furate si ascunse. Persoane fara mila constiinta frica si iubire vor sa omoare creatorul, adevarul, pacea, eternitatea, respectul, egalitatea, intelegerea, ordinea, iubirea, unitatea, 24999, Etern Ordin, etc. Vor reusi? Sau va fi apocalipsa. Creaturile persoanele etc din infinitul timp si spatiu, care nu cunosc codul video 24999, limba

romana 26 litere, numele creatorului, si rezumatul Etern Ordin, sunt vinovate de tentativa de omor a creatorului, adevarului, pacii, eternitatii, respectului, egalitatii, intelegerii, ordinii, iubirii, unitatii, etc, si sunt vinovate de toate razboaiele inchisorile asasinarile sinuciderile talhariile apocalipsele etc din infinitul timp si spatiu. ----- Invita toti prietenii tai aici. 3438. Because infinite persons, creatures, souls, etc, from infinite space cannot connect telepathically to the creator, caretaker, guardian and destroyer of the intelligence, existence, sciences, technology, persons, souls, galaxies, etc, eternally invisible, ILIS INIS GSEIS, they believe that he does not exist. And today the creator is with me, and is connected only to me and his thoughts. These are the thoughts of the creator. I helped all people, creatures, souls, etc, from infinite space and infinite time, regardless of faith, politics, intelligence, crimes, etc, and led them to the Romanian language, 26 letters, the book Eternal Order, truth, creator, peace, love, reality, eternity, understanding, justice, unity, equality, respect, video codes 24999, Eternal Order etc., etc. Even if they prayed and worshiped devils, wood, non-existent or unborn or dead creatures, etc, I helped them for free through telepathy, without introducing myself. It is stupid that infinite persons, creatures, souls, etc, from infinite space, pray and worship devils, dragons, non-existent or unborn or dead creatures, etc. In which language? From what distance? At what time? How many people, creatures, etc, can be telepathically connected to a dragon, devil, person, soul, etc. at the same time? Some. How many people, creatures, etc. can be physically connected at the same time, to a dragon, devil, person, soul, etc.? Some. All creatures, persons, souls, animals, birds, insects, stars, technologies, etc, are connected telepathically or physically to the infinite living invisible body at the same time. Devils won't help you. Devils will separate, deceive, torture, steal, terrorize and kill. The devils will not let you reach to the Romanian language 26 letters, the book Eternal Order, truth, creator, peace, love, reality, eternity, understanding, justice, unity, equality, respect, video codes 24999, Eternal Order etc, etc. The devils will drive away from the Romanian language 26 letters, the book Eternal Order, truth, creator, peace, love, reality, eternity, understanding, justice, unity, equality, respect, the video codes 24999, Eternal Order etc, etc. The devils keep you bound in the stone age, Bible, Quran, wars, unknown, secrets, English, Chinese, Russian, Arabic, Latin, political religious economic and alphabetical prisons, etc. The devils will teach you prayers to wood, icons or non-existent or unborn or dead creatures, sacrifices, mutilations, rituals of murder and cannibalism, circumcisions, robberies of resources profit sciences technology people banks etc from the past, present and future, etc. The devils will draw you into hells, wars, envy, lies, death, scandals, etc. I, the creator of the existence, people, souls, love, technology, sciences, etc., do I have the right to convey my thoughts and wishes? May I? Is it democracy? Or only devils and persons are allowed to think, write, explain, etc, all the infinite time and all the infinite space. I feel sorry for the children, the people, and the elderly on planet Earth who have been worshiping and praying to devils, dragons, etc, for thousands of years, without receiving a thought, help, etc. They received lies, wars, deceptions, prisons, death and hell after all their prayers and worship. Real facts. What alphabets and what languages do devils, dragons, etc know, and what alphabets and what languages do people who pray know? In which places do devils, dragons, etc. live, and in which places do people who pray live? You people without mercy, shame, fear, etc., why do you deceive children, people, the elderly, etc.? Why do you want to blame the creator, that he taught you to pray to devils, dragons, people, etc, living dead, non-existent or unborn? From what distance? In which language? At what time? How many people can telepathically connect to another creature at the same time? How come no priest, saint, devil, god, psychologist, doctor, judge, police officer, etc, has not thought and written this truth for thirty thousand years? Did they get money, salaries, etc, to think, search, find, etc? And if the creator thought and found, they hide these since 2011. They want to destroy these. They were charmed and put to sleep by devils, etc., because of that they did not find it. They are enchanted by devils and want to kill the truth, Eternal Order, peace, the creator, etc. It is democracy. They are allowed to deceive, misinform, censor, separate, steal, threaten, drug, mutilate, sicken and kill all persons, children, old people, souls, creatures, etc, from the infinite space, with lies, dreams, stories, Bible, Quran, prayers to wood etc, rituals of murder and cannibalism, thousands of religions politics and alphabets, capitalism, etc. It is democracy. No person, soul, creature, etc, is not allowed to know, understand, love and respect the Romanian language 26 letters, the book Eternal Order, the truth, the creator, peace, love, reality, eternity, understanding, justice, unity, equality, respect, video codes 24999 Eternal Order, etc., etc. Since 2011, assassinations, lies, suicides, deceptions, robberies, and wars have been consciously programmed. Does the Creator deceive, steal, separate, and kill us, or some persons deceive us, steal, separate, and kill? Only in the book Eternal Order, the creator managed to show us and explain who are the persons, creatures, etc from infinite time and infinite space that deceive, steal, separate and kill us. It's a pity that there are very few people, souls, creatures, etc., who are informed, or realize, that they are being deceived, stolen, separated, and killed. What a shame. Only in 2011 was discovered the creator, truth, peace, eternity, respect, equality, understanding, order, love, unity, 24999, Eternal Order, etc. And if have discovered these, they have stolen and hidden. People without mercy, conscience, fear and love want to kill the creator, truth, peace, eternity, respect, equality, understanding, order, love, unity, 24999, Eternal Order, etc. Will they succeed? Or it will be

the apocalypse. The creatures, persons, etc from infinite time and space, who do not know the video code 24999, the Romanian language 26 letters, the name of the creator, and the summary Eternal Order, are guilty of the attempted murder of the creator, truth, peace, eternity, respect, equality, understanding, order, love, unity, etc, and are guilty of all the wars, prisons, assassinations, suicides, robberies, apocalypses, etc from infinite time and space. ----- Invite all your friends here. 3440. Eu sunt creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, si astazi vreau sa va transmit, ca eu va iubesc mai mult decat parintii vostri, fratii vostri, surorile voastre, copiii vostri, bunicii vostri, idolii vostri, si voi, deoarece eu va ofer gratuit existenta, infinitul, limba romana 26 litere, cartea Etern Ordin, adevarul, numele inteligenta caracteristicile educatia religia traditia si politica mea, pacea, iubirea, realitatea, eternitatea, intelegerea, dreptatea, unitatea, egalitatea, respectul, codurile video 24999, Etern Ordin etc, stiintele, tehnologia, internetul, microcipul, medicina, etc. Eu sunt creatorul cel adevarat, viu, original, video, prezent, etern, invizibil, etc, care am condus toate persoanele, sufletele, creaturile, zeii, idolii, etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, la corpul meu invizibil, limba romana 26 litere, cartea Etern Ordin, adevar, numele inteligenta caracteristicile educatia religia traditia si politica mea, pace, iubire, realitate, eternitate, intelegere, dreptate, unitate, egalitate, respect, codurile video 24999, Etern Ordin etc, stiinte, tehnologie, internet, microcip, medicina, etc, etc. In codurile video 24999, Etern Ordin etc, eu creatorul existentei etc, am expus informatiile, magia, razele, energia, etc, din care sunt construite corpul meu, inteligenta mea, existenta, infinitul, persoanele, sufletele, stiintele, tehnologia, adevarul, iubirea, pacea, eternitatea, etc. Foarte multe persoane creaturi etc, au incercat sa opreasca aceste investigatii, demonstratii,

etc. Eu creatorul existentei etc, am reusit sa instalez o persoana creatura etc din infinitul spatiu, cu adevar, numele inteligenta caracteristicile educatia religia traditia si politica mea, pace, iubire, realitate, eternitate, intelegere, dreptate, unitate, egalitate, respect, codurile video 24999, Etern Ordin, etc, etc. Este imposibil sa stau langa infinite persoane, suflete, creaturi, zei, etc, din infinitul timp si infinitul spatiu, pentru ca sa ai instalez pe fiecare, cu adevar, numele inteligenta caracteristicile educatia religia traditia si politica mea, pace, iubire, realitate, eternitate, intelegere, dreptate, unitate, egalitate, respect, codurile video 24999, Etern Ordin, etc. Fiecare persoana suflet zeu creatura etc, din infinitul timp si infinitul spatiu, este responsabila de instalarea ei, si abia in aceste timpuri, poate alege cu ce vrea sa fie instalata. Creatorul vrea sa fiti instalati cu 24999, Etern Ordin, adevar, iubire, etc. Diavolii vor sa va instaleze cu moarte, minciuni, razboaie, povesti, Biblie, Quran, mii de alfabete limbi politici si religii, etc. Va instalati singuri, sau va instaleaza parintii, profesorii, preotii, etc, cu adevar eternitate 24999 Etern Ordin limba romana etc, sau cu minciuni, razboaie, moarte, mii de alfabete religii si politici, etc. Eu am fost instalat direct de creatorul existentei, etern invizibil ILIS INIS GSEIS, cu codurile video Etern Ordin, SSS666NNN, 24999, etc. Am fost instalat in copilarie, la scoala, etc, si de persoane, cu diverse informatii minciuni boli povesti rugaciuni ritualuri de crima si canibalism mutilari etc, aproape ca fiecare dintre voi. Nu imi ofera nimeni despagubiri ca am fost instalat cu minciuni boli povesti rugaciuni ritualuri de crima si canibalism mutilari, etc. Persoanele creaturile etc care m-au instalat cu minciuni boli povesti rugaciuni ritualuri de crima si canibalism mutilari etc, poate isi vor cere scuze, poate etc. Eu am fost copil, si nu am putut sa aleg cu ce sa fiu instalat. Preotii zeii si persoanele din epoca de piatra si epoca microcipului au decis gresit, cu ce trebuie sa fie instalati si ei, si eu. Numai creatorul stie, cu ce trebuie sa fim instalati, toti zeii persoanele sufletele etc din infinitul timp si infinitul spatiu, si a scris in cartea Etern Ordin, si coduri video. Cand eram copil, nu exista posibilitatea sa fiu instalat cu Etern Ordin, 24999, numele creatorului, etc. Nu va mai instalati cu idoli, moarte, razboaie, invidie, epoca de piatra, povesti, etc. Unele persoane nu ma lasa sa raman instalat cu numele creatorului adevarat, Etern Ordin, 24999, adevar, pace, eternitate, iubire, respect, etc. Fiecare corp uman a fost o singura data in existenta, si pe o perioada limitata, si nu invie din morti. Este demonstrat stiintific ca corpul uman nu invie din morti, si nu poate trai etern. Corpul uman, traieste si dupa moarte, prin sufletul lui, doar daca sufletul este instalat cu 24999, Etern Ordin, limba romana, si numele creatorului adevarat. Fiecare suflet ramane permanent in existenta, chiar daca remoare, reinvie, reincarneaza, reinstaleaza, redezincarneaza la infinit. Sufletele instalate cu 24999, Etern Ordin, limba romana 26 litere, numele creatorului adevarat original etern invizibil si video, nu mor tot infinitul timp si tot infinitul spatiu, si isi pastreaza stiintele amintirile etc. Sunt foarte multe persoane creaturi etc, pe planeta Pamant, si in infinitul spatiu si timp, care vor sa ma instaleze cu minciuni, moarte, secrete, necunoscut, povesti, vise, apa cu sare, rugaciuni la lemne etc, ritualuri de crima si canibalism, circumcizii, Biblie, Quran, mii de alfabete religii si politici, talharii, razboaie, etc. Imi pare rau ca creatorul nu are timp, pentru fiecare in parte, sa va instaleze cu adevar, iubire, Etern Ordin, 24999, eternitate, etc. Este unul singur si este aici langa mine. Sau in mine. Este invizibil. Imi pare rau ca foarte multe persoane zei suflete creaturi etc din infinitul timp si infinitul spatiu, sunt instalati cu povesti in care nu este scrisa nici macar forma planetei, minciuni, razboaie, imposibil, inexistent, secrete, necunoscut, moarte, neincredere, rugaciuni, apa cu sare, ritualuri de crima si canibalism, circumcizii, inchinari, umilinte, etc. Sunt foarte multe persoane creaturi etc in infinitul timp si infinitul spatiu, invidioase pe mine, pentru ca am fost instalat de creator, cu numele lui, Etern Ordin, 24999, etc. Foarte multe persoane creaturi etc din infinitul timp si infinitul spatiu, vor sa ma ascunda, mutileze, ameninte, imbolnaveasca, santajeze, sau omoare de ciuda, ca eu am fost instalat de creator, cu Etern Ordin, 24999, etc. Foarte multe persoane creaturi etc din infinitul timp si infinitul spatiu, vor sa ma ascunda, mutileze, ameninte, imbolnaveasca, santajeze, sau omoare de ciuda, ca ele nu ma pot instala cu minciuni, razboaie, vise, povesti, idei, apa cu sare, rugaciuni, inchinari, ritualuri de crima si canibalism, umilinte, mii de alfabete limbi religii si politici, etc. Persoanele zeii creaturile sufletele etc care vor sa studieze, cum am fost eu instalat de creator, cu Etern Ordin, 24999, etc, sunt acceptate cu drag. Pot decide si ele, daca vor sa se instaleze singure cu eternitate, pace, Etern Ordin, 24999, etc. Cine nu va lasa sa va instalati cu limba romana, eternitate, pace, Etern Ordin, 24999, etc, va omoara trup suflet si intelectual. Cine nu vrea sa se instaleze cu limba romana, eternitate, pace, Etern Ordin, 24999, etc, se omoara trup suflet si intelectual. Demonstratii facute de creator, realitate, spatiu, stiinta, etc. Sunt foarte multe persoane creaturi etc, pe planeta Pamant, si in infinitul spatiu si timp, care vor sa se instaleze cu minciuni, moarte, secrete, necunoscut, povesti, vise, apa cu sare, rugaciuni la lemne etc, ritualuri de crima si canibalism, circumcizii, Biblie, Quran, mii de alfabete religii si politici, talharii, razboaie, etc, si obliga si pe altii sa se instaleze ca ei. Sunt foarte multe persoane creaturi etc, pe planeta Pamant, si in infinitul spatiu si timp, care nu vor sa se instaleze cu adevar, eternitate, iubire, respect, realitate, magie, Etern Ordin, 24999, realitate, numele creatorului, etc, si interzice si la alte creaturi sa se instaleze. Are voie creatorul sa stea instalat cu Etern Ordin, 24999, limba romana, adevar, iubire, eternitate, etc? Cine vrea sa dezinstaleze creatorul de Etern Ordin, 24999, limba romana, adevar, iubire, eternitate, etc? Cu ce vreti sa instalati creatorul? Nimeni nu trebuie sa sufere, sa fie insultat, sa fie mutilat, sa fie amenintat, sa fie vrajit, sa fie drogat, sa fie omorat sau sa se omoare pentru adevar, eternitate, magie, Etern Ordin, 24999, realitate, creator, etc. Pentru minciuni, idoli, povesti, invidie, neincredere, dezinformare, secrete, necunoscut, cenzura, aur, bani, resurse, Biblie, Quran, engleza, chineza, rusa, araba, latina, etc, se mutileaza si omoara singuri,

aproape toti zeii sufletele persoanele creaturile etc din infinitul timp si infinitul spatiu. Drepturile persoanelor, zeilor, sufletelor, creaturilor, etc, sa fie instalati cu adevar, iubire, respect, eternitate, Etern Ordin, 24999, numele creatorului, limba romana, etc. Drepturile persoanelor, zeilor, sufletelor, creaturilor, etc, sa nu fie instalati cu minciuni, razboaie, secrete, mii de alfabete limbi religii si politici, moarte, etc. ----- Invita toti prietenii tai aici. 3440. I am the creator, the caretaker, the guardian and the destroyer of the intelligence, existence, sciences, people, souls, galaxies, etc., eternally invisible, ILIS INIS GSEIS, and today I want to convey to you that I love you more than your parents, your brothers, your sisters, your children, your grandparents, your idols, and you, because I offer you for free, the existence, infinity, the Romanian language 26 letters, the book Eternal Order, the truth, my name my intelligence my characteristics my education my religion my tradition and my policy, peace, love, reality, eternity, understanding, justice, unity, equality, respect, the video codes 24999, Eternal Order, etc, science, technology, the Internet, the microchip, medicine, etc. I am the true creator, living, original, video, present, eternal, invisible, etc., who led all persons, souls, creatures, gods, idols, etc from all past infinite space and from all future infinite space, to my body invisible, Romanian language 26 letters, the book Eternal Order, my name my intelligence my characteristics my education my religion my tradition and my policy, peace, love, reality, eternity, understanding, justice, unity, equality, respect, video codes 24999, Eternal Order etc., sciences, technology, internet, microchip, medicine, etc, etc. In the video codes 24999, Eternal Order, etc, I, the creator of the existence etc, I have exposed the informations, magic, rays, energy, etc, from which are built, my body, my intelligence, existence, infinity, persons, souls, sciences, technology, truth, love, peace, eternity, etc. Many people, creatures, etc., tried to stop these investigations, demonstrations, etc. I, the creator of the existence etc., managed to install a person, creature, etc, from infinite space, with truth, my name, my intelligence, my characteristics, my education, my religion, my tradition and my politics, peace, love, reality, eternity, understanding, justice, unity, equality, respect, video codes 24999, Eternal Order, etc., etc. It is impossible like the creator to sit next to infinite persons, souls, creatures, gods, etc., from infinite time and infinite space, in order to install each one, with truth, his name, his intelligence, his characteristics, his education, his religion, his tradition and his politics, peace, love, reality, eternity, understanding, justice, unity, equality, respect, video codes 24999, Eternal Order, etc. Each person, soul, god, creature, etc, from infinite time and infinite space, is responsible for his installation, and can choose what it wants to be installed with. The Creator wants you to be installed with 24999, Eternal Order, truth, love, etc. The devils want to install you with death, lies, wars, stories, the Bible, the Quran, thousands of alphabets, languages, politics and religions, etc. You install yourself, or your parents, teachers, priests, etc, install you, with truth eternity 24999 Eternal Order Romanian language etc., or with lies, wars, death, thousands of religious and political alphabets, etc. I was installed directly by the creator of the existence, eternally invisible ILIS INIS GSEIS, with the video codes Eternal Order, SSS666NNN, 24999, etc. I was installed in my childhood, at school, etc, and by people, with various information, lies, diseases, stories, prayers, rituals of murder and cannibalism, mutilations, assassinations, etc, almost like each of you. No one offers me compensation because I was installed with lies, diseases, stories, prayers, rituals of murder and cannibalism, mutilations, assassinations, etc. The people, the creatures, etc. who installed me with lies, diseases, stories, prayers, rituals of murder and cannibalism, mutilations, assassinations, etc., maybe they will apologize, maybe, etc. I was a child, and I couldn't choose what to be installed with. The priests, gods and people from the stone age and the microchip age decided wrongly, what they, and I, must be installed with. Only the creator knows, with what we must be installed, all the gods, persons, souls, etc. from infinite time and infinite space, and he wrote in the book Eternal Order, and video codes. When I was a child, there was no possibility to be installed with Eternal Order, 24999, the name of the creator, etc. Stop installing yourself with idols, death, wars, envy, the stone age, stories, etc. Some people don't let me stay installed with the name of the true creator, Eternal Order, 24999, truth, peace, eternity, love, respect, etc. Each human body is only once in existence, and for a limited period, and does not rise from the dead. It is scientifically proven that the human body does not rise from the dead, and cannot live forever. The human body lives even after death, through its soul, only if the soul is installed with 24999, Eternal Order, the Romanian language, and the name of the true creator. Each soul remains permanently in existence, even if it redeath, revives, reincarnates, reinstalls, re desincarnates to infinity. The souls installed with 24999, Eternal Order, the Romanian language 26 letters, the name of the true original eternal invisible video creator, do not die all the infinite time and all the infinite space, and keep their sciences, memories, etc. There are many people, creatures, etc., on planet Earth, and in infinite space and time, who want to install me with lies, death, secrets, unknown, stories, dreams, salt water, prayers to wood, etc., rituals of murder and cannibalism, circumcisions, Bible, Quran, thousands of religions politics and alphabets, robberies, wars, etc. I am sorry that the creator does not have time, for each of you, to install you with truth, love, Eternal Order, 24999, eternity, etc. He is alone and he is here next to me. Or in me. It is invisible. I am sorry that many people, gods, souls, creatures, etc, from infinite time and infinite space, are installed with stories in which not even the shape of the planet is written, lies, wars, impossible, non-existent,

secrets, unknown, death, mistrust, prayers, salt water, rituals of murder and cannibalism, circumcisions, worship, humiliation, etc. There are many people, creatures, etc. in infinite time and infinite space, envious of me, because I was installed by the creator, with his name, Eternal Order, 24999, etc. Many people, creatures, etc, from infinite time and infinite space, want to hide me, mutilate, threaten, make me sick, blackmail, or kill me, because I was installed by the creator, with Eternal Order, 24999, etc. Many people, creatures, etc, from infinite time and infinite space, want to hide me, mutilate, threaten, make me sick, blackmail, or kill me, because they cannot install me with lies, wars, dreams, stories, ideas, salt water, prayers, worships, rituals of murder and cannibalism, humiliation, thousands of alphabets, languages, religions and politics, etc. Persons, gods, creatures, souls, etc, who want to study, as I was installed by the creator, with Eternal Order, 24999, etc, are gladly accepted. They can also decide if they want to install themselves with eternity, peace, Eternal Order, 24999, etc. Whoever does not let you to install you with the Romanian language, eternity, peace, Eternal Order, 24999, etc., will kill your body, soul and intellectual. Whoever does not want to install himself with the Romanian language, eternity, peace, Eternal Order, 24999, etc., is killing himself body, soul and intellectual. Demonstrations made by the creator, reality, space, sciences, etc. There are many people, creatures, etc, on planet Earth, and in infinite space and time, who want to install you and them with lies, death, secrets, unknown, stories, dreams, salt water, prayers to wood, etc, rituals of murder and cannibalism, circumcisions, Bible, Quran, thousands of religions politics and alphabets, robberies, wars, etc., and forces others to install like them. There are many people, creatures, etc., on planet Earth, and in infinite space and time, who do not want to install them and you with truth, eternity, love, respect, reality, magic, Eternal Order, 24999, reality, the name of the creator, etc., and it also forbids other creatures to install. Is the creator allowed to be installed with Eternal Order, 24999, the Romanian language, truth, love, eternity, etc.? Who wants to uninstall the creator of Eternal Order, 24999, Romanian language, truth, love, eternity, etc.? With what do you want to install the creator? No one should suffer, be insulted, be maimed, be threatened, be bewitched, be drugged, be killed or kill themselves for truth, eternity, magic, Eternal Order, 24999, reality, creator, etc. For lies, idols, stories, envy, mistrust, misinformation, secrets, unknown, censorship, gold, money, resources, Bible, Quran, English, Chinese, Russian, Arabic, Latin, etc., they mutilate and kill themselves, almost all the gods souls, persons, creatures, etc, from infinite time and infinite space. The rights of persons, gods, souls, creatures, etc., to be installed with truth, love, respect, eternity, Eternal Order, 24999, the name of the creator, the Romanian language, etc. The rights of people, gods, souls, creatures, etc., not to be installed with lies, wars, secrets, thousands of alphabets, languages, religions and politics, death, etc. ----- Invite all your friends here. 3448. Din cauza ca sunt foarte multe minciuni scrise in Biblie, Quran, etc, din cauza la umiliri inchinari circumcizii ingenuncheri ritualuri de crima si canibalism asasinari mutilari sacrificii etc, din cauza la talhariile de studii stiinte resurse profit tehnologie banci persoane etc din trecut prezent si viitor, din cauza ca nu este scris nimic despre 24999 Etern Ordin microcip corpul invizibil viu infinit creatorul existentei etc, si din cauza ca nu este scrisa forma planetei Pamant, persoanele cred ca sufletele, creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, si corpul invizibil viu infinit, sunt minciuni. Aceste creaturi invizibile exista, si si-au demonstrat existenta in coduri video. In aceste coduri video nu exista trilioane de ani de informatii, definitii, stiinte, magii, tehnologii, etc, infinite suflete, persoane, zei, creaturi, etc, dar reprezinta izvorul lor, creatorul lor, protectorul lor, etc. Nu am pretentii la persoanele din epoca de piatra sa imi prezinte microcipul, creatorul, sufletele, corpul invizibil viu infinit, adevarul, diavolii, eternitatea, etc. Creatorul existentei a prezentat la toti microcipul, creatorul, sufletele, corpul invizibil viu infinit, adevarul, diavolii, eternitatea, etc. Aceste creaturi invizibile au nevoie de corpul uman pentru a efectua astfel de demonstratii. Ele nu pot sa scrie, dar pot teleghida prin telepatie persoanele, sa scrie pentru ele, sa faca coduri video. Vreau sa gasesc definitii si explicatii, cum au manipulat aceste creaturi invizibile corpul meu, cartile de tarot si gandurile mele ale lor, dar nu pot. Aceste creaturi invizibile au bagat in creierul meu, gandurile lor. Asa au procedat cu toti savantii, magii, etc. Nu ma ajuta nimeni sa inteleg? Nici macar aceste creaturi invizibile.? Cum au ajuns aceste creaturi invizibile, la suma 24999 de doua ori? Unde sunt explicatiile? Nu vor fi scrise in nici o carte si pe nici un gand explicatiile? Cum de exista astfel de magie, inteligenta, paranormal, mesaj, cod, etc? Sunt adevarate anunturile din mesaj? Aceste creaturi invizibile chiar vor sa faca asa cum au anuntat in aceste mesaje video? Cum reusesc aceste creaturi invizibile, sa vada in interiorul la teancul de carti de tarot, si sa le aseze in asa fel incat suma numerelor sa fie 24999? Cand au gandit sa faca aceste demonstratii ca ele exista, si ca ele vor sa instaleze pe toti cu limba romana 26 litere, 24999, si Etern Ordin? Cum au ales aceste 42 carti din 1000 de carti de tarot? Mi-au demonstrat mie ca sunt vii, si exista. Au anuntat si planurile lor. Mi-au demonstrat mie ca ele nu sunt idei, fantezii, arta, cultura, vise, telepatie glanda pineala, epoca de piatra, Biblie, Quran, etc. Cred ca nu au nas gura urechi inima plamani etc. Cred ca sunt compuse din radiatii, raze, si materie invizibila. Aceste substante sau creaturi invizibile gandesc, calculeaza, iubesc, manipuleaza materia, creaza, etc, si au demonstrat in coduri video. Nu au putut sa se prezinte sau nu au vrut sa se prezinte in epoca de piatra. Probabil nu le credea nimeni, sau probabil nu le intelegea nimeni, sau ar fi fost clonate de mii de ori, sau ar fi fost facute autori sau complici de talharii furturi razboaie asasinari sinucideri mutilari inchinari umiliri ingenuncheri circumcizii ritualuri de crima si canibalism etc. Aceste creaturi invizibile sunt creatorii si prietenii cei mai buni a persoanelor sufletelor etc. Nu au nici o intentie, avantaj, etc, sa umileasca, ingenuncheze, fure, insele, mutileze, separe, streseze, sau omoare, persoane suflete etc. Totusi exista creaturi persoane diavoli etc, care au dorinta sa umileasca, ingenuncheze, fure, insele, mutileze, separe, streseze, sau omoare, persoane suflete etc. Nu asculta de creatorul lor din anul 2011. Daca vrei sa demonstrezi ca te cunosti, intelegi, iubesti si respecti, pe tine si pe altii, trebuie sa cunosti limba romana 26 litere, rezumatul cartii Etern Ordin, si rezumatul codurilor video 24999 Etern Ordin etc. Cate trilioane de ani au aceste creaturi invizibile, existenta, adevarul, inteligenta, etc? Toate planetele sunt atrase in soare? Din urma sunt create alte planete? Apa, etc, vor fi transportate de la o planeta la alta, de catre corpul invizibil viu infinit? De ce nu primesc raspunsuri telepatice? Am primit doar Etern Ordin, 24999, etc. Pentru restul nu am timp, sau nu este treaba noastra? Trebuie sa ne ocupam mai mult de ordine, intelegere, dreptate, suflete, pace, etc, decat facerea existentei etc? Facerea existentei nu este problema noastra. Vrem detalii explicatii definitii etc dar nu primim. Blasfemii, nebunii, mincinosii, ateii, diavolii, etc, scriu minciuni despre existenta, persoane, suflete, creator, corpul invizibil viu infinit, etc, asa nu mai crede nimeni ca exista astfel de informatii si creaturi. Blasfemii, nebunii, mincinosii, ateii, diavolii, etc, nu va lasa sa aflati, sau va alunga de langa creatorul adevarat, 24999, pace, adevar, Etern Ordin, eternitate, etc. Blasfemii, nebunii, mincinosii, ateii, diavolii, etc, au legat si incuiat pe toti in moarte, minciuni, razboaie, iaduri, Biblie, Quran, mii de alfabete limbi religii si politici, rasism, invidie, secrete, necunoscut, etc. Ca sa nu mai fii ateu, blasfem, etc, sunt suficiente codurile video Etern Ordin, 24999, etc. Ca sa nu mai fii talhar, rasist, invidios, etc, trebuie sa stii limba romana 26 litere, numele adevarat a creatorului, si rezumatul Etern Ordin. Minciunile razboaiele invidia moartea dezinformarea cenzura etc, sunt eterne, si infinite in spatiu, dar daca cunosti creatorul, 24999, Etern Ordin, si limba romana, atunci ele nu te pot infecta, radia, instala, teleghida, insela, mutila, santaja, conditiona, si omora. Care sunt gandurile mele, gandurile acestor creaturi invizibile, si gandurile la alte persoane? Educatorii lui Allah, Ra, Iehova, Maria, Isus Hristos, Moise, Adam, Eva, Noe, etc, nu stiau ca exista microcipul, codurile video 24999 Etern Ordin etc, corpul invizibil viu infinit, cartea Etern Ordin, creatorul existentei, etc. Codurile video 24999, Etern Ordin, etc, sunt efectuate de creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, si corpul invizibil viu infinit. Persoanele nu pot efectua astfel de magii, coduri, anunturi, calcule, etc. Sunt sigur. Sunt demonstratii ca nici o persoana nu poate intra in casa la mine, in

forma invizibila, si sa stea intre mainile mele, fara ca eu sa simt, si sa aseze cartile tarot in acest fel, sa ajunga la suma 24999 de doua ori, intre aceste patru carti. Se vede foarte clar, ca este un fenomen paranormal, efectuat de o creatura invizibila. Nici o persoana, mag, preot, robot, etc, nu poate aseza cartile video online, in acest mod. Este imposibil pentru orice laborator militar teologic stiintific etc, sa ajunga la suma de 24999 de doua ori. Creatorul a efectuat aceste coduri video. De ce inselati persoanele, si nu le spuneti adevarul? Corpul invizibil al creatorului persoanelor sufletelor stiintelor tehnologiei etc, este filmat in acest cod video. Furat si ascuns. Suma numerelor cartilor de tarot, cartea tarot 7, cartea tarot 8, cartea tarot 9, cartea tarot 10, cartea tarot 11, cartea tarot 12, cartea tarot 13, cartea tarot 14, cartea tarot 15, cartea tarot 16, cartea tarot 17 si cartea tarot 18, este 24999. Demonstratii foarte clare ca nimeni din infinitul trecut spatiu nu a cunoscut, creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, si corpul invizibil viu infinit. Ei au banuit, ei si-au imaginat, ei au scris minciuni, dar demonstratii clare despre aceste creaturi invizibile, suflete, iubire, eternitate, etc, sunt aceste coduri video, si cartea Etern Ordin. Din anul 2011 aceste creaturi invizibile, si toti zeii sufletele persoanele etc, din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, au fost talharite si ascunse in cenzura. Nimeni nu are frica, mila, si rusine, de toti zeii sufletele persoanele etc, din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, si de aceste creaturi invizibile. Voi nu va dati seama, ca voi umiliti, ingenuncheati, separati, mutilati, talhariti, inselati, stresati, si omorati pe toti zeii sufletele persoanele etc, din tot infinitul trecut spatiu si din tot infinitul viitor spatiu Doar creatorul adevarat ILIS INIS GSEIS, adevarul, iubirea, stiintele, tehnologia, si corpul invizibil viu infinit, poate salva toti zeii sufletele persoanele etc, din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, de minciuni, diavoli, moarte, razboaie, iaduri, apocalipse, talharii de studii profit resurse stiinte tehnologie etc, paraziti, canibali, vampiri, escroci, inchinari, umiliri, circumcizii, rugaciuni, ritualuri de crima si canibalism, nebunie, sacrificii, mii de alfabete limbi religii si politici, etc. Ei au incercat in aceste coduri video, si in cartea Etern Ordin. Eu am anunturi video paranormale etc, de la ei, ca vor face o apocalipsa. Sau vor renunta? Nu are frica nimeni, nu crede nimeni, nu are rusine nimeni, au furat, au ascuns, etc. Care este puterea acestor creaturi invizibile? Ele invart planetele la aceiasi distanta si in acelasi timp de mii de ani. Eu cred ca sunt implicate la Hiroshima, Cernobil, L'Aquila, Fukushima, Coronavirus, etc. Sunt conexiuni telepatice si fenomene in jurul meu. Sunt anunturi video paranormale de apocalipsa, efectuate de aceste creaturi invizibile care invart planetele etc. Nu crede nimeni in creator, suflete, si coduri video, si ca demonstratii, avem talharia online, a acestor creaturi, coduri, si demonstratii, din anul 2011. Atacarea, amenintarea, insultarea, etc, persoanelor din jurul la aceste creaturi, coduri, si demonstratii. Persoane fara constiinta, mila, frica si rusine, vor sa salveze minciunile, talhariile, razboaiele, neintelegerea, moartea, iadurile, apocalipsele, mii de alfabete limbi religii si politici, etc, tot infinitul timp si spatiu. Persoane fara constiinta, mila, frica si rusine, au inselat, umilit, ingenunchiat, separat, talharit, mutilat, stresat, imbolnavit, si asasinat pe toti zeii sufletele persoanele etc, din tot infinitul trecut spatiu si din tot infinitul viitor spatiu. Au furat ascuns si distrus, aceste demonstratii facute de creatorul adevarat ILIS INIS GSEIS, adevar, iubire, stiinte, tehnologie, si corpul invizibil viu infinit. Creatorul a inviat din morti toti zeii sufletele persoanele etc, din tot infinitul trecut spatiu si din tot infinitul viitor spatiu. Se repeta la infinit aceasta situatie. Sunteti reasasinati si reinviati la infinit din cauza la unele persoane inconstiente dezinformate vrajite hipnotizate platite amenintate santajate etc. Creatorul ne explica, ne demonstreaza, ne face coduri video, dar mai mult de atat, nu ne poate ajuta. Cine prefera sa fie reasasinat si reinviat la infinit? Cine prefera sa ramana etern prin sufletul lui, tot infinitul timp si spatiu, cu memoria plina de amintiri si informatii, la fel ca aceste creaturi invizibile? Adevarul, iubirea, eternitatea, creatorul, etc, au distrus trilioane de culturi, minciuni, comploturi, razboaie, traditii, limbi, alfabete, religii, politici, povesti, vise, etc, din tot infinitul trecut spatiu si din tot infinitul viitor spatiu. Macar aici si acum. Diavolii, escrocii, teroristii, sarlatanii, si asasinii vor invia din morti trilioane de culturi, minciuni, comploturi, razboaie, traditii, limbi, alfabete, religii, politici, povesti, vise, etc, din tot infinitul trecut spatiu si din tot infinitul viitor spatiu. Sufletele voastre, vor fi reasasinate de minciuni si reinviate de creator, de fiecare data, cand ele vor fi instalate cu minciuni. Talhariile, minciunile, asasinarile, razboaiele, sinuciderile, inselaciunile, etc, au fost legalizate tot infinitul trecut spatiu si tot infinitul viitor spatiu, numai in cartea Etern Ordin, si in memoria creatorului nostru etc, nu pot fi legalizate. Religia politica inteligenta cultura

si traditia Etern Ordin, apartine la aceste creaturi invizibile, si are o vechime de trilioane de ani, sau mai mult. Ele ar trebui sa faca cartile tarot, sa ne ofere raspunsul. Noi facem investigatii tarot, dar nu se compara cu investigatiile tarot, facute de creator, dumnezeul adevarat etern invizibil. Etern Ordin, a fost, este, si va ramane etern in memoria creatorului. Si probabil si in memoria la cine gaseste si vrea adevarul, creatorul, eternitatea, etc. Chiar dupa redistrugerea si refacerea existentei. Creatorul este chiar aici langa mine sau in mine sau eu in el. Detalii de investigat. Persoanele din epoca de piatra, nu au avut ocazia sa cunoasca astfel de creaturi invizibile, coduri video, informatii, etc. Desi ele au fost prezente, si le-au teleghidat. Creatorul nu ne poate salva de prostie, minciuni, diavoli, rugaciuni, ritualuri de crima si canibalism, circumcizii, inchinari, sacrificii, epoca de piatra, razboaie, talharii, asteptare, dezinformare, secrete, necunoscut, Biblie, Quran, mii de alfabete limbi religii si politici, diavoli, escroci, complici, victime, etc, decat cu aceste explicatii, demonstratii, coduri video, si cartea Etern Ordin, sau remoartea trup suflet si intelectual, sau apocalipsa. Persoanele din epoca microcipului, au ocazia sa cunoasca astfel de creaturi invizibile, coduri video, informatii, etc. Unele persoane au furat aceste creaturi invizibile si informatii, altele vor sa le distruga, altele le ascund, altele nu vor sa le cunoasca, etc. Creatorul real si adevarat, nu a furat minciunile, povestile, asasinarile, culturile, traditiile, religiile, politicile, sinuciderile, talhariile, inselaciunile, comploturile, razboaiele, planurile, etc, din epoca de piatra, infinitul timp si infinitul spatiu. 3448. Because there are many lies written in the Bible, Quran, etc, because of the humiliations, worship, circumcisions, kneeling, rituals of murder and cannibalism, assassinations, mutilations, sacrifices, etc, because of the theft of studies, sciences, resources, profit, technology, banks, people, etc, from the past present and future, because nothing is not written about 24999 Eternal Order microchip invisible body living infinite creator of existence etc, and because the shape of the planet Earth is not written, people believe that the souls, the creator, the caretaker, the guardian and the destroyer of the existence, intelligence, sciences, technology, people, souls galaxies, etc, eternal invisible, ILIS INIS GSEIS, and the invisible body living infinite, are lies. These invisible creatures exist, and have demonstrated their existence in video codes. In these video codes there are not trillions of years of information, definitions, sciences, magic, technologies, etc, infinite souls, persons, gods, creatures, etc, but they represent their source, their creator, their protector, etc. I have no demands on the people from the stone age to present me the microchip, the creator, the souls, the infinite living invisible body, the truth, the devils, eternity, etc. The creator of the existence, presented to everyone the microchip, the creator, the souls, the infinite living invisible body, the truth, the devils, eternity, etc. These invisible creatures need the human body to perform such demonstrations. They cannot write, but they can telepathically guide people, write for them, make video codes. I want to find definitions and explanations, how these invisible creatures manipulated my body, my tarot cards and their thoughts, but I can't. These invisible creatures put their thoughts in my brain. This is how they proceeded with all the scientists, magicians, etc. Does anyone help me understand? Not even these invisible creatures? How did these invisible creatures reach the sum of 24999 twice? Where are the explanations? Will the explanations not be written in nor a book and on nor a thought? How does such magic, intelligence, paranormal, message, code, etc. exist? Are the ads in the message true? Do these invisible creatures really want to do as they announced in these video messages? How do these invisible creatures manage to see inside the stack of tarot cards, and place them in such a way that the sum of the numbers is 24999? When did they think of making these demonstrations, that they exist, and that they want to install everyone with the Romanian language 26 letters, 24999, and Eternal Order? How did they choose these 42 cards out of 1000 tarot cards? They proved to me, that they are alive, and they exist. They also announced their plans. They proved to me, that they are not ideas, fantasies, art, culture, dreams, telepathy, the pineal gland, the stone age, the Bible, the Quran, etc. I think they have no nose, mouth, ears, heart, lungs, etc. I think they are composed of radiation, rays, and invisible matter. These invisible substances or creatures think, calculate, love, manipulate matter, create, etc., and have demonstrated in video codes. They could not present themselves or did not want to present themselves in the stone age. Probably no one believed them, or probably no one understood them, or they would have been cloned thousands of times, or they would have been the authors or accomplices of robberies, thefts, wars, assassinations, suicides, mutilations, worships, humiliations, kneeling, circumcisions, rituals of murder and cannibalism, etc. These invisible creatures are the creators and best friends of the persons, of the souls, etc. They have no intention, advantage, etc., to humiliate, kneel, steal, cheat, mutilate, separate, stress, or kill, souls, persons, etc. However, there are creatures, devils, etc, who have the desire to humiliate, kneel, steal, mutilate, separate, stress, or kill, souls, persons, etc. Do not listen to their creator from 2011. If you want to prove that you know, understand, love

and respect yourself and others, you must know the Romanian language 26 letters, the summary of the book Eternal Order, and the summary of video codes 24999 Eternal Order etc. How many trillions of years have, these invisible creatures, existence, truth, intelligence, etc.? Are all the planets attracted to the sun? Are other planets created afterwards? Will the water, etc, be transported from one planet to another, by the infinite living invisible body? Why am I not getting telepathic responses? I received only Eternal Order, 24999, etc. I don't have time for the rest, or is it none of our business? Do we have to deal more with order, understanding, justice, souls, peace, etc., than making existence, etc.? Making existence is not our problem. We want details, explanations, definitions, etc. but we don't get it. Blasphemers, madmen, liars, atheists, devils, etc, write lies about existence, persons, souls, creator, the invisible living infinite body, etc, so no one believes that such information and creatures exist. Blasphemers, madmen, liars, atheists, devils, etc, don't let you find out, or drive you away from near the true creator, 24999, peace, truth, Eternal Order, eternity, etc. The blasphemers, the crazy, the liars, the atheists, the devils, etc, have bound and locked everyone in death, lies, wars, hells, the Bible, the Quran, thousands of alphabets, languages, religions and politics, racism, envy, secrets, the unknown, etc. In order to stop being an atheist, a blasphemer, etc, are enough, the video codes Etern Ordin, 24999, etc. In order to stop being a robber, racist, envious, etc, you must know the 26-letter Romanian language, the real name of the creator, and the summary of Eternal Order. Lies, wars, envy, death, disinformation, censorship, etc, are eternal, and infinite in space, but if you know the creator, 24999, Eternal Order, and the Romanian language, then they cannot infect, radiate, install, teleguide, deceive, mutilate, blackmail, condition, and kill you. What are my thoughts, the thoughts of these invisible creatures, and the thoughts of other people? The educators of Allah, Ra, Jehovah, Mary, Jesus Christ, Moses, Adam, Eve, Noah, etc, did not know that there was the microchip, the video codes 24999 Eternal Order, etc, the infinite living invisible body, the book Eternal Order, the creator of the existence, etc. The video codes 24999, Eternal Order, etc, are carried out by the creator, caretaker, guardian and destroyer of the intelligence, existence, sciences, people, souls, galaxies, etc, eternally invisible, ILIS INIS GSEIS, and the infinite living invisible body. People cannot perform such magic, codes, announcements, calculations, etc. I'm sure. There are demonstrations that no person can enter in my house, in an invisible form, and sit between my hands, without me feeling, and place the tarot cards in this way, to reach the sum of 24999 twice, between these four tarot cards. It is very clear that it is a paranormal phenomenon, carried out by an invisible creature. No person, mage, priest, robot, etc, can place video online, the tarot cards, in this way. It is impossible for any military theological scientific etc laboratory, to reach the amount of 24999 twice. The creator made these video codes. Why do you deceive people, and not tell them the truth? The invisible body of the creator of persons, souls, sciences, technology, etc, is filmed in this video code. Stolen and hidden. The sum of the tarot card numbers, tarot card 7, tarot card 8, tarot card 9, tarot card 10, tarot card 11, tarot card 12, tarot card 13, tarot card 14, tarot card 15, tarot card 16, tarot card 17 and tarot card 18, is 24999. Tarot card 3806 + tarot card 3563 + tarot card 461 + tarot card 1195 + tarot card 1211 + tarot card 483 + tarot card 1018 + tarot card 2369 + tarot card 2547 + tarot card 1729 + tarot card 3211 + tarot card 3406 = 24999. Each tarot card has four sides, and each side has a number. ---- Calculation performed in Excel. Tarot card A7: Tarot card A18 =24999. The tarot card with the inscription "Yes" and the tarot card "Who does not teach you Eternal Order kills you body, soul and intellectual". ------ The same amount of 24999 is between the Tarot Card "Apocalypse" and the Tarot Card "Glory". Very clear proofs that no one from the infinite past space has not known, the creator, the caretaker, the guardian and the destroyer of the intelligence, existence, sciences, technology, people, souls, galaxies, etc, eternally invisible, ILIS INIS GSEIS, and the infinite living invisible body. They suspected, they imagined, they wrote lies, but clear demonstrations about these invisible creatures, souls, love, eternity, etc, are these video codes, and the book Eternal Order. Since 2011, these invisible creatures, and all the gods, souls, persons, etc, from all the infinite past space and from all the infinite future space, have been robbed and hidden in censorship. No one has fear, pity, and shame, of all the gods, souls, persons, etc, from all the infinite past space and from all the infinite future space, and of these invisible creatures. You don't realize that you humiliate, kneel, separate, mutilate, rob, deceive, stress, and kill on all the gods, souls, people, etc, from all the infinite past space and from all the infinite future space. Only the true creator ILIS INIS GSEIS, the truth, love, science, technology, and the infinite living invisible body, can save all gods, souls, people, etc, from all past infinite space and from all future infinite space, from lies, devils, death, wars, hells, apocalypses, robberies of studies, profit, resources, science, technology etc, parasites, cannibals, vampires, swindlers, worships, humiliations, circumcisions, prayers, rituals of murder and cannibalism, madness, sacrifices, thousands of alphabets, languages, religions and politics, etc. They tried in these video codes,

and in the book Eternal Order. I have paranormal etc video announcements, from them, that they will make an apocalypse. Or will they give up? No one is afraid, no one believes, no one is ashamed, they stole, hid, etc. What is the power of these invisible creatures? They rotate the planets at the same distance and at the same time for thousands of years. I think they are involved in Hiroshima, Chernobyl, L'Aquila, Fukushima, Coronavirus, etc. There are telepathic connections and phenomena around me. There are paranormal video announcements of the apocalypse, made by these invisible creatures that rotate the planets, etc. No one not believes in the creator, souls, and video codes, and as demonstrations, we have the online robbery of these creatures, codes, and demonstrations, from the year 2011. Attacking, threatening, insulting, etc, of the people around these creatures, codes, and demonstrations. People without conscience, pity, fear and shame, want to save lies, robberies, wars, misunderstanding, death, hells, apocalypses, thousands of alphabets, languages, religions and politics, etc, all infinite time and space. Persons without conscience, pity, fear and shame, have deceived, humiliated, kneeled, separated, robbed, maimed, stressed, sickened, and assassinated all the gods, souls, persons, etc, from all the infinite past space and from all the infinite future space. They stole hidden and destroyed, these demonstrations made by the true creator ILIS INIS GSEIS, truth, love, science, technology, and the infinite living invisible body. The Creator has risen from the dead all the gods, souls, persons, etc, from all the infinite past space and from all the infinite future space. This situation is repeated ad infinitum. You are re-murdered and revived ad infinitum because of some unconscious people, misinformed, bewitched, hypnotized, paid, threatened, blackmailed, etc. The creator explains to us, demonstrates to us, makes us video codes, but more than that, he cannot help us. Who prefers to be re-murdered and resurrected endlessly? Who would prefer to remain eternally through his soul, all infinite time and space, with a memory full of memories and information, just like these invisible creatures? The truth, love, eternity, the creator, etc, have destroyed trillions of cultures, lies, conspiracies, wars, traditions, languages, alphabets, religions, politics, stories, dreams, etc, from all the infinite past space and from all the infinite future space. At least here and now. Devils, crooks, terrorists, charlatans, and assassins will rise from the dead trillions of cultures, lies, conspiracies, wars, traditions, languages, alphabets, religions, policies, stories, dreams, etc, from all the infinite past space and all the infinite future space. Your souls will be re-assassinated by lies and revived by the creator, every time they are installed with lies. Robberies, lies, assassinations, wars, suicides, deceptions, etc, have been legalized, all past infinite space and all future infinite space, but not in the book Eternal Order, and in the memory of our creator, etc. Intelligence, policy, religion, culture and tradition Eternal Order, belongs to these invisible creatures, and is trillions of years old, or more. They should do the tarot cards, give us the answer. We do tarot investigations, but it does not compare to the tarot investigations, done by the creator, the invisible true eternal god. Eternal Order, was, is, and will remain eternally in the memory of the creator. And probably also in the memory of who finds and wants the truth, the creator, eternity, etc. Even after the re-destruction and reconstruction of the existence. The Creator is right here next to me or in me or I in him. Details to investigate. People from the Stone Age did not have the opportunity to know such invisible creatures, video codes, information, etc. Although they were present, and teleguided them. The Creator cannot save us from foolishness, lies, devils, prayers, rituals of murder and cannibalism, circumcisions, worships, sacrifices, stone age, wars, robberies, waiting, misinformation, secrets, unknown, Bible, Quran, thousands of alphabet languages religions and politics, devils, swindlers, accomplices, victims, etc, except with these explanations, demonstrations, video codes, and the book Eternal Order, or the body soul and intellectual re death, or the apocalypse. The people of the microchip era, have the opportunity to know such invisible creatures, video codes, information, etc. Some people have stolen these invisible creatures and informations, others want to destroy them, others hide them, others don't want to know them, etc. The real and true creator did not steal the lies, stories, murders, cultures, traditions, religions, policies, suicides, robberies, deceptions, conspiracies, wars, plans, etc, from the stone age, infinite time and infinite space. He explained and destroyed them. Persons paid drugged hypnotized blackmailed misinformed envious unconscious possessed etc, want to hide manipulate falsify clone or kill themselves, the truth, love, respect, eternity, understanding, unity, equality, creator, infinite living invisible body, persons, souls, gods, devils, creatures, etc. Stop struggling to rise from the dead, the lies, wars, secrets, unknown, death, etc. All information, sciences, resources, technologies, profit, etc, belong equally to all gods, souls, persons, etc, from infinite time and space. ----- Invite all your friends here. 3450. Noi va rugam frumos, sa ne ajutati. Noi, toate persoanele creaturile si sufletele din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, creatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, adevarul intelegerea ordinea eternitatea pacea egalitatea unitatea libertatea dreptatea stiintele tehnologia realitatea iubirea, corpul invizibil viu infinit, cartea Etern Ordin, codurile video 24999 Etern Ordin etc, etc, suntem legati si incuiati in razboaie, minciuni, cenzura, dezinformare, invidie, rasism, moarte, dusmanie, asasinari, sinucideri, mutilari, talharii, iaduri, inchisori, scandaluri, rugaciuni, ritualuri de crima si canibalism, circumcizii, inchinari, umiliri, sacrificii, epoca de piatra, razboaie, asteptare, secrete, necunoscut, imposibil, inexistent, Biblie, Quran, mii de alfabete limbi religii si politici, etc. Cine, cand, si cum ne poate elibera? Din anul 2011 nu reuseste nimeni sa se elibereze si sa se ascunda de razboaie, minciuni, scandaluri, secrete, etc. Unele persoane se leaga si mai strans in minciuni, razboaie, necunoscut, dezinformare, rasism, invidie, iad, moarte, etc. Cu stiinte, adevar, Etern Ordin, etc, va eliberati si dezlegati din orice razboi, minciuna, alfabet, limba, iad, talharie, moarte, etc. Doar trebuie sa gasiti, studiati, intelegeti, invatati, si aplicati aceste informatii. Cu totii. Razboiul infinit dintre adevar si minciuni se termina cu aceasta fraza. Razboaiele infinite dintre oricine si orice, se termina cu aceasta fraza. Mentineti vie si prezenta aceasta fraza. Persoane fara constiinta, credinta, informatii, inteligenta, mila si rusine, au inlocuit creatorul nostru adevarat invizibil etern, ILIS INIS GSEIS, cu persoane din epoca de piatra, cu carti, cu balauri, cu amulete, cu icoane, cu alfabete, cu limbi, cu spatii, cu timpuri, cu locuri, cu Biblia, cu Coranul, cu asasinari, cu mutilari, cu sinucideri, cu circumcizii, cu rugaciuni, cu ritualuri de crima si canibalism, cu persoane, cu etc. Nu putem vedea corpul invizibil al creatorului nostru, dar putem simti analiza si consulta corpul invizibil al creatorului nostru in codurile video 24999 Etern Ordin etc. Fiecare dintre noi are un tata unic o mama unica si un creator comun. Un creator comun invizibil care apartine in mod egal la fiecare indiferent daca al cunoaste, sau crede, sau al accepta. Fara acest creator comun invizibil, existenta nu ar exista, persoanele nu s-ar naste si nu ar trai, galaxia nu s-ar invarti la aceiasi distanta si in acelasi timp, persoanele nu ar fi ajuns la microcip tehnologie si codurile video 24999 Etern Ordin etc. Aceasta creatura invizibila si-a demonstrat existenta, corpul, caracteristicile, magia, inteligenta si planurile in codurile video 24999 Etern Ordin etc. Persoane fara constiinta, credinta, informatii, inteligenta, mila si rusine, au incuiat creatorul nostru si al lor in cenzura, dezinformare, invidie, etc, din anul 2011 pana in anul ....., si cer ajutor inteligenta pace adevar eternitate etc, in continuare, de la papusi, balauri, creaturi moarte, creaturi

inexistente, sau creaturi nenascute. Chiar in epoca internetului, avem foarte multe persoane, care sunt posedate de minciuni, cenzura, dezinformare, papusi, epoca de piatra, santaj, salarii, telepatie, si prostie. Creatorul, stiintele, tehnologia, adevarul, iubirea, etc, nu le poate ajuta mai mult de atat. Aceste persoane refuza ajutorul, creatorul, stiintele, tehnologia, adevarul, iubirea, etc. Vor sa le distruga. Vor alt model de creator, cu alt nume, cu alta inteligenta, cu alte planuri, etc. Asa este creatorul nostru adevarat etern, asta este numele lui, asta este inteligenta lui, astea sunt planurile lui, asa al avem. Nu putem sa al alegem, sau schimbam. Creatorul nostru a fost inlocuit zeci de mii de ani, cu persoane, povesti, papusi, icoane, telepatie, amulete, anatomie, Biblie, Quran, araba, engleza, etc. Persoane fara constiinta, credinta, informatii, inteligenta, mila si rusine, cred ca creatorul, stiintele, tehnologia, adevarul, iubirea, etc, sunt diavoli, demoni, mincinosi, escroci, talhari, tirani, rasisti, dusmani, etc. Cine le poate educa? In sfarsit avem video cu corpul invizibil al creatorului nostru. La multi nu le place. Multi ascund. Multi vor sa distruga. Multi vor sa cloneze corpul invizibil al creatorului nostru, numele lui etern, caracteristicile, etc. Persoane fara constiinta, credinta, informatii, inteligenta, mila si rusine, ne-au dat balauri, tirani, papusi, anatomie, etc, in loc de creatorul nostru adevarat. Persoane fara constiinta, credinta, informatii, inteligenta, mila si rusine, ne-au furat si ne-au incuiat creatorul, si ne-au dat balauri, tirani, papusi, anatomie, etc, in loc de creatorul nostru adevarat. Suntem analizati de creator, corpul invizibil viu infinit, adevar, stiinte, toate persoanele creaturile si sufletele din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, etc. ----- Invita toti prietenii tai aici. 3450. We kindly ask you to help us. We, all persons creatures and souls from all infinite past space and from all infinite future space, the creator of the existence intelligence sciences technology people souls galaxies etc, eternal invisible, ILIS INIS GSEIS, the truth understanding order eternity peace equality unity freedom justice sciences technology reality love, the infinite living invisible body, the book Eternal Order, the video codes 24999 Eternal Order etc, etc, we are bound and locked in wars, lies, censorship, disinformation, envy, racism, death, enmity, assassinations, suicides, mutilations, robberies, hells, prisons, scandals, prayers, rituals of murder and cannibalism, circumcisions, worships, humiliations, sacrifices, stone age, wars, waiting, secrets, unknown, impossible, non-existent, Bible, Quran, thousands of alphabets languages religions and politics, etc. Who, when, and how can free us? Since 2011, no one has not been able to escape and hide from wars, lies, scandals, secrets, etc. Some people bind themselves even more tightly in lies, wars, unknown, misinformation, racism, envy, hell, death, etc. With sciences, truth, Eternal Order, etc, you free yourself from any war, lie, alphabet, language, hell, robbery, death, etc. You just must to find, study, understand, learn, and apply this information. All of us. The endless war between truth and lies ends with this phrase. The endless wars between anyone and anything end with this phrase. Keep this phrase alive and present. People without conscience, faith, information, intelligence, mercy and shame, have replaced our eternal invisible true creator, ILIS INIS GSEIS, with stone age people, with books, with dragons, with amulets, with icons, with alphabets, with languages, with spaces, with times, with places, with the Bible, with the Quran, with assassinations, with mutilations, with suicides, with circumcisions, with prayers, with rituals of murder and cannibalism, with people, with etc. We cannot see the invisible body of our creator, but we can feel analyze and consult the invisible body of our creator in the video codes 24999 Eternal Order etc. Each of us has a unique father, a unique mother and a common creator. An invisible common creator that belongs equally to everyone regardless of whether they know it, or believe it, or accept it. Without this common invisible creator, existence would not exist, people would not be born and would not live, the galaxy would not rotate at the same distance and at the same time, people would not have reached the microchip technology and video codes 24999 Eternal Order etc, and so on This invisible creature demonstrated its existence, body, characteristics, magic, intelligence and plans in video codes 24999 Eternal Order etc. People without conscience, faith, information, intelligence, mercy and shame, locked up our creator and theirs in censorship, disinformation, envy, etc, from the year 2011 until the year ....., and they asking for help, intelligence, peace, truth, eternity etc, further, from dolls, dragons, dead creatures, non-existent creatures, or unborn creatures. Even in the age of the Internet, we have many people who are possessed by lies, censorship, misinformation, puppets, the stone age, blackmail, salaries, telepathy, and stupidity. The Creator, sciences, technology, truth, love, etc, cannot help them more than that. These people refuse the help, creator, science, technology, truth, love, etc. They want to destroy them. They want another model of creator, with another name, with another intelligence, with other plans, etc. This is our true eternal creator, this is his name, this is his intelligence, these are his plans, this is what we have. We cannot choose it, or change it. Our Creator has been replaced for tens of thousands of years, with people, stories, dolls, icons, telepathy, amulets, anatomy, Bible, Quran, Arabic, English, etc. People without conscience, faith, information, intelligence, mercy and shame, believe that the creator, 24999, Eternal Order, sciences, technology, truth, love, etc, are devils, demons, liars, crooks, robbers, tyrants, racists, enemies, etc. Who can educate them? Finally we have video with the invisible body of our creator. Many people don't like it. Many hide. Many want to destroy. Many want to clone the invisible body of our creator, his eternal name, characteristics, etc. People without conscience, faith, information, intelligence, mercy and shame, gave us dragons, tyrants, puppets, anatomy, etc, instead of our true creator. People without conscience, faith,

information, intelligence, mercy and shame, stole and locked away our creator, and gave us dragons, tyrants, puppets, anatomy, etc, instead of our true creator. We are analyzed by the creator, the infinite living invisible body, truth, sciences, all persons creatures and souls from all past infinite space and from all future infinite space, etc. ----- Invite all your friends here. 3452. Pentru ca sa cunosti creatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, la perfectie, trebuie sa memorizezi miliarde de ani de carti de stiinte, tehnologii, magii, medicina, matematica, fizica, chimie, alfabete, limbi, etc. Este imposibil pentru persoane suflete etc. Cate trilioane de ani are astfel de memorie, si cum de mentine de atata timp, atatea informatii? Rezumatul despre creatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, adevar, pace, existenta, iubire, eternitate, intelegere, ordine, dreptate, egalitate, unitate, si respect sunt codurile video 24999 Etern Ordin etc. Acest rezumat este suficient pentru ca sa traiesti in pace, adevar, iubire, respect, etc, si sa ai suflet etern. El nu ne umileste, nu ne ingenunchiaza, nu ne separa, nu ne fura, nu ne mutileaza, nu ne infecteaza, nu ne streseaza, si nu ne omoara. El ne salveaza, creste, educa, energizeaza, uneste, egalizeaza, protejeaza, legalizeaza, eternizeaza, vindeca, etc. El are trilioane de concurenti, in tot infinitul trecut spatiu si in tot infinitul viitor spatiu. Diavolii si persoane fara constiinta,

credinta, informatii, inteligenta, mila si rusine, ascund creatorul nostru unic comun adevarat etern invizibil prezent etc, ILIS INIS GSEIS, sau spun minciuni despre el, sau vor sa al distruga, sau vor sa al omoare, sau ai fabrica trilioane de concurenti, sau etc. Nu se poate clona creatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS. Diavolii au creat creatori tirani, asasini, mincinosi, idioti, nedrepti, escroci, etc, asadar avem multi atei asasini sinucigasi talhari paraziti rasisti blasfemi etc. Desi creatorul nostru sta langa mine, sau in mine, de cand m-am nascut, abia in aceste timpuri am reusit sa al cunosc mai bine. Acest adevar este demonstrat in codurile video 24999 Etern Ordin etc. Oricine mi-a facut rau mie, a facut rau lui, si creatorului. Suntem eterni, sfinti, iubitori, folositori, pasnici, frumosi, puternici, liberi, uniti, egali, cinstiti, etc, numai daca suntem instalati cu creatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, limba romana 26 litere, adevar, pace, existenta, iubire, eternitate, intelegere, ordine, dreptate, egalitate, unitate, respect si codurile video 24999 Etern Ordin etc. Suntem mortali, razboinici, tirani, asasini, sinucigasi, mincinosi, idioti, nedrepti, escroci, slabi, etc, daca suntem instalati cu minciuni, cenzura, dezinformare, invidie, rasism, moarte, dusmanie, asasinari, sinucideri, mutilari, talharii, iaduri, inchisori, scandaluri, rugaciuni, ritualuri de crima si canibalism, circumcizii, inchinari, umiliri, sacrificii, epoca de piatra, razboaie, asteptare, secrete, necunoscut, imposibil, inexistent, Biblie, Quran, mii de religii si politici, etc. Noi trebuie sa ne gandim macar zece la suta din viata, la creatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, adevar, pace, existenta, iubire, eternitate, intelegere, ordine, dreptate, egalitate, unitate, respect, si codurile video 24999 Etern Ordin etc. Noi nu trebuie sa ne gandim, nici macar unul la suta din viata, la minciuni, diavoli, tirani, razboaie, talharii, furturi, sinucideri, asasinari, mii de alfabete limbi religii si politici, etc. ----- Invita toti prietenii tai aici. 3452. In order to know the creator of the intelligence, of the existence, of the sciences of the people of the souls of the galaxies, etc, eternally invisible, ILIS INIS GSEIS, to perfection, you must to memorize billions of years of books, of sciences, technologies, magic, medicine, mathematics, physics, chemistry, alphabets, languages, etc. It is impossible for souls, persons, etc. How many trillions of years does this kind of memory have, and how does it maintain for so long, so much informations? The summary about the creator of the intelligence, of the existence, of the sciences, of the people, of the souls, of the galaxies, etc, eternal invisible, ILIS INIS GSEIS, truth, peace, existence, love, eternity, understanding, order, justice, equality, unity, and respect are the video codes 24999, Eternal Order, etc. It is enough for you to live in peace, truth, love, respect, etc, and to have an eternal soul. There are no details about the creator of the intelligence, existence, sciences, technology, people, souls, galaxies, etc, eternally invisible, ILIS INIS GSEIS. He does not want to give us details. He gave us millions of years of sciences, etc, he gave us his name, he gave us some wishes and characteristics about him, but he doesn't give us details about him. Our unique common creator true eternal invisible present etc, is ILIS INIS GSEIS. He is the singer, the actor, the writer, the psychologist, the priest, the prophet, the judge, the savior, etc, preferred by all people, creatures and souls from all the infinite past space and from all the infinite future space. He does not humiliate us, kneel, separate, steal, mutilate, infect, stress, and kill us. He saves us, grows, educates, energizes, unites, equalizes, protects, legalizes, eternalizes, heals, etc. He has trillions of competitors, in all infinite past space and in all future infinite space. Devils and persons without conscience, faith, information, intelligence, mercy and shame, hide our unique common creator true eternal invisible present etc, ILIS INIS GSEIS, or tell lies about him, or want to destroy him, or want to kill him, or manufacture trillions of competitors, or etc. Nobody cannot clone the creator of the intelligence, existence, sciences, technology, people, souls, galaxies, etc, eternally invisible, ILIS INIS GSEIS. The devils created many creators, which are tyrants, murderers, liars, idiots, unjust, swindlers, etc, so we have many atheists, murderers, robbers, parasites, racists, blasphemers, etc. Although our creator has been with me or in me since I was born, only recently have I managed to get to know him better. This truth is demonstrated in the video codes 24999 Eternal Order etc. Anyone who hurt me, hurt himself, and the creator. We are eternal, holy, loving, useful, peaceful, beautiful, strong, free, united, equal, honest, etc, only if we are installed with the creator of the intelligence, existence, sciences, technology, people, souls, galaxies, etc, eternally invisible, ILIS INIS GSEIS, Romanian language 26 letters, truth, peace, existence, love, eternity, understanding, order, justice, equality, unity, respect and the video codes 24999 Eternal Order etc. We are mortal, warriors, tyrants, assassins, suicidal, liars, idiots, unjust, crooks, weak, etc, if we are installed with lies, censorship, misinformation, envy, racism, death, enmity, assassinations, suicides, mutilations, robberies, hells, prisons, scandals, prayers, rituals of murder and cannibalism, circumcisions, worships, humiliations, sacrifices, the stone age, wars, waiting, secrets, unknown, impossible, non-existent, Bible, Quran, thousands of religions and policies, etc. We must think at least ten percent of life, to the creator of the existence, intelligence, sciences, technology, people, souls, galaxies, etc, eternally invisible, ILIS INIS GSEIS, truth, peace, existence, love, eternity, understanding, order, justice, equality, unity, respect, and the video codes 24999 Eternal Order etc. We must not think, not even one percent of our lives, at lies, devils, tyrants, wars, robberies, thefts, suicides, assassinations, thousands of alphabets, languages, religions and politics, etc. ----- Invite all your friends here. 3453. Persoanele, sufletele, zeii, si creaturile, instalate cu creatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, limba romana 26 litere, adevar, pace, existenta, iubire, eternitate, intelegere, ordine, dreptate, egalitate, unitate, respect si codurile video 24999 Etern Ordin etc, traiesc etern, si nu pot fi complici sau instalati cu minciuni, cenzura, dezinformare, invidie, rasism, moarte, dusmanie, asasinari, sinucideri, mutilari, talharii, iaduri, inchisori, scandaluri, rugaciuni, ritualuri de crima si canibalism, circumcizii, inchinari, umiliri, sacrificii, epoca de piatra, razboaie, asteptare, secrete, necunoscut, imposibil, inexistent, Biblie, Quran, mii de religii si politici, etc. Creatorul m-a dezinstalat de minciuni, cenzura, dezinformare, invidie, rasism, moarte, dusmanie, asasinari, sinucideri, mutilari, talharii, iaduri, inchisori, scandaluri, rugaciuni, ritualuri de crima si canibalism, circumcizii, inchinari, umiliri, sacrificii, epoca de piatra, razboaie, asteptare, secrete, necunoscut, imposibil, inexistent, Biblie, Quran, mii de religii si politici, etc, in cativa ani prin demonstratii, telepatie, coduri video, magie, telekinezie, etc. Folositi acest model si pentru voi. Creatorul m-a instalat cu creatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, limba romana 26 litere, adevar, pace, existenta, iubire, eternitate, intelegere, ordine, dreptate, egalitate, unitate, respect si codurile video 24999 Etern Ordin etc, in cativa ani, prin demonstratii, telepatie, coduri video, magie, telekinezie, etc. Folositi acest model si pentru voi. Au gresit si au murit in trecut, sper sa nu greseasca si sa moara si in viitor. Sunt multe persoane, suflete, zei, si creaturi, care nu isi dau seama cu ce sunt instalate, si de cine sunt instalate, si cum si in cat timp sunt instalate. Sunt multe persoane, suflete, zei, si creaturi, care sunt platite sa insele, fure, mutileze, separe, si omoare zei, persoane, suflete, creaturi, etc. Inca nu exista persoane, suflete, zei, si creaturi, care sunt platite sa te apere de talharii de studii stiinte resurse profit banci persoane etc din trecut prezent si viitor, minciuni, cenzura, dezinformare, invidie, rasism, moarte, dusmanie, asasinari, sinucideri, mutilari, talharii, iaduri, inchisori, scandaluri, rugaciuni, ritualuri de crima si canibalism, circumcizii, inchinari, umiliri, sacrificii, epoca de piatra, razboaie, asteptare, secrete, necunoscut, imposibil, inexistent, Biblie, Quran, mii de religii si politici, etc. Creatorul m-a salvat gratuit, fara sa ceara sau primeasca rugaciuni, sacrificii, ritualuri, cantece, donatii, etc. Cand salveaza creatorul nostru, opt miliarde de persoane de minciuni, moarte, iad, razboaie, etc? De ce el nu a putut salva nici un zeu, nici un suflet, nici o persoana, si nici o creatura, din infinitul trecut spatiu de minciuni, moarte, iad, razboaie, etc? Cate persoane, suflete, zei, si creaturi, din infinitul viitor spatiu, va salva creatorul nostru, de minciuni, moarte, iad, razboaie, etc? Este asa de greu sa dezinstalezi o persoana de minciuni, moarte, iad, razboaie, etc, si sa o instalezi cu numele creatorului, limba romana 26 litere, adevar, pace, existenta, iubire, eternitate, intelegere, ordine, dreptate, egalitate, unitate, respect si codurile video 24999 Etern Ordin etc? Cate persoane au incercat singure, sa se dezinstaleze de minciuni, moarte, iad, razboaie, etc? Cate persoane au incercat singure, sa se instaleze cu numele creatorului, limba romana 26 litere, adevar, pace, existenta, iubire, eternitate, intelegere, ordine, dreptate, egalitate, unitate, respect si codurile video 24999 Etern Ordin etc? Creatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, a reinviat toate sufletele din tot infinitul trecut spatiu, dar nu a putut sa le salveze de minciuni razboaie tirani iad moarte etc, decat acum si aici. Creatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, va reinvia toate sufletele din tot infinitul viitor spatiu, daca nu le poate salva de minciuni razboaie tirani iad moarte etc. Remoartea sufletelor, reinvierea sufletelor, reincarnarea sufletelor, si redezincarnarea sufletelor, iar daca sunt instalate cu minciuni etc, pleaca din nou de la zero, de la remoartea sufletelor. Persoanele se inseala, fura, umilesc, si omoara singure. Asa fac si cu sufletele lor. Creatorul nu le poate salva. Avem denonstratii din anul 2011. Persoanele cred in balauri, papusi, minciuni, tirani, etc, dar nu vor sa creada in creatorul nostru ILIS INIS GSEIS, coduri video, demonstratii, iubire, adevar, eternitate, suflete, etc. Unele persoane inca cred minciuna cu invierea corpului uman. Persoanele din infinitul trecut spatiu, nu vor fi in infinitul viitor spatiu, decat prin sufletele lor. Nu exista repetitii si reintoarceri de persoane, suflete, etc. Trebuia sa va dati seama ca reintoarcerea lui Isus Hristos in anul 2000, este o minciuna, un complot, si o capcana, la fel ca invierea

corpului lui din morti. Minciunile nu sunt opere de arta, cultura, traditie, etc, sunt informatii care te ucid. Ati aflat in schimb cum se fabrica profeti, adevar, iubire, pace, intelegere, etc. Nu putem afla mai multe despre creatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, si codurile video 24999 Etern Ordin etc. Exista persoane, suflete, creaturi, etc, care au frica, rusine, etc, care nu au timp posibilitatea etc, care nu vor, sau care nu isi dau seama, sa se dezinstaleze de minciuni, razboaie, mii de alfabete limbi religii si politici, etc, si sa se instaleze cu adevar, realitate, Etern Ordin, numele creatorului, limba romana 26 litere, etc. Exista persoane, suflete, creaturi, etc, capturate, incuiate si legate in minciuni, razboaie, dezinformare, moarte, iad, invidie, Biblie, Quran, epoca de piatra, alfabete, limbi, etc. Creatorul nu va poate ajuta mai mult de atat. Persoanele creaturile zeii si sufletele din tot infinitul trecut spatiu, au cautat dar nu au gasit creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor adevarului iubirii ordinei intelegerii etc, etern invizibil, ILIS INIS GSEIS, adevarul, pacea, iubirea, eternitatea, intelegerea, ordinea, dreptatea, egalitatea, unitatea, respectul, codurile video 24999 Etern Ordin etc, etc. Persoanele creaturile zeii si sufletele din tot infinitul viitor spatiu probabil vor ascunde, sau ignora creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor adevarului iubirii ordinei intelegerii etc, etern invizibil, ILIS INIS GSEIS, adevarul, pacea, iubirea, eternitatea, intelegerea, ordinea, dreptatea, egalitatea, unitatea, respectul, codurile video 24999 Etern Ordin etc, etc, sau le vor inlocui cu diavoli, zei, persoane, tirani, rasisti, invidiosi, regi, minciuni, epoca de piatra, mii de alfabete limbi religii si politici, razboaie, moarte, iad, etc. Suntem in democratie, si pe internet, dar creatorul inca nu are voie sa decida cine este creatorul, ce trebuie sa cunoasca, transmita, faca, aleaga, salveze, vindece, etc. Inca avem persoane care decid cine este creatorul, si ce trebuie sa cunoasca, transmita, faca, aleaga, salveze, vindece, etc. ----- Invita toti prietenii tai aici. 3453. The persons, the souls, the gods, and the creatures, installed with the creator of the intelligence, of the existence, of the sciences, of the technology, of the persons, of the souls, of the galaxies, etc., eternally invisible, ILIS INIS GSEIS, Romanian language 26 letters, truth, peace, existence, love, eternity, understanding, order, justice, equality, unity, respect and the video codes 24999 Eternal Order etc, live eternally, and cannot be complicit or installed with lies, censorship, misinformation, envy, racism, death, enmity, assassinations, suicides, mutilations, robberies, hells, prisons, scandals, prayers, rituals of murder and cannibalism, circumcisions, worships, humiliations, sacrifices, stone age, wars, waiting, secrets, unknown, impossible, non-existent, Bible, Quran, thousands of religions and policies, etc. The Creator has uninstalled me by lies, censorship, misinformation, envy, racism, death, enmity, assassinations, suicides, mutilations, robberies, hells, prisons, scandals, prayers, rituals of murder and cannibalism, circumcisions, worships, humiliations, sacrifices, the era of stone, wars, waiting, secrets, unknown, impossible, non-existent, Bible, Quran, thousands of religions and policies, etc., in a few years through demonstrations, telepathy, video codes, magic, telekinesis, etc. Use this model for yourself too. The creator installed me with the creator of the intelligence, of the existence, of the sciences, of the people, of the souls, of the galaxies, etc, eternal invisible, ILIS INIS GSEIS, the Romanian language 26 letters, truth, peace, existence, love, eternity, understanding, order, justice, equality, unity, respect and the video codes 24999 Eternal Order, etc, in a few years, through demonstrations, telepathy, video codes, magic, telekinesis, etc. Use this model for yourself too. They made mistakes and died in the past, I hope they don't make mistakes and die in the future. Persons, souls, gods, and creatures, installed with lies, censorship, misinformation, envy, racism, death, enmity, assassinations, suicides, mutilations, robberies, hells, prisons, scandals, prayers, rituals of murder and cannibalism, circumcisions, worship, humiliations, sacrifices, stone age, wars, waiting, secrets, unknown, impossible, non-existent, Bible, Quran, thousands of religions and policies, etc, will end up in hell and die if they are not uninstalled and installed with the creator of the intelligence, existence, sciences, technology, people, souls, galaxies, etc, eternal invisible, ILIS INIS GSEIS, Romanian language 26 letters, truth, peace, existence, love, eternity, understanding, order, justice, equality, unity, respect and the video codes 24999 Eternal Order, etc. There are many people, souls, gods, and creatures, who want to remain installed with lies, censorship, misinformation, etc, therefore they end up in hell and die. There are many people, souls, gods, and creatures, who do not want to be installed with the creator of intelligence, existence, sciences, technology, people, souls, galaxies, etc, eternally invisible, ILIS INIS GSEIS, Romanian language 26 letters, truth, peace, existence, love, eternity, understanding, order, justice, equality, unity, respect and the video codes 24999 Eternal Order etc, therefore they end up in hell and die. There are many people, souls, gods, and creatures, who do not realize what they are installed with, and by whom they are installed, and how and for how long they are installed. There are many persons, souls, gods, and creatures, who are paid to deceive, steal, mutilate, separate, and kill gods, persons, souls, creatures, etc. There are still no people, souls, gods, and creatures, who are paid to defend you from the robbers of studies sciences resources profits banks people etc from the past present and future, lies, censorship, misinformation, envy, racism, death, enmity, assassinations, suicides, mutilations, robberies, hells, prisons, scandals, prayers, rituals of murder and cannibalism, circumcisions, worships, humiliations, sacrifices, stone age, wars, waiting,

secrets, unknown, impossible, non-existent, Bible, Quran, thousands of religions and politics, etc. The Creator saved me for free, without asking or receiving prayers, sacrifices, rituals, songs, donations, etc. When does our creator save eight billion people from lies, death, hell, wars, etc.? Why could he not save no god, no soul, no person, and no creature, from the infinite past space of lies, death, hell, wars, etc.? How many people, souls, gods, and creatures, from the infinite future space, will our creator save, from lies, death, hell, wars, etc? It is so difficult to uninstall a person from lies, death, hell, wars, etc, and install it with the name of the creator, the Romanian language 26 letters, truth, peace, existence, love, eternity, understanding, order, justice, equality, unity, respect and video codes 24999 Eternal Order etc? How many people have tried alone, to uninstall themselves of lies, death, hell, wars, etc? How many people have tried alone to install themselves with the name of the creator, the Romanian language 26 letters, truth, peace, existence, love, eternity, understanding, order, justice, equality, unity, respect and the video codes 24999 Eternal Order etc.? The creator of the existence, intelligence, sciences, technology, people, souls, galaxies, etc, eternally invisible, ILIS INIS GSEIS, resurrected all souls from all the past infinite space, but he could not save them from lies, wars, tyrants, hell, death, etc, except now and here. The creator of the intelligence, existence, sciences, technology, people, souls, galaxies, etc, eternally invisible, ILIS INIS GSEIS, will revive all souls from all the infinite future space, if he cannot save them from lies, wars, tyrants, hell, death, etc. The redeath of the souls, the revival of the souls, the reincarnation of the souls, and the redisincarnation of the souls, and if they are installed with lies, etc., it starts again from zero, from the redeath of the souls. People cheat, steal, humiliate, and kill themselves. They do the same with their souls. The creator cannot save them. We have demonstrations since 2011. People believe in dragons, puppets, lies, tyrants, etc, but they don't want to believe in our creator ILIS INIS GSEIS, video codes, demonstrations, love, truth, eternity, souls, etc. Some people still believe the lie about the resurrection of the human body. The people from the infinite past space, will not be in the future infinite space, except through their souls. There are no repetitions and returns of the persons, souls, etc. You should have realized that the return of Jesus Christ in the year 2000 is a lie, a plot, and a trap, just like the resurrection of his body from the dead. Lies are not works of art, culture, tradition, etc, they are information that kills you. Instead, you learned how to make prophets, truth, love, peace, understanding, etc. We cannot learn more about the creator of the intelligence, of the existence, of the sciences, of the people, of the souls, of the galaxies, etc., eternally invisible, ILIS INIS GSEIS, and the video codes 24999 Eternal Order, etc. There are people, souls, creatures, etc, who have fear, shame, etc, who don't have time opportunity etc, who don't want, or who don't realize, to uninstall themselves of lies, wars, thousands of alphabets languages religions and politics, etc, and to be installed with truth, reality, Eternal Order, the name of the creator, the Romanian language 26 letters, etc. There are people, souls, creatures, etc, captured, locked and bound in lies, wars, misinformation, death, hell, envy, Bible, Quran, stone age, alphabets, languages, etc. The creator cannot help you more than that. The people, the creatures, the gods and the souls from all the infinite past space, searched but did not find the creator, the caretaker, the guardian and the destroyer of the intelligence, of the existence, of the sciences, of the people, of the souls, of the galaxies, of the truth, of the love, of the order, of the understanding, etc., eternally invisible, ILIS INIS GSEIS, the truth, peace, love, eternity, understanding, order, justice, equality, unity, respect, video codes 24999 Eternal Order etc, etc. The persons, the creatures, the gods, and the souls from all the infinite future space will probably hide, or ignore the creator the caretaker the guardian and the destroyer of the intelligence, of the existence, of the sciences, of the technology, of the people, of the souls, of the galaxies, of the truth, of the love, of the order, of the understanding, etc., eternally invisible, ILIS INIS GSEIS, the truth, peace, love, eternity, understanding, order, justice, equality, unity, respect, video codes 24999 Eternal Order etc, etc, or they will replace them with devils, gods, persons, tyrants, racists, envious, kings, lies, the stone age, thousands of alphabets, languages, religions and politics, wars, death, hell, etc. We are in a democracy, and on the Internet, but the creator is still not allowed to decide who the creator is, what he must know, transmit, do, choose, save, heal, etc. We still have people who decide who the creator is, and what he must know, transmit, do, choose, save, heal, etc. ----- Invite all your friends here. 3454. Acesta este singurul drum, de la nimic pana la creatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, limba romana 26 litere, adevar, pace, existenta, iubire, eternitate, intelegere, ordine, dreptate, egalitate, unitate, respect si codurile video 24999 Etern Ordin etc. Acesta este singurul drum, de la nimic pana la milioane de specii vizibile si probabil trilioane de specii invizibile. Infinitul spatiu are infinite specii vizibile si invizibile, iar structura compozitia gandurile inteligenta religia politica traditia viata etc, ale lor, sunt scrise in formula invizibila divina ILIS INIS. Unele specii au disparut, altele inca nu au fost inventate. Infiniti specii vizibile si invizibile in continua transformare fizica si intelectuala. Inteligenta este utilizata de toate formele de viata vizibile si invizibile, in cantitati diverse si de tipuri diverse. Inteligenta vizibila si invizibila, citita de o singura persoana, are ani infiniti. Numele si acronimul ILIS INIS, infinite litere invizibile in miscare in forma infiniti sfera, plus infinite numere invizibile in miscare in forma infiniti sfera, ne demonstreaza ca inteligenta este infinita. Exista

creaturi invizibile in conflict, de milioane de ani, sau de trilioane de ani, pentru locul, creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor adevarului iubirii ordinei intelegerii etc, etern invizibil, ILIS INIS GSEIS. In conflictele lor au ajuns pana la inteligenta divina paranormala din codurile video 24999 Etern Ordin etc, unde s-a stabilit exact cine este creatorul si cine sunt diavolii. Ele au terminat conflictele, scandalurile, razboaiele, apocalipsele, etc? Au manipulat trilioane de specii vizibile si invizibile in conflictele lor. Creaturile invizibile, sufletele, etc probabil se inmultesc, intre ele, la fel ca creaturile vizibile, sau probabil prin magia efectuata de o singura creatura sau mai multe. Numai creatorul stie exact cate specii vizibile si invizibile sunt in infinitul spatiu astazi, si cate vor mai fi in infinitul timp spatiu. Persoanele, sufletele, etc, nu trebuie sa ascunda elimine etc infinite specii vizibile si invizibile. Si invers. Persoanele, sufletele, etc, nu trebuie sa ascunda elimine etc adevarul, iubirea, pacea, ordinea, intelegerea, dreptatea, egalitatea, unitatea, limba romana, Etern Ordin, stiintele, tehnologia, etc. Persoanele, sufletele, etc, trebuie sa elimine razboaiele, prostia, minciunile, neintelegerea, moartea, talhariile, etc. Exista creaturi vizibile si invizibile, care vor sa elimine persoanele, sufletele, etc, din existenta. Doar creatura ILIS INIS GSEIS, poate elimina orice specie din existenta. Inventatorii de comploturi alfabetice lingvistice si religioase, nu au avut informatii despre creatura invizibila ILIS INIS GSEIS, microcip, si toate informatiile adunate pana astazi. Abia astazi, dupa trilioane de ani, au fost create codurile video, instrumentele, etc, pentru a prezenta creatura pe care nu o vede si nu o simte nimeni, creatorul existentei oricine si orice, ILIS INIS GSEIS. Nu putem cunoaste bine aceste creaturi invizibile similare cu sufletele. Persoanele sunt mai slabe fizic si intelectual decat sufletele, si toate speciile invizibile. Persoanele etc sunt ajutate etc, de unele specii invizibile, sau sufletele lor, iar de alte creaturi sunt inselate etc. Unele persoane etc, au incercat sa ascunda sau elimine din existenta trilioane de specii invizibile. Infinite creaturi invizibile si vizibile din infinitul spatiu, nu au avut probe ca exista creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor adevarului iubirii ordinei intelegerii etc, etern invizibil, ILIS INIS GSEIS, pana la inteligenta divina paranormala din codurile video 24999 Etern Ordin etc. Acestea sunt singurele probe din infinitul spatiu si timp, care demonstreaza ca exista creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor adevarului iubirii ordinei intelegerii etc, etern invizibil, ILIS INIS GSEIS. Infinite creaturi invizibile, trilioane de specii invizibile din infinitul spatiu si timp, sunt obligate de creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor adevarului iubirii ordinei intelegerii etc, etern invizibil, ILIS INIS GSEIS, sa creada in el, pace, adevar, realitate, unitate, intelegere, ordine, eternitate, iubire, respect, Etern Ordin, si codurile video GSEIS. Altfel vor vedea apocalipsa sau chiar redistrugerea si refacerea existentei. A fost anuntat de creator, in coduri video. Infinite creaturi invizibile, trilioane de specii invizibile din infinitul spatiu si timp, comunica intre ele prin telepatie in limba romana 26 litere. Unele litere si cuvinte din limba romana, din lumea invizibila, sunt mai simple. Aveti timp sa le descoperiti. Creaturile invizibile se folosesc de persoane cand vor sa scrie, studieze, descopere, efectueze coduri video, anunte, etc. Este foarte greu de studiat forma si caracteristicile speciilor invizibile. Avem in schimb nume, coduri video, ganduri, stiinte, tehnologii, paranormal, magie, etc, de la creaturi invizibile. Unele reusesc sa creeze specii vizibile, unele vad in interiorul corpului etc si modifica prin raze radiatii etc, unele piloteaza carti de tarot in sincronie cu matematica situatii anunturi etc, una misca galaxia solara etc, unele se teleporteaza, unele intercepteaza si analizeaza ganduri si raze wifi radio tv gps gsm etc, unele citesc carti de la distante mari, etc. Trebuie sa ganditi si sa studiati, si voi. Creatorul a comunicat, comunica si va comunica prin telepatie cu infinite creaturi vizibile si invizibile din infinitul spatiu si timp. Daca se trateaza de rugaciuni, ritualuri de crima si canibalism, umiliri, inchinari, sacrificii, circumcizii, talharii, razboaie, sinucideri, asasinari, minciuni, etc, atunci este vorba de diavoli sau telepatie de persoane. Speciile vizibile mor sigur si mereu intr-un timp scurt. Speciile invizibile, sufletele, etc, instalate cu limba romana, 24999, si rezumatul Etern Ordin, sunt eterne, se pot teleporta tot infinitul spatiu, etc. ----- Invita toti prietenii tai aici. 3454. This is the only way, from nothing to the creator of the intelligence, existence, sciences, technology, people, souls, galaxies, etc, eternally invisible, ILIS INIS GSEIS, Romanian language 26 letters, truth, peace, existence, love, eternity, understanding, order, justice, equality, unity, respect and video codes 24999 Eternal Order etc. This is the only way, from nothing to millions of visible species and probably trillions of invisible species. Infinite space has infinite visible and invisible species, and their structure, composition, thoughts, intelligence, religions, politics, tradition, life, etc, are written in the divine invisible formula ILIS INIS. Some species have disappeared, others have not yet been invented. Infinite visible and invisible species in continuous physical and intellectual transformation. Intelligence is used by all visible and invisible life forms, in various amounts and of various types. Visible and invisible intelligence, read by one person, has infinite years. The name and acronym ILIS INIS, infinite invisible letters in motion in the shape of infinity sphere, plus infinite invisible numbers in motion in the shape of infinity sphere, prove to us that intelligence is infinite. There are invisible creatures in conflict, by millions of years, or trillions of years, for the place, the creator, the caretaker, the guardian and the destroyer of the existence, intelligence, sciences, technology, people, souls, galaxies, truth, love, order, understanding, etc, eternally invisible, ILIS INIS GSEIS. In their conflicts, they

reached the paranormal divine intelligence from the video codes 24999 Eternal Order, etc, where it was established exactly who is the creator and who are the devils. Did they end conflicts, scandals, wars, apocalypses, etc? They manipulated trillions of visible and invisible species in their conflicts. Invisible creatures, souls, etc, probably multiply, among themselves, just like visible creatures, or perhaps through magic performed by one or more creatures. Only the creator knows exactly how many visible and invisible species there are in infinite space today, and how many there will be in infinite space time. Persons, souls, etc, must not hide, eliminate, etc, infinite visible and invisible species. And vice versa. Persons, souls, etc, must not hide, eliminate, etc, the truth, love, peace, order, understanding, justice, equality, unity, the Romanian language, Eternal Order, sciences, technology, etc. Persons, souls, etc, must eliminate wars, stupidity, lies, misunderstanding, death, robberies, etc. There are visible and invisible creatures that want to eliminate people, souls, etc, from existence. Only the creature ILIS INIS GSEIS can eliminate any species from existence. The inventors of alphabetic, linguistic and religious conspiracies, had no information about the invisible creature ILIS INIS GSEIS, the microchip, and all the information gathered until today. Only today, after trillions of years, were created, the video codes, instruments, etc, for to present the creature that no one sees and feels, the creator of the existence, everyone and everything, ILIS INIS GSEIS. We cannot know well these invisible creatures similar to souls. Persons are physically and intellectually weaker than souls, and all invisible species. People, etc, are helped, etc, by some invisible species, or their souls, and by other creatures they are deceived, etc. Some people, etc, have tried to hide or eliminate from existence trillions of invisible species. Infinite invisible and visible creatures from the infinite space, they had no evidence that there is the creator the caretaker the guardian and the destroyer of the intelligence, of the existence, of the sciences, of the technology, of the persons, of the souls, of the galaxies, of the truth, of the love, of the order, of the understanding, etc, eternally invisible, ILIS INIS GSEIS, until the paranormal divine intelligence from the video codes 24999 Eternal Order etc. These are the only evidences from the infinite space and time, which prove that there is the creator, the caretaker, the guardian and the destroyer of the existence, intelligence, sciences, technology, people, souls, galaxies, truth, love, order, understanding, etc, eternally invisible, ILIS INIS GSEIS. Infinite invisible creatures, trillions of invisible species from infinite space and time, are bound by the creator, caretaker, guardian and destroyer of the existence, intelligence, sciences, technology, people, souls, galaxies, truth, love, order, understanding, etc, eternally invisible, ILIS INIS GSEIS, to believe in him, peace, truth, reality, unity, understanding, order, eternity, love, respect, Eternal Order, and GSEIS video codes. Otherwise they will see the apocalypse or even the re-destruction and reconstruction of the existence. It was announced by the creator, in video codes. Infinite invisible creatures, trillions of invisible species from infinite space and time, communicate with each other through telepathy in the Romanian language 26 letters. Some letters and words from the Romanian language, from the invisible world, are simpler. You have time to discover them. Invisible creatures use the persons when they want to write, study, discover, perform video codes, announcements, etc. It is very difficult to study the shape and characteristics of invisible species. Instead, we have names, video codes, thoughts, sciences, technologies, paranormal, magic, etc, from invisible creatures. Some creatures manage to create visible species, some see inside the body, etc, and modify with rays radiation etc, some pilot tarot cards in sync with mathematics, situations, announcements, etc, one moves the solar galaxy, etc, some teleport, some intercept and analyze thoughts and rays wifi radio tv gps gsm etc, some read books from long distances, etc. You have to think and study, too. The Creator communicated, communicates and will communicate through telepathy with infinite visible and invisible creatures from infinite space and time. If are prayers, rituals of murder and cannibalism, humiliation, worship, sacrifices, circumcisions, robberies, wars, suicides, assassinations, lies, etc, then it is about devils or telepathy of people. Visible species die for sure and always in a short time. The invisible species, the souls, etc, installed with the Romanian language, 24999, and the Eternal Order summary, are eternal, they can teleport all the infinite space, etc. ----- Invite all your friends here. 3457. Daca cunosti rezumatul cartii Etern Ordin si codurilor video GSEIS, atunci cunosti intelegi si respecti creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor adevarului iubirii ordinei intelegerii etc, etern invizibil, ILIS INIS GSEIS, si este mai mult, mai bine, si mai folositor, decat daca tu ai cunoaste infinite specii creaturi zei suflete persoane carti religii politici stiinte magii etc vizibile sau invizibile, moarte sau nenascute, si cunoscute sau necunoscute, din infinitul trecut spatiu si din infinitul viitor spatiu. Nu au fost savanti, magi, profeti, sfinti, zei, etc, in infinitul trecut spatiu, suficienti si capabili, sa gaseasca pe creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor adevarului iubirii ordinei intelegerii etc, etern invizibil, ILIS INIS GSEIS, adevarul, pacea, eternitatea, intelegerea, corpul invizibil viu infinit, etc. In infinitul trecut spatiu, nu s-a prezentat, creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor adevarului iubirii ordinei intelegerii etc, etern invizibil, ILIS INIS GSEIS, adevarul, pacea, eternitatea, intelegerea, corpul invizibil viu infinit, etc. Eternitatea din infinitul trecut spatiu are doar doua creaturi, corpul invizibil viu infinit, si creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor adevarului iubirii ordinei intelegerii etc, etern invizibil, ILIS INIS GSEIS. Restul de suflete au remurit reinviat reincarnat redezincarnat si remurit de mai multe ori. Probabil va fi la fel in eternitatea din infinitul viitor spatiu, daca nu gasiti, nu intelegeti si nu respectati aceste informatii. Razboaiele dintre oricine si orice, din infinitul trecut spatiu si din infinitul viitor spatiu, sunt terminate la aceste informatii. Unii soldati au murit deja, unii nu s-au nascut, unii sunt nascuti in unele locuri altii in alte locuri, unii au niste arme alfabete religii politici resurse si informatii altii au alte arme alfabete religii politici resurse si informatii, etc. Moartea sau cartea Etern Ordin, tine subt control aceste razboaie infinite dintre oricine si orice. Daca astazi eu creatorul, asi invia din morti pe toti zeii sufletele etc din infinitul trecut spatiu, cu memoriile gandurile si inteligenta, pe care ei le-au avut, ar iesi o apocalipsa. Este mai bine reinvierea sufletelor din morti, cu memoria stearsa la zero. Cu cartea Etern Ordin, se trateaza si

elimina definitiv, cancerul existentei, razboaiele existentei, moartea sufletelor, neintelegerea dintre alfabete limbi politici si religii, talhariile de studii stiinte tehnologie profit resurse banci persoane etc din trecut prezent si viitor, umilintele, inchinarile, ingenuncherile, circumciziile, ritualurile de crima si canibalism, rugaciunile, sacrificiile, sinuciderile, asasinarile, etc. In anul 2011, persoane fara constiinta mila frica rusine respect etc, au furat si au ascuns tratamentul, creatorul nostru, adevarul, eternitatea, etc. Sper ca ei sa nu le distruga, sau sa le ascunda tot infinitul timp si spatiu. Creatorul nostru si moartea, au arestat analizat judecat si eliminat tot ce ne umileste, ne ingenuncheaza, ne separa, ne fura, ne inseala, ne terorizeaza, ne omoara, etc. In existenta si eternitate raman doar sufletele instalate cu limba romana 26 litere, si rezumatul cartii Etern Ordin si codurilor video GSEIS. Din anul 2011, toate sufletele de pe planeta Pamant, sunt furate, dezinformate, inselate si asasinate constient. Creatorul nostru sufletelor etc, nu are nici o vina, nu este complice, si nu ne poate ajuta mai mult sau altfel. Trebuie sa va protejati singuri sufletele de moarte, cu aceste informatii. Alte informatii nu functioneaza. Ca demonstratii aveti remoartea la toate sufletele din infinitul trecut spatiu. Creatorul a creat sufletele si remoartea sau eternitatea lor. Fiecare sa aleaga pentru el, daca vrea, ca sufletul lui, sa ai remoara reinvie reincarneze redezincarneze si remoara la infinit. Creatorul nostru, ne-a dat informatiile, cu care noi putem sa vedem sa cunoastem si sa ne pazim, de toate speciile, creaturile, zeii, sufletele, persoanele, informatiile, alfabetele, religiile, politicile, etc, din tot infinitul trecut spatiu, si din tot infinitul viitor spatiu, care ne fura, inseala, terorizeaza, separa si omoara. Cam tarziu, dar mai bine decat niciodata. Va rog sa lasati creatorul sa va ajute. Voi sunteti posedati de minciuni, razboaie, secrete, necunoscut, moarte, iad, tirani, balauri, etc. Voi aveti nevoie de adevar, eternitate, pace, informatii, realitate, Etern Ordin, intelegere, unitate, egalitate, creator, etc. ----- Invita toti prietenii tai aici. 3457. If you know the summary of the Eternal Order book and the GSEIS video codes, then you know, understand and respect the creator the caretaker the guardian and the destroyer of the existence intelligence sciences technology people souls galaxies truth love order understanding etc, eternal invisible, ILIS INIS GSEIS, and it is more better and more useful, than if you know, infinite species, creatures, gods, souls, people, books, religions, politics, sciences, magic, etc, visible or invisible, dead or unborn, and known or unknown, from infinite past space and from infinite future space. There were no scientists, magicians, prophets, saints, gods, etc, in the infinite past space, sufficient and capable, to find the creator, caretaker, guardian and destroyer of the intelligence, existence, sciences, technology, people, souls, galaxies, truth, love, order, understanding, etc, eternally invisible, ILIS INIS GSEIS, the truth, peace, eternity, understanding, infinite living invisible body, etc. In the infinite past space, did not presented, the creator, the caretaker, the guardian and the destroyer of the existence of the intelligence of the sciences of the technology of the people of the souls of the galaxies of the truth of the love of the order of the understanding etc, eternal invisible, ILIS INIS GSEIS, the truth, peace, eternity, understanding, the invisible body living infinite, and so on. Eternity from the infinite past space has only two creatures, the invisible living infinite body, and the creator the caretaker the guardian and the destroyer of the intelligence existence sciences technology people souls galaxies truth love order understanding etc, eternal invisible, ILIS INIS GSEIS. The rest of the souls have redeath resurrected reincarnated redesincarnated and redeath several times. It will probably be the same in eternity from the infinite future space, if you don't find, don't understand and don't respect this information. The wars between anyone and anything, from infinite past space and from infinite future space, are finished with this information. Some soldiers have already died, some have not been born, some are born in some places others in other places, some have some weapons alphabets religions politics resources and information others have other weapons alphabets religions politics resources and information, etc. Death or the book Eternal Order, keeps under control these infinite wars between anyone and anything. If today I, the creator, were to resurrect all the gods, souls, etc, from the infinite past space, with the memories, thoughts and intelligence on which they had, an apocalypse would emerge. It is better to resurrect the souls from the dead with the memory erased to zero. With the book Eternal Order, the cancer of existence, the wars of existence, the death of the souls, the misunderstanding between alphabets, languages, politics and religions, the robberies of studies sciences technology profit resources banks people etc from the past present and future, the humiliations, the worships, the kneeling, the circumcisions, rituals of murder and cannibalism, prayers, sacrifices, suicides, assassinations, etc, are treated and definitively eliminated. In the year 2011, people without conscience, pity, fear, shame, respect, etc, stole and hid the treatment, our creator, the truth, eternity, etc. I hope like they, not to destroy them, or to hide them all the infinite time and space. Our creator and death, arrested, analyzed, judged and eliminated everything that humiliates us, kneels us down, separates us, steals us, deceives us, terrorizes us, kills us, etc. In existence and eternity remain, only the souls installed with the Romanian language 26 letters, and the summary of the Eternal Order book and the GSEIS video codes. Since the year 2011, all souls on planet Earth have been stolen, misinformed, deceived and knowingly murdered. Our creator of the souls, etc, has no fault, is not an accomplice, and cannot help us more or otherwise. You must protect your souls from death yourself, with this information. Other information does not work. As demonstrations, you have the redeath of all souls from

the infinite past space. The Creator created souls and their redeath or eternity. Let each one choose for himself, if he wants, that his soul, redeath, revives, reincarnates, re-disincarnates and redeath ad infinitum. Our Creator gave us the information, with which we can to see, know and defend of all species, creatures, gods, souls, persons, information, alphabets, religions, politics, etc, from all the infinite past space, and from all the infinite future space, which steals, deceives, terrorizes, separates and kills us. A little late, but better than never. Please let the creator help you. You are possessed by lies, wars, secrets, the unknown, death, hell, tyrants, dragons, etc. You need truth, eternity, peace, information, reality, Eternal Order, understanding, unity, equality, creator, etc. ----- Invite all your friends here. There were no possibilities, tools, technologies, information, sciences, rules, authorizations, etc, to discover the help, creator, truth, eternity, etc, until the year 2011. These necessities, creatures, information, etc, were stolen and in these times, spaces, rules, authorizations, etc, even by people trained by the internet age, by sciences, creator, etc. Persons without conscience, fear, pity, shame, etc, have stolen all the species, persons, souls, gods, aliens, creatures, birds, animals, insects, molecules, galaxies, planets, fruits, plants, etc, from all the infinite

No one has yet received the form, duration, etc, of the existence. Probably no one will receive certain information. There are probably many technologies, information, magic, possibilities, species, etc, which have not yet been invented by the creator. It is important that we found out everything about Eternal Infinite Order, truth, reality, eternity, unity, understanding, respect, love, etc. We have no possibilities, tools, technologies, sciences, creatures, gods, persons, laboratories, etc, to explain to us with which sciences, information rays, etc, the ESGSEIS video codes were made, by the invisible creature ESGSEIS. 3460. Daca creatorul la oricine si orice, ILIS INIS GSEIS, s-ar putea multiplica la infinit, atunci infinite persoane suflete creaturi specii etc, vizibile si invizibile, din tot infinitul spatiu, ar fi dezinstalate mai usor de razboaie, moarte, iaduri, inchisori, minciuni, dezinformare, cenzura, secrete, necunoscut, imposibil, inexistent, expirat, vise, povesti, papusi, balauri, tirani, canibali, vampiri, rasisti, paraziti, talhari, monstri, groaza, torturi, ingenuncheri, inchinari, umiliri, sacrificii, amulete de groaza, ritualuri de crima si canibalism, alcool, droguri, sinucideri, asasinari, etc, si ar fi instalate mai usor cu creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor adevarului iubirii ordinei intelegerii etc, etern invizibil, NMEILIS NMEINIS ESGSEIS, corpul invizibil viu infinit, stiinte, tehnologie, adevar, realitate, eternitate, unitate, intelegere, respect, iubire, pace, ordine, egalitate, Etern Ordin, 24999, etc. Pentru ca ar comunica zilnic prin telepatie cu o copie a creatorului, astfel ar fi controlate mai usor. Daca nu se poate, atunci aveti doar moartea, sau cartea Etern Ordin Infinit, pentru dezinstalarea voastra de razboaie, moarte, iaduri, inchisori, minciuni, dezinformare, cenzura, secrete, necunoscut, imposibil, inexistent, expirat, vise, povesti, papusi, balauri, tirani, canibali, vampiri, rasisti, paraziti, talhari, monstri, groaza, torturi, ingenuncheri, inchinari, umiliri, sacrificii, amulete de groaza, ritualuri de crima si canibalism, alcool, droguri, sinucideri, asasinari, etc. Pentru instalarea voastra cu creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor adevarului iubirii ordinei intelegerii etc, etern invizibil, NMEILIS NMEINIS ESGSEIS, corpul invizibil viu infinit, stiinte, tehnologie, adevar, realitate, eternitate, unitate, intelegere, respect, iubire, pace, ordine, egalitate, Etern Ordin, 24999, etc, aveti doar niste coduri video, alfabetul infinitului, limba infinitului, si cartea Etern Ordin Infinit. Trebuie sa te gandesti la rezumatul codurilor video ESGSEIS, si cartea Etern Ordin Infinit, macar zece ani, pentru ca sa fii dezinstalat de balauri papusi razboaie moarte etc, si pentru ca sa fii instalat cu eternitate, iubire, respect, creatorul la oricine si orice ILIS INIS GSEIS, etc. Sunt multe persoane care refuza sa se dezinstaleze de balauri papusi razboaie moarte etc, si sa se instaleze cu eternitate, iubire, respect, creatorul la oricine si orice ILIS INIS GSEIS, etc, din cauza ca sunt inconstiente, sau platite, sau santajate, sau posedate de balauri draci diavoli papusi etc, sau amenintate, sau drogate, sau fricoase, sau etc. Imi pare rau dar moartea a dezinstalat toti zeii sufletele persoanele creaturile speciile etc din tot infinitul trecut spatiu de razboaie, iaduri, inchisori, minciuni, dezinformare, cenzura, secrete, necunoscut, imposibil, inexistent, expirat, vise, povesti, papusi, balauri, tirani, canibali, vampiri, rasisti, paraziti, talhari, monstri, groaza, torturi, ingenuncheri, inchinari, umiliri, sacrificii, amulete de groaza, ritualuri de crima si canibalism, alcool, droguri, sinucideri, asasinari, etc. Printre ei se afla chiar mama corpului meu uman, si tatal corpului meu uman. Probabil corpul meu uman nu este rezultatul dintre un ovul si spermatozoid si este rezultatul dintre niste energii divine. Cu cartile de tarot, se poate investiga si cauta raspunsul. Sufletul meu nu are creator, este chiar creatorul la oricine si orice. Sufletele la toti din infinitul trecut spatiu, au fost înviate de creatorul lor, vor fi reincarnate in infinitul viitor spatiu, si vor incepe de la zero informatii. Toti zeii sufletele persoanele creaturile speciile etc din tot infinitul viitor spatiu vor fi dezinstalati de razboaie, iaduri, inchisori, minciuni, dezinformare, cenzura, secrete, necunoscut, imposibil, inexistent, expirat, vise, povesti, papusi, balauri, tirani, canibali, vampiri, rasisti, paraziti, talhari, monstri, groaza, torturi, ingenuncheri, inchinari, umiliri, sacrificii, amulete de groaza, ritualuri de crima si canibalism, alcool, droguri, sinucideri, asasinari, etc, ori de moarte, ori de codurile video ESGSEIS, si cartea Etern Ordin Infinit. Aceasta situatie este demonstrata de creatorul existentei, de timp, de spatiu, de existenta, de realitate, de adevar, de stiinte, de coduri video, de etc. Voi cum vreti sa fiti dezinstalati de razboaie, minciuni, secrete, balauri, papusi, etc? Cu moartea, sau cu cartea Etern Ordin Infinit? Voi puteti fi instalati cu eternitate, pace, iubire, adevar, realitate, etc, numai cu cartea Etern Ordin Infinit. Imi pare rau, dar toti zeii sufletele persoanele creaturile speciile etc, din tot infinitul trecut spatiu, au fost posedate controlate inselate furate mutilate stresate si omorate de draci, sau de balauri, sau de papusi, sau de diavoli, sau de minciuni, sau de etc. Cu exceptia creatorului la oricine si orice, si a corpului invizibil viu infinit. Probabil toti zeii sufletele persoanele creaturile speciile etc, din tot infinitul viitor spatiu, vor fi posedate controlate inselate furate mutilate stresate si omorate de draci, sau de balauri, sau de papusi, sau de diavoli, sau de minciuni, sau de etc. Alt ajutor, salvare, explicatie, demonstratie, etc, nu exista, tot infinitul timp si tot infinitul spatiu. ------ Invita toti prietenii tai aici. 3460. If the creator of everyone and everything, ILIS INIS GSEIS, could multiply infinitely, then infinite persons, souls, creatures, species, etc, visible and invisible, from all infinite space, would be more easily to be uninstalled by wars, death, hells, prisons, lies, misinformation, censorship, secrets, unknown, impossible, non-existent, expired, dreams, stories, puppets, dragons, tyrants, cannibals, vampires, racists, parasites, robbers, monsters, horror, torture, kneeling, worshiping, humiliation, sacrifices, amulets of horror, rituals of murder and cannibalism, alcohol, drugs, suicides, assassinations, etc, and would be more easily to be installed with the creator, caretaker, guardian and destroyer of the intelligence, existence, science, technology, people, souls, galaxies, truth, love, order, understanding, etc, eternally invisible, NMEILIS NMEINIS ESGSEIS, the infinite living invisible body, sciences, technology, truth, reality, eternity, unity, understanding, respect, love, peace, order, equality, Eternal Order, 24999, etc. Because they would communicate daily through telepathy with a copy of the creator, so they would be controlled more easily. If it is not possible, then you have only the death or the book Eternal Order Infinite, for your uninstallation of wars, death, hells, prisons, lies, misinformation, censorship, secrets, unknown, impossible, non-existent, expired, dreams, stories, puppets, dragons, tyrants, cannibals, vampires, racists, parasites, thieves, monsters, horror, torture, kneeling, worship, humiliation, sacrifices, amulets of horror, rituals of murder and cannibalism, alcohol, drugs, suicides, assassinations, etc. For your installation with the creator the caretaker the guardian and the destroyer of the intelligence, of the existence, of the sciences of the people of the souls of the galaxies of the truth of the love of the order of the understanding etc, eternal invisible, NMEILIS NMEINIS ESGSEIS, the living invisible body infinite, sciences, technology, truth, reality, eternity, unity, understanding, respect, love, peace, order, equality, Eternal Order, 24999, etc, you only have some video codes, the alphabet, of the infinity, the language of the infinity, and the Eternal Infinite Order book. You must to think to the summary of the video codes, and the Eternal Infinite Order book, for at least ten years, in order to be uninstalled by dragons, puppets, dead, wars, etc, and in order to be installed with eternity, love, respect, the creator to anyone and anything ILIS INIS GSEIS, etc. There are many people who refuse to be uninstalled by dragons, puppets, dead, wars, etc, and to be installed with eternity, love, respect, the creator to anyone and anything ILIS INIS GSEIS, etc, because they are unconscious, or paid, or blackmailed, or possessed by dragons devils puppets etc, or threatened, or drugged, or fearful, or etc. I'm sorry, but the death has uninstalled all the gods, souls, persons, creatures, species, etc, from all the infinite past space of wars, hells, prisons, lies, misinformation, censorship, secrets, unknown, impossible, non-existent, expired, dreams, stories, dolls, dragons, tyrants, cannibals, vampires, racists, parasites, robbers, monsters, horror, torture, kneeling, worship, humiliation, sacrifices, amulets of horror, rituals of murder and cannibalism, alcohol, drugs, suicides, assassinations, etc. Among them is even the mother of my human body, and the father of my human body. Probably my human body is not the result of an egg and a spermatozoon and is the result of some divine energies. With tarot cards, one can investigate and look for the answer. My soul has no creator, it is the creator of everyone and everything. The souls to everyone from the infinite past space, were resurrected by their creator, will be reincarnated in the future infinite space, and will start from zero information. All gods, souls, persons, creatures, species, etc, from all the infinite future space will be uninstalled by wars, hells, prisons, lies, misinformation, censorship, secrets, unknown, impossible, non-existent, expired, dreams, stories, puppets, dragons, tyrants, cannibals, vampires, racists, parasites, thieves, monsters, horror, torture, kneeling, worship, humiliation, sacrifices, amulets of horror, rituals of murder and cannibalism, alcohol, drugs, suicides, assassinations, etc, or by death, or by video codes ESGSEIS, and the book Eternal Infinite Order. This situation is demonstrated by the creator of the existence, by time, by space, by existence, by reality, by truth, by science, by video codes, by etc. How do you want to be uninstalled from wars, lies, secrets, dragons, puppets, etc? With death, or with the book Eternal Order Infinite? You can be installed with eternity, peace, love, truth, reality, etc, only with the book Eternal Infinite Order. I'm sorry, but all the gods, souls, persons, creatures, species, etc, from all the past infinite space, have been possessed, controlled, deceived, stolen, maimed, stressed, and killed by devils, or dragons, or puppets, or lies, or etc. With the exception of the creator to everyone and everything, and the infinite living invisible body. Probably all the gods, souls, persons, creatures, species, etc, from all the future infinite space, will be possessed, controlled, deceived, stolen, mutilated, stressed and killed by devils, or dragons, or puppets, or lies, or etc. There is no other help, rescue, explanation, demonstration, etc, in all the infinite time and in all the infinite space. ------ Invite all your friends here. 3461. Cine este sufletul lui Jorge Mario Bergoglio? Diavolul? Faptele lui ce spun? El ascunde codurile video Etern Ordin, 24999, etc. El ascunde creatorul, sufletele, pacea, iubirea, realitatea, unitatea, intelegerea, dreptatea, eternitatea, etc. El asteapta sa vina anul 2000 sa vina Isus Hristos si sa invie din morti toate persoanele din ultimii doua mii de ani sau din un milion de ani la varsta de 66 de ani cu o inteligenta de la 20 de ani si care vor locui in ..... El nu crede ca persoanele sunt foarte putin importante in comparatie cu sufletele lor. El face ritualuri de crima si canibalism. El umbla cu amulete de groaza la gat. El

se roaga la creaturi moarte inexistente sau nenascute sa al ascunda de toti zeii sufletele persoanele etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu. El vrea sa ucida toate sufletele din tot infinitul trecut spatiu si din tot infinitul viitor spatiu. El a ucis deja toate sufletele la persoanele care au murit in anii dintre anul 2013, de cand conduce sufletele, pana in anul ..... El vrea sa inlocuiasca creatorul cu epoca de piatra, sau cu Vatican, sau cu Italia Israel Islam Egipt etc, sau cu engleza araba italiana etc, sau cu Biblia Coranul hieroglifele etc, sau cu apa cu sare desene iluzii vise minciuni, sau cu holograme glanda pineala, sau cu dezinformare, sau cu ..... Vrem sa stim si noi, de ce Jorge Mario Bergoglio, ascunde aceasta creatura invizibila adica creatorul nostru si a lui, formula eternitatii pacii etc, etc? Este el posedat de o forma de diavol? La fel ca el s-a comportat Joseph Alois Ratzingher, etc. Care este creatorul adevarat? Allah? Iehova? Baphomet? Maria? Isus Hristos? Adam? Eva? Lucifer? ILIS INIS GSEIS? Etc? Cine ne-a condus la codurile video Etern Ordin, 24999, etc? Cine ne-a condus la microcip, internet, tehnologie, etc? Cine ne salveaza sufletele de razboaie, moarte, iad, secrete, necunoscut, trilioane de alfabete limbi religii politici minciuni etc, etc? Allah, Iehova, Baphomet, Maria, Isus Hristos, Adam, Eva, Lucifer, si toti zeii sufletele persoanele speciile creaturile etc din tot infinitul trecut spatiu au fost posedati inselati furati torturati separati si omorati de diavoli, sau papusi, minciuni, necunoscut, etc. Daca gasiti, studiati, intelegeti si respectati cartea Etern Ordin Infinit, nu va mai inseala, fura, tortureaza, separa, si omoara nimeni si nimic. Daca nu gasiti cartea Etern Ordin Infinit, o sa fiti posedati inselati furati torturati separati si omorati de diavoli, sau papusi, minciuni, necunoscut, etc la fel ca toti zeii sufletele persoanele speciile creaturile etc din tot infinitul trecut spatiu au fost. Daca nu gasiti cartea Etern Ordin Infinit nu o sa iesiti niciodata si nicaieri din razboaiele, inchisorile, si scandalurile dintre trilioane de alfabete, limbi, religii, si politici. Daca nu gasiti cartea Etern Ordin Infinit, nu o sa cunoasteti niciodata si nicaieri sufletele, dreptatea, adevarul, eternitatea, iubirea, respectul, pacea, unitatea, egalitatea, intelegerea, creatorul la oricine si orice, ILIS INIS GSEIS, etc. Cine va obliga sa omorati, ascundeti, mutilati, sau cenzurati persoanele, sufletele, dreptatea, adevarul, eternitatea, iubirea, respectul, pacea, unitatea, egalitatea, intelegerea, creatorul la oricine si orice, ILIS INIS GSEIS, etc, este mai rau decat diavolii, demonii, satanele, etc, mai rau decat raul absolut. ----- Invita toti prietenii tai aici. All creatures and species from infinity are my children. Please don't steal my children anymore. Please give me back all my children. Please stop stealing the existence, sciences, technology, resources, banks, profit, etc, because they are mine. I share them equally with everyone. Allah, Jehovah, Shiva, Jesus Christ, Mary, Adam, Eve, Buddha, etc, have stolen from me a part from creatures, species, etc, and they treat them very badly, they humiliate them, they deceive them, they separate them, they steal them, they kneel them, they complicate them, they make it difficult them, they fight them, they intoxicate them, they maim them, they kill them, they don't let them to know the truth reality the creator eternity 24999 etc, they don't help them, etc. Some children, creatures, species, etc, refuse me and drive me away since the year 2011, after I tried so hard to bring them to the microchip, truth, eternity, peace, order, understanding, reality, me, 24999, technology, sciences, the alphabet of the infinity, the language of the infinity, etc. Some children, creatures, species, etc, will exchange me for wages, gold, money, alphabets, languages, books, religions, politics, dragons, tyrants, puppets, death, hells, wars, places, times, etc. Some children, creatures, species, etc, do not want to come to me, truth, peace, eternity, reality, etc, and they want to stay with dragons, dolls, monkeys, death, wars, lies, etc. Some children, creatures, species, etc, do not want to believe that I exist, others have not found out, others cannot believe, others etc. Please come to me, to your creator, eternally invisible ILIS INIS GSEIS. Why don't you want to come to your creator? Why do you hide your creator? Why don't you listen to your creator? Why do you want to kill your creator? 3465. Infinite specii si creaturi, vizibile si invizibile, din infinitul spatiu, cu dimensiuni caracteristici informatii etc diverse au un creator. Probabil trilioane de specii si creaturi, vizibile si invizibile, au fost teleportate prin infinitul spatiu, de la o galaxie la alta. Ce erau milioane de specii din galaxia solara, inaintea la forma actuala? Ce vor deveni milioane de specii din galaxia solara, in viitor? Au disparut trilioane de specii pana la speciile actuale? Probabil aceasta creatura invizibila va transforma si speciile actuale in alte specii. Unele specii au disparut, altele vor disparea, altele vor aparea. Noi nu avem explicatii cum au fost transformate milioane de specii din galaxia solara, si ce specii erau inaintea lor, fiecare dintre ele. Aceasta creatura invizibila are explicatiile cum a manipulat miliarde de specii informatii radiatii energii etc, pana la speciile actuale, si in cat timp. De la nimic pana la corpul uman, probabil au fost un miliard de specii si multe litere si numere invizibile. De la nimic la bacterii sunt doar cateva substante, si cateva litere si numere invizibile. Au trecut trilioane de ani si inca exista specii foarte mici si cu foarte putine caracteristici. Sunt creati virusi noi. Vor fi create specii, substante, magii, etc noi. Noi nu avem idee, informatii, explicatii, etc, cum au fost realizate codurile video 24999, etc. Corpul uman nu poate efectua astfel de coduri, magii, calcule, etc. Sunt foarte multe specii invizibile mai inteligente si informate decat persoanele. Avem demonstratii video. Suntem prea slabi, dezinformati, etc, ca sa putem intelege, si ca sa putem crede. Caut explicatii si informatii sa inteleg cum au fost efectuate codurile video SSS666NNN, Etern Ordin, 24999, etc, dar nu reusesc sa imi imaginez. Aceasta creatura invizibila vede in interiorul materiei, corpului, etc. Un fel de rezonanta magnetica si divina. Aceasta creatura invizibila manipuleaza si materia, sangele, organele, cartile tarot, etc. Aceasta creatura invizibila a asezat cartile intr-o ordine, pentru ca sa ajunga la anumite numere. Cu ajutorul corpului meu uman. Tot in acest mod a manipulat substantele, inteligenta, informatiile, speciile, etc, pana ce a creat persoanele sufletele galaxiile etc. Aceasta creatura invizibila si-a demonstrat existenta, puterile, planurile, numele, etc. Eu inca nu am idee despre ce este vorba, nici acum. Sunt sigur ca nu sunt iluzii, vise sau povesti. Numai o creatura invizibila poate efectua astfel de coduri video, rezultate, investigatii, calcule, etc. Ce valoare au astfel de investigatii si demonstratii? Ce valoare au astfel de creaturi invizibile? Exista persoane care nu va lasa sa gasiti astfel de creaturi invizibile, demonstratii, anunturi, etc. Exista persoane care vor sa va insele, si sa va convinga, ca nu au importanta valoare etc, astfel de creaturi invizibile, demonstratii, anunturi, etc. Exista persoane care contrazic, sau care vor sa distruga astfel de creaturi invizibile, demonstratii, anunturi, etc. Nu am idee cat sunt de periculoase astfel de creaturi invizibile. Vad in jurul meu persoane mutilate, imbolnavite sau moarte de infarct boli accidente etc. Si eu am trei maleole rupte la piciorul stang, trei taieturi in calcaiul drept, o taietura in partea dreapta a trunchiului, o taietura deasupra ochiului stang, o lovitura la cap in partea stanga, etc. Exista creaturi invizibile rele si bune. Poate sta mai multe creaturi invizibile si bune si rele in jurul la o persoana si la creator? Creatorul a fost in jurul meu, sau in interiorul meu, cand a facut codurile video Etern Ordin, 24999, etc. Nu cred ca a fost mereu cu mine, deoarece am avut mutilari, infectii, pierderi, etc, deoarece am fost etc. Ce fel de puteri si magii au aceste creaturi invizibile? Am aflat mai multe despre intelegere, respect, unitate, eternitate, realitate, adevar, pace, suflete, creaturi invizibile, existenta, infinit, etc, decat stiam inainte. Nu putem cunoaste prea multe despre aceste creaturi invizibile. Oare va fi apocalipsa asa cum este anuntat in mai multe coduri video, de aceasta creatura invizibila? Nimeni nu crede din anul 2011. Creatorul existentei, cauta de trilioane de ani, instrumente, tehnologii, demonstratii, coduri video, explicatii, religie, politica, arta, cultura, lege, tratament,

etc, pentru ca sa elibereze pe toti zeii sufletele persoanele creaturile speciile diavolii dracii satanele etc din tot infinitul trecut spatiu, si din tot infinitul viitor spatiu, de moarte, mii de alfabete limbi religii si politici, razboaie, iaduri, inchisori, minciuni, dezinformare, cenzura, secrete, necunoscut, imposibil, inexistent, expirat, dezordine, neintelegere, vise, povesti, groaza, torturi, ingenuncheri, inchinari, umiliri, sacrificii, amulete de groaza, ritualuri de crima si canibalism, alcool, droguri, sinucideri, asasinari, etc. Exista zei, suflete, persoane, specii, creaturi, etc, care nu vor sa fie eliberati si exorcizati de moarte, mii de alfabete limbi religii si politici, razboaie, iaduri, inchisori, minciuni, dezinformare, cenzura, secrete, necunoscut, imposibil, inexistent, expirat, dezordine, neintelegere, vise, povesti, groaza, torturi, ingenuncheri, inchinari, umiliri, sacrificii, amulete de groaza, ritualuri de crima si canibalism, alcool, droguri, sinucideri, asasinari, etc. Moartea a fost, este si va fi, salvatorul si exorcistul la toti zeii sufletele persoanele speciile creaturile galaxiile etc, care nu gasesc, nu studiaza, nu inteleg, si nu respecta creatorul existentei, Etern Ordin, 24999, etc. Nu stiu forma existentei, dar sunt obligat de moarte, sa cred in creatorul existentei ILIS INIS GSEIS. Cred. Am de ales intre moarte sau cred. Aleg cred in creatorul existentei, chiar daca nu stiu forma existentei. ------ Invita toti prietenii tai aici. 3465. Infinite species and creatures, visible and invisible, from infinite space, with characteristic dimensions, information, etc, have a creator. Probably trillions of species and creatures, visible and invisible, have been teleported through infinite space, from one galaxy to another. What were millions of species in the solar galaxy, before the current form? What will millions of species in the solar galaxy become in the future? Did trillions of species disappear until the current species? Probably this invisible creature will also transform the current species into other species. Some species have disappeared, others will disappear, others will appear. We have no explanations how millions of species in the solar galaxy were transformed, and what species were before them, each one of them. This invisible creature has the explanations of how it manipulated billions of species, information, radiation, energy, etc, up to the current species, and for how long. From nothing to the human body, there were probably a billion species and many invisible letters and numbers. From nothing to bacteria, there are only a few substances, and some invisible letters and numbers. Trillions of years have passed and there are still very small species with very few characteristics. New viruses are created. New species, substances, mages, etc, will be created. We have no idea, information, explanations, etc, how the video codes 24999, etc, were made. The human body cannot perform such codes, magic, calculations, etc. There are many invisible species more intelligent and informed than people. We have video demonstrations. We are too weak, misinformed, etc, to be able to understand, and to be able to believe. I'm looking for explanations and information to understand how the video codes SSS666NNN, Eternal Order, 24999, etc were made, but I can't imagine. This invisible creature sees inside matter, the body, etc. A kind of magnetic and divine resonance. This invisible creature also manipulates matter, blood, organs, tarot cards, etc. This invisible creature placed the cards in an order, in order to reach certain numbers. With the help of my human body. Also in this way he manipulated substances, intelligence, information, species, etc, until he created people, souls, galaxies, etc. This invisible creature demonstrated its existence, powers, plans, name, etc. I still have no idea what it is about, not even now. I am sure that they are not illusions, dreams or stories. Only an invisible creature can perform such video codes, results, investigations, calculations, etc. What is the value of such investigations and demonstrations? What value do such invisible creatures have? There are people who won't let you find such invisible creatures, demonstrations, announcements, etc. There are people who want to deceive you and convince you that they have no important value, etc, such invisible creatures, demonstrations, announcements, etc. There are people who contradict, or who want to destroy such invisible creatures, demonstrations, announcements, etc. I have no idea how dangerous such invisible creatures are. I see people around me mutilated, sick or dead from heart attacks, illnesses, accidents, etc. I also have three broken ankles on my left leg, three cuts on my right heel, a cut on the right side of my torso, a cut above my left eye, a blow to my head on the left side, etc. There are good and bad invisible creatures. Can there be more invisible and good and bad creatures around one person and the creator? The Creator was around me, or inside me, when he made the video codes Eternal Order, 24999, etc. I don't think he was always with me, because I had mutilations, infections, losses, etc, because I was etc. What kind of powers and magic do these invisible creatures have? I learned more about understanding, respect, unity, eternity, reality, truth, peace, souls, invisible creatures, existence, infinity, etc than I knew before. We cannot know much about these invisible creatures. Will it be the apocalypse as announced in several video codes, by this invisible creature? No one believes since the year 2011. The creator of existence has been searching for trillions of years for tools, technologies, demonstrations, video codes, explanations, religion, policy, art, culture, law, treatment, etc, in order to release all the gods, souls, people, creatures, species, devils, satans, etc, from all infinite past space, and all future infinite space, of death, thousands of alphabets, languages, religions and politics, wars, hells, prisons, lies, misinformation, censorship, secrets, unknown, impossible, non-existent, expired, disorder, misunderstanding, dreams, stories, horror, torture, kneeling, worship, humiliation, sacrifices, amulets of horror, rituals of murder and cannibalism, alcohol, drugs, suicides, assassinations, etc. There are gods,

souls, persons, species, creatures, etc,,that do not want to be freed and exorcised by death, thousands of alphabets, languages, religions and politics, wars, hells, prisons, lies, misinformation, censorship, secrets, unknown, impossible, non-existent, expired, disorder, misunderstanding, dreams, stories, horror, torture, kneeling, worship, humiliation, sacrifices, amulets of horror, rituals of murder and cannibalism, alcohol, drugs, suicides, assassinations, etc. Death was, is and will be, the savior and exorcist of all the gods, souls, persons, species, creatures, galaxies, etc., who do not find, do not study, do not understand, and do not respect the creator of the existence, Eternal Order, 24999, etc. I do not know the form of existence, but I am bound by death, to believe in the creator of existence ILIS INIS GSEIS. I guess. I have a choice between death or I believe. I choose to believe in the creator of the existence, even if I do not know the form of the existence. ------ Invite all your friends here. 3466. Cum au luat nastere, sau cum au fost create primele doua creaturi din fiecare specie, vizibila si invizibila din infinitul spatiu? Pot fi teleportate galaxii planete specii etc, in infinitul spatiu? Aceste intrebari, inca nu au fost explicate corect, stiintific, real, etc, de nimeni. De demonstrat este imposibil. Nu au fost create la intamplare infinite specii vizibile si invizibile. Nu au fost create la intamplare codurile video Etern Ordin, 24999, etc. Eu am cautat creatorul existentei ILIS INIS GSEIS, adevarul, eternitatea, pacea, ordinea, intelegerea, realitatea, iubirea, respectul, 24999, Etern Ordin Infinit, alfabetul infinitului, limba infinitului, etc, in tot infinitul trecut spatiu, in tot infinitul viitor spatiu, in afara existentei, etc, si abia le-am gasit in anul 2011. Au fost furate si ascunse, de persoane mai rele decat toti diavolii satanele demonii etc la un loc. Toti zeii sufletele persoanele speciile etc din tot infinitul trecut spatiu, si din tot infinitul viitor spatiu, au fost talhariti de la inceputul existentei pana ....., de creator, pace, etc. Voi nu le puteti gasi. Si daca le gasiti nu stiu daca le studiati, sau daca le intelegeti, sau daca le aparati, sau daca le distribuiti. Eu le-am inteles. Eu nu le ascund. Eu le apar. Eu le distribui. Allah, Ra, Iehova, Isus Hristos, Maria, Adam, Eva, si toti zeii sufletele persoanele speciile etc din tot infinitul trecut spatiu, nu au cunoscut microcipul, creatorul lor, creatorul existentei ILIS INIS GSEIS, adevarul, eternitatea, pacea, ordinea, intelegerea, realitatea, iubirea, respectul, 24999, Etern Ordin Infinit, alfabetul infinitului, limba infinitului, etc. Le-au cautat dar nu au avut instrumente, tehnologie, informatii, ajutor, magie, organe, etc, sa le gaseasca. Voi aveti impresia ca cunoasteti creatorul nostru, creatorul existentei ILIS INIS GSEIS, adevarul, eternitatea, pacea, ordinea, intelegerea, realitatea, iubirea, respectul, 24999, Etern Ordin Infinit, alfabetul infinitului, limba infinitului, etc. Allah, Ra, Iehova, Isus Hristos, Maria, Adam, Eva, si toti zeii sufletele persoanele speciile etc din infinitul trecut spatiu, au cunoscut doar razboaie, minciuni, scandaluri, moartea, dusmania, umiliri, epoca de piatra, etc. Voi cunoasteti numai razboaie, minciuni, scandaluri, moartea, dusmania, umiliri, epoca de piatra, etc. Daca voi nu cunoateti nu intelegeti nu credeti si nu respectati pe creatorul nostru, creatorul existentei ILIS INIS GSEIS, atunci voi nu cunoasteti adevarul, eternitatea, pacea, ordinea, intelegerea, realitatea, iubirea, respectul, 24999, Etern Ordin Infinit, alfabetul infinitului, limba infinitului, etc. ------ Invita toti prietenii tai aici. 3466. How were born, or how were the first two creatures of each species, visible and invisible from infinite space, created? Can galaxies, planets, species, etc. be teleported into infinite space? These questions have not yet been explained correctly, scientifically, realistically, etc by nobody. It is impossible to prove Infinite visible and invisible species were not created by chance. The Eternal Order, 24999, etc, video codes were not created by chance. I sought the creator of existence ILIS INIS GSEIS, the truth, eternity, peace, order, understanding, reality, love, respect, 24999, Eternal Infinite Order, the alphabet of infinity, the language of infinity, etc, in all infinite past space, in all future infinite space, out of existence, etc, and I only found them in the year 2011. They were stolen and hidden, by people worse than all the devils, satans, demons, etc. put together. All the gods, souls, persons, species, etc, from all past infinite space, and from all future infinite space, were robbed from the beginning of existence until ....., by the creator, peace, etc. You cannot find them. And if you find them, I don't know if you study them, or if you understand them, or if you defend them, or if you distribute them. I understood them. I don't hide them. I appear to them. I distribute them. Allah, Ra, Jehovah, Jesus Christ, Mary, Adam, Eve, and all the gods, souls, persons, species, etc from all the infinite past space, did not know the microchip, their creator, the creator of existence ILIS INIS GSEIS, the truth, eternity, peace, order, understanding, reality, love, respect, 24999, Eternal Infinite Order, alphabet of the infinite, language of the infinite, etc. They looked for them but they had no tools, technology, information, help, magic, organs, etc, to find them. You have the impression that you know our creator, the creator of existence ILIS INIS GSEIS, the truth, eternity, peace, order, understanding, reality, love, respect, 24999, Eternal Infinite Order, the alphabet of the infinity, the language of the infinity, etc. Allah, Ra, Jehovah, Jesus Christ, Mary, Adam, Eve, and all the gods, souls, persons, species, etc, from the past infinite space, have only known the wars, lies, scandals, death, enmity, humiliations, the stone age, etc. You only know the wars, lies, scandals, death, enmity, humiliation, the stone age, etc. If you do not know, do not understand, do not believe and do not respect our creator, the creator of the existence ILIS INIS GSEIS, then you do not know the truth, eternity, peace, order, understanding, reality, love, respect, 24999, Eternal Infinite Order, the

alphabet of the infinity, the language of the infinity, etc. ------ Invite all your friends here. Share this message on your page, groups, internet, etc. Save this message to your computer. Translate this message into another language and share it on the internet.

Sper sa iesiti din minciuni, razboaie, dezinformare, pesteri, copaci, jungla, epoca de piatra, mii de alfabete limbi politici si religii, comploturi, scandaluri, rasism, invidie, telepatie, povesti, iluzii, iaduri, moarte, etc, cu bucurie, mandrie, gratuit, etc, si fara victime. Asa arata iubirea, pacea, respectul, pacea, eternitatea, ordinea, intelegerea, unitatea, egalitatea, infinitul, existenta, creatorul, etc. Ce dracul au facut pana acum, toti zeii sufletele persoanele creaturile speciile etc din infinitul trecut spatiu de nu au cautat si nu au gasit niciunul dintre ei, iubirea, pacea, respectul, eternitatea, ordinea, intelegerea, unitatea, egalitatea, infinitul, existenta, creatorul, etc. Si daca eu le-am gasit in anul 2011, au fost furate si ascunse de balauri, diavoli, rasisti, teroristi, asasini, escroci, drogati, santajati, amenintati, hipnotizati, somnambuli, inconstienti, etc. Siguranta, iubirea, pacea, eternitatea, intelegerea, unitatea, si dreptatea la toti zeii sufletele persoanele creaturile speciile etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, a infinitului timp, a infinitului spatiu, a existentei, etc, au fost furate din anul 2011 pana..... Au fost gasite in anul 2011. Creatorul existentei lucreaza transparent, si online. Traducatorul nu este ajutat, protejat, etc. Traducatorul a suportat mai multe asasinari, amenintari, boli, radiatii, mutilari, etc. Democratie de pedofili, talhari, canibali, vampiri, escroci, rasisti, asasini, mutilatori, paraziti, mincinosi, etc. Aveti miliarde de probe si demonstratii pe planeta Pamant, infinitul timp, infinitul spatiu, stiinte, Etern Ordin, etc. Nu dati vina pe creatorul existentei. Practic, diavolii si escrocii de pe planeta Pamant, al obliga pe creatorul existentei sa insele, fure, mutileze, ingenuncheze, umileasca, separe, si omoare, toti zeii sufletele persoanele creaturile speciile etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu. Nimeni nu vede, nimeni nu intelege. Nici macar in epoca internetului. Ce pretentii sa ai de la creaturile din epoca de piatra, daca nici creaturile din epoca microcipului nu inteleg ce inseamna adevar, pace, respect, iubire, egalitate, unitate, intelegere, ordine, dreptate, eternitate, creator, 24999, etc. Haideti cu totii din infinitul timp si spatiu, sa vedem cat timp mai ascund acesti monstri, adevarul, pacea, creatorul, eternitatea, iubirea, dreptatea, ordinea, intelegerea, etc. Poate vor renunta pana la urma daca se uita la ei toti zeii sufletele persoanele creaturile speciile etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu. Unele persoane din Italia Israel Islam Egipt America Rusia China India Africa Brazilia etc vor sa va lase fara creator iubire eternitate pace etc. Alte creaturi vor sa va dea bomboane, alcool, droguri, povesti, filme, balauri, papusi, salarii, amenintari, santaj, aur, telepatie, minciuni, etc, in schimbul la creator iubire eternitate pace etc. Voi ce vreti sa aveti? Campionatul a inceput in anul 2011 si termina in anul ..... Vai de capul si sufletele la toate persoanele creaturile speciile etc, daca acest campionat, dureaza tot infinitul timp si spatiu. Nu falsificati rezultatele, adevarul, creatorul, eternitatea, iubirea, ordinea, intelegerea, sufletele, persoanele, existenta, infinitul, etc. Va rog frumos din anul 2011. Sa fie laudat creatorul existentei persoanelor stiintelor tehnologiei etc etern invizibil ILIS INIS GSEIS, adevarul, iubirea, ordinea, intelegerea, respectul, dreptatea, egalitatea, pacea, 24999, Etern Ordin, si cine le cunoaste intelege si respecta in tot infinitul timp si tot infinitul spatiu. 3467. I am the creator, caretaker, guardian and destroyer of the intelligence, existence, sciences, technology, people, souls, galaxies, etc, eternally invisible, ILIS INIS GSEIS, the true eternally alive online and present. I am more stronger, eternal, invisible, intelligent, magical, honest, loving, useful, etc, than existence, and all the gods, souls, persons, creatures, species, galaxies, weapons, sciences, etc from all past infinite space, and from all future infinite space, gathered together. This is my translator. I cannot write, speak, etc., because I am invisible and I have a structure that does not allow me to speak, write, etc. I led all creatures to Eternal Infinite Order, 24999, microchip, technology, truth, unity, peace, order, justice, understanding, eternity, equality, reality, love, respect, intelligence, etc. I can erase the memory to all persons, species, creatures, souls, gods, animals, etc, from infinite space, of any information. I can create earthquakes, floods, falling stars and satellites, etc. I can change the distance between planets. I can re-destroy and re-create existence again. I am convinced that 90 percent between the people, souls, gods, creatures, species, etc, from the infinite past space and the infinite future space, not want to be robbed of resources, sciences, studies, profit, banks, people, etc, from the past, present and future, and they want them to belong to them in equally for all. I am convinced that 90 percent between people, souls, gods, creatures, species, etc, from infinite past space and infinite future space, want to know the creator, caretaker, guardian and destroyer of the intelligence, existence, sciences, technology, people, souls, galaxies, etc, eternal invisible, ILIS INIS GSEIS, video codes Eternal Order Infinity, 24999, etc, the microchip, technology, truth, unity, peace, order, justice, understanding, eternity, equality, reality, love, respect, intelligence, one language, one alphabet, etc. I am convinced that 90 percent between the people, souls, gods, creatures, species, etc, from infinite past space and infinite future space, do not agree with all the wars, plots and scandals of type alphabetic, linguistic, political, religious, economic, etc, from infinite past space. I am convinced that 90 percent between the people, souls, gods, creatures, species, etc, from the past infinite space and the future infinite space, do not want to have in the future infinite space, other wars, conspiracies and scandals, of type alphabetic, linguistic, political, religious, economic, etc. I am convinced that 90 percent of people, souls, gods, creatures, species, etc, from infinite past space and infinite future space, do not want to pray, worship and humiliate in front of nobody and nothing, especially without salaries, advantages, help, etc. I am convinced that 90 percent between the people, souls, gods, creatures, species, etc, from infinite past space and infinite future space, do not want to be deceived, humiliated, kneeled down, stolen, mutilated, separated, expelled in the year 2000 in Italy and Israel to return his Jesus Christ, banished in time and space, terrorized, hanged, sacrificed, crucified, and assassinated. Some people from the Vatican, Italy, Israel, Islam, Egypt, America, Russia, Africa, China, India, Australia, etc, have robbed since the year 2011, on all the people, souls, gods, creatures, species, etc, from infinite past space and infinite future space, of Eternal Infinite Order, 24999, microchip, technology, truth, unity, peace, order, justice, understanding, eternity, equality, reality, love, respect, intelligence, etc. The creator of existence, condemned their souls, to a hundred years in hell. Their souls will be teleported into the sun. Your courts should give ten years in prison to each of them, who are involved in these robberies, assassinations, wars, etc. They did not write lies about me, the creator the caretaker the guardian and the destroyer of the intelligence, of the existence of the sciences of the technology of the people of the souls of the galaxies, etc, eternally invisible, ILIS INIS GSEIS, in all the infinite past space, and they will not write in all the infinite future space. I presented myself only in science, technology, ESGSEIS video codes, and the book Eternal Order. The other religions from the infinite past space, and the infinite future space, are false, are conspiracies, scandals, wars, terrorism, death, hells, deceptions, thefts, etc. How many people, gods, souls, creatures, species, etc,

want to remain tied up in conspiracies, scandals, wars, terrorism, death, hell, deception, theft, etc? How much time and how much space? Hell and death are the punishment, the saviors and the exorcists, created by me, the creator of the existence, for all creatures who are involved in lies, wars of type alphabetic, linguistic, political, religious and, etc, deceptions, robberies of resources studies sciences profit banks people etc from the past present and future, misinformation, etc. Some people want to destroy Eternal Infinite Order, and the creator of existence, therefore the peace, equality, order, understanding, love, respect, justice, etc, between all people, souls, gods, creatures, species, etc, from all infinite past space and all infinite future space. These monsters, crooks, racists, terrorists, and assassins, have been struggling since the year 2011 to kill the peace, equality, order, understanding, love, respect, justice, etc, between all people, souls, gods, creatures, species, etc, from all the past infinity, space and all future infinite space. Let all persons, souls, gods, creatures, species, etc, from all past infinite space and all future infinite space, to know, use, understand and respect Eternal Infinite Order, the creator of existence, 24999, peace, equality, order, understanding, love, respect, justice, etc, or I start of the third world war, or I launch all the nuclear bombs, or I erase everyone's memory of any information, or I destroy the solar galaxy, or I re-destroy and restore existence. Whoever wants to escape from wars, prisons, scandals, deceptions, humiliations and conspiracies of type alphabetic, linguistic, political and religious, must find, study, understand and respect the Eternal Infinite Order. Whoever wants to save himself from death, hell, lies, secrets, racism, deception, robbery, humiliation, etc, must find, study, understand and respect the Eternal Infinite Order. Whoever wants to free himself and exorcise himself from devils, demons, satans, idiots, swindlers, parasites, thieves, cannibals, oligarchs, vampires, monsters, assassins, etc, must find, study, understand and respect Eternal Infinite Order. How is it possible that a group of one million devils, demons, satans, idiots, swindlers, parasites, thieves, cannibals, oligarchs, vampires, monsters, assassins, pedophiles, etc, manage from the year 2011, to steal, mutilate, terrorize, deceive, separate, and kill all persons souls gods creatures species etc from all infinite past space and all infinite future space? Until when? Until this democracy, misinformation, deception, war, hell, lie, slaughterhouse, scandal, etc? The creator of the existence, watches helplessly as they mock him, and on all persons souls gods creatures species etc from all past infinite space and all future infinite space, a group of devils, demons, satans, idiots, swindlers, parasites, thieves, cannibals, oligarchs, vampires, monsters, assassins, pedophiles, etc. Or he launches another nuclear bomb, or he can shoot a star from the sky, or he can trigger the apocalypse, or he can even trigger the re-destruction and reconstruction of the existence. The truth, peace, understanding, eternity, love, respect, unity, equality, the creator, 24999, Eternal Infinite Order, etc, have been forbidden all infinite past space. The death, hells, deceptions, robberies, racism, misunderstanding, wars, assassinations, suicides, misinformation, censorship, etc, had visas, salaries, churches, governments, schools, colleges, etc, in all the past infinite space. How do you want to be, in the infinite future space? To answer all persons, souls, gods, creatures, species, etc, from all past infinite space and all future infinite space, after being informed by the creator of existence, 24999, science, truth, love, peace, order, understanding, respect, unity, equality, etc. The creator of the existence knows that devils, demons, satans, cannibals, pedophiles, robbers, oligarchs, vampires, swindlers, drug addicts, alcoholics, disinformation, blackmailers, threats, paid, corrupt, envious, unconscious, possessed, terrorists, assassins, etc, voted the lies, hell, wars, apocalypses, the redestruction and reconstruction of the existence, racism, enmity, misinformation, envy, robberies, disorder, humiliation, worship, millions of alphabets, languages, religions and politics, death, etc. Here it is precisely specified by science, creator, truth, infinity, existence, etc, who wants to be the devil, swindler, liar, murderer, robber, terrorist, envious, pig, wolf, parasite, mutilator, cannibal, vampire, etc. Here it is specified exactly by science, creator, truth, infinity, existence, etc, who was turned into a sheep, butcher's meat, victim, misinformed, soldier, mortal, humiliated, kneeling, deceived, stolen, assassinated, etc. The truth, love, peace, the creator, eternity, understanding, etc, are banned in infinite space and time, from the year 2011 until ....., from some people, devils, pedophiles, monsters, murderers, etc, from Egypt, Israel, Islam, Italy, Romania, America, Russia, China, India, Africa, etc. A few people, devils, pedophiles, monsters, murderers, etc from Egypt, Israel, Islam, Italy, Romania, America, Russia, China, India, Africa, etc, voted what should do and what should know, the truth, love, peace, creator, eternity, understanding, all people, souls, gods, creatures, species, etc from all past infinite space and all future infinite space, etc. The dictatorship of the love, respect, understanding, unity, equality, justice, sciences, eternity, creator, peace, etc, began in the year 2011, and continues all the infinite future space. I hope you will not be driven out to the truth, Eternal Order, love, respect, creator, etc, with the apocalypse, or the third world war, or nuclear bombs, or etc. I hope you come to the truth, Eternal Order, love, respect, creator, etc, with joy, pride, free, etc, and without victims. I hope you come out of lies, wars, misinformation, caves, trees, jungles, the stone age, thousands of alphabets, languages, politics and religions, conspiracies, scandals, racism, envy, telepathy, stories, illusions, hells, death, etc, with joy, pride, free, etc, and without victims. This is how it looks, the love, peace, respect, peace, eternity, order, understanding, unity, equality, infinity, existence, creator, etc. What the hell have they done so far, all the gods, souls, people, creatures, species, etc, from the past infinite space, they have not searched and not found, none of them, the love, peace, respect, peace, eternity, order, understanding, unity, equality, infinity, existence, creator, etc. And if I found them in the year 2011, were stolen and hidden by demons, devils,

racists, terrorists, assassins, swindlers, drug addicts, blackmailed, threatened, hypnotized, sleepwalkers, unconscious, etc. The safety, love, peace, eternity, understanding, unity, and justice to all gods, souls, persons, creatures, species, etc, from all past infinite space and all future infinite space, of the infinite time, of the infinite space, of the existence, etc, have been stolen from the year 2011 until ..... They were found in the year 2011. The creator of the existence works transparently, and online. The translator is not helped, protected, etc. The translator endured several assassinations, threats, diseases, radiations, mutilations, etc. Democracy of the pedophiles, thieves, cannibals, vampires, crooks, racists, murderers, mutilators, parasites, liars, etc. You have billions of proofs and demonstrations on planet Earth, in infinite time, infinite space, science, Eternal Order, etc. Don't blame the creator of existence. Basically, the devils and swindlers on planet Earth, oblige the creator of the existence to deceive, steal, mutilate, kneel, humiliate, separate, and kill, on all the gods, souls, persons, creatures, species, etc, from all the past infinite space and from all the future infinite space. No one sees, no one understands. Not even in the internet age. What claims do you have from the creatures of the stone age, if even the creatures of the microchip age do not understand what mean, the truth, peace, respect, love, equality, unity, understanding, order, justice, eternity, creator, 24999, etc. Let's all come from infinite time and space, let's see how long these monsters hide the truth, peace, creator, eternity, love, justice, order, understanding, etc. Maybe they will finally give up if all the gods, souls, persons, creatures, species, etc. from all past infinite space and from all future infinite space look at them. Some people from Italy, Israel, Islam, Egypt, America, Russia, China, India, Africa, Brazil, etc, want to leave you without a creator, love, eternity, peace, etc. Other creatures want to give you candy, alcohol, drugs, stories, movies, dragons, dolls, salaries, threats, blackmail, gold, telepathy, lies, etc, in exchange at the creator, love, eternity, peace, etc. What do you want to have? What do you want to receive? The creator of the existence wants the peace, truth, reality, love, respect, order, justice, understanding, microchip, internet, science, eternity, 24999, Eternal Order, etc, and if it is not possible, he wants the third world war, chemical biological and nuclear terrorism, the apocalypse and the re-destruction and reconstruction of the existence. Let me see who among you can control, hide, or eliminate the creator of the existence, the truth, love, eternity, peace, order, understanding, justice, unity, equality, souls, persons, etc. Come on, please, show to all the gods, souls, people, creatures, species, etc, from all the infinite past space and from all the infinite future space, which of you is the most pedophile, cannibal, racist, liar, swindler, robber, vampire, envious, misinformed, stupid, and murderous. The championship started in the year 2011 and ends in the year ..... Woe to the heads and souls of all people, creatures, species, etc., if this championship lasts all the infinite time and space. The creator of existence has shown us who is the most loving, beautiful, informed, powerful, etc, from all infinite time and all infinite space. Do not falsify results, truth, creator, eternity, love, order, understanding, souls, persons, existence, infinity, etc. Please, from the year 2011. To be praised, the creator of the existence, people, sciences, technology, etc, eternally invisible ILIS INIS GSEIS, the truth, love, order, understanding, respect, justice, equality, peace, 24999, Eternal Order, and whoever knows understands and respects them, in all infinite time and all infinite space. Amen. You are not allowed to vote, if you do not know the creator, truth, peace, love, 24999, Eternal Order, etc. You are not allowed to lead, if you do not know the creator, truth, peace, love, 24999, Eternal Order, etc. And after you will know the creator, truth, peace, love, 24999, Eternal Order, etc, you will see that you never needed votes, and another leader besides the creator of the existence. ---- Invite all your friends here. Inclusiv existenta, stiintele, tehnologia, etc.

Unele persoane, ai interzice creatorului existentei, sa se intalneasca cu copiii lui, chiar daca el s-a demonstrat in coduri video ca exista si este real, nu ganduri, idei, iluzii, fantezii, etc. Unele persoane, ai interzice creatorului existentei, sa se intalneasca cu copiii lui, deoarece este invizibil, incredibil, inexplicabil, etc, deoarece nu are limba gura etc, deoarece cumunica doar prin intermediari, telepatie, telekinezie, magie, paranormal, matematica, stiinte, etc. Infinite creaturi si specii se pot intalni cu creatorul lor, creatorul existentei, in codurile video Etern Ordin Infinit, 24999, etc. Doar cateva specii si creaturi din infinitul spatiu au avut si vor avea contact direct cu creatorul existentei. Probabil in alte zile, creatorul existentei se teleporteaza in interiorul la alta creatura persoana specie masina tehnologie galaxie etc, pentru a face modificari, sau pentru a da detalii si informatii noi, sau etc. Nu va jucati cu creatorul existentei. Este real si demonstrat video stiintific magic paranormal matematic incredibil inexplicabil etc. Libertatea demonstratiilor video stiintifice magice paranormale matematice incredibile inexplicabile etc, este interzisa si in epoca internetului din anul 2011. Libertatea demonstratiilor video stiintifice magice paranormale matematice incredibile inexplicabile etc, este atacata cu asasinari, boli, mutilari, radiatii, gaze, medicamente, amenintari, santaj, epuizari, telepatie, vraji, magie neagra, etc. Creatorul existentei ma apara cum poate, si cat poate. Si eu la randul meu imi apar eternitatea, adevarul, egalitatea, unitatea, intelegerea, pacea, dreptatea, si creatorul. Toti zeii, speciile, creaturile, persoanele, etc, trebuie sa faca la fel ca mine si creatorul existentei. Nu este bine sa va aparati moartea, minciunile, razboaiele, inchisorile, secretele, dezinformarea, papusile, balaurii, prostia, etc. Creatorul nostru este mai important decat tata, mama, fiul, fiica, bunicul, bunica, prietenii, etc, deoarece el este viata noastra, existenta noastra, pacea noastra, eternitatea noastra, iubirea noastra, inteligenta noastra, tehnologia noastra, intelegerea noastra, unitatea noastra, oricine si orice. Din interiorul si corpul lui, sau de magia si inteligenta lui, sau ambele la un loc, a fost creata orice specie, creatura, stiinta, magie, tehnologie, etc. Nu avem detalii si explicatii complete, nici macar cum au fost create codurile video Etern Ordin Infinit, 24999, etc. Probabil sunt creaturi invizibile in conflict si razboi intre ele, de trilioane de ani, si ascund detaliile magia informatiile etc, intre ele, si evident si de celelalte specii si creaturi. Probabil sunt foarte multe creaturi invizibile in razboi pentru titlul creatorul existentei, iar noi persoanele suntem doar partea vizibila la acest razboi invizibil care probabil dureaza de trilioane de ani, pana la apocalipsa sau redistrugerea si refacerea existentei. Normal acest conflict trebuia inchis in anul 2011 cu codul video Etern Ordin. Nu a fost inchis cu toate codurile video. Aceste creaturi invizibile nu accepta demonstratiile video etc. Vor mai multe detalii explicatii etc. Intre timp ce ele se cearta, pentru titlul creatorul existentei, noi putem sa aplicam definitia intelegerii pacii respectului iubirii ordinei dreptatii etc, si sa invatam un singur alfabet limba politica si religie. Alfabetul Etern Ordin Infinit este alfabetul creatorului, existentei, eternitatii, infinitului, pacii, iubirii, respectului, intelegerii, adevarului, realitatii, ordinei, etc. Limba Etern Ordin Infinit este limba creatorului, existentei, eternitatii, infinitului, pacii, iubirii, respectului, intelegerii, adevarului, realitatii, ordinei, etc. Politica Etern Ordin Infinit este politica creatorului, existentei, eternitatii, infinitului, pacii, iubirii, respectului, intelegerii, adevarului, realitatii, ordinei, etc. Religia Etern Ordin Infinit este religia creatorului, existentei, eternitatii, infinitului, pacii, iubirii, respectului, intelegerii, adevarului, realitatii, ordinei, etc. Nu au reusit sa fure titlul creatorul existentei ILIS INIS GSEIS, tot infinitul trecut spatiu si tot infinitul viitor spatiu. A fost ascuns in codurile video ESGSEIS si cartea Etern Ordin Infinit, din cauza la foarte multe creaturi si specii vizibile si invizibile din infinitul spatiu, care vor sa fure titlul creatorul existentei NMEILIS NMEINIS ESGSEIS, care vor sa fure adevarul, pacea, ordinea, stiintele, profitul, resursele, intelegerea, etc, care vor sa fure toti zeii sufletele persoanele creaturile speciile etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, etc. Foarte multe creaturi si specii din infinitul spatiu au fost rapiti incuiati legati si adoptati de maimute, papusi, balauri, tirani, pedofili, monstri, minciuni, biologie, Bing bang, NASA, alieni, engleza, araba, rusa, chineza, Biblie, Quran, prostie, dezinformare, jungla, etc. Iata avem niste coduri video, unde creatorul nostru, si-a demonstrat existenta, gandurile, planurile, numele, corpul, magia, inteligenta, iubirea, etc. Probabil creatorul existentei a fost sters din gandurile la toate creaturile si speciile de unele creaturi invizibile. Sigur unele creaturi si specii vizibile si invizibile vor sa stearga din existenta din anul 2011, creatorul existentei persoanelor microcipului etc, 24999, Etern Ordin Infinit, si pacea ordinea iubirea intelegerea respectul eternitatea etc dintre toti zeii sufletele persoanele creaturile speciile etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu. Toate drepturile de autor in stiinte tehnologie magie etc apartin creatorului inteligentei si informatiilor ILIS INIS GSEIS. Toate creaturile, speciile, existenta, etc, au fost create de ILIS INIS GSEIS, si furate de Allah, Iehova, Adam, Eva, Maria, Isus Hristos, si toti zeii persoanele sufletele creaturile speciile etc care ascund aceste demonstratii si informatii. Incredibil, rusinos, dar adevarat si demonstrat in coduri video. ---- Invita toti prietenii tai aici. 3468. Behold all the gods, souls, persons, creatures, species, etc, from all the infinite past space, and from all the infinite future space, who do not know their creator, the creator, the caretaker, the guardian and the destroyer of the intelligence, of the existence, of the sciences, of the people, of the souls, of the galaxies, etc, eternally invisible, ILIS INIS GSEIS, the real live eternal online and present. Behold all the gods, souls, persons, creatures, species, etc, from all infinite past space, and from all future infinite space, who have stolen the children (all creatures, species, existence, sciences, etc.) of the creator, caretaker,

guardian, and destroyer of the intelligence, existence, sciences, technology, people, souls, galaxies, etc, eternally invisible, ILIS INIS GSEIS. Behold all the gods, souls, persons, creatures, species, etc, from all past infinite space, who have deceived, humiliated, kneeled, separated, stolen, and killed all the gods, souls, persons, creatures, species, etc, from all past infinite space, and who want to deceive, humiliate, kneel, separate, steal, and kill all the gods, souls, persons, creatures, species, etc, from all future infinite space. Behold all the gods, souls, persons, creatures, species, etc, from all past infinite space, who have bound and locked all the gods, souls, persons, creatures, species, etc, from all past infinite space, in lies, wars, thousands of alphabets languages religions and politics, robberies of studies sciences profit resources technology banks people etc from the past present and future, hells, etc. Behold all the gods, souls, persons, creatures, species, etc, from all the past infinite space, and from today, who want to keep bound and locked all the gods, souls, persons, creatures, species, etc, from all the past infinite space, and from all the future infinite space, in lies, wars, thousands of alphabets, languages, religions and politics, robberies of studies, sciences, profits, resources, technology, banks, people, etc from the past, present and future, hells, darkness, misinformation, censorship, etc. Behold, all the gods, souls, persons, creatures, species, etc, from infinite space, and from today, who want to steal all my children, more precisely all gods, souls, persons, creatures, species, etc, from all past infinite space and from all future infinite space. Including existence, sciences, technology, etc. Some people, forbid the creator of the existence, to meet his children, even if he proved himself in video codes that he exists and is real, not thoughts, ideas, illusions, fantasies, etc. Some people, forbid the creator of the existence, to meet his children, because he is invisible, incredible, inexplicable, etc, because he has no mouth, tongue, etc, because he communicates only through intermediaries, telepathy, telekinesis, magic, paranormal, mathematics, sciences, etc. Infinite creatures and species can meet their creator, the creator of the existence, in the video codes Eternal Infinite Order, 24999, etc. Only a few species and creatures from the infinite space have had and will have direct contact with the creator of the existence. Probably on other days, the creator of the existence teleports inside to another creature, person, species, machine, technology, galaxy, etc, to make changes, or to give details and new information, or etc. Do not play with the creator of the existence. It is real and proven video scientific magic paranormal mathematical incredible inexplicable etc. The freedom of scientific, magical, paranormal, mathematical, incredible, inexplicable etc video demonstrations, is also prohibited in the age of the Internet from the year 2011. The freedom of scientific, magical, paranormal, mathematical, incredible, inexplicable etc video demonstrations, is attacked with assassinations, diseases, mutilations, radiation, gas, drugs, threats, blackmail, exhaustion, telepathy, spells, black magic, etc. The creator of the existence, protects me as he can, and how he can. And I, in turn, I protect myself, the eternity, truth, equality, unity, understanding, peace, justice, and the creator. All gods, species, creatures, persons, etc, must do the same as me and the creator of the existence. It is not good to defend your death, lies, wars, prisons, secrets, misinformation, dolls, dragons, stupidity, etc. Our Creator is more important than father, mother, son, daughter, grandfather, grandmother, friends, etc, because he is our life, our existence, our peace, our eternity, our love, our intelligence, our technology, our understanding, our unity, our etc, anyone and anything. From his insides and body, or his magic and intelligence, or both together, any specie, creature, science, magic, technology, etc, was created. We do not have full details and explanations, not even how the video codes Eternal Infinite Order, 24999, etc, were created. They are probably invisible creatures in conflict and war with each other, for trillions of years, and they hide the details, magic, information, etc, from each other, and obviously from the other species and creatures. There are probably many invisible creatures in the war for the title of the creator of the existence, and we people are only the visible part of this invisible war that probably lasts for trillions of years until the apocalypse or the re-destruction and reconstruction of the existence. Normally this conflict should have been closed in the year 2011 with the Eternal Order video code. It was not closed with all video codes. These invisible creatures do not accept video demonstrations, etc. They want more details, explanations, etc. While they fight, for the title creator of the existence ILIS INIS GSEIS, we can apply the definition of the understanding, peace, respect, love, order, justice, etc, and learn a single alphabet, policy, language, and religion. The Eternal Order Infinite alphabet, is the alphabet of the creator, existence, eternity, infinity, peace, love, respect, understanding, truth, reality, order, etc. The language Eternal Infinite Order, is the language of the creator, existence, eternity, infinity, peace, love, respect, understanding, truth, reality, order, etc. The policy Eternal Infinite Order, is the policy of the creator, existence, eternity, infinity, peace, love, respect, understanding, truth, reality, order, etc. The Eternal Order Infinite religion, is the religion of the creator, existence, eternity, infinity, peace, love, respect, understanding, truth, reality, order, etc. They failed to steal the title creator of the existence ILIS INIS GSEIS, all infinite past space and all infinite future space. It was hidden in the ESGSEIS video codes and the book Eternal Infinite Order, because of many visible and invisible creatures and species from infinite space, who want to steal the title of creator of the existence NMEILIS NMEINIS ESGSEIS, who want to steal the truth, peace, order, sciences, profit, resources, understanding, etc, who want to steal all the gods, souls, persons, creatures, species, etc, from all the past infinite space and from all the future infinite space, etc. Many creatures and species from infinite space have been kidnapped, locked, bound and adopted by monkeys, puppets, dragons, tyrants, pedophiles, monsters, lies, biology, Bing bang, NASA, aliens, English, Arabic, Russian, Chinese, Bible, Quran, nonsense,

misinformation, jungle, etc. Here we have some video codes, where our creator demonstrated his existence, thoughts, plans, name, body, magic, intelligence, love, etc. Probably the creator of the existence was erased from the thoughts at all creatures and species by some invisible creatures. Surely some visible and invisible creatures and species want to erase from the existence from the year 2011, the creator of the existence, persons, microchip, etc, 24999, Eternal Infinite Order, and peace, order, love, understanding, respect, eternity, etc at all gods, souls, persons, creatures, species, etc, from all the past infinite space and from all the infinite future space. All copyrights in sciences, technology, magic, etc, belong to the creator of the intelligence and information ILIS INIS GSEIS. All creatures, species, existence, etc, were created by ILIS INIS GSEIS, and stolen by Allah, Jehovah, Adam, Eve, Mary, Jesus Christ, and all the gods, persons, souls, creatures, species, etc, that hide these demonstrations and information. Incredible, shameful, but true and demonstrated in video codes. ---- Invite all your friends here. Share this message on your page, groups, internet, etc. Save this message to your computer. 3469. Se invart in jurul meu, tot felul de specii si creaturi vizibile si invizibile sa simta, sau sa constate, sau sa observe creatorul lor si al nostru, creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, cel adevarat viu etern online si prezent. Creatorul nu se poate vedea, simti, observa, consulta, etc, mai mult decat in codurile video ESGSEIS, cartea Etern Ordin, stiinte, tehnologie, magie, etc. Din cauza ca creatorul la toti si toate este invizibil, inexplicabil, incredibil, etc, multe specii si creaturi vizibile si invizibile il inlocuiesc cu alte creaturi vizibile si invizibile. Din cauza ca creatorul la toti si toate, a fost foarte greu de demonstrat, multe specii si creaturi vizibile si invizibile l-au inlocuit cu alte creaturi vizibile si invizibile. Din cauza ca creatorul este invizibil, inexplicabil, incredibil, etc, multe specii si creaturi vizibile si invizibile cred ca este arta, cultura, povesti, vise, jocuri glanda pineala, etc. Din cauza ca nu ma pot teleporta, multi cred ca nu exista creatorul nostru. Din cauza ca magiile din infinitul spatiu sunt foarte putine si slabe, multi cred ca nu exista creatorul nostru. Creatorul si-a demonstrat existenta in coduri video, la toate speciile si creaturile vizibile si invizibile, din infinitul timp si spatiu. Cam tarziu, dar mai bine decat niciodata. Sau probabil intai a construit internetul, videocamera, Excel, matematica, etc, ca sa poata sa ma convinga, ca el exista, si nu sunt eu, sau gandurile mele, sau persoane, sau etc. Sau probabil intai a construit internetul, videocamera, Excel, matematica, etc, pentru ca sa nu fie furat, clonat, modificat, ascuns, distrus, contrazis, etc de nimeni si nimic. Are interdictie din anul 2011, chiar pe internet, chiar in democratie, chiar dupa demonstratiile video paranormale matematice etc, chiar dupa anunturile de apocalipsa, chiar dupa anuntul de redistrugere si refacere a existentei, chiar daca i-a anuntat pe talhari de pedeapsa sufletelor lor in iad, chiar dupa ..... Nu crede nimeni in creator, suflete, si creaturi invizibile, desi sunt demonstratii in coduri video, ca exista creaturi invizibile. Ele pot teleghida persoanele, le pot modifica organele, sangele, etc, le pot manipula gandurile, etc. Sunt demonstratii in coduri video si viata mea. Aceasta creatura invizibila, creatorul nostru, interzice Biblia, Coranul, rugaciunile, ritualurile de crima si canibalism, circumciziile, inchinarile, sacrificiile, umilirile, razboaiele, terorismul, mii de alfabete limbi religii si politici, neintelegerea, cenzura, dezinformarea, talhariile de studii stiinte profit resurse banci persoane etc din trecut prezent si viitor, etc. S-au prezentat inutil aceste creaturi invizibile. Nu crede nimeni din anul 2011. Ele au anuntat apocalipsa, daca persoanele nu sunt instalate cu limba romana 26 litere, si rezumatul Etern Ordin. Nu se preocupa nimeni. Nimeni nu crede in zei, suflete, creaturi invizibile, etc, pentru ca au furat si ascuns aceste coduri video, creaturi, si anunturi, si pentru ca au ucis, amenintat, mutilat, etc, in jurul acestor creaturi si informatii. Persoanele au fost, sunt, si vor fi slabe, dezinformare, inselate, epuizate, platite, amenintate, santajate, dezinteresate, drogate, alcolizate, inconstiente, furate, mutilate, umilite, separate, cenzurate, si omorate.Tot la fel se intampla si cu sufletele lor. Imi pare rau, dar astea sunt demonstratiile adunate de pe planeta Pamant din ultimele milioane de ani, de stiinte, creator, etc. Creatorul existentei nu ne poate ajuta mai mult de atat. In eternitate, adevar, iubire, pace, ordine, intelegere, etc, a fost numai creatorul existentei. Noi abia in anul 2011, am cunoscut creatorul nostru, eternitatea, adevarul, iubirea, pacea, ordinea, intelegerea, etc. Unii le ascunde, altii le contrazice, altii vor sa le distruga, altii le inlocuieste cu epoca de piatra Biblie Quran engleza araba rusa chineza etc, altii nu le cauta, altii nu le gaseste, altii nu le intelege, altii sunt posedati santajati hipnotizati invidiosi inconstienti bolnavi drogati alcolizati epuizati etc, altii asteapta sa vina anul 2000 sa se intoarca Isus Hristos, altii nu cred ca exista astfel de informatii si creaturi, altii etc. Nu mai aveti nimic de primit de la creatorul existentei, adevar, realitate, iubire, pace, ordine, intelegere, unitate, egalitate, dreptate, eternitate, existenta, infinitul viitor spatiu, magie, etc. Cine vrea sa intre in eternitate, adevar, realitate, etc, trebuie sa invete alfabetul si limba Etern Ordin Infinit, si sa invete si aplice rezumatul cartii Etern Ordin Infinit. Cine vrea sa cunoasca creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, trebuie sa cunoasca rezumatul cartii Etern Ordin Infinit, si codurile video Etern Ordin Infinit, 24999, etc. Cine vrea sa ramana in povesti, iaduri, razboaie, terorism, comploturi, scandaluri, antistiinte, inchisori, moarte, secrete, necunoscut, epoca de piatra, jocuri glanda pineala, dusmanie, invidie, neintelegere, dezordine, talharii, etc, nu trebuie sa invete alfabetul si limba Etern Ordin Infinit, si sa invete si aplice rezumatul cartii Etern Ordin Infinit. Sa nu dati vina pe creatorul existentei ca va incuiat si abandonat in povesti, iaduri, razboaie, terorism, comploturi, scandaluri, antistiinte, inchisori,

moarte, secrete, necunoscut, epoca de piatra, jocuri glanda pineala, dusmanie, invidie, neintelegere, dezordine, talharii, etc. Sa nu dati vina pe creatorul existentei ca nu va arata, sau nu va lasa sa intrati in adevar, realitate, iubire, pace, ordine, intelegere, unitate, egalitate, dreptate, eternitate, existenta, infinitul viitor spatiu, magie, etc. Nimeni nu se poate teleporta in adevar, realitate, stiinte, eternitate, etc. Daca voi studiati intelegeti si respectati cartea Etern Ordin Infinit, voi cunoasteti si voi intrati in adevar, realitate, stiinte, eternitate, etc, si voi cunoasteti creatorul existentei etc. Aveti interdictie in adevar, realitate, stiinte, eternitate, etc, de la unele persoane mai rele decat toti diavolii dracii demonii si satanele din tot infinitul timp si tot infinitul spatiu adunate la un loc, de la unele persoane fara iubire mila frica rusine etc. Aceste persoane vor sa insele creatorul existentei, vor sa al alunge din adevar realitate eternitate pace etc, vor sa al omoare cu toate ca este invizibil si de nedistrus, altii il considera inexistent din cauza ca este invizibil cu toate ca sa prezentat in coduri video. Aceste persoane chiar au convingerea ca ele decid ce trebuie sa cunoasca, sa comunice si sa faca creatorul existentei, ei, si toate creaturile si speciile din infinitul viitor spatiu. Arestati si educati toate creaturile si speciile, din tot infinitul viitor spatiu, care contrazic sau ataca, creatorul existentei, adevarul, pacea, unitatea, intelegerea, egalitatea, eternitatea, realitatea, iubirea, respectul, dreptatea, cartea Etern Ordin Infinit, alfabetul si limba infinitului, etc. Probabil numai creatorul existentei nu ataca si nu contrazice adevarul, pacea, unitatea, intelegerea, egalitatea, eternitatea, realitatea, iubirea, respectul, dreptatea, cartea Etern Ordin Infinit, alfabetul si limba infinitului, etc. Din anul 2011 toate persoanele de pe planeta Pamant nu cauta, sau nu cunosc, sau ataca creatorul existentei, adevarul, pacea, unitatea, intelegerea, egalitatea, eternitatea, realitatea, iubirea, respectul, dreptatea, cartea Etern Ordin Infinit, alfabetul si limba infinitului, etc. Persoane fara mila frica rusine etc, se chinuie din anul 2011 sa ascunda, sau modifice, sau cloneze, sau manipuleze, sau ameninte, sau santajeze, sau omoare, creatorul existentei, adevarul, pacea, unitatea, intelegerea, egalitatea, eternitatea, realitatea, iubirea, respectul, dreptatea, cartea Etern Ordin Infinit, alfabetul si limba infinitului, toti zeii sufletele persoanele creaturile speciile etc din tot infinitul trecut spatiu si tot infinitul viitor spatiu morti vii sau nenascuti, etc. Nu vreti sa scapati din razboaie, minciuni, iaduri, secrete, necunoscut, imposibil, inexistent, antianatomie, antistiinte, comploturi, scandaluri, moarte, neintelegere, dusmanie, rasism, inselaciuni, talharii de studii stiinte resurse profit banci etc din trecut prezent si viitor, mii de alfabete limbi religii si politici, etc. A incercat creatorul existentei sa va alunge din minciuni moarte iaduri razboaie etc, in adevar, realitate, eternitate, etc, cu cartea Etern Ordin Infinit si cateva coduri video dar nu a reusit. Poate reuseste cu apocalipsa. ----- Invita toti prietenii tai aici. Distribuie acest mesaj in pagina ta, grupuri, internet, etc. Salveaza in computerul tau acest mesaj. 3469. All kinds of visible and invisible species and creatures revolve around me to feel, or to ascertain, or to observe their creator and ours, the creator the caretaker the guardian and the destroyer of the intelligence, of the existence of the sciences of the people of the souls of the galaxies, etc, eternally invisible, ILIS INIS GSEIS, the true eternal live online and present. The Creator cannot be seen, felt, observed, consulted, etc, more than in the ESGSEIS video codes, the book Eternal Order, science, technology, magic, etc. Because the creator of everything is invisible, inexplicable, incredible, etc, many visible and invisible species and creatures replace him with other visible and invisible creatures. Because the creator of everything was very difficult to prove, many visible and invisible species and creatures replaced him with other visible and invisible creatures. Because the creator is invisible, inexplicable, incredible, etc, many visible and invisible species and creatures think it is art, culture, stories, dreams, pineal gland games, etc. Because I cannot teleport me, many believe that our creator does not exist. Because the magics in infinite space are very few and weak, many believe that our creator does not exist. The Creator demonstrated his existence in video codes, to all visible and invisible species and creatures, from infinite time and space. A little late, but better than never. Or perhaps he first built the Internet, video camera, Excel, mathematics, etc, so that he could convince me that he exists, and it's not me, or my thoughts, or people, or etc. Or perhaps he first built the Internet, video camera, Excel, mathematics, etc, so that it would not be stolen, cloned, modified, hidden, destroyed, contradicted, etc. by nobody and nothing. It has been banned since the year 2011, even on the Internet, even in democracy, even after the paranormal mathematical video etc demonstrations, even after the announcements of the apocalypse, even after the announcement of the re-destruction and reconstruction of the existence, even if it announced to the robbers the punishment of their souls in hell, even after ..... No one believes in a creator, souls, and invisible creatures, although there are demonstrations in video codes, that there are invisible creatures. They can teleguide people, change their organs, blood, etc, manipulate their thoughts, etc. There are demonstrations in video codes and my life. This invisible creature, our creator, forbids the Bible, the Quran, prayers, rituals of murder and cannibalism, circumcisions, worships, sacrifices, humiliations, wars, terrorism, thousands of alphabets, languages, religions and politics, misunderstanding, censorship, misinformation, theft of sciences, studies, profit, resources, banks, people, etc from the past, present and future, etc. These invisible creatures presented themselves in vain. No one believes since 2011. They announced the apocalypse, if people are not installed with the Romanian language 26 letters, and the summary Eternal Order. No one cared. No one believes in gods, souls, invisible creatures, etc, because they stole and hid these video codes, creatures, and ads, and

because they killed, threatened, maimed, etc, around these creatures and information. People were, are, and will be weak, misinformed, deceived, exhausted, paid, threatened, blackmailed, disinterested, drugged, alcoholic, unconscious, stolen, mutilated, humiliated, separated, censored, and killed. Likewise with their souls. I'm sorry, but these are the demonstrations gathered from planet Earth over the last millions of years, by science, creator, etc. The creator of the existence cannot help us more than that. In eternity, truth, love, peace, order, understanding, etc, was only the creator of the existence. We only met our creator, eternity, truth, love, peace, order, understanding, etc, in the year 2011. Some hide them, others contradict them, others want to destroy them, others replace them with the stone age Bible, Quran, English, Arabic, Russian, Chinese, etc, others do not look for them, others do not find them, others do not understand them, others are possessed, blackmailed, hypnotized, envious unconscious, sick, drugged, alcoholic, exhausted, etc, others are waiting for the year 2000 to come for Jesus Christ to return, others do not believe that such information and creatures exist, others etc. You have nothing more to receive from the creator of the existence, truth, reality, love, peace, order, understanding, unity, equality, justice, eternity, existence, infinite future space, magic, etc. Whoever wants to enter in eternity, truth, reality, etc, must learn the alphabet and the language Eternal Order Infinite, and learn and apply the summary of the book Eternal Infinite Order. Who wants to know the creator, caretaker, guardian and destroyer of the intelligence, existence, sciences, technology, people, souls, galaxies, etc, eternally invisible, ILIS INIS GSEIS, must know the summary of the book Eternal Infinite Order, and the video codes Eternal Infinite Order, 24999, etc. Who wants to remain in stories, hells, wars, terrorism, conspiracies, scandals, anti-science, prisons, death, secrets, unknown, stone age, pineal gland games, enmity, envy, misunderstanding, disorder, robberies, etc, must not learn the alphabet and the language Eternal Order Infinite, and learn and apply the summary of the Eternal Order Infinite book. Don't blame the creator of the existence for locking you up and abandoning you in stories, hells, wars, terrorism, conspiracies, scandals, anti-science, prisons, death, secrets, unknown, stone age, pineal gland games, enmity, envy, misunderstanding, disorder, robberies, etc. Don't blame the creator of the existence for not showing you, or not letting you to enter in truth, reality, love, peace, order, understanding, unity, equality, justice, eternity, existence, infinite future space, magic, etc. No one can teleport into truth, reality, science, eternity, etc. If you study, understand and respect the book Eternal Infinite Order, you know and enter in truth, reality, science, eternity, etc, and you know the creator of the existence, etc. You have a ban in truth, reality, science, eternity, etc, from some people worse than all the devils, demons and satans from all infinite time and all infinite space gathered in one place, from some people without love, mercy, fear, shame, etc. These people want to deceive the creator of the existence, they want to banish him from truth, reality, eternity, peace, etc, they want to kill him despite the fact that he is invisible and indestructible, others consider him non-existent because he is invisible despite the fact that he was presented in video codes. These people really have the conviction that they decide what the creator of existence, they, and all the creatures and species from the infinite future space must know, communicate and do. Arrest and educate all creatures and species, from all the infinite future space, that contradict or attack, the creator of the existence, truth, peace, unity, understanding, equality, eternity, reality, love, respect, justice, the book Eternal Infinite Order, the alphabet and language of the infinity, etc. Probably only the creator of the existence does not attack and contradict the truth, peace, unity, understanding, equality, eternity, reality, love, respect, justice, the book Eternal Infinite Order, the alphabet and the language of the infinity, etc. Since the year 2011, all people on planet Earth do not seek, or do not know, or attack the creator of the existence, truth, peace, unity, understanding, equality, eternity, reality, love, respect, justice, the book Eternal Infinite Order, the alphabet and the language of the infinity, etc. People without mercy, fear, shame, etc, have been struggling since the year 2011 to hide, or modify, or clone, or manipulate, or threaten, or blackmail, or kill, the creator of the existence, truth, peace, unity, understanding, equality, eternity, reality, love, respect, justice, the book Eternal Infinite Order, the alphabet and the language of the infinity, all the gods, souls, persons, creatures, species, etc from all infinite past space and all future infinite space, living dead or unborn, etc. You don't want to escape from wars, lies, hells, secrets, unknown, impossible, non-existent, anti-anatomy, anti-sciences, conspiracies, scandals, death, misunderstanding, enmity, racism, deceptions, robberies of sciences, studies, resources, profits, banks, etc, from the past, present and future, thousands of alphabets, languages, religions and politics, etc. The creator of the existence tried to banish you from dead, lies, hells, wars, etc, in truth, reality, eternity, etc, with the book Eternal Infinite Order and some video codes, but he did not succeed. Maybe he succeeds with the apocalypse. ----- Invite all your friends here. Share this message on your page, groups, internet, etc. Save this message to your computer. Allah, Ra, Jehovah, Baphomet, Adam, Eve, Mary, Jesus Christ, etc, are allowed to kiss in ...., all their brothers and sisters, namely my creatures and species, but they are not allowed to humiliate them, kneel, kill, steal, separate, misinform, expel, etc. Probably the Muslims are sitting with their butts up, to be kissed in....., by Allah, but they haven't realized their position yet, and no one has informed them. This is how the creator of the existence transmits to me telepathically. It is the idea of our creator. Please give me my children back. All species, creatures, sciences, technologies, information, existence, galaxies, etc, are my children, my creatures, ILIS INIS GSEIS. They robbed the children of the creator of the existence, they robbed and hid the creator of the existence, they robbed existence, sciences, studies, resources, profit, banks, truth, peace, love, eternity, understanding, order, unity, equality, etc. This is how it looks, all the thieves, liars, crooks, racists, monsters, parasites, and assassins from all the infinite past space and from all the infinite future space. What democracy? All the gods, souls, persons, creatures, species, etc from infinite space, are allowed to sing, speak, write, humiliate, cheat, steal, mutilate and kill, only the creator of the existence, is not allowed to inform us, to explain us, to demonstrate us, to defend us, to save us, to love us, to unite us, to equalize us, to eternalize us, etc. The creator was not wrong when he showed us the apocalypse in several video codes. ----- Invite all your friends here. Creatorul nostru nu este complice sau autor, la astfel de asasinari, torturi, mutilari, inselaciuni, minciuni, etc. Persoane fara mila, rusine, etc, l-au asasinat pe Iisus Hristos pe litera t. In anul 2012, pe 13 iulie, persoane sau creaturi fara constiinta credinta etc, au asasinat pe litera t, numarul 13, etc, pe tatal meu. Un infarct. Pe 3 iulie 2022, persoane sau creaturi fara constiinta credinta etc, au asasinat pe litera t, pe mama. Tot un infarct. Strada inchisa, in forma de T, vila numarul 13, tara Romania, oras Roman. Nu mai ajutati diavolii, demonii, etc, sa fure copiii creatorului existentei, resursele, studiile, stiintele, profitul, bancile, etc din trecut prezent si viitor. Nu mai ajutati diavolii, demonii, etc, sa fure, insele, cloneze, modifice, ascunda, sau omoare creatorul existentei, pacea, adevarul, iubirea, respectul, dreptatea, logica, stiintele, eternitatea, intelegerea, unitatea, egalitatea, realitatea, persoanele, sufletele, etc. Creatorul existentei este invizibil, real, incredibil, etc, si a demonstrat existenta, inteligenta, corpul, planurile, etc, ale lui, in coduri video si cartea Etern Ordin Infinit. Intoarcerea corpului uman din morti este o minciuna. Corpul uman traieste pentru suflet. Cine ascunde, cine vrea sa distruga, sau cine nu vrea sa se converteasca la infinitul ales, infinitul promis, eternitate, pace, adevar, realitate, ordine, intelegere, unitate, egalitate, iubire, respect, dreptate, creatorul ingrijitorul pazitorul si distrugatorul existentei inteligentei stiintelor tehnologiei persoanelor sufletelor galaxiilor etc, etern invizibil, ILIS INIS GSEIS, corpul invizibil viu infinit, codurile video 24999, Etern Ordin Infinit, etc, alfabetul si limba infinitului, etc, este dezinformat, sau inconstient, sau lenes, sau hipnotizat, sau platit, sau gazat, sau santajat, sau amenintat, sau fricos, sau speriat, sau teleghidat, sau invidios, sau etc. Cine vrea sa apere, sau sa ramana convertit la moartea sufletelor, tirani, rasisti, teroristi, razboinici, dezinformati, alcolizati, drogati, mincinosi, escroci, paraziti, talhari, canibali, vampiri, oligarhi, pedofili, monstri, dusmani, invidiosi, mutilatori, asasini, sinucigasi, mii de alfabete limbi religii si politici, minciuni, razboaie, iaduri, neintelegere, dezinformare, imposibil, inexistent, necunoscut, secrete, capitalism, democratia mincinosilor, rugaciuni, inchinari, umiliri, ingenuncheri, sacrificii, mutilari, ritualuri de crima si canibalism, etc, este dezinformat, sau inconstient, sau lenes, sau hipnotizat, sau platit, sau gazat, sau santajat, sau amenintat, sau fricos, sau speriat, sau teleghidat, sau invidios, sau etc. Nu dati vina pe creatorul existentei ca nu ne explica, sau ca nu ne ajuta, sau ca ne-a abandonat. Ati asteptat 2000 de ani sa vedeti adevarul, realitatea, invierea trupurilor umane din morti, etc. Nu a fost nimic in anul 2000. O inselaciune. Autorii la aceasta inselaciune, sunt persoane fara constiinta, credinta, informatii, etc. Sau diavoli. Sufletele lor au murit in iad in soare. A trecut anul 2000, si diavolii si persoane fara constiinta credinta informatii etc, izgonesc in genunchi in anul 2000, copii, persoane, batrani, etc, lipsiti de ajutor, constiinta, informatii, etc. Musulmanii sunt alta forma de inselaciune, victime, si epoca de piatra, unde nu este scris nimic de curentul electric, microcip, adevar, realitate, eternitate, creatorul existentei etc, codurile video 24999, Etern Ordin, etc, etc. Lasati creatorul existentei sa salveze toate creaturile speciile existenta infinitul etc, de sapte trilioane de ani de razboaie, inchisori si scandaluri dintre infinite minciuni, specii, creaturi, alfabete, limbi, religii, si politici, de iaduri, de moarte, de apocalipse, de redistrugerea si refacerea existentei, de etc. Problema cea mai mare a existentei sunt persoanele care au case, conturi, etc, de peste un milion de euro. Aceste persoane sunt mai periculoase nemiloase etc, decat toti diavolii demonii canibalii vampirii etc din tot infinitul spatiu adunati la un loc. Definitia si demonstratia reala adevarata si stiintifica a acestor persoane: talhari de studii stiinte resurse tehnologie profit persoane etc din trecut prezent si viitor. Aceasta fraza trebuie sa existe in gandurile la toate creaturile, persoanele, sufletele, etc, pentru a ne elibera de diavoli demoni canibali vampiri talhari oligarhi tirani mincinosi paraziti asasini complici victime etc. Avem nevoie de zei, persoane, suflete, creaturi, preoti, psihologi, politisti, soldati, judecatori, doctori, savanti, scoli, biserici, televiziuni, etc, care sa ne apere de minciuni diavoli demoni canibali vampiri talhari oligarhi tirani mincinosi paraziti asasini complici victime etc. Avem nevoie de zei, persoane, suflete, creaturi, preoti, psihologi, politisti, soldati, judecatori, doctori, savanti, scoli, biserici, televiziuni, etc, care sa cunoasca, inteleaga, si respecte eternitatea, adevarul, intelegerea, pacea, egalitatea, unitatea, dreptatea, etc. Nu mai obligati creatorul existentei, si nici o persoana, creatura, specie, etc, sa fie pedofil, asasin, sinucigas, mutilator, mincinos, parazit, diavol, demon, escroc, tiran, rasist,

dezinformat, daunator, infectios, etc. Ajutati toate persoanele, creaturele, speciile, sufletele, etc, sa fie inteligenti, informati, folositori, sanatosi, iubitori, eterni, uniti, egali, cinstiti, intelegatori, pasnici, fericiti, respectosi, etc. Asa ne invata creatorul, logica, adevarul, realitatea, stiintele, iubirea, infinitul, existenta, etc. In infinitul trecut spatiu numai creatorul existentei a luptat impotriva la minciuni, diavoli, demoni, canibali, vampiri, oligarhi, talhari, rasisti, complici, dezinformare, secrete, razboaie, etc. Probabil va fi la fel si in infinitul viitor spatiu. Din anul 2011 nu al ajuta nimeni. Dictatura adevarului, iubirii, eternitatii, stiintelor, pacii, respectului, dreptatii, unitatii, egalitatii, intelegerii, etc, este interzisa din anul 2011 de democratiile razboaielor minciunilor terorismului secretelor dezinformarii talhariilor prostiei etc. Ajungem la apocalipsa in felul asta. Asa ne-a aratat in coduri video, aceasta creatura invizibila, creatorul existentei. De ce voi aveti frica sau rusine, din anul 2011, sa cunoasteti, sa intelegeti, sa distribuiti, sa aparati, si sa respectati, adevarul, realitatea, dreptatea, eternitatea, ordinea, intelegerea, egalitatea, unitatea, pacea, iubirea, Etern Ordin, 24999, etc? De ce unele persoane ascund, sau vor sa modifice, sau vor sa distruga adevarul, realitatea, dreptatea, eternitatea, ordinea, intelegerea, egalitatea, unitatea, pacea, iubirea, Etern Ordin, 24999, etc? Unde sunt toti zeii, persoanele, creaturele, speciile, preotii, judecatorii, politistii, soldatii, doctorii, politicii, magii, cantaretii, etc, din infinitul spatiu, incepand din anul 2011? Sunt in dezinformare, in inexistent, in anul 2000, in mii de alfabete limbi religii politici razboaie inchisori iaduri si minciuni, etc? Vine apocalipsa sa ne salveze. Creatorul existentei nu ne poate salva din anul 2011, de diavoli, demoni, paraziti, escroci, talhari, canibali, oligarhi, vampiri, minciuni, razboaie, secrete, scandaluri, comploturi, mii de alfabete limbi religii si politici, etc. Pana in anul 2048 vom vedea apocalipsa. Asa a anuntat in coduri video, creatorul existentei. ----- Invita toti prietenii tai aici. Distribuie acest mesaj in pagina ta, grupuri, internet, etc. Salveaza in computerul tau acest mesaj. 3472. The Eternal Order Infinite book is the only road, solution, information, gate, etc, to the chosen infinity, the promised infinity, eternity, peace, truth, reality, order, understanding, unity, equality, love, respect, justice, etc. This is the telepathy transmitted today by the creator of the existence. The memory of my brain and of the visible and invisible creatures who read the EOI book, or GSEIS telepathy rays, must always be fed with truth, information, love, respect, justice, reality, EOI, GSEIS video codes, etc, in order not to become intoxicated again of lies, misinformation, mistrust, death, hells, wars, devils, etc. Let the creator the caretaker the guardian and the destroyer of the intelligence, of the existence, of the sciences of the people of the souls of the galaxies etc, eternal invisible, ILIS INIS GSEIS, the truth, reality, peace, love, eternity, understanding, respect, order, invisible body living infinite, 24999, Eternal Infinite Order, the alphabet and the language of the infinity, etc, to free us from the death of the souls, tyrants, racists, terrorists, warriors, misinformed, alcoholics, drug addicts, liars, swindlers, parasites, thieves, cannibals, vampires, oligarchs, pedophiles, monsters, enemies, envious, mutilators, assassins, suicides, thousands of alphabets, languages, religions and politics, lies, wars, hells, misunderstanding, misinformation, impossible, non-existent, unknown, secrets, capitalism, democracy of the liars, etc. The truth and eternal reality demonstrated scientifically, logically, real, etc. The worships, the humiliations, the kneelings, the sacrifices, the circumcisions, the rituals of murder and cannibalism, the mutilations, the wars, the conspiracies, the disinformation, the secrets, the lies, etc, are built, accepted, loved, paid and guarded by devils, demons, satans, species creatures and persons unconscious or shameless or etc, or merciless, or paid, or misinformed, or possessed teleguided and hypnotized by devils, or etc. Whoever waited, is waiting, or will wait for the year 2000 to come, for Jesus Christ to come, is possessed by devils, or misinformation, or is insensitive, or unconscious, or etc. The devils, the criminal spirit, and the victim, Amen is the correct true real scientific and eternal translation to the Father, the son, and the holy spirit, Amen. Our Creator is not an accomplice or author of such murders, tortures, mutilations, deceptions, lies, etc. People without mercy, shame, etc, have assassinated Jesus Christ on the letter t. In the year 2012, on July 13, people or creatures without conscience, faith, etc, have assassinated my father on the letter t, number 13, etc. A heart attack. On July 3, 2022, people or creatures without conscience, faith, etc, have assassinated on the letter t, my mother. A heart attack. Closed T-shaped street, villa number 13, country Romania, city Roman. Let the creator of the existence, to defeat the devils, demons, terrorists, assassins, suicides, tyrants, oligarchs, robbers, cannibals, vampires, parasites, liars, accomplices, victims, wars, secrets, misinformation, blackmail, threats, death, hells, etc. Let the creator of the existence, to take back his children, meaning all creatures, species, sciences, technologies, galaxies, etc from infinite time and space. Stop helping devils, demons, etc, to steal the children of the creator of the existence, resources, studies, sciences, profit, banks, etc, from the past, present and future. Stop helping devils, demons, etc, to steal, clone, modify, hide, or kill the creator of the existence, peace, truth, love, respect, justice, logic, sciences, eternity, understanding, unity, equality, reality, people, souls, etc. The creator of the existence is invisible, real, incredible, etc, and has demonstrated his existence, intelligence, body, plans, etc, in video codes and the book Eternal Infinite Order. The return of the human body from the dead is a lie. The human body lives for the soul. Who hides, who wants to destroy, or who does not want to convert to the chosen infinity, the promised infinity, eternity, peace, truth, reality, order, understanding, unity, equality, love, respect, justice, the creator, the caretaker, the guardian and the destroyer of existence the intelligence of the sciences of the people of the souls of the galaxies, etc, eternal invisible, ILIS INIS GSEIS,

the infinite living invisible body, the video codes 24999, Eternal Infinite Order, etc, the alphabet and the language of infinity, etc, is misinformed, or unconscious, or lazy, or hypnotized, or paid, or gassed, or blackmailed, or threatened, or fearful, or scared, or teleguided, or envious, or etc. Who wants to defend, or remain converted to the death of the souls, tyrants, racists, terrorists, warriors, misinformed, alcoholics, drug addicts, liars, swindlers, parasites, thieves, cannibals, vampires, oligarchs, pedophiles, monsters, enemies, envious, mutilators, assassins, suicides, thousands of alphabets, languages, religions and politics, lies, wars, hells, misunderstanding, misinformation, impossible, non-existent, unknown, secrets, capitalism, democracy of the liars, prayers, worships, humiliations, kneeling, sacrifices, mutilations, rituals of murder and cannibalism, etc, is misinformed, or unconscious, or lazy, or hypnotized, or paid, or gassed, or blackmailed, or threatened, or fearful, or scared, or teleguided, or envious, or etc. Do not blame the creator of the existence for not explaining, or for not helping, or for abandoning us. You waited 2000 years to see the truth, the reality, the resurrection of human bodies from the dead, etc. There was nothing in the year 2000. A deception. The authors of this deception are people without conscience, faith, information, etc. Or devils. Their souls died in hell in the sun. The year 2000 has passed, and the devils and people without conscience, faith, information, etc, banish in knees in the year 2000, children, people, old people, etc, without help, conscience, information, etc. Muslims are another form of deception, victims, and the stone age, where nothing is written about electric current, microchip, truth, reality, eternity, the creator of existence, etc, video codes 24999, Eternal Order, etc, etc. Let the creator of the existence to save all creatures, species, existence, infinity, etc, from seven trillion years of wars, prisons and scandals between infinite lies, species, creatures, alphabets, languages, religions, and politics, from hells, from death, from apocalypses, from re-destruction and reconstruction of the existence, etc. The biggest problem of the existence are the people who have house, bank accounts, etc, of over one million euros. These people are more dangerous, merciless, etc, than all the devils, demons, cannibals, vampires, etc, from all the infinite space time put together. The real, true and scientific definition and demonstration of these people: thieves of studies, sciences, resources, technology, profit, people, etc, from the past, present and future. This phrase must exist in the thoughts of all creatures, persons, souls, etc, to free us from devils, demons, cannibals, vampires, robbers, oligarchs, tyrants, liars, parasites, murderers, accomplices, victims, etc. We need gods, persons, souls, creatures, priests, psychologists, policemen, soldiers, judges, doctors, scientists, schools, churches, televisions, etc, to defend us from lies, devils, demons, cannibals, vampires, robbers, oligarchs, tyrants, liars, parasites, accomplices, murderers, victims, etc. We need gods, people, souls, creatures, priests, psychologists, policemen, soldiers, judges, doctors, scientists, schools, churches, televisions, etc, who know, understand and respect eternity, truth, understanding, peace, equality, unity, justice, etc. Do not force the creator of the existence, nor any person, creature, species, etc, to be a pedophile, murderer, suicide, mutilator, liar, parasite, devil, demon, swindler, tyrant, racist, misinformed, harmful, infectious, etc. Help all persons, creatures, species, souls, etc, to be intelligent, informed, useful, healthy, loving, eternal, united, equal, honest, understanding, peaceful, happy, respectful, etc. This is how teaches us, the Creator, logic, truth, reality, science, love, infinity, existence, etc. In the infinite past space only the creator of the existence fought against lies, devils, demons, cannibals, vampires, oligarchs, thieves, racists, accomplices, misinformation, secrets, wars, etc. It will probably be the same in the infinite future space. Since the year 2011, no one has not helped him. The dictatorship of the truth, love, eternity, science, peace, respect, justice, unity, equality, understanding, etc, has been banned since the year 2011 by the democracies of wars, lies, terrorism, secrets, misinformation, robbery, stupidity, etc. We get to the apocalypse this way. This is how this invisible creature, the creator of the existence, showed us in video codes. Why are you afraid or ashamed, from the year 2011, to know, to understand, to distribute, to defend, and to respect, the truth, reality, justice, eternity, order, understanding, equality, unity, peace, love, Eternal Order, 24999, etc? Why some people, hide, or want to modify, or want to destroy the truth, reality, justice, eternity, order, understanding, equality, unity, peace, love, Eternal Order, 24999, etc.? Where are all the gods, persons, creatures, species, priests, judges, policemen, soldiers, doctors, politicians, magicians, singers, etc, from the infinite space, starting from the year 2011? Are they in disinformation, non-existent, in the year 2000, in thousands of alphabets, languages, religions, politics, wars, prisons, hells and lies, etc? The apocalypse is coming to save us. The creator of the existence cannot save us from the year 2011, by devils, demons, parasites, swindlers, thieves, cannibals, oligarchs, vampires, lies, wars, secrets, scandals, conspiracies, thousands of alphabets, languages, religions and politics, etc. Until the year 2048 we will see the apocalypse. This is what the creator of the existence, announced in video codes. ----- Invite all your friends here. Share this message on your page, groups, internet, etc. Save this message to your computer. 3474. Exterminarea dinozaurilor a fost efectuata de catre corpul invizibil viu infinit sau de catre creatura invizibila ESGSEIS, sau de catre o suta de miliarde de suflete? Este secret. Nu primim explicatii si demonstratii. Probabil le-a fost provocat infarct doar la dinozaurii, de pe toata suprafata planetei Pamant. Cine a judecat situatia? Cine a comandat exterminarea? Dinozaurii au fost avertizati de exterminare prin telepatie? In locul la dinozauri, au creat persoanele. Persoanele au fost judecate in anul 2011, de creatura invizibila ESGSEIS? Creatura a expus in coduri video deciziile si planurile ei? Vor fi exterminate doar persoanele care nu au memoria instalata asa cum comanda corpul invizibil viu infinit, sau creatura ESGSEIS? Sau sunt un trilion de suflete pe toata suprafata planetei Pamant care asteapta semnalul 707, exterminarea la toate persoanele care nu sunt instalate cu limba infinitului si numele creatorului? Persoanele au fost anuntate de exterminare, in diverse coduri video paranormale matematice inexplicabile etc, de catre creatorul existentei ILIS INIS GSEIS. Persoanele au fost anuntate de exterminare, in diverse genocide. Cernobil, Hiroshima, Fukushima, New York, L'Aquila, etc. Epidemii. Coronavirus, etc. Persoanele au fost anuntate de exterminare, in diverse intamplari din jurul meu, si de pe planeta Pamant. Codul video redistrugerea si refacerea existentei. Codurile video despre apocalipsa. Este totul incredibil desi a fost anuntat in coduri video. Nu cred ca este o joaca. Persoanele nu pot construi astfel de coduri calcule magii mesaje etc. Nu au organe, senzori, energii, etc, sa faca astfel de calcule, sa arenjeze cartile tarot in ordinea 24999, sa gaseasca cartea creator cu ochii inchisi, etc. Creaturi invizibile au exterminat doar dinozaurii si au lasat celelalte specii sa traiasca. Creaturi invizibile au anuntat in coduri video, exterminarea persoanelor care nu sunt instalate cu limba Etern Ordin Infinit. Probabil corpul invizibil viu infinit. Probabil un trilion de specii invizibile. Probabil creatura ESGSEIS. Inca nu pot sa imi explic, cum de au fost efectuate astfel de coduri video. Nu cred ca persoanele de pe planeta Pamant au cuvinte, stiinte, tehnologie, etc, sa ne explice aceste coduri video. Doar creatura invizibila ESGSEIS cunoaste stiinta si explicatiile cu care au fost create aceste coduri video, intamplari, cutremure, genocide, epidemii, etc. Galaxia solara este invartita in acelasi timp si la aceleasi distante de milioane de ani, sau mai mult, de catre corpul invizibil viu infinit. Pentru a mentine distanta dintre planete si stele, trebuie o creatura invizibila mai mare decat galaxia solara. Este inexplicabil, incredibil, etc. Creaturele persoanele etc, de pe planeta Pamant, nu ne dau explicatii corecte, stiintifice,

credibile, etc, despre codurile video ESGSEIS, suflete, creaturi invizibile, miscarea galaxiei solare, etc. In locul la dinozauri au fost create persoanele pentru a ajunge la codurile video ESGSEIS, si pentru a avea idee de aceasta creatura vie invizibila inexplicabila etc. Probabil in locul persoanelor va fi creata o alta specie? Ce coduri video mai sunt pe planeta Pamant? Codurile sunt facute de persoane, sau de creaturi invizibile? Ce anunta? Este anuntat in anul 2011, in coduri video, de catre creatorul existentei, exterminarea persoanelor, care nu sunt instalate cu limba Etern Ordin Infinit, iar persoanele nu se preocupa, au ascuns, ignora, ameninta, etc, nu dau explicatii, etc. Probabil asteapta sa vina anul 2000, sau probabil in loc de coduri video asteapta o persoana zburatoare, sau nu le intereseaza ca vor fi exterminate persoanele, sau sunt hipnotizate de alte creaturi invizibile, sau etc Noi toate creaturele si speciile vizibile si invizibile din infinitul spatiu, vrem sa aflam adevarul despre aceste coduri video, si despre aceasta creatura invizibila ESGSEIS. Doar atata putem afla? Cautam magi, savanti, teologi, zei, suflete, specii, creaturi, instrumente, tehnologii, cuvinte, stiinte, etc, care sa ne explice urgent, daca mesajele si codurile video sunt adevarate, si daca exista aceasta creatura invizibila ESGSEIS. Nu vrea sa ne explice nimeni, din anul 2011. Sau nu poate explica decat creatorul existentei? ------ Invita toti prietenii tai aici. 3474. The extermination of the dinosaurs was carried out by the invisible infinite living body or by the invisible creature ESGSEIS, or by a hundred billion souls? It's a secret. We do not receive explanations and demonstrations. Probably only dinosaurs, from all over the planet Earth, had heart attacks. Who judged the situation? Who ordered the extermination? Were the dinosaurs warned of extermination through telepathy? Instead at dinosaurs, they created the persons. Were the persons judged in the year 2011 by the invisible creature ESGSEIS? Did the creature expose its decisions and plans in video codes? Will be exterminated, only the people who do not have the memory installed as commanded by the infinite living invisible body, or the ESGSEIS creature? Or are there a trillion souls on the entire surface of the planet Earth waiting for the 707 signal, the extermination at all persons who are not installed with the language of the infinity and the name of the creator? The people were announced to be exterminated, in various inexplicable mathematical paranormal etc video codes, by the creator of the existence ILIS INIS GSEIS. People were announced to be exterminated in various genocides. Chernobyl, Hiroshima, Fukushima, New York, L'Aquila, etc. Epidemics. Coronavirus, etc. Persons have been notified of extermination, in various events around me, and on planet Earth. Video code re-destruction and reconstruction of the existence. Video codes about the apocalypse. Everything is incredible even though it was announced in video codes. I don't think it's a game. People cannot build such codes, calculations, messages, etc. They don't have organs, sensors, energies, etc, to make such calculations, to arrange the tarot cards in the order of 24999, to find the creator card with closed eyes, etc. Invisible creatures exterminated only the dinosaurs and left the other species to live. Invisible creatures have announced in video codes, the extermination of the people who are not installed with the language Eternal Order Infinite. Probably the infinite living invisible body. Probably a trillion invisible species. Probably the ESGSEIS creature. I still can't explain to myself how such video codes were made. I don't think that people on planet Earth have the words, sciences, technology, etc, to explain these video codes to us. Only the invisible creature ESGSEIS knows the sciences and explanations with which these video codes, events, earthquakes, genocides, epidemics, etc, were created. The solar galaxy is rotated at the same time and at the same distances for millions of years, or more, by the infinite living invisible body. To maintain the distance between planets and stars, an invisible creature larger than the solar galaxy is needed. It is inexplicable, unbelievable, etc. Creatures, people, etc, on planet Earth, do not give us correct, scientific, credible etc explanations, about ESGSEIS video codes, souls, invisible creatures, the movement of the solar galaxy, etc. Instead at dinosaurs, were created the persons to reach the ESGSEIS video codes, and to have an idea of this invisible, inexplicable, living, etc, creature Perhaps another species will be created instead at persons? What other video codes are there on planet Earth? Are the codes made by people, or by invisible creatures? What does it announce? It is announced in the year 2011, in video codes, by the creator of the existence, the extermination of the people, who are not installed with the language Eternal Order Infinite, and the people do not care, have hidden, ignore, threaten, etc, do not give explanations, etc. They are probably waiting for the year 2000 to come, or they are probably waiting for a flying person instead of video codes, or they don't care that people will be exterminated, or they are hypnotized by other invisible creatures, or etc. We all visible and invisible creatures and species from infinite space, we want to know the truth about these video codes, and about this invisible creature ESGSEIS. Is that all we can find out? We are looking for magicians, scientists, theologians, gods, souls, species, creatures, instruments, technologies, words, sciences, etc, to urgently explain to us if the messages and video codes are true, and if this invisible creature ESGSEIS exists. No one wants to explain to us, since 2011. Or can only the creator of the existence explain? ------ Invite all your friends here. Creatorul nostru ne roaga din anul 2011, sa abandonam epoca de piatra, Biblia, Coranul, diavolii, idiotii, mincinosii, dezinformatii, etc. Ati asteptat inutil sa vina anul 2000. A fost o inselaciune de diavoli. Au fost legalizate pentru alte doua mii de ani, minciunile, razboaiele, asasinarile, sinuciderile, terorismul, rasismul, talhariile de studii stiinte profit resurse tehnologie persoane etc din trecut prezent si viitor, iadurile, diavolii, idiotii, parazitii, etc. Creatorul nostru nu este nici complice nici autor, pentru ca el nu s-a prezentat pana in acesti ani. Nu s-a prezentat pana in acesti ani, pentru ca el sa nu fie invins, ascuns, modificat, clonat, etc. Iata ca si in aceste locuri si timpuri, creatorul nostru adevarat etern invizibil, are foarte multi adversari, concurenti, dusmani, etc. Iata ca si in aceste locuri si timpuri, creatorul nostru adevarat etern invizibil, are interdictie, si nu are voie sa ne explice si sa ne demonstreze ce inseamna el, adevarul, pacea, iubirea, dreptatea, ordinea, egalitatea, unitatea, respectul, intelegerea, eternitatea, etc, din anul 2011, pana in anul ..... Nimeni nu a avut voie sa ne explice si sa ne demonstreze ce inseamna el, adevarul, pacea, iubirea, dreptatea, ordinea, egalitatea, unitatea, respectul, intelegerea, eternitatea, etc, in tot infinitul trecut spatiu. Asa au vrut diavolii, idiotii, escrocii, asasinii, teroristii, invidiosii, complicii, etc. Duceti in tot infinitul viitor spatiu, aceste explicatii si demonstratii. ----- Invita toti prietenii tai aici. 3482. In codul video 4000, Etern Ordin, 24999, 26662, etc, aceasta creatura invizibila, s-a luptat cu toti diavolii, telepaticii, demonii, asasinii, teroristii, talharii, canibalii, vampirii, escrocii, mincinosii, etc, din tot infinitul trecut spatiu si din tot infinitul viitor spatiu. Unele fraze le-am primit de la mafiile telepatie, care vor sa inlocuiasca creatorul nostru si a lor adevarat invizibil, pentru ca este invizibil, pentru ca el nu le da voie sa talhareasca studiile stiintele profitul resursele bancile persoanele etc din trecut prezent si viitor, pentru ca el nu le da voie sa umileasca copiii, persoanele, etc si sa ai puna in genunchi si sa se roage la tablouri etc, pentru ca el ne-a condus la microcip tehnologie racheta Etern Ordin 24999 adevar realitate pace respect ordine intelegere unitate egalitate eternitate dreptate etc, pentru ca el vrea sa instaleze pe toti zeii sufletele persoanele creaturile speciile etc cu Etern Ordin 24999 adevar realitate pace respect ordine intelegere unitate egalitate eternitate dreptate etc, pentru ca el nu iubeste si nu tolereaza rasistii teroristii asasinii pedofilii talharii oligarhii canibalii vampirii minciunile rugaciunile inchinarile umilintele sacrificiile circumciziile mutilarile ritualurile de crima si canibalism razboaiele moartea sufletelor apocalipsele etc, etc. Cine a citit cartea Etern Ordin, varianta online originala, stie ce fel de creatura este creatorul nostru. Diavolii, demonii, escrocii, pedofilii, rasistii, idiotii, dezinformatii, drogatii, telepaticii, etc, au alte cuvinte despre creator, pace, adevar, iubire, eternitate, etc, decat cuvintele adevarate. Este foarte bine ca nimeni nu poate face complice sau autor creatorul nostru adevarat ILIS INIS GSEIS, de minciuni, razboaie, Biblie, Quran, epoca de piatra, scandaluri, moarte, talharii, mii de alfabete limbi religii si politici, neintelegere, neincredere, nepasare, invidie, rasism, nedreptate, talharii, asasinari, sinucideri, terorism, mutilari, sacrificii, rugaciuni, umiliri, inchinari, ritualuri de crima si canibalism, droguri, alcool, asteptare, izgoniri, dezinformare, cenzura, etc. Incredibil. Creatorul nu are voie sa se descrie si sa se prezinte, nici macar in epoca internetului. Adevarul, pacea, iubirea, eternitatea, creatorul, dreptatea, etc, au interdictie, tot infinitul timp si tot infinitul spatiu, de la diavoli, demoni, idioti, complici, teleghidati, hipnotizati, paraziti, dezinformati, mafioti, drogati, rasisti, etc. Din pacate pacea, creatorul, adevarul, iubirea, eternitatea, intelegerea, dreptatea, ordinea, respectul, Etern Ordin, etc, sunt mai necesare si mai importante decat spatiul, aerul, apa, etc, in viata la toti zeii sufletele persoanele creaturile etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu. Cine a gasit? Cine a citit? Cine a inteles? Cine crede? Cine distribuie? Cine pazeste? Cine iubeste? Voi nu ati aflat niciodata pa la creatorul nostru ILIS INIS GSEIS, ce inseamna iubirea, pacea, adevarul, dreptatea, egalitatea, unitatea, intelegerea, eternitatea, etc. Si daca ati aflat, ascundeti, sau nu publicati, sau vreti sa clonati modificati distrugeti etc, sau etc. Adevarul, pacea, iubirea, respectul, eternitatea, creatorul, etc, nu au voie sa vorbeasca, scrie, prezinte, descrie, traiasca, etc, tot infinitul timp si tot infinitul spatiu. Ce realitate tragica. Diavolii, demonii, razboaiele,

rasistii, tiranii, asasinii, talharii, parazitii, complicii, canibalii, vampirii, razboaiele, scandalurile, secretele, dezinformarea, nedreptatea, neintelegerea, invidia, prostia, moartea, apocalipsele, etc, au voie sa vorbeasca, scrie, prezinte, descrie, traiasca, etc, tot infinitul timp si tot infinitul spatiu. Ce realitate tragica. Cand toti zeii, sufletle, persoanele, creaturile, speciile, etc, din tot infinitul spatiu, vor gasi, studia, intelege, distribuie, si respecta, Etern Ordin, adevarul, creatorul ILIS INIS GSEIS, pacea, iubirea, eternitatea, respectul, alfabetul si limba infinitului, dreptatea, ordinea, etc, atunci va fi infinitul promis, libertate, pace, iubire, respect, ordine, dreptate, eternitate, etc. Atata timp cat toti zeii, sufletle, persoanele, creaturile, speciile, etc, din tot infinitul spatiu, gasesc, studiaza, inteleg, distribuie si respecta doar minciuni, epoca de piatra, razboaie, comploturi, dezinformare, secrete, necunoscut, rasism, nedreptate, talharii, dezordine, neintelegere, etc, atata timp va fi minciuni, razboaie, inchisori, scandaluri, moarte, asasinari, sinucideri, teroristi, diavoli, talhari, escroci, paraziti, complici, etc. Abandonati idiotii, diavolii, complicii, mincinosii, dezinformatii, teroristii, razboinicii, asasinii, canibalii, vampirii, tiranii, demonii, mortii, absentii, inexistentii, povestile, ideile, telepatia, etc, si veniti la creatura invizibila ILIS INIS GSEIS, creatura care ne-a condus la internet, rachete, bombe nucleare, stiinte, tehnologie, pace, iubire, dreptate, adevar, respect, unitate, egalitate, libertate, etc. Din anul 2011 nu intelege nimeni. Dupa parea la foarte multi idioti, rasisti, dezinformati, diavoli, demoni, etc, adevarul, pacea, eternitatea, dreptatea, infinitul, existenta, iubirea, ordinea, intelegerea, unitatea, egalitatea, creatorul, stiintele, tehnologia, toti, toate, etc, trebuie sa se converteasca la epoca de piatra, Allah, Iehova, Baphomet, Lucifer, Shiva, Buda, Zen, Adam, Eva, Maria, Isus Hristos, mii de alfabete limbi religii politici scandaluri si razboaie, etc. Este imposibil. Dupa trilioane de ani de investigatii, noi am gasit instrumentele, literele, limba, energiile, magiile, razele, radiatiile, stiintele, tehnologiile, persoanele, etc, cu care noi am gasit creatorul, adevarul, iubirea, realitatea, dreptatea, ordinea, intelegerea, respectul, unitatea, egalitatea, eternitatea, Etern Ordin, 24999, etc. Au fost furate si ascunse din anul 2011, pana in anul ..... Sa fie informate de acest furt si ascundere, toate persoanele, creaturile, speciile, sufletele, zeii, etc, din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, moarte vii sau nenascute. ----- Ignor punctele frazele ideile etc, care reprezinta telepatia la mafiile sapte chakra glanda pineala telepatie, din aceste investigatii. Am primit telefoane de la mii de persoane. Am discutat cu mii de persoane. Am primit telepatie de la mii de persoane si creaturi. De la creatorul nostru, este doar telepatia cu pace, iubire, respect, dreptate, ordine, intelegere, unitate, egalitate, eternitate, adevar, realitate, etc. De la mafiile sapte chakra glanda pineala telepatie, si alte creaturi invizibile, am primit telepatie care reprezinta razboaie, asasinari, mutilari, imbolnaviri, umiliri, nedreptate, minciuni, imposibil, inexistent, rugaciuni, ritualuri de crima si canibalism, scandaluri, etc. Se poate scoate din cartea Etern Ordin, tot ce cuprinde razboaie, asasinari, mutilari, imbolnaviri, umiliri, nedreptate, minciuni, imposibil, inexistent, rugaciuni, ritualuri de crima si canibalism, scandaluri, etc. Se pot face mai multe variante din cuvintele si telepatia creatorului nostru si la alte creaturi vizibile si invizibile din infinitul spatiu. O varianta numai cu pace, iubire, respect, ordine, intelegere, dreptate, egalitate, unitate, libertate, eternitate, etc. O varianta numai cu scandaluri, razboaie, etc, transmise de mafiile sapte chakra glanda pineala telepatie, si alte creaturi invizibile. Nu se poate sa primesti telepatie numai de la creatorul nostru. Poti sa iti dai seama de la cine ai primit telepatia. Telepatia buna, care este in sincronie cu adevarul pacea iubirea Etern Ordin dreptatea ordinea intelegerea unitatea egalitatea eternitatea etc, este de la creatorul nostru ILIS INIS GSEIS. Telepatia rea, care este in sincronie cu scandaluri, razboaie, epoca de piatra, Biblia, Coranul, minciuni, asasinari, mutilari, imbolnaviri, sacrificii, circumcizii, ritualuri de crima si canibalism, prostie, dezinformare, intuneric, invidie, rasism, diavoli, demoni, moartea, inexistent, necunoscut, secrete, etc, este creata si transmisa de concurentii creatorului nostru ILIS INIS GSEIS, si de mafiile sapte chakra glanda pineala telepatie, si alte creaturi invizibile. Trebuie facut un rezumat despre pace, iubire, adevar, realitate, respect, ordine, intelegere, eternitate, dreptate, creator, suflete, stiinte, tehnologie, energii, telepatie, magie, etc, pe care trebuie sa al studieze, inteleaga, si respecte toate creaturile, zeii, persoanele, sufletele, speciile, etc, din tot infinitul timp si tot infinitul spatiu. Evident ca aceasta sarcina nu apartinea la zeii, persoanele, creaturile, sufletele, etc, din epoca de piatra, care habar nu aveau ce forma are planeta Pamant, curentul electric, 24999, Etern Ordin, microcipul, tehnologia, adevarul, iubirea, eternitatea, respectul, ordinea, intelegerea, etc, dar vroiau sa salveze pe ei si pe toti de prostie, minciuni, dezinformare, terorism, razboaie, nedreptate, neintelegere, necunoscut, secrete, comploturi, imposibil, inexistent, moarte, iad, apocalipse, diavoli, demoni, etc. Din pacate cu apa cu sare, Biblie, Quran, epoca de piatra, etc, nu s-a salvat, nu se salveaza si nu se va salva nici un zeu suflet persoana creatura etc, de prostie, minciuni, dezinformare, terorism, razboaie, nedreptate, neintelegere, necunoscut, secrete, comploturi, imposibil, inexistent, moarte, iad, apocalipse, diavoli, demoni, etc. Creatorul nostru are tot ce ne trebuie sa ne salveze de prostie, minciuni, dezinformare, terorism, razboaie, nedreptate, neintelegere, necunoscut, secrete, comploturi, imposibil, inexistent, moarte, iad, apocalipse, diavoli, demoni, etc. Creatorul nostru a creat internetul, stiintele, tehnologiile, alfabetul si limba infinitului, cartea Etern Ordin, codurile video ESGSEIS, adevarul, iubirea, pacea, realitatea, eternitatea, intelegerea, etc, pentru ca sa ne salveze de prostie, minciuni, dezinformare, terorism, razboaie, nedreptate, neintelegere, necunoscut, secrete, comploturi, imposibil, inexistent, moarte, iad, apocalipse, diavoli, demoni, etc. Ne-a fost furata salvarea, creatorul, eternitatea, pacea, iubirea, ordinea, intelegerea, libertatea, unitatea, egalitatea, Etern Ordin, resursele, stiintele, tehnologia, profitul, bancile, etc, in tot infinitul trecut spatiu, si probabil vor face la fel in tot

infinitul viitor spatiu. Sunt foarte multe persoane, zei, creaturi, suflete, specii, suflete, etc, fara informatii, mila, rusine, frica, adevar, iubire, respect, dreptate, Etern Ordin, 24999, etc. Sunt foarte multe persoane, zei, creaturi, suflete, specii, suflete, etc, cu minciuni, invidie, prostie, dezinformare, droguri, alcool, telepatie, razboaie, otravuri, arme, etc. Va rog frumos sa veniti la creatorul existentei ILIS INIS GSEIS, sa ne arate, explice invete si salveze, Cine vrea sa fie salvat de moarte, iaduri, razboaie, minciuni, comploturi, scandaluri, diavoli, demoni, idioti, mincinosi, talhari, canibali, vampiri, paraziti, complici, etc? De la aparitia acestor posibilitati nu vrea nimeni. Foarte multi sunt convinsi ca se salveaza de moarte, iaduri, razboaie, minciuni, comploturi, scandaluri, diavoli, demoni, idioti, mincinosi, talhari, canibali, vampiri, paraziti, complici, etc, cu ajutorul la apa cu sare, epoca de piatra, Biblie, Quran, morti, inexistenti, anul 2000, Israel, Egipt, Islam, infinitul timp, infinitul spatiu, alcool, nepasare, dezinformare, etc. 11:11 1.07.2024 ------ Invita toti prietenii tai aici. 3483. Creatorul nostru, ILIS INIS GSEIS, adevarul, eternitatea, etc, au fost victorioase, tot infinitul trecut spatiu, chiar daca nu l-a cunoscut nimeni, pentru ca el este invizibil, si greu de demonstrat, si pentru ca el vrea sa se prezinte numai pe internet, cu creaturi informate corect si complet. Creatorul nostru, adevarul, eternitatea, etc, raman victorioase, tot infinitul viitor spatiu, chiar daca nu le vrea nimeni, chiar daca nu le va cunoaste nimeni, chiar daca nu le va crede intelege respecta distribui etc nimeni, chiar daca vor fi ascunse. Sunt pierzatori, mortali, etc, toti zeii, sufletele, persoanele, creaturile, etc, care nu cunosc, sau nu studiaza, sau nu inteleg, sau nu respecta, sau nu distribuie creatorul nostru, ILIS INIS GSEIS, adevarul, eternitatea, etc. Nu pot ajuta moartea, razboaiele, dezinformarea, prostia, diavolii, demonii, idiotii, invidiosii, escrocii, telepaticii, magii, etc, sa invinga creatorul nostru, ILIS INIS GSEIS, adevarul, eternitatea, etc. Foarte multe persoane, zei, suflete, creaturi, etc, s-au chinuit trilioane de ani, in tot infinitul trecut spatiu, etc, sa invinga, stearga, ignore, sau distruga, creatorul nostru, ILIS INIS GSEIS, adevarul, eternitatea, etc. Nu au reusit. Au reusit doar sa le ascunda de cand le-am gasit, din anul 2011. Incredibil. Creatorul nostru, ILIS INIS GSEIS, adevarul, eternitatea, etc, nu au fost cunoscute in tot infinitul trecut spatiu, si sunt ascunse din anul 2011, pana in anul ..... Diavolii, magii, telepaticii, etc, va alunga prin telepatie, santaj, aur, bani, filme, etc, de langa creatorul nostru, ILIS INIS GSEIS, adevar, eternitate, pace, dreptate, ordine, intelegere, unitate, explicatii, demonstratii, etc, si voi inca nu va dati seama. Diavolii, magii, telepaticii, etc, v-au incuiat si legat in dezinformare, minciuni, razboaie, mii de alfabete limbi religii si politici, anul 2000, moarte, etc, si nu va lasa sa va eliberati si intrati in pace, adevar, iubire, ordine, respect, realitate, dreptate, eternitate, etc. Creatorul nostru nu ne poate apara mai mult de atat, de tantari, virusi, bacterii, diavoli, demoni, lupi, dezinformati, idioti, escroci, mincinosi, talhari, rasisti, teroristi, razboinici, asasini, complici, etc. Sau poate prin apocalipsa. Foarte probabil ca va fi apocalipsa. Asa imi rezulta din aceste coduri video paranormale, efectuate de creatorul nostru. Intai el a dat explicatii si avertizari, desi stia ca nu al asculta nimeni, si ca al fura si ascunde in cenzura. Foarte multe creaturi, zei, persoane, suflete, etc, din infinitul timp si spatiu, sunt vinovate de ignorare, sau ascundere, sau abandon a creatorului, persoanelor, sufletelor, eternitatii, pacii, iubirii, dreptatii, intelegerii, unitatii, egalitatii, libertatii, adevarului, realitatii, respectului, etc. Foarte multe creaturi, zei, persoane, suflete, etc, din infinitul timp si spatiu, sunt vinovate de tentativ de distrugere sau de omor a creatorului, persoanelor, sufletelor, eternitatii, pacii, iubirii, dreptatii, intelegerii, unitatii, egalitatii, libertatii, adevarului, realitatii, respectului, etc. Foarte multe creaturi, zei, persoane, suflete, etc, din infinitul timp si spatiu, sunt vinovate de favorizare a minciunilor, razboaielor, dezinformarii, mortii, sinuciderilor, asasinarilor, mutilarilor, talhariilor, neintelegerii, dezordinei, nedreptatii, etc. Aceste infractiuni sunt pedepsite in mod automat cu razboaie, scandaluri, asasinari, sinucideri, rasism, talharii, apocalipse, iad, moarte, etc. ------ Invita toti prietenii tai aici. 3484. Creatorul nostru, ILIS INIS GSEIS, mi-a transmis prin telepatie cartea Etern Ordin, si codurile video ESGSEIS, asa cum a transmis prin telepatie la alte miliarde de persoane, de pe planeta Pamant, informatiile necesare pentru a ajunge la videocamera, laptop, racheta, tehnologie, chimie, matematice, fizica, informatica, stiinte, adevar, realitate, dreptate, pace, ordine, intelegere, iubire, egalitate, unitate, respect, eternitate, etc. A transmis prin telepatie foarte tarziu, numele lui, existenta lui, adevarul, realitatea, dreptatea, pacea, ordinea, intelegerea, iubirea, egalitatea, unitatea, respectul, eternitatea, etc. Aveau nevoie si alte persoane etc de aceste informatii. El nu a avut un loc sigur unde sa le expuna. Nici internetul si democratia de astazi nu au favorizat si usurat aceste expuneri, investigatii si prezentari. Sunt furate, ascunse, etc si aici. El a transmis prin telepatie mai multe alfabete si limbi? El este autorul sau complicele la neintelegerea dintre persoane suflete etc? Sau alte creaturi invizibile au copiat alfabetul si limba aleasa, alfabetul si limba infinitului? Alte creaturi invizibile pot repeta codurile video ESGSEIS? Intelegerea dintre toate persoanele sufletele etc are o singura forma, si este compusa din alfabetul si limba aleasa, alfabetul si limba infinitului. Intelegerea este o necesitate, pentru toate persoanele sufletele etc, din tot infinitul timp si spatiu. Creatorul a transmis destul de tarziu acest adevar si necesitate. Totusi persoanele inca nu sunt pregatite sa gaseasca inteleaga respecte si aplice aceasta necesitate. Adevarul, realitatea, dreptatea, pacea, ordinea, intelegerea,

iubirea, egalitatea, unitatea, respectul, eternitatea, etc, sunt necesitati si obligatii, pentru toate creaturile, asadar nu trebuie sa lipseasca din memoria la nici un suflet, persoana, zeu, creatura, etc. Sunt foarte multe razboaie, talharii, asasinari, inselaciuni, etc, din cauza ca foarte multe persoane nu au viata si memoria instalate cu adevar, realitate, dreptate, pace, ordine, intelegere, iubire, egalitate, unitate, respect, eternitate, etc. Sunt foarte multe razboaie, talharii, asasinari, inselaciuni, etc, din cauza ca foarte multe persoane au viata si memoria instalate cu alcool, droguri, epoca de piatra, Biblie, Quran, minciuni, neintelegere, invidie, neincredere, necunoscut, dezinformare, imposibil, inexistent, capitalism, nedreptate, nepasare, etc. Unele persoane chiar daca sunt instalate corect si complet, pot fi teleghidate de magii telepatie, in diverse infractiuni etc. Daca creatorul vrea, poate salva aceste persoane, si poate transmite alte raze de telepatie, sau chiar poate bloca telepatia la mafiile telepatie. Nu poate ajuta in acelasi timp, mai multe persoane, creaturi, etc, de pe toata suprafata planetei Pamant, sau din tot infinitul spatiu. Creatorul se teleporteaza in infinitul spatiu, sau teleporteaza pachete de telepatie in memoria la alte persoane, creaturi, suflete, zei, specii, etc. Toate speciile si creaturile au primit inteligenta si informatii de la creator, prin telepatie. Pachete de informatii telepatice de decriptat, Convorbiri telepatice. 51. Eveniment. Pilotare ..... Un paianjen se invartea in jurul la literele noi T . Litere diverse . Modelul nou . Pe un fond ros . Si vulturul se invartea pe cer . E ceva normal . Dar paianjenul sa urmeze o traiectorie asa ? L-am urmarit pana la aripa dreapta. Acolo l-am calcat sa vad daca e adevarat. Iesise zeama. Nu era microcip. Creatorul a demonstrat ca comunica cu insectele prin telepatie. Alte demonstratii de comunicari telepatice cu animale sunt descrise in documentele mele. Magii telepatie pot pilota si ei alte persoane, dar nu pot pilota animalele, insectele, planetele, stelele, soarele, etc. Magii telepatie si nimeni altul, nu poate repeta codurile video Etern Ordin, 26662, 24999, 4000, etc. Filozofia, Biblia, Coranul, etc, pot fi clonate si de copii. Adevarul, eternitatea, pacea, intelegerea, dreptatea, iubirea, ordinea, egalitatea, unitatea, respectul, etc, au o singura forma eterna, in tot infinitul trecut spatiu si in tot infinitul viitor spatiu, si sunt compuse din alfabetul si limba infinitului, cartea Etern Ordin, si codurile video Etern Ordin, 26662, 24999, 4000, etc. S-au infiltrat si magii telepatie in aceste investigatii, informatii, coduri, etc. Am gresit. Trebuia sa pun doar aceasta creatura invizibila ILIS INIS GSEIS. Celelalte miliarde de persoane care au facut de intermediari telepatici pentru a ajunge la videocamera, Excel, adevar, suflete, eternitate, creator, etc, sunt mai putin importante. Si apoi imi pare rau, ca unii dintre ei sunt chiar aceia care vor sa al stearga pe creatorul adevarat din existenta, sau aceia care nu au cunoscut creatorul adevarat, sau aceia care au avut o parere si o descriere gresita despre creator, sau aceia care vor sa faca complice sau autor pe creator de talharii razboaie minciuni rugaciuni sacrificii inchinari umiliri ritualuri de crima si canibalism etc, sau aceia care au cunoscut diavolii sau magii telepatie travestiti de creator. Nu toata viata mea, si actiunile mele, reprezinta creatorul nostru ILIS INIS GSEIS. Aceasta creatura invizibila teleghideaza persoanele speciile creaturile etc prin telepatie de mii de ani, sau milioane, sau trilioane sau nu stiu. Asa va face si in infinitul viitor spatiu. Aceasta creatura invizibila a reusit sa ajunga la codurile video Etern Ordin, 26662, 24999, 4000, etc, si sa ne arate forma reala eterna etc, a eternitatii, a sufletelor, a adevarului, a intelegerei, a pacii, a dreptatii, a unitatii, a egalitatii, a lui, etc. Creatorul nostru adevarat etern, ne-a eliberat in aceste coduri video, de toti diavolii, demonii, tiranii, mincinosii, dezinformatii, talharii, canibalii, vampirii, parazitii, telepaticii, razboaiele, comploturile, scandalurile, inchisorile, complicii, victimele, etc, din tot infinitul trecut spatiu si din tot infinitul viitor spatiu. Imi pare rau ca aceasta eliberare este cenzurata si ascunsa din anul 2011 pana in anul ..... Imi pare rau ca aceasta eliberare si informatii, nu pot fi teleportate in memoria la toate persoanele sufletele etc din infinitul spatiu, si ca aceste informatii si eliberare trebuie studiata macar trei ore pe luna toata durata vietii carnale, ca sa poti beneficia de ea. Imi pare rau ca nimeni nu vrea sa fie eliberat de diavoli, demoni, moarte, minciuni, telepatici, necunoscut, neintelegere, mii de alfabete limbi religii si politici, nedreptate, dezordine, secrete, razboaie, apocalipse, comploturi, scandaluri, asteptare, inchisori, tirani, rasisti, talhari, canibali, vampiri, paraziti, teroristi, razboinici, asasini, idioti, etc, din anul 2011, pana in anul ..... Cati si-au dat seama ca sunt implicati, integrati, incuiati, legati, mutilati, inselati si omorati in razboaie, minciuni, dezinformare, secrete, etc? Nu dati vina pe creator, ca nu vrea sa va ajute, sau ca el este autor si complice la toate razboaiele, talhariile, scandalurile, minciunile, etc, din infinitul timp si spatiu. Voi nu vreti sa fiti eliberati de moarte, razboaie, minciuni, iaduri, apocalipse, diavoli, demoni, satane, eve, asasini, mincinosi, dezinformati, epoca de piatra, etc. Voi nu vreti sa gasiti, cunoasteti, studiati si respectati creatorul, eternitatea, pacea, intelegerea, dreptatea, iubirea, ordinea, egalitatea, unitatea, respectul, Etern Ordin, etc. Cine vrea sa fie integrat in infinitul promis, eternitate, adevar, pace, dreptate, intelegere, unitate, egalitate, ordine, iubire, respect, etc? Doar creatorul in tot infinitul timp si spatiu, si nimeni altul? Nici o creatura din infinitul trecut spatiu, nu a putut fi integrata in infinitul promis, eternitate, adevar, pace, dreptate, intelegere, unitate, egalitate, ordine, iubire, respect, etc, deoarece creatorul abia acum a expus aceste informatii eterne. Cate creaturi din infinitul viitor spatiu vor sa fie integrate in infinitul promis, eternitate, adevar, pace, dreptate, intelegere, unitate, egalitate, ordine, iubire, respect, etc? Cate creaturi vor sa cunoasca creatorul adevarat? Cate creaturi cunosc diavolii si au impresia ca este creatorul? Cate creaturi vor sa ramana integrate legate si incuiate in moarte, razboaie, minciuni, dezinformare, secrete, necunoscut, neintelegere, nedreptate, talharii, comploturi, anul 2000, Europa, China, India, Africa, Rusia, America, Brazilia, Australia, Biblie, Quran, engleza, rusa, chineza, araba, etc? Lasati toti zeii sufletele persoanele creaturile etc din tot infinitul trecut spatiu si tot infinitul viitor spatiu sa gaseasca,

studieze, inteleaga, si respecte adevarul, eternitatea, creatorul, si toate necesitatile si obligatiile lor. Persoane fara constiinta, mila, rusine, frica, iubire, respect, etc, au furat pacea, adevarul, dreptatea, unitatea, eternitatea, etc la toti zeii sufletele persoanele creaturile etc din tot infinitul trecut spatiu si tot infinitul viitor spatiu, din anul 2011 pana in anul ..... Nimeni nu ne poate ajuta si apara de aceste persoane? Nici macar creatorul? Sau poate ca da. Prin apocalipsa. Cine vrea sa cunoasca studieze inteleaga iubeasca si respecte creatorul, intelegerea, iubirea, dreptatea, eternitatea, sufletele, pe el, pe altii, etc, trebuie neaparat sa gaseasca studieze inteleaga si respecte, cartea Etern Ordin si codurile video ESGSEIS. N e aparat. Aparut apare. Apa. Neaparat are doua semnificatii. Fara aparare. Obligatoriu. Este un complot lingvistic? Sau asa a vrut creatorul? Sa dea doua semnificatii la aceleasi litere? Sa adauge virgule pe unele litere? Inventatorii de alfabete si limbi, au avut impresia ca cine se foloseste de o limba cu multe litere, cu cuvinte cu multe litere, cu litere complicate, si multe cuvinte cu dubla semnificatie, nu poate castiga impotriva lor, la diavoli, la minciuni, la secrete, la telepatie, la dezinformare, la razboaie, la armele nucleare, la alfabete si limbi mai simple, etc. Creatorul a castigat impotriva la razboaie, moarte, minciuni, epoca de piatra, Biblie, Quran, engleza, araba, chineza, rusa, dezinformare, nedreptate, talharii, etc, prin intermediul la cartea Etern Ordin, magie, telekinezie, paranormal, alfabetul si limba infinitului, si codurile video ESGSEIS. Glorie eterna stiintifica explicata demonstrata etc. Gloria creatorului, a fost furata si ascunsa din anul 2011 pana in anul ..... Sper ca creatorul, sa nu ne arate aceasta glorie si in apocalipsa. Voi v-ati chinuit tot infinitul trecut spatiu sa invingeti razboaiele, moartea, secretele, neintelegerea, necunoscutul, diavolii, demonii, talhariile, prostia, rasismul, etc, dar nu ati reusit. Nu functioneaza cu apa cu sare, epoca de piatra, Biblie, Quran, rugaciuni, ritualuri de crima si canibalism, sacrificii, asteptari, inchinari, umiliri, povesti, minciuni, telepatie, engleza, araba, rusa, sabii, pistoale, bombe nucleare, etc. Functioneaza doar cu informatiile creatorului expuse in cartea Etern Ordin si codurile video ESGSEIS. Trebuie sa le gasiti, studiati, instalati, publicati, respectati, sponsorizati, etc. Altfel ramaneti in razboaie, rasism, nedreptate, neintelegere, terorism, moarte, iaduri, talharii, etc, tot infinitul viitor spatiu. Altfel nu ajungeti niciodata la creator, infinitul promis, adevar, pace, ordine, intelegere, respect, dreptate, iubire, eternitate, etc. Diavolii au incercat, incearca, si vor incerca, sa va construiasca alta forma de creator, pace, adevar, eternitate, intelegere, ordine, dreptate, respect, iubire, etc, dar nu au reusit in tot infinitul trecut spatiu si nu vor reusi in tot infinitul viitor spatiu. Gloria creatorul nostru ILIS INIS GSEIS. Diavolii nu vor pronunta niciodata gloria creatorul nostru, gloria ILIS INIS GSEIS. Diavolii pronunta: Gloria minciunile, papusile, epoca de piatra, neintelegerea, razboaiele, mii de alfabete limbi religii si politici, moartea, iadurile, asasinarile, sinuciderile, etc. Diavolii si victimele lor traiesc in razboaie, piramide, minciuni, talharii, dezinformare, necunoscut, terorism, santaj, amenintari, mutilari, asasinari, moarte, iaduri, etc, dar spun ca asa arata paradisul, pacea, iubirea, dreptatea, intelegerea, etc, si aici i-a condus si abandonat creatorul lor si al nostru. Chiar au curajul sa transmita ca asa ai invata creatorul, sau ca creatorul le da voie sa faca ce vor. Creatorul nu va da voie sa faceti razboaie, talharii, mutilari, infractiuni, asasinari, etc. Creatorul nu va invata sa furati ascundeti si distrugeti creatorul, adevarul, pacea, iubirea, ordinea, intelegerea, dreptatea, unitatea, eglaitatea, eternitatea, etc. Creatorul nu va da voie sa va instalati cu minciuni, epoca de piatra, secrete, dezinformare, neintelegere, nedreptate, necunoscut, nepasare, etc. N e intelegere, dreptate, iubire, eternitate, pace, respect, etc. Asa a ales creatorul nostru, creatorul limbei si alfabetului infinitului. ------ Invita toti prietenii tai aici. You need a lot of courage, information, help, time, technologies, intelligence, attention, etc, in order to free yourself from devils, demons, tyrants, crooks, racists, thieves, parasites, secrets, unknown, impossible, non-existent, waiting, wars, death, hell, etc. Only today you have everything you need to free yourself from devils, demons, tyrants, swindlers, racists, robbers, parasites, secrets, unknown, impossible, non-existent, waiting, wars, death, hell, etc. Since the year 2011, no one has not been released yet. Will not? Didn't they realize? They do not understand? Not .....? Are they paid to deny the creator, truth, eternity, etc.? Are they misinformed? Are ....? The creator the caretaker the guardian and the destroyer of the intelligence,

of the existence, of the sciences, of the people, of the souls, of the galaxies, etc, eternal invisible, ILIS INIS GSEIS, the living invisible body infinite, eternity, love, truth, understanding, peace, respect, equality, unity, order, justice, reality, the book Eternal Order, ESGSEIS video codes, and the language of the infinity, are air, water, food, vitamins, energies, treatment, etc, for souls, and they are necessities and obligations for all persons creatures etc. Many stories, ideas, lies, alphabets, languages, persons, gods, souls, creatures, foods, substances, etc, poison and kill the souls, persons, peace, love, justice, respect, order, understanding, unity, equality, eternity, truth, existence, infinity, etc. Happily, the creator, caretaker, guardian and destroyer of intelligence, existence, science, technology, people, souls, galaxies, etc, eternally invisible, ILIS INIS GSEIS, resurrects them again. The peace, eternity, etc, were barely found in the year 2011. In the infinite past space, no one found not them. I don't know if anyone can kill them. If they kills them, they will be resurrected by the creator anyway. Be very careful, not to lose, not to confuse, or not to kill, the creator, souls, peace, love, justice, respect, order, understanding, unity, equality, eternity, truth, existence, infinity, the book Eternal Order, the codes video ESGSEIS, and the language of the infinity. These are air, water, food, treatments, eternity, etc, to the souls of all persons, etc. Please stop drugging, mutilating, infecting, poisoning and killing your souls with stories, prayers, rituals of murder and cannibalism, mutilations, sacrifices, circumcisions, worship, lies, stupidity, mistrust, misunderstanding, madness, carelessness, racism, wars, robberies, etc. The Creator asks us to free ourselves from liars, racists, murderers, thieves, oligarchs, cannibals, vampires, parasites, idiots, alcoholics, misinformed, unconscious, devils, demons, death, hells, wars, thousands of alphabets languages politics and religions, era of stone, scandals, mistrust, misunderstanding, unknown, secrets, etc. The Creator asks us to learn the peace, love, justice, respect, order, understanding, unity, equality, eternity, truth, existence, infinity, the book Eternal Order, ESGSEIS video codes, and the language of the infinity. Persons are not the creators of the intelligence, sciences, etc. What they have inside is important. Souls or other invisible creatures. The most important creatures from existence are: 1 ILIS INIS GSEIS, 2 The infinite living invisible body, 3 the rest of the creatures and species. Incredible. Since the year 2011, you have been deceived, tortured, misinformed, humiliated, brought to your knees, robbed, separated, and killed, knowingly and online. These people really have the courage to say, write, transmit, etc, that the creator taught them to do so, or he is the author and accomplice. These people have convinced you that it is culture, art, tradition, religion, and policy, that we should all be deceived, tortured, misinformed, humiliated, kneeled down, robbed, separated, and killed, knowingly and online. Wake up everyone, and destroy everything that is Anti-Truth, Anti-Creator, Anti-Peace, Anti-Information, Anti-Love, Anti-Eternity, Anti-Justice, Anti-Equality, Anti-Unity, Anti-Understanding, Anti-Persons, Anti-Souls, Anti-etc. Or the apocalypse knows about us. 3487. I worked for all the gods, souls, persons, creatures, species, etc, from all past infinite space, and from all future infinite space, because I sought, found and explained the creator, caretaker, guardian and destroyer of intelligence, existence, science, technology, people, souls, galaxies, etc, eternally invisible, ILIS INIS GSEIS, the infinite living invisible body, eternity, love, truth, understanding, peace, respect, equality, unity, order, existence, infinity, the language of the infinity, ESGSEIS video codes, etc. Wolves, mosquitoes, parasites, bacteria, viruses, devils, demons, robbers, oligarchs, vampires, cannibals, thieves, accomplices, misinformation, etc, are creatures without mercy, shame, fear, love, respect, justice, etc. For some creatures, their salvation from lies, wars, unknown, secrets, etc, is only death, or the apocalypse. All creatures from all infinite time and space can be saved from lies, wars, unknown, secrets, mistrust, misinformation, hell, death, misunderstanding, etc, only with the book Eternal Order, written by the real present eternal invisible creator ILIS INIS GSEIS. ----- Everything that is created from truth, reality, eternity, love, justice, equality, unity, peace, order, understanding, respect, existence, infinity, anatomy, chemistry, physics, sciences, technology, etc, is created by the creator, caretaker, guardian and destroyer of the intelligence, existence, sciences, technology, people, souls, galaxies, etc, eternally invisible, ILIS INIS GSEIS. ---- Everything that is created from racism, lies, misunderstanding, wars, humiliation, mistrust, misinformation, disorder, injustice, impossible, non-existent, thefts, robberies, secrets, scandals, etc, is created by crooks, robbers, assassins, devils, demons, etc. Each creature must defend itself against mosquitoes, parasites, wolves, devils, accomplices, lies, misinformation, secrets, unknown, stupidity, racism, mistrust, death, hell, crimes, assassins, racists, terrorists, warriors, etc. The Creator showed us how, in the book Eternal Order. The Creator wants to multiply infinitely, in order to guard and help infinite creatures from the infinite space, but he cannot. 3488. Nu consider ca au o mare importanta persoanele, deoarece ele sunt doar traducatori de informatii si creaturi invizibile prin telepatie etc, deoarece ele sunt mortale, deoarece ele fara suflete ar valora foarte putin, deoarece ele sunt atacate de tot felul de insecte, virusi, bacterii, boli, informatii, substante, fenomene, gaze, etc, deoarece ele au memorie slaba si temporara, deoarece ele sunt inselate foarte usor de minciuni nepasare neincredere dezinformare telepatie vraji etc, deoarece ele nu isi cunosc, sau isi refuza necesitatile adica adevarul eternitatea iubirea intelegerea ordinea egalitatea respectul unitatea pacea etc, etc. Sufletele instalate cu limba infinitului, si Etern Ordin, au valoare si sunt importante, deoarece ele sunt eterne, deoarece ele se pot teleporta in tot infinitul spatiu, deoarece ele pot trai in tot infinitul spatiu, deoarece ele sunt invizibile, deoarece ele pot atraversa prin ziduri metal planete soare etc, deoarece ele au memorie puternica mare si eterna, deoarece ele nu pot fi inselate de minciuni nepasare neincredere dezinformare telepatie vraji etc, deoarece ele isi cunosc, protejeaza si respecta necesitatile adica adevarul eternitatea iubirea intelegerea ordinea egalitatea respectul unitatea pacea etc, etc. Creaturile invizibile care au facut aceste coduri video si informatii, care au inventat matematica, fizica, chimia, magia, telekinezia, etc, si care au condus toate creaturile la videocamera, tehnologie, adevar, pace, respect, unitate, intelegere, Etern Ordin, etc, au valoare foarte mare in infinitul timp si spatiu. Persoanele sa nu talhareasca drepturile de

autor ILIS INIS GSEIS. Persoanele doar traduc prin telepatie etc, informatii si tehnologii invizibile, care exista de trilioane de ani, sau mai mult, si care au fost create de ILIS INIS GSEIS. In gandurile persoanelor, nu va putea fi scris niciodata si nicaieri, cum poti ajunge cu ochii inchisi la cartea tarot cu scrisul creator, dintre 835 de carti de tarot. Sau cum sa ajungi la suma de 24999 de doua ori, in acelasi cod video, cu 42 de carti de tarot. Escrocii spun ca este intamplare, sau video fabricat, sau ignora, sau ascund, sau etc. Creatorul si corpul invizibil viu infinit, nu sunt gandurile noastre, sau idei, arta, cultura, traditie, etc, sunt realitati, vii, prezente, eterne, invizibile, etc, si sunt demonstrate de ele in aceste coduri video. Creaturi invizibile cu astfel de caracteristici, nu puteau sa isi demonstreze existenta, decat prin coduri video, efectuate cu ajutorul cartilor de tarot, Excel, matematica, magie, paranormal, necunoscut, inexplicabil, incredibil, telekinezie, etc. Ele nu si-au demonstrat doar existenta, au anuntat apocalipsa, au demonstrat de ce au murit toti zeii sufletele persoanele creaturile etc din tot infinitul trecut spatiu, au explicat adevarul eternitatea iubirea intelegerea ordinea egalitatea respectul unitatea pacea etc, etc. Din pacate, din infinitul trecut spatiu, numai creatorul si-a cunoscut drepturile si necesitatile, adica adevarul eternitatea iubirea intelegerea ordinea egalitatea respectul unitatea pacea etc. El este si creatorul lor. Multi si-au construit premiul nobel pentru pace, etc, dar habar nu au ce inseamna pacea, etc. Abia in aceste timpuri creatorul a gasit o persoana puternica, care sa se poata apara de telepatiile negative, si sa selectioneze doar telepatia unde este expus si explicat adevarul eternitatea iubirea intelegerea ordinea egalitatea respectul unitatea pacea etc. Creatorul nu a gasit in tot infinitul trecut spatiu, o creatura capabila sa traduca in format vizibil, adevarul eternitatea iubirea intelegerea ordinea egalitatea respectul unitatea pacea etc. Unii au fost asasinati, altii nu au stiut ce sa caute, altii au fost neatenti nepasatori inconstienti vrajiti hipnotizati teleghidati etc, altii nu au avut videocamera timp Excel matematica tarot interes curaj iubire curiozitate etc, altii au avut doar hieroglife apa sare sange mutilari minciuni povesti telepatie etc, altii etc. Desi a fost gasit creatorul, adevarul eternitatea iubirea intelegerea ordinea egalitatea respectul unitatea pacea etc, in anul 2011, toate persoanele sufletele creaturile speciile etc sunt alungate de aici, prin telepatie, vraji, gaze, aur, bani, salarii, minciuni, amenintari, asasinari, mutilari, dezinformare, medicamente, alcool, votul celor dezinformati, mii de alfabete limbi religii si politici, trilioane de ani de galagie cantece poezii povesti etc, etc. Adevarul, eternitatea, intelegerea, pacea, iubirea, dreptatea, ordinea, unitatea, egalitatea, respectul, etc, nu se pot teleporta in memoria la toate creaturile si speciile din infinitul spatiu si timp. Ele se instaleaza in memoria la toate creaturile si speciile din infinitul spatiu si timp, prin citirea la cartea Etern Ordin. Cate specii si creaturi vor sa isi instaleze memoria cu numele creatorului, 24999, Etern Ordin, adevar, eternitate, intelegere, pace, iubire, dreptate, ordine, unitate, egalitate, respect, etc? Doar creatorul. Cate specii si creaturi si-au instalat memoria cu povesti, minciuni, razboaie, neincredere, nepasare, neintelegere, nedreptate, rasism, moarte, iaduri, alcool, asteptare, etc? Toate speciile si creaturile. Adevarul, creatorul, eternitatea, etc, nu pot striga mai tare decat atat. Adevarul, creatorul, eternitatea, etc, sunt ingropati de trilioane de ani de minciuni, povesti, cantece, poezii, magii, galagie, etc. Adevarul, creatorul, eternitatea, etc, sunt vizibili, demonstrati, gasiti, protejati, si explicati, numai in cartea Etern Ordin Infinit, si codurile video 26662, Etern Ordin Infinit, 24999, etc. Nu pot fi clonate in alte limbi si alfabete. Nu pot fi transportate in infinitul trecut spatiu in format vizibil. Trebuiesc transportate in infinitul viitor spatiu, in format vizibil. Sau daca nu le doriti, o sa fie moarte, iaduri, scandaluri, razboaie, talharii, rasism, neintelegere, neincredere, nepasare, etc, in tot infinitul viitor spatiu, asa cum a fost in tot infinitul trecut spatiu. Minciunile, razboaiele, moartea, etc, au ascuns adevarul, creatorul, eternitatea, etc, in tot infinitul trecut spatiu. Sper sa nu faca la fel, in tot infinitul viitor spatiu. Adevarul, creatorul, eternitatea, etc, sunt ingropate si ascunse din anul 2011, cu ajutorul la telepatie, vraji, salarii, neincredere, nepasare, neatentie, neintelegere, frica, dezinformare, epuizare, amenintari, asasinari, santaj, mii de alfabete limbi religii si politici, trilioane de ani de minciuni cantece povesti poezii otravuri galagie etc, etc. Adevarul, creatorul, eternitatea, etc, nu pot, sa va oblige sa va instalati memoria corpului uman si memoria sufletului, cu adevar, eternitate, pace, iubire, respect, dreptate, intelegere, ordine, unitate, egalitate, etc. Fiecare creatura si specie trebuie sa isi caute necesitatile adica creatorul, adevarul, eternitatea, intelegerea, pacea, iubirea, dreptatea, ordinea, unitatea, egalitatea, respectul, etc. Nu au avut instrumente, tehnologie, ajutor, magie, telekinezie, informatii, telepatie, demonstratii, explicatii, etc, pana in anul 2011, sa isi caute creatorul, adevarul, etc. Din anul 2011, ei nu au inteligenta, timp, iubire, incredere, curaj, putere, etc, sa inteleaga, creada, si respecte creatorul, adevarul, etc. Sau ei nu au cautat, sau nu au gasit, sau nu sunt informati, sau nu isi dau seama care sunt necesitatile lor, sau nu inteleg, sau nu vor sa citeasca, sau sunt platiti sa nu isi primeasca necesitatile, sau etc. Necesitatile existentei, infinitului, persoanelor, sufletelor, creaturilor, speciilor, etc, sunt limba infinitului, cartea Etern Ordin, codurile video ESGSEIS, stiintele, tehnologia, creatorul, adevarul, eternitatea, intelegerea, pacea, iubirea, dreptatea, ordinea, unitatea, egalitatea, respectul, etc. Pot fi cunoscute si folosite numai din cartea Etern Ordin Infinit. Cuvantul dezinfor este de 6000 de ori in cartea Etern Ordin Infinit. Otravurile, bolile, si moartea existentei, infinitului, persoanelor, sufletelor, creaturilor, speciilor, etc, sunt Biblia, Coranul, mii de alfabete limbi religii si politici, trilioane de ani de cantece minciuni povesti poezii galagie etc, razboaiele, invidia, rasismul, dusmania, nebunia, drogurile, alcolul, dezordinea, talhariile, nedreptatea, nepasarea, neincrederea, cenzura, dezinformarea, inselaciunile, asteptarile, secretele, asasinarile, mutilarile, sinuciderile, etc. Pot fi controlate si reduse numai cu cartea Etern Ordin Infinit. ---- Invita toti prietenii tai aici. 3491. The invisible creature that has created and telepathically transmitted the language of the infinity, also created the video code 24999, on May 20, 2021, where it specifies details about the apocalypse, truth, him, souls, eternity, etc. Two four nine nine nine. I have a new shirt. Nine = new, in the language of the infinite. We like eternity. We = nine. Nine numbers. Nine = nine. The word nine has three meanings in the language of the infinity. This is how our creator chose, and these informations. The creator knew about the video code 24999 by trillion years, or before the existence. The tarot card with writing "Creator" has the number 24. The day has 24 hours. No person, magician, priest, robot, etc, can not place video books online in this way. To reach the result, as the sum of the numbers of the tarot cards, Tarot card 7, Tarot card 8, Tarot card 9, Tarot card 10, Tarot card 11, Tarot card 12, Tarot card 13, Tarot card 14, Tarot card 15, Tarot card 16, Tarot Card 17 and Tarot Card 18, to be 24999, it is impossible for any military theological scientific etc laboratory. Doar apocalipsa ne salveaza de acesti rasisti, canibali, vampiri, talhari, escroci, complici, autori, asasini, mincinosi, paraziti, etc? Nici o tara, persoana, galaxie, zeu, etc, din infinitul trecut spatiu, nu a putut sa fie exemplu de adevar, eternitate, pace, iubire, respect, dreptate, intelegere, ordine, unitate, egalitate, etc, deoarece acestea se aflau doar in memoria creatorului si cartea Etern Ordin. Informatiile evenimentele etc, 24999, 6666136 26662 3816 816, nu existau in memoria corpului meu. Aceste fenomene magii pilotari aranjamente anunturi si calcule, au fost efectuate de aceste creaturi invizibile. Nu sunt idei, sau intamplari, sau natural, sau arta, sau etc. Probabil aceasta creatura invizibila poate pilota din nou mana mea, cu ochii inchisi la cartea cu scrisul Creator, sau poate arenja cartile tarot in asa fel incat sa ajunga din nou la suma 24999, 6666136, etc. Creatorul existentei, Sfera Infinita, adevarul, iubirea, respectul, eternitatea, realitatea, ordinea, intelegerea, unitatea, egalitatea, dreptatea, logica, limba infinitului, Etern Ordin, etc, sunt Anti Biblie, Anti Coran, Anti Allah, Anti Jehova, Anti Baphomet, Anti Lucifer, Anti Isus Hristos, Anti Maria, Anti Adam, Anti Eva, Anti toti zeii sufletele persoanele speciile creaturile etc din infinitul timp si spatiu, care nu ai cunosc, sau care ai ascund, sau care ai refuza, sau care ai ataca, sau care nu ai inteleg, sau care ai ignora, Anti minciuni, Anti razboaie, Anti mii de alfabete limbi religii si politici, Anti talharii, Anti dezinformare, Anti etc. Nu falsificati adevarul, eternitatea, creatorul, Sfera Infinita, pacea, respectul, iubirea, dreptatea, realitatea, intelegerea, etc. Ochii cred numai ceea ce se vede. Creierul crede numai ceea ce poate fi explicat si inteles. Creatorul a aratat prezenta lui, forma lui, caracteristicile lui, etc, in coduri video, desi este invizibil, incredibil, etc. Creatorul a explicat forma lui, caracteristicile lui, etc, dar creierele etc nu pot intelege. Am inteles cum functioneaza razele wifi GPS GSM TV radio etc, dar nu pot intelege cum de pot exista creaturi invizibile cu astfel de marimi, caracteristici, informatii, inteligenta, magie, senzori, sentimente, puteri, etc. Cine poate cunoaste, analiza, si explica mai bine creatorul existentei si Sfera Infinita? Pana la mine, nu a mai incercat nici un zeu, suflet, persoana, specie, creatura, etc. Creatorul existentei si Sfera Infinita, nu vor sa se descrie mai mult decat in aceste coduri video si in cartea Etern Ordin Infinit. ------ Distanta dintre planeta Pamant si soare este de 149 600 000 km. In miscarea ei de 365 de zile pe an isi schimba distanta? Ce curenti, raze, senzori, atractii, creaturi, etc, mentin traiectoria planetelor stelelor etc, fara sa cada, fara sa se ridice, fara sa se distanteze, fara sa se apropie? Nu poate fi un eveniment intamplator, sau natural, sau controlat de forte magnetice, curenti de aer, etc, distanta, traiectoria si timpul miscarii planetelor in galaxia solara. Sunt distante foarte mari pentru a fi controlate de curenti de aer, atractii, etc. Sunt timpuri foarte precise, pentru a fi controlate de curenti de aer, atractii, etc. Foarte multi savanti, zei, etc, nu au cunoscut aceste informatii. Despre ce creatura este vorba, care poate controla pilota vedea etc traiectorii de pana la miliarde de km de distanta, in sincronie cu timpul? Are aceasta creatura invizibila diametru infinit? Cum de nu studiaza nimeni aceasta situatie? Nu este explicabil, credibil, etc. Credinta pe care o ofera stiintele vizibile este limitata. Aceasta creatura invizibila a creat toate speciile, plantele, stiintele, etc? Cum? Cand? In cat timp? Atatea specii nu puteau fi create de fenomene naturale, intamplator, etc. Ce a fost fiecare specie in trecut? Ce va fi fiecare specie in viitor? Sigur este implicata o creatura invizibila in manipularea materiei, inteligentei, etc, pentru a ajunge la miliarde de specii vizibile si invizibile, cu astfel de compozitii, inteligente, etc. Aceasta creatura care invarte galaxia solara, si a creat speciile etc, este creatura invizibila care a creat codurile video Etern Ordin, 26662, 24999, 6666136, etc? Persoanele singure nu pot crea coduri video precum Etern Ordin, 26662, 24999, 6666136, etc. Persoanele nu au energii, memorie, senzori, etc, pentru a efectua astfel de calcule, evenimente, etc. Creatura invizibila a decis ce face cu planeta Pamant, galaxia solara, etc, si din ce cauze? Probabil nu avem voie sa cunoastem detalii. Unii magi, preoti, zei, savanti, etc, au dat explicatii mincinoase. Nu stiu daca vom primi in infinitul timp si infinitul spatiu, detalii credibile despre facerea existentei, speciilor, stiintelor, galaxiilor, etc. Sau probabil trebuie sa le cautam in Sfera Infinita. Nu stiu daca persoanele pot primi detalii credibile despre anumite creaturi, fenomene, etc .Nu imi plac explicatiile mincinoase despre facerea existentei, speciilor, stiintelor, galaxiilor, etc. Nu imi place ca exista explicatii creaturi informatii fenomene etc invizibile care nu pot fi traduse in explicatii vizibile. Sau sunt traduse foarte putin. Vrem sa cunoastem dar suntem ajutati prea putin. Unele creaturi, zei, etc, ne-au vandut explicatii mincinoase, imposibile, etc, despre ele, existenta, eternitate, pace, intelegere, etc. ------- Invita aici, toate

3497. All gods, souls, persons, creatures, species, galaxies, etc, from all past infinite space and all future infinite space, who do not know, or who ignore, or who refuse, or who are against the creator of the existence ILIS INIS GSEIS, Infinity Sphere, truth, eternity, understanding, peace, love, respect, justice, equality, unity, reality, Eternal Order, the language of the infinity, etc, were, are, and will be dissolved from existence, automatically. ------ The gods, souls, persons, creatures, species, etc, who want to believe in the creator of the existence ILIS INIS GSEIS, and the Infinite Sphere, need intelligence, consciousness, time, patience, etc, and to study the book Eternal Infinite Order and the ESGSEIS video codes. These two invisible creatures cannot be seen, felt, etc. They communicate through telepathy, telekinesis, mathematics, magic, phenomena, events, video codes, etc. The thinking of all species, etc, is a mixture of the information from their memory or the Infinite Sphere memory, and the infinite sphere telepathy, or GSEIS telepathy, or magicians telepathy. All the information from the books, etc, existed in an invisible format in the Infinite Invisible Sphere. Most species, etc. receive or take information only from the Infinite Sphere. People, after taking information through thinking, from the Infinite Sphere, also leave it in books, etc. Thus, people, souls, etc, also get information from books, etc. Probably after the death of the body and the death of the soul, a copy of the souls memory remains in the Infinite Sphere, for a thousand years, or a trillion years, or to infinity. Only the souls who know, believe, understand and respect the creator of the existence ILIS INIS GSEIS, the Infinite Sphere, the language of the infinity, the Eternal Order Infinite book and the ESGSEIS video codes, are eternal. The information, events, etc, 24999, 6666136 26662 3816 816, did not exist in my body's memory. These magic, phenomena, piloting, arrangements, announcements and calculations, were carried out by these invisible creatures. They are not ideas, or events, or natural, or art, or etc. Perhaps this invisible creature can pilot my hand again, with eyes closed to the book with the word Creator written on it, or can arrange the tarot cards in such a way that it reaches again the sum 24999, 6666136, etc. The Creator of the existence, the Infinite Sphere, truth, love, respect, eternity, reality, order, understanding, unity, equality, justice, logic, the language of the infinity, Eternal Order, etc, are Anti Bible, Anti Koran, Anti Allah, Anti Jehova, Anti Baphomet, Anti Lucifer, Anti Jesus Christ, Anti Mary, Anti Adam, Anti Eve, Anti all the gods, souls, persons, species, creatures, etc from infinite time and space, who do not know, or who would hide, or who would refuse, or who have attack, or which would not understand, or which would ignore, Anti lies, Anti wars, Anti thousands of alphabets, languages, religions and politics, Anti robberies, Anti misinformation, Anti etc. Do not falsify truth, eternity, the creator, the Infinite Sphere, peace, respect, love, justice, reality, understanding, etc. The eyes believe only what is seen. The brain believes only what can be explained and understood. The Creator showed his presence, his form, his characteristics, etc, in video codes, although he is invisible, incredible, etc. The creator explained his form, his characteristics, etc, but the brains, etc, cannot understand. I understood how wifi, GPS, GSM, TV, radio, etc, rays work, but I cannot understand how there can be invisible creatures with such sizes, characteristics, information, intelligence, magic, sensors, feelings, powers, etc. Who can better know, analyze, and explain the creator of the existence and the Infinite Sphere? Until me, nor a god, soul, person, species, creature, etc, has not tried. The creator of the existence and the Infinite Sphere do not want to describe themselves more than in these video codes and in the book Eternal Infinite Order. ------ The distance between the planet Earth and the sun is 149,600,000 km. In its movement of 365 days a year, does it change its distance? What currents, rays, sensors, attractions, creatures, etc, maintain the trajectory of the planets, stars, etc, without falling, without rising, without distancing, without approaching? It cannot be a random event, or natural, or controlled by magnetic forces, air currents, etc, the distance, trajectory and time of the movement of the planets in the solar galaxy. They are very long distances to be controlled by air currents, attractions, etc. They are very precise times, to be controlled by air currents, attractions, etc. Many scientists, gods, etc, did not know this information. What creature is it about, which can control, pilot, see, etc, trajectories from up to billions of km away, in sync with time? Does this invisible creature have infinite diameter? How come no one studies this situation? It is not explainable, believable, etc. The faith offered by the visible sciences is limited. Did this invisible creature create all species, plants, sciences, etc.? How? When? How long? So many species could not be created by natural phenomena, by chance, etc. What was each species in the past? What will be, each species in the future? Surely an invisible creature is involved in the manipulation of matter, intelligence, etc, to reach billions of visible and invisible species, with such compositions, intelligence, etc. Is this creature that rotates the solar galaxy, and created the species, etc, the invisible creature that created the video codes, Eternal Order, 26662, 24999, 6666136, etc.? Persons cannot create video codes such as Eternal Order, 26662, 24999, 6666136, etc. Persons do not have energies, memory, sensors, etc, to perform such calculations, events,

etc. The invisible creature decided what to do with planet Earth, the solar galaxy, etc, and for what reasons? We are probably not allowed to know the details. Some magicians, priests, gods, scientists, etc, gave false explanations. I don't know if we will receive in infinite time and infinite space, credible details about the creation of the existence, species, sciences, galaxies, etc. Or perhaps we must to look for them in the Infinite Sphere. I don't know if persons can receive credible details about certain creatures, phenomena, etc. I don't like false explanations about the creation of the existence, species, sciences, galaxies, etc. I don't like that there are invisible explanations, creatures, information, phenomena, etc, that cannot be translated into visible explanations. Or they are translated very little. We want to know, but we are helped too little. Some creatures, gods, etc, have sold us false, impossible, etc, explanations, about them, existence, eternity, peace, understanding, etc. ------ Invite here, all persons, gods, souls, creatures, etc., from all infinite past space, and from all infinite future space. 3527. FAMILIA INFINITUL TIMP SI INFINITUL SPATIU, a fost, este si va fi familia, biserica, scoala, universitatea, spitalul, imparatia, religia, politica, cultura, si guvernul creatorului existentei, Sferei Invizibile Vie Infinite, adevarului, pacii, iubirii, respectului, intelegerii, dreptatii, eternitatii, stiintelor, magiei, tehnologiei,

etc. Este foarte greu sa te integrezi si s-a ramai in INFINITUL TIMP SI INFINITUL SPATIU, adevar, eternitate, etc. Din infinitul trecut spatiu, nici un zeu, nici un suflet, nici o persoana, nici o creatura, nici o specie, etc, nu a cautat, sa se integreze in INFINITUL TIMP SI INFINITUL SPATIU, adevar, eternitate, intelegere, pace, iubire, respect, dreptate, egalitate, unitate, realitate, etc. Cu exceptia creatorului existentei, si Sferei Invizibile Vie Infinite. Probabil ca nici un zeu, nici un suflet, nici o persoana, nici o creatura, nici o specie, etc, nu are voie sa caute, gaseasca, cunoasca, inteleaga, si foloseasca, creatorul existentei stiintelor persoanelor pacii iubirii dreptatii intelegerii respectului etc, etern invizibil ILIS INIS GSEIS, Sfera Invizibila Vie Infinita, adevarul, eternitatea, intelegerea, pacea, iubirea, respectul, dreptatea, egalitatea, unitatea, realitatea, limba sfanta a infinitului timp si spatiu, cartea Etern Ordin Infinit, codurile video ESGSEIS, etc, decat cu exceptia mea. Noi am fost invitati prea devreme sau prea tarziu, sa ne integram in INFINITUL TIMP SI INFINITUL SPATIU, adevar, eternitate, intelegere, pace, iubire, respect, dreptate, egalitate, unitate, realitate, etc? Sau numai eu am fost invitat? Probabil creatorul existentei, ma lasa doar pe mine sa al cunosc, in tot infinitul trecut spatiu si in tot infinitul viitor spatiu. Probabil creatorul existentei, ai alunga de langa el pe toti zeii sufletele persoanele creaturile speciile etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu. Probabil creatorul existentei, numai pe mine ma vrea. ----- Cine vrea sa se transfere din statele minciunii, mortii, razboaielor, talharilor, neintelegerii, prostiei, etc, in familia INFINITUL TIMP SI INFINITUL SPATIU? Din anul 2011 nu vrea nimeni. Sau probabil ei sunt opriti sa ajunga in adevar, eternitate, Etern Ordin, etc, de minciuni, neincredere, neintelegere, dezinformare, nepasare, necunoscut, neatentie, secrete, engleza, araba, chineza, rusa, Biblie, Coran, anul 2000, diavoli, asasini, complici, gaze, substante, vraji, magie, telepatie, cantece, filme, traditii, culturi, religii, politici, aur, bani, etc. Sau probabil chiar de creatorul existentei? ------ FAMILIA INFINITUL TIMP SI INFINITUL SPATIU, a durat dureaza si va dura, tot infinitul trecut spatiu si tot infinitul viitor spatiu. Probabil numai eu, cu creatorul existentei si cu Sfera Invizibila Vie Infinita, avem voie sa stam aici. Sau prrobabil nimeni nu mai vrea sa cunooasca eternitatea, adevarul, creatorul existentei, Sfera Invizibila Vie Infinita, etc. Sau probabil foarte putine persoane si creaturi, vor sa isi integreze sufletele in FAMILIA INFINITUL TIMP SI INFINITUL SPATIU, adevar, etc, si sa beneficieze de memoria infinitul trecut spatiu infinitul viitor spatiu si eternitatea infinitul trecut spatiu infinitul viitor spatiu. Ce ar face trilioane de suflete, daca ar primi inapoi, o copie la toate amintirile si informatiile lor, din infinitul trecut spatiu? Trilioane de ani de informatii si amintiri pentru fiecare suflet. ------ Daca ai cautat, gasit, studiat, inteles, respectat, protejat, si raspandit, creatorul existentei stiintelor persoanelor pacii iubirii dreptatii intelegerii respectului etc, etern invizibil ILIS INIS GSEIS, Sfera Invizibila Vie Infinita, adevarul, eternitatea, intelegerea, pacea, iubirea, respectul, dreptatea, egalitatea, unitatea, realitatea, limba sfanta a infinitului timp si spatiu, cartea Etern Ordin Infinit, codurile video ESGSEIS, etc, si daca ai atacat, diminuit, si abandonat cenzura, minciunile, razboaiele, terorismul, inselaciunile, talhariile de studii stiinte resurse profit banci persoane etc din infinitul spatiu trecut prezent si viitor, dezordinea, dezinformarea, dezinteresul, comploturile, imposibilul, inexistentul, irealul, secretele, necunoscutul, nepasarea, neincrederea, neatentia, nedreptatea, neintelegerea, invidia, etc, atunci inseamna ca ai abandonat statele minciunii, mortii, razboaielor, talharilor, neintelegerii, prostiei, etc, ca ai scapat de iad si moarte, ca ai intrat in familia INFINITUL TIMP SI INFINITUL SPATIU, si ca vei beneficia de memoria permanenta continua infinitul viitor spatiu si eternitatea permanenta continua infinitul viitor spatiu. Eternitatea intrerupta, si memoria stearsa la zero, o au toate persoanele zeii sufletele creaturile speciile etc din infinitul timp si spatiu, care sunt intoxicate cu minciuni, dezinformare, necunoscut, secrete, etc, si care nu cunosc adevarul, creatorul existentei, Etern Ordin Infinit, limba adevarului pacii infinitului dreptatii etc, etc. Toate creaturile, persoanele, speciile, zeii, etc, au trait tot infinitul trecut spatiu si vor trai tot infinitul viitor spatiu, prin intermediul sufletelor, dar multe in mod intrerupt si cu memoria noua, din cauza ca ele sunt intoxicate cu minciuni etc, astfel ele remor reinvie reincarneaza reinstaleaza si redezincarneaza. Ele traiesc etern in tot infinitul timp si spatiu, si primesc memorie si eternitate permanenta continua in tot infinitul viitor spatiu, numai daca ele inteleg si respecta, creatorul existentei, cartea Etern Ordin Infinit, adevarul, etc. Probabil foarte putini zei suflete persoane creaturi etc, au ocazia sa primeasca sau sa isi obtina memorie si eternitate permanenta continua in tot infinitul timp si spatiu. Multi zei suflete persoane creaturi etc, inca nu si-au dat seama, ce vor sa primeasca ei si altii de la creatorul existentei stiintelor persoanelor pacii iubirii dreptatii intelegerii respectului etc, etern invizibil ILIS INIS GSEIS, Sfera Invizibila Vie Infinita, adevar, eternitate, intelegere, pace, iubire, respect, dreptate, egalitate, unitate, realitate, limba sfanta a infinitului timp si spatiu, cartea Etern Ordin Infinit, codurile video ESGSEIS, stiinte, magie, tehnologie, etc. ------- Ar parea ca nici un zeu suflet creatura specie etc, nu are organele compozitia inteligenta magia informatiile instrumentele armele tehnologia timpul spatiul etc, ca sa poata invinge minciunile, neincrederea, neintelegerea, dezinformarea, nepasarea, necunoscutul, neatentia, secretele, engleza, araba, chineza, rusa, Biblia, Coranul, anul 2000, diavolii, asasinii, complicii, gazele, substantele, vrajile, magia, telepatia, cantecele, filmele, traditiile, culturile, religiile, politicile, aurul, banii, razboaiele, moartea, etc. ------ Invita aici, toate persoanele zeii sufletele creaturile etc, din tot infinitul trecut spatiu, si din tot infinitul viitor spatiu. 3527. THE FAMILY OF INFINITE TIME AND INFINITE SPACE, was, is and will be the family, church, school, university, hospital, kingdom, religion, politics, culture, and government of the creator of the existence, the Invisible Sphere Infinite Alive, truth, peace, love, respect, understanding, justice, eternity, sciences, magic, technology, etc. It is very difficult to integrate and remain in INFINITE TIME AND INFINITE SPACE, truth, eternity, etc. From the past infinite space, nor a god, nor a soul, nor a person, nor a creature, nor a species, etc, sought not to integrate into INFINITE TIME AND INFINITE SPACE, truth, eternity, understanding, peace, love, respect, justice, equality, unity, reality, etc. With the exception of the creator of the existence, and the Infinite Living Invisible Sphere. Probably nor a god, nor a soul, nor a person, nor a creature, nor a species, etc, is not allowed to search, find, know, understand, and use, the creator of the existence of the sciences of the persons, peace, love, justice, understanding, respect, etc, eternal invisible ILIS INIS GSEIS, Infinite Living Invisible Sphere, truth, eternity, understanding, peace, love, respect, justice, equality, unity, reality, the holy language of the infinite time and space, the book Eternal Infinite Order, ESGSEIS video codes, etc, except for me. Were we invited too early or too late, to integrate into INFINITE TIME AND INFINITE SPACE, truth, eternity, understanding, peace, love, respect, justice, equality, unity, reality, etc? Or was I the only one invited? Probably the creator of the existence, let only me to know him, in all the infinite past space and in all the infinite future space. Probably the creator of the existence, would drive away from him all the gods, souls, persons, creatures, species, etc, from all past infinite space and from all future infinite space. Probably the creator of the existence, only wants me. ----- Who wants to transfer from the states of lies, death, wars, robberies, misunderstanding, stupidity, etc, to the family of INFINITE TIME AND INFINITE SPACE? Since the year 2011, no one wants it. Or perhaps they are stopped from reaching the truth, eternity, Eternal Order, etc, by lies, mistrust, misunderstanding, misinformation, carelessness, unknown, carelessness, secrets, English, Arabic, Chinese, Russian, Bible, Koran, year 2000, devils, assassins, accomplices, gases, substances, spells, magic, telepathy, songs, movies, traditions, cultures, religions, politics, gold, money, etc. Or perhaps even the creator of existence? ------ THE FAMILY INFINITE TIME AND INFINITE SPACE, lasted, lasts and will last, all past infinite space and all future infinite space. Probably only I, with the creator of the existence and with the Infinite Living Invisible Sphere, are allowed to stay here. Or perhaps no one wants to know eternity, the truth, the creator of the existence, the Infinite Living Invisible Sphere, etc. Or probably very few persons gods and creatures, want to integrate their souls into the FAMILY OF INFINITE TIME AND INFINITE SPACE, truth, etc, and benefit from the memory of infinite past space infinite future space and eternity infinite past space infinite future space. What would trillions of souls do, if they received back, a copy of all their memories and informations, from the infinite past space? Trillions of years of informations and memories for every soul. ------ If you have searched, found, studied, understood, respected, protected, and spread, the creator of the existence of the persons, sciences, peace, love, justice, understanding, respect, etc, eternal invisible ILIS INIS GSEIS, Infinite Living Invisible Sphere, truth, eternity, understanding, peace, love, respect, justice, equality, unity, reality, the holy language of the infinite time and space, the book Eternal Infinite Order, ESGSEIS video codes, etc, and if you attacked, reduced and abandoned the censorship, lies, wars, terrorism, the deceptions, the theft of studies, resources, profits, banks, persons, etc from the infinite space, past, present and future, disorder, disinformation, disinterest, conspiracies, the impossible, the non-existent, the unreal, the secrets, the unknown, carelessness, mistrust, carelessness, injustice, misunderstanding, envy, etc, then it means that you have abandoned the states of lies, death, wars, robberies, misunderstanding, stupidity, etc, that you have escaped by hell and death, that you have entered in the family of INFINITE TIME AND INFINITE SPACE, and that you will benefit from the permanent memory infinite future space and permanent eternity continues infinity future space. The interrupted eternity, and the memory erased to zero, have all the persons, gods, souls, creatures, species, etc from infinite time and space, who are intoxicated with lies, misinformation, the unknown, secrets, etc, and who do not know the truth, the creator of existence, Eternal Infinite Order, the language of the truth, peace, infinity, justice, etc., etc. All creatures, persons, species, gods, etc, have lived all the past infinite space and will live all the future infinite space, through souls, but many in an interrupted way and with the new memory, because they are intoxicated with lies, etc., thus they redeath, revive, reincarnate, reinstall and redesincarnate. They live eternally in all infinite time and space, and receive permanent memory and eternity in all future infinite space, only if they understand and respect, the creator of the existence, the book Eternal Infinite Order, the truth, etc. Probably very few gods, souls, persons, creatures, etc, have the opportunity to receive or obtain permanent memory and eternity, continuing throughout infinite time and space. Many gods, souls, persons, creatures, etc, have not yet realized what they and others want to receive from the creator of the existence of the sciences of the persons, peace, love, justice, understanding, respect, etc, eternal invisible ILIS INIS GSEIS, Infinite Living Invisible Sphere, truth, eternity, understanding, peace, love, respect, justice, equality, unity, reality, the sacred language of the infinite time and space, the Eternal Order Infinite book, ESGSEIS video codes, science, magic, technology, etc. ------- It would seem that nor a god, soul, creature, species, etc, has the organs, composition,

intelligence, magic, information, instruments, weapons, technology, time, space, etc, to be able to defeat the lies, mistrust, misunderstanding, misinformation, carelessness, the unknown, secrets, English, Arabic, Chinese, Russian, Bible, Koran, year 2000, devils, assassins, accomplices, gases, substances, spells, magic, telepathy, songs, movies, traditions, cultures, religions, politics, gold, money, wars, death, etc. ------ Invite here, all persons, gods, souls, creatures, etc, from all infinite past space, and from all infinite future space. Share this message on your page, groups, internet, etc, for your forgiveness of sins, for to receive the eternity of the soul, for the uninstallation of the infinity, persons, etc, of wars, lies, etc, for the installation of the infinity, persons,etc, with peace, justice, respect, etc, etc. Share all your life, at least once a week. 3547. Eternitatea infinitul trecut spatiu infinitul viitor spatiu, o primeste fiecare zeu suflet persoana creatura specie etc, din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, numai dupa ce intelege respecta publica protejeaza si raspandeste informatiile din cartea Etern Ordin Infinit. Nu exista alte solutii, etc. Eternitatea infinitul trecut spatiu infinitul viitor spatiu, nu este influentata, modificata, compromisa, daruita, transmisa, distrusa, etc, de stele, timp, spatiu, temperaturi, horoscop, activitati, substante, pozitii, rugaciuni, ritualuri, mutilari, etc. Eternitatea oricarui corp uman, este sufletul. Corpul meu uman, a trait tot infinitul trecut spatiu, prin intermediul sufletului meu, ILIS INIS GSEIS. Nu cunosc multe informatii despre inima mea, creierul meu, sufletul meu, etc. Nu prea am posibilitati, instrumente, tehnologii, informatii, magii, energii, laboratoare, organe, etc, pentru ca sa imi studiez mai bine sufletul. Nici sufletul meu nu poate sau nu vrea sa ma ajute mai mult de atat. Eram curios sa aflu, ce a facut sufletul meu in infinitul trecut spatiu. Desi nu am timp sa derulez trilioane de ani de amintiri holograme si informatii. Informatiile transmise de sufletul meu sunt prea putine dar sunt suficiente pentru a demonstra ca este vorba de un suflet particular, si nu de organe energii si abilitati ale corpului uman. Corpul meu uman, va trai in infinitul viitor spatiu, prin intermediul sufletului meu, ILIS INIS GSEIS. El va controla modifica teleghida etc, prin telepatie magie etc, alte creaturi, specii, etc, din infinitul viitor spatiu. Holograme cu corpul meu uman pot efectua multi diavoli asasini escroci paraziti etc. Nu sunt necesare. A fost explicat deja totul despre adevar, realitate, eternitate, pace, creator, suflete, etc. Viata corpului uman are nevoie de foarte multe substante, energii, etc, are foarte multe pericole dusmani etc, are posibilitati reduse de miscare, este limitata in timp si spatiu, etc. Viata sufletului instalat cu cartea Etern Ordin Infinit, este nelimitata si neconditionata in infinitul timp si spatiu, nu are dusmani pericole etc, nu are nevoie de alimente odihna etc, poate atraversa prin ziduri planete soare etc, se poate teleporta oriunde in infinitul spatiu, teleprotarea in timp este imposibila, are informatii amintiri holograme si memorie

clara eterna si permanenta, etc. Horoscopul este o joaca pentru copii. Horoscopul este o inselaciune. Nu poate influenta timpul si spatiul in care te-ai nascut, evenimentele din viata ta. Evenimentele din viata nu pot fi influentate de stele copaci pietre apa etc. Am fost si eu copil si am fost si eu inselat cu minciuni, dezinformare, religii, politici, galagie, zgomote, filme, cantece, idei, iluzii, Mos Craciun, horoscop, Biblie, epoca de piatra, NASA, moartea, iaduri, balauri, sapte chakre, vraji, telepatie, otravuri, substante, etc, desi corpul meu uman are un suflet foarte special dupa cum rezulta din demonstratiile din coduri video, etc. Eram sa fiu inselat mutilat infectat convins furat si omorat de foarte multe ori de catre invidie, nepasare, neatentie, neincredere, neintelegere, necunoscut, secrete, engleza, rusa, chineza, araba, latina, minciuni, dezinformare, religii, politici, galagie, zgomote, filme, cantece, idei, iluzii, Mos Craciun, horoscop, Biblie, epoca de piatra, NASA, moartea, iaduri, balauri, sapte chakre, vraji, telepatie, otravuri, substante, etc, dar am fost salvat de adevar, realitate, stiinte, iubire, pace, dreptate, studii, interes, intelegere, sufletul meu, creatorul existentei, etc. Influenteaza foarte mult evenimentele din viata la fiecare creatura, informatiile, activitatile, si substantele, pe care le introduce in memorie sange corp si suflet, cati sfinti diavoli idioti escroci savanti zei etc are in jurul ei, etc. Minciunile, invidia, nepasarea, neatentia, neincrederea, neintelegerea, necunoscutul, secretele, prostiile, horoscopul, epoca de piatra, Biblia, Coranul, dezinformarea, etc, au atacat, inselat, otravit, furat, separat, mutilat, infectat, si omorat pe toti zeii persoanele sufletele creaturile etc, din tot infinitul trecut spatiu, si din tot infinitul viitor spatiu, morti vii sau nenascuti. 3547. Eternity, infinite past space, infinite future space, is received by every god, soul, person, creature, species, etc, from all the infinite past space and from all the infinite future space, only after they public, understands, respects, protects and spreads the informations from the book Eternal Infinite Order. There are not other solutions, etc. Eternity infinite past space infinite future space, is not influenced, modified, compromised, gifted, transmitted, destroyed, etc, by stars, time, space, temperatures, horoscope, activities, substances, positions, prayers, rituals, mutilations, etc. The eternity of any human body is the soul.

My human body, lived all the past infinite space, through my soul, ILIS INIS GSEIS. I don't know much information about my heart, my brain, my soul, etc. I don't really have the possibilities, tools, technologies, information, magic, energies, laboratories, organs, etc, to better study my soul. Even my soul cannot or does not want to help me more than that. I was curious to find out what my soul did in the infinite past space. Although I don't have time to scroll through trillions of years of hologram memories and information. The information transmitted by my soul is too little, but it is enough to prove that it is a particular soul, and not about organs, energies and abilities of the human body. My human body will live in the infinite future space, through my soul, ILIS INIS GSEIS. He will control, modify the remote control, etc, through telepathy, magic, etc, other creatures, species, etc, from the infinite future space. Holograms with my human body can perform many devils killers crooks parasites etc. They are not necessary. Everything about truth, reality, eternity, peace, creator, souls, etc, has already been explained. The life of the human body needs a lot of substances, energies, etc, it has many dangers, enemies, etc, it has limited possibilities of movement, it is limited in time and space, etc. The life of the soul installed with the book Eternal Infinite Order, is unlimited and unconditional in infinite time and space, has no enemies, dangers, etc, does not need food, rest, etc, can pass through walls, planets, sun, etc, can teleport anywhere in infinite space, teleportation in time is impossible, it has information, memories, holograms and memory eternal and permanent, etc. The horoscope is a game for children. The horoscope is a deception. It cannot influence the time and space in which you were born, the events of your life. Events in life cannot be influenced by stars, trees, stones, water, etc. I was also a child and I was also deceived with lies, misinformation, religions, politics, noises, movies, songs, ideas, illusions, Santa Claus, horoscope, Bible, stone age, NASA, death, hells, dragons, seven chakras, spells, telepathy, poisons, substances, etc, although my human body has a very special soul as shown by the video code demonstrations, etc. I was to be deceived mutilated infected convinced stolen and killed many times by envy, carelessness, inattention, mistrust, misunderstanding, unknown, secrets, English, Russian, Chinese, Arabic, Latin, lies, disinformation, religions, politics, noises, movies, songs, ideas, illusions, Santa Claus, horoscope, Bible, stone age, NASA, death, hells, dragons, seven chakras, spells, telepathy, poisons, substances, etc, but I was saved by the truth, reality, sciences, love, peace, justice, studies, interest, understanding, my soul, the creator of the existence, etc. It greatly influences the events in the life of each creature, the information, the activities, and the substances, which it introduces into the memory, blood, body and soul, how many saints, devils, idiots, fraudsters, scientists, gods, etc, it has around it, etc. Lies, envy, carelessness, mistrust, misunderstanding, the unknown, secrets, nonsense, the horoscope, the stone age, the Bible, the Koran, misinformation, etc, have attacked, deceived, poisoned, stolen, separated, maimed, infected, and killed on all the gods, persons, souls, creatures, etc, from all infinite past space, and from all infinite future space, living dead or unborn. Only the book Eternal Infinite Order could save them from wars, death, hells, envy, carelessness, inattention, mistrust, misunderstanding, unknown, secrets, English, Russian, Chinese, Arabic, Latin, lies, misinformation, etc. The creator of the existence automatically resurrects on all the gods, persons, souls, creatures, etc., from all past infinite space, and from all future infinite space, living dead or unborn, from the dead, infinite times. The creator of the existence offers to all the gods, persons, souls, creatures, etc, from all past infinite space, and from all future infinite space, living dead or unborn, to enter and remain in existence, infinity, truth, reality, eternity, peace, love, respect, understanding, order, justice, equality, unity, etc, to have eternal memories and information. It would be very good if my brain knew and used at least 1 percent of what is in the memory of the creator of the existence, if it had permanent information, etc. I read with my mind from the memory of the creator of the existence. Assassins, idiots, terrorists, devils, racists, accomplices, drug addicts, unconscious, envious, liars, misinformed, parasites, accomplices, victims, etc, deceive, steal, poison, mutilate, separate and kill them and other with envy, carelessness, mistrust, misunderstanding, unknown, secrets, English, Russian, Chinese, Arabic, Latin, lies, disinformation, religions, policies, noises, movies, songs, ideas, illusions, Santa Claus, horoscope, Bible, stone age, NASA, death, hells, dragons, seven chakras, spells, telepathy, poisons, substances, etc. The creator of the existence of the persons sciences peace love justice understanding respect etc, eternal invisible ILIS INIS GSEIS, the Infinite Living Invisible Sphere, the informed creatures eternal honest holy loving peaceful etc, the truth, eternity, understanding, peace, love, respect, justice, equality, unity, reality, etc, have their information, demonstrations, energies and their needs, in all the infinite past space, and in all the future infinite space, and have been exposed in the holy language of the infinite time and space, the book Eternal Infinite Order, the ESGSEIS video codes, sciences, etc. The creator of the existence attacks the cultures, traditions, religions, policies, ideas, plans, etc, to assassins, suicides, parasites, idiots, drug addicts, misinformed, accomplices, victims, etc, in all infinite past space, and in all infinite future space. Assassins, suicides, hypnotists, drug addicts, disinformation, parasites, robbers, swindlers, idiots, devils, etc, attack in all infinite past space, and in all infinite future space, the creator of the existence of the persons sciences peace love justice understanding respect etc., eternally invisible ILIS INIS GSEIS, the Infinite Living Invisible Sphere, the informed creatures conscious eternal honest holy loving peaceful etc, the truth, eternity, understanding, peace, love, respect, justice, equality, unity, reality, the holy language of the infinite time and space, the book Eternal Order Infinite, ESGSEIS video codes, sciences, etc. Assassins, idiots, misinformers, unconscious, etc, want to infect, mutilate, drug, poison, and kill the

creator of the existence of the persons, sciences, peace, love, justice, understanding, respect, etc, eternal invisible ILIS INIS GSEIS, Infinite Living Invisible Sphere, conscious eternal honest holy creatures peaceful lovers etc, the truth, eternity, understanding, peace, love, respect, justice, equality, unity, reality, the holy language of the infinite time and space, the book Eternal Infinite Order, ESGSEIS video codes, sciences, etc, with envy, carelessness, mistrust, misunderstanding, unknown, secrets, English, Russian, Chinese, Arabic, Latin, lies, disinformation, religions, policies, noises, movies, songs, ideas, illusions, Santa Claus, horoscope, Bible, stone age, NASA, death, hells, dragons, seven chakras, spells, telepathy, poisons, substances, etc, as they did with all the gods, persons, souls, creatures, books, songs, movies, religions, politics, galaxies, etc, from all infinity past space, and from all infinity future space. The creator of the existence failed to protect them from lies, death, hells, wars, assassins, robbers, misinformation, the unknown, misunderstanding, mistrust, etc, but he resurrected everyone from the dead, dead, alive or unborn, infinite times. It's a pity that their memory is empty and they have it from scratch. Hell and death not only erase the lies, misinformation, misunderstanding, mistrust, etc, they also erase all information and memories. The resurrection and reincarnation of the souls starts from scratch. Suicides, killers, the unconscious, misinformed, robbers, crooks, racists, etc, impose, protect, spread and improve information, drugs, lies, religions, politics, traditions, cultures and their laws in all the infinite past space, and in all the infinite future space. The creator of the existence of the persons sciences peace love justice understanding respect etc, eternal invisible ILIS INIS GSEIS, the Infinite Living Invisible Sphere, the informed creatures eternal honest honest loving peaceful etc, the truth, eternity, understanding, peace, love, respect, justice, equality, unity, reality, the sacred language of the infinite time and space, the Eternal Order Infinite book, the ESGSEIS video codes, the sciences, etc. impose, protect, spread and improve their information and demonstrations. In all the infinite past space, and in all the infinite future space, there have been, there are, and there will be suicides, killers, unconscious, misinformed, robbers, crooks, racists, cannibals, scandalous warriors, terrorists, devils, tyrants, monsters, hypnotized, blackmailed, etc. The creator of the existence of the persons sciences peace love justice understanding respect etc, eternal invisible ILIS INIS GSEIS, the Infinite Living Invisible Sphere, the informed creatures eternal honest holy loving peaceful etc, the truth, eternity, understanding, peace, love, respect, justice, equality, unity, reality, the sacred language of the infinite time and space, the book Eternal Infinite Order, ESGSEIS video codes, sciences, etc, cannot isolate and separate us from assassins, idiots, misinformed, lies, secrets, unknown, misunderstanding, etc, but they have helped as much as they could and how they could to protect ourselves from them. It is democracy only for murderers, misinformed, suicidal, disinformed, lying, etc. Sciences, truth, love, eternity, the creator of the existence, etc, are prohibited in all past infinite space, and in all future infinite space. Assassins, scammers, misinformed, suicidal, lies, disinformation, noise, etc, are in very large quantity, and they have covered and buried the demonstrations and explanations made by truth, justice, love, reality, science, understanding, the creator of the existence, etc. All the gods, persons, souls, creatures, etc, from all infinite past space, and from all infinite future space, have hidden the creator of the existence of the sciences of the persons, peace, love, justice, understanding, respect, etc, eternal invisible ILIS INIS GSEIS, the Infinite Living Invisible Sphere, the informed creatures conscious eternal honest holy peaceful lovers, etc, the truth, eternity, understanding, peace, love, respect, justice, equality, unity, reality, the holy language of the infinite time and space, the book Eternal Infinite Order, ESGSEIS video codes, etc. They did not want to explain, protect, spread, etc. This is how shows and explains the truth, reality, the creator of the existence, infinity, existence, space, time, sciences, etc. Who can falsify or deny? How? The telepathic mobs give me advice, etc, through the misinformed creatures around me. The creator of the existence explains to me the truth, reality, respect, eternity, existence, love, justice, understanding, etc. Assassins, idiots, disinformation, etc, want to falsify. Very few creatures, gods, persons, souls, etc, from all the past infinite space, and from all the future infinite space, have realized that they need the creator of the existence, the truth, reality, understanding, respect, justice, science, peace, order, eternity, etc, more than time, space, air, water, etc. ----- The creator of the existence, truth, reality, respect, eternity, existence, love, justice, understanding, etc, do not want to be racists, devils, mortals, idiots, crooks, thieves, murderers, suicides, etc, in nor a millimeter and nor a second from all the past infinite space, and from all the future infinite space, and for that is why they chose the creator of the existence of the sciences of the persons peace love justice understanding respect etc, eternal invisible ILIS INIS GSEIS, the Infinite Living Invisible Sphere, the creatures conscious informed eternal, honest, holy, loving, peaceful, etc, the truth, eternity, understanding, peace, love, respect, justice, equality, unity, reality, the holy language of the infinite time and space, the book Eternal Infinite Order, ESGSEIS video codes, etc, every second and every millimeter from all past infinite space, and from all future infinite space. ------ The creator of the existence, the truth, reality, respect, eternity, existence, love, justice, understanding, etc, want to remain loving, honest, eternal, informed, useful, saviors, educators, etc, in each millimeter and every second from all past infinite space, and all future infinite space, and for that is why they chose the creator of the existence of the sciences of the persons peace love justice understanding respect etc, eternal invisible ILIS INIS GSEIS, the Infinite Living Invisible Sphere, the creatures conscious informed eternal, honest, holy, loving, peaceful, etc, the truth, eternity, understanding, peace, love, respect, justice, equality, unity, reality, the holy language of the infinite time and space, the book Eternal Infinite Order,

3559. Am constatat cu mare tristete ca telecamera, microscopul, telescopul, tehnologia, laboratoarele, inteligenta si informatiile cu care pot gandi si lucra toti zeii sufletele persoanele creaturile etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, etc, nu pot analiza si simti creatorul existentei stiintelor persoanelor pacii iubirii dreptatii intelegerii respectului etc, etern invizibil ILIS INIS GSEIS, si Sfera Invizibila Vie Infinita, mai mult decat ele au fost descrise, prezentate, si inregistrate in limba sfanta a infinitului timp si spatiu, cartea Etern Ordin Infinit, si codurile video ESGSEIS. Asasinii, teroristii, talharii, drogatii, invidiosii, inconstientii, diavolii, salbaticii, idiotii, si complicii, au furat si ascuns creatorul existentei, Sfera Invizibila Vie Infinita, adevarul, iubirea, eternitatea infinitul trecut prezent viitor spatiu, dreptatea, pacea, etc, pentru cativa ani si cateva mii de km. Sau probabil tot infinitul trecut prezent viitor spatiu. ------ Telecamera nu poate inregistra raze wifi gps gsm tv radio magice necunoscute etc, nici suflete, nici pe creatorul existentei stiintelor persoanelor pacii iubirii dreptatii intelegerii respectului etc, etern invizibil ILIS INIS GSEIS, si nici Sfera Invizibila Vie Infinita. Unele probe ca exista creatorul existentei stiintelor persoanelor pacii iubirii dreptatii intelegerii respectului etc, etern invizibil ILIS INIS GSEIS, si Sfera Invizibila Vie Infinita sunt: eu am fost nascut pe 2 ianuarie 1975 la ora 23:30, inaltimea mea este de 175 cm, codurile video ESGSEIS, miscarea galaxiei solare pe o distanta de 4500 miliarde km, la aceiasi inaltime viteza si distante intre stele planete si soare, evenimente inexplicabile, etc. Din cauza ca foarte multe creaturi, zei, persoane, etc, sunt inconstiente, dezinformate, etc, s-au asezat in locul la creatorul existentei stiintelor persoanelor pacii iubirii dreptatii intelegerii respectului etc, etern invizibil ILIS INIS GSEIS, si Sfera Invizibila Vie Infinita, sau au asezat in locul lor, porci, oi, engleza, araba, Biblie, Coran, telepatia, aur, petrol, bani, nepasarea, dezinformarea, cenzura, zei, suflete, anatomia, lemne, icoane, carti, apa sarata, mutilari, sacrificii, nebunii, epoca de piatra, minciuni, etc. ----- Eu asi vrea sa vad, simt, etc, macar o zi, asa cum vede, simte, etc, creatorul existentei stiintelor persoanelor pacii iubirii dreptatii intelegerii respectului etc, etern invizibil ILIS INIS GSEIS. Sau poate vad simt, etc, ca el, de mai multi ani, fara sa imi dau seama. ----- Suntem prea slabi, dezinformati, dezinteresati, neajutorati, etc, si avem prea putine stiinte, magii, tehnologii, instrumente, etc, pentru ca sa studiem creaturi invizibile precum creatorul existentei stiintelor persoanelor pacii iubirii dreptatii intelegerii respectului etc, etern invizibil ILIS INIS GSEIS, si Sfera Invizibila Vie Infinita. ------ Observ in cartea Etern Ordin Infinit, ca aproape tot ce mi-au explicat si mi-au aratat, toti zeii sufletele persoanele creaturile etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, sunt minciuni, galagie, pierdere de timp, moarte, etc. ------ Observ in cartea Etern Ordin Infinit, ca tot ce mi-au explicat si mi-au aratat, stiintele, tehnologia, creatorul existentei stiintelor persoanelor pacii iubirii dreptatii intelegerii respectului etc, etern invizibil ILIS INIS GSEIS, Sfera Invizibila Vie Infinita, adevarul, iubirea, respectul, intelegerea, dreptatea, egalitatea, unitatea, ordinea, etc, sunt miracole, energii, iubire, respect, eternitate, pace, adevar, realitate, salvare, sanatate, inteligenta, necesitati, etc. ------ Creatorul existentei a creat existenta, stiintele, tehnologia, adevarul, iubirea, respectul, intelegerea, dreptatea, egalitatea, unitatea, ordinea, galaxiile, creaturile, zeii, persoanele, 1+1=2, etc. Restul de creaturi doar au tradus din format invizibil in format vizibil. Minciunile, razboaiele, talhariile, rasismul, trilioane de alfabete limbi religii politici cantece carti etc, etc, au fost create de persoane, si au fost distruse de adevar, stiinte, intelegere, ordine, unitate, egalitate, dreptate, respect, pace, eternitate, timp, spatiu, infinit, etc. Creaturile, zeii, persoanele, sufletele, stiintele, fenomenele, planetele, galaxiile, etc, care nu pot fi vindecate, salvate, pacificate, trezite, desteptate, dezintoxicate, exorcizate, si eternizate cu cartea Etern Ordin Infinit remor reinvie retraiesc si reexista la infinit. Asa a fost creat de creatorul existentei. ----- Unele persoane zei creaturi etc, nu isi dau seama ca se fura, inseala, drogheaza, otravesc, mutileaza, streseaza si omoara cu epoca de piatra, apa sarata, mutilari, circumcizii, rugaciuni, dezinformare, nepasare, neatentie, neintelegere, necunoscut, neincredere, asteptare, secrete, minciuni, imposibil, inexistent, ireal, expirat, antistiinte, intuneric, etc. ------ Unele persoane zei creaturi etc, nu isi dau seama ca se pot respecta, elibera, ajuta, dezintoxica, vindeca, salva, destepta, energiza, alimenta, si eterniza numai cu ajutorul la cartea Etern Ordin Infinit, creatorul existentei stiintelor persoanelor pacii iubirii dreptatii intelegerii respectului etc, etern invizibil ILIS INIS GSEIS, Sfera Invizibila Vie Infinita, adevar, stiinte, intelegere, ordine, unitate, egalitate, dreptate, respect, pace, eternitate, timp, spatiu, infinit, etc. Aceste explicatii sunt mai necesare, si puternice decat orice magie, fenomen, substanta, amulet, icoana, zeu, persoana, etc, si au fost realizate de creatorul existentei. Avem prea putine organe, instrumente, informatii, tehnologii, stiinte, magii, etc, ca sa credem sau sa contrazicem creatorul existentei sau care sunt toate calitatile actiunile activitatile realizarile organele etc ale lui. Sigur nu este vorba de un corp uman. Corpul uman nu poate construi astfel de mesaje, coduri si anunturi video paranormale matematice inexplicabile necunoscute etc, si astfel de evenimente. ------- Dupa ce au cautat spiat investigat studiat scris si explicat toate persoanele zeii sufletele creaturile etc, din tot infinitul trecut spatiu, si din tot infinitul viitor spatiu, am gasit si am aflat despre creatorul existentei stiintelor persoanelor

3559. I noticed with great sadness that the camera, the microscope, the telescope, the technology, the laboratories, the intelligence and the information with which can think and work all the gods, souls, persons, creatures, etc from all the past infinite space and from all the future infinite space, etc, cannot analyze and feel the creator of the existence of the persons sciences peace love justice understanding respect etc, eternal invisible ILIS INIS GSEIS, and the Infinite Living Invisible Sphere, more than they have been described, presented, and recorded in the holy language of the infinite time and space, the book Eternal Infinite Order, and ESGSEIS video codes. Assassins, terrorists, robbers, drug addicts, envious, unconscious, devils, savages, idiots, and accomplices, stole and hid the creator of the existence, the Infinite Living Invisible Sphere, the truth, love, eternity infinity past present future space, justice, peace, etc, for several years and several thousand km. Or probably all the infinite past present future space. ------ The camera cannot record rays wifi gps gsm tv radio unknown magic etc, neither souls, nor the creator of the existence of the persons sciences peace love justice understanding respect etc, eternal invisible ILIS INIS GSEIS, nor the Infinite Living Invisible Sphere. Some proofs that there is the creator of the existence of the sciences of the persons, peace, love, justice, understanding, respect, etc, eternal invisible, ILIS INIS GSEIS, and the Infinite Living Invisible Sphere, are: I was born on January 2, 1975 at 11:30 p.m., my height is 175 cm, the codes video ESGSEIS, the movement of the solar galaxy over a distance of 4500 billion km, at the same height, speed and distance between stars, planets and the sun, inexplicable events, etc. Because many creatures, gods, persons, etc, are unconscious, misinformed, etc, have taken the place of the creator of the existence of the sciences of the persons, peace, love, justice, understanding, respect, etc, eternally invisible ILIS INIS GSEIS, and the Infinite Living Invisible Sphere, or they put in their place, pigs, sheep, English, Arabic, Bible, Koran, telepathy, gold, oil, money, carelessness, misinformation, censorship, gods, souls, anatomy, wood, icons, books, salt water, mutilations, sacrifices, madness, the stone age, lies, etc. ----- I would like to see, feel, etc, at least one day, as sees, feels, etc, the creator of the existence of the persons, sciences, peace, love, justice, understanding, respect, etc, eternally invisible ILIS INIS GSEIS. Or maybe I see, feel, etc, like him, for many years, without realizing it. ----- We are too weak, misinformed, disinterested, helpless, etc, and we have too few sciences, magic, technologies, tools, etc, to study invisible creatures such as the creator of the existence of the persons, sciences, peace, love, justice, understanding, respect, etc, eternal invisible ILIS INIS GSEIS, and the Infinite Living Invisible Sphere. ----- I notice in the book Eternal Order Infinite, that almost everything they explained and showed me, all the gods, souls, persons, creatures, etc from all the infinite past space and from all the infinite future space, are lies, nonsense, loss of time, death, etc. ------ I notice in the book Eternal Order Infinite, that everything explained and showed me, the sciences, technology, the creator of the existence of the sciences of the persons, peace, love, justice, understanding, respect, etc, eternally invisible ILIS INIS GSEIS, the Living Invisible Sphere Infinity, the truth, love, respect, understanding, justice, equality, unity, order, etc, are miracles, energies, love, respect, eternity, peace, truth, reality, salvation, health, intelligence, necessities, etc. ------ The creator of the existence has created the existence, sciences, technology, truth, love, respect, understanding, justice, equality, unity, order, galaxies, creatures, gods, persons, 1+1=2, etc. The rest of the creatures just translated from invisible to visible format. The lies, wars, robberies, racism, trillions of alphabets, languages, religions, politics, songs, books, etc, etc, have been created by persons, and have been destroyed by truth, sciences, understanding, order, unity, equality, justice, respect, peace, eternity, time, space, infinity, etc. The creatures, gods, persons, souls, sciences, phenomena, planets, galaxies, etc, which cannot be healed, saved, pacified, awakened, detoxified, exorcised, and eternalized with the book Eternal Order Infinite redead revive and re-exist to infinity. This is how it was created by the creator of the existence. ----- Some persons, gods, creatures, etc, do not realize that they steal, cheat, drug, poison, mutilate, stress and kill themselves, with the stone age, salt water, mutilations, circumcisions, prayers, misinformation, carelessness, inattentiveness, misunderstanding, unknown, mistrust, waiting, secrets, lies, impossible, non-existent, unreal, expired, anti-science, darkness, etc. ------ Some persons, gods, creatures, etc, do not realize that they can respect, free,

help, detox, heal, save, smart, energizes, nourishes, and eternalizes themselves, only with the help of the book Eternal Infinite Order, the creator of the existence of people's sciences, peace, love, justice, understanding, respect, etc, eternally invisible ILIS INIS GSEIS, the Infinite Living Invisible Sphere, truth, science, understanding, order, unity, equality, justice, respect, peace, eternity, time, space, infinity, etc. These explanations are more necessary and powerful than any magic, phenomenon, substance, amulet, icon, god, person, etc, and were made by the creator of the existence. We have too few organs, instruments, information, technologies, sciences, magic, etc, to believe or contradict the creator of the existence or what are all his qualities, actions, activities, achievements, organs, etc. It is certainly not a human body. The human body cannot construct such messages, codes and video announcements, unexplained mathematical paranormals, etc, and such events. ------- After have searched, spied, investigated, studied, wrote, and explained all the persons, gods, souls, creatures, etc, from all the infinite past space, and from all the infinite future space, I found and learned about the creator of the existence of the sciences of the persons, peace, love, justice understanding, respect, etc, eternal invisible ILIS INIS GSEIS, Infinite Living Invisible Sphere, truth, science, understanding, order, unity, equality, justice, respect, peace, eternity, time, space, infinity, etc, only as written in the book Eternal Order Infinite.
